Charm

Tracy Wolff

The final installment of the bestselling Crave series is a must-have—a romantic, thrilling enemies story that chronicles the four missing months that occur between Crave and Crush.

The first time Grace turned into a gargoyle, she lost her memories for an entire four months. And when she woke up, she had the enigmatic, infuriating Hudson Vega inside her head. Hudson is the last boy she ever expected, and certainly the most obnoxious boy she’s ever met. If he doesn't shut up, she just might kill him...if she doesn't kiss him first.

Series fans will be dying for answers to the most pressing questions from the Crave series: What happened to Grace during those four months? How did she survive, how did she escape, and how did Hudson end up coming back to life? And most importantly…how did the two of them fall in love?

Crave

Tracy Wolff

The vampire sensation that started it all, Crave is finally in paperback for a whole new set of fans, full of unique bonus content and simultaneous with the series’ completion.

My whole world changed when I stepped inside the academy. Nothing is right about this place. Or the other students in it. Here I am, a mere mortal among gods…or monsters. I still can’t decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me.

And then there’s Jaxon Vega. A prince. A vampire. An annoyingly kissable boy who hasn’t felt a thing in over a hundred years. But there’s a darkness to him. A secret craving that threatens to consume him whole.

Which could spell death for us all.

Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I’m wondering if I was brought here intentionally—as the bait.

The Rules of Love
Kerri Carpenter

An accidental pregnancy with a one-night stand in your small hometown? She’ll break all the rules in this charming new small-town series from USA Today bestselling author Kerri Carpenter.

Rule #1: Always listen to Grandma’s advice – broken

Social media strategist Lauren Wallace has always butted heads with her grams. That doesn’t bode well for her extended trip home to Seaside Cove, Maine. Neither does running into her former friend turned enemy, bar owner Ethan MacAllister. Funny how quickly a little verbal sparring can turn into flirting. When Lauren finds herself pregnant after their one-night stand, she knows it’s time to lay some ground rules.

Rule #2: Do not have a one-night stand – broken

Reeling from a divorce where his ex-wife used him to get a green card, Ethan wants to turn his life around. He couldn’t be happier for a second chance, especially with the woman he’s liked for over a decade. But the two of them are polar opposites and Lauren can’t seem to see past his laid-back persona from high school. Ethan’s not even sure if he’s ready to get involved again. But if he is, how can he convince Lauren he’s changed?

Rule #3: Do not fall in love….

Lauren has always loved a challenge and being in charge. But life keeps throwing curve balls in her direction. With taking care of her grandmother and sisters, being pregnant, and navigating her feelings for Ethan, maybe the best way to figure out the rules is by breaking them.

A LAUGH-OUT-LOUD YA ROMANCE WITH A SMART CAST.

**STARRED REVIEW, PUBLISHERS WEEKLY**
At Entangled Publishing, we believe authors who write great books should receive a majority of the profits. We also believe authors interested in the lucrative indie publishing model shouldn’t have to sacrifice quality editing, commercial covers, or the power of a New York-style marketing machine. That’s where we come in. Founded by industry-savvy authors, Entangled Publishing utilizes a bold new business model to bridge the gap between traditional and indie publishing, giving our authors the best of both worlds. We implement the agency model across all departments at Entangled, which means everyone from the copy editor to the marketing director has a financial stake in your book. In other words, we don’t make money unless you make money.
