The Warsaw Protocol

Steve Berry

In New York Times bestseller Steve Berry’s latest Cotton Malone adventure, the arrogant greed of politics comes face-to-face with the weight of history.

One by one the seven precious relics of the Arma Christi, the weapons of Christ, are disappearing from sanctuaries across the world.

After former Justice Department agent Cotton Malone witnesses the theft of one of them, he learns from his old boss, Stephanie Nelle, that a private auction is about to be held where incriminating information on the president of Poland will be offered to the highest bidder—blackmail that both the United States and Russia want, but for vastly different reasons.

The price of admission to that auction is one of the relics, so Malone is first sent to a castle in Poland to steal the Holy Lance, a thousand-year-old spear sacred to not only Christians but to the Polish people, and then on to the auction itself. But nothing goes as planned and Malone is thrust into a bloody battle between three nations over a secret that, if exposed, could change the balance of power in Europe.

From the tranquil canals of Bruges, to the elegant rooms of Wawel Castle, to the ancient salt mines deep beneath the earth outside Krakow, Malone is caught in the middle of a deadly war—the outcome of which turns on something known as the Warsaw Protocol.

Christi Daugherty

Crime reporter Harper McClain is back on the beat when a troubled musician vanishes in Christi Daugherty’s Revolver Road.

Even in the chill of February, no place touches Harper McClain’s heart like Savannah. She should be walking beneath the historic city’s towering oaks, surrounded by graceful mansions. Instead, she’s hiding miles away on Tybee Island after a mysterious voice on the phone warned her that someone wanted her dead. The call was too specific to ignore. The caller knew everything about her. But that was months ago, and she’s getting tired of being scared.

Her only escape is her work at the newspaper, where the hottest story in town is the disappearance of Xavier Rayne. The singer had a hit album on his hands, and was about to go on tour, but then he walked out of his beachfront home and vanished. The police believe he drowned, but Harper suspects his disappearance may be more ominous than that. Something doesn’t feel right about it.

His bandmates and actress girlfriend say he’s run away before. They expect him to come home. Until a body washes up with two bullet holes in it. Now everyone in Rayne’s life is a suspect. As Harper digs deeper into the case, though, the threats against her own life return. The phone call she received was very real. A killer from her past is coming for her.

Now she must solve two murders, or end up dying on Revolver Road…

Jennifer Hillier

From the author of Jar of Hearts, a mother driven to the edge by the disappearance of her son learns her husband is having an affair with the woman who might have kidnapped him.

Four hundred and eighty seconds. That’s how long it took for someone to steal Marin Machado's four-year-old son.

Marin had the perfect life. Married to her college sweetheart, she owns a chain of upscale hair salons, and Derek runs his own company. They’re admired in their community and are a loving family. Up until the day Sebastian is taken.

A year later, Marin is a shadow of herself. The FBI search has gone cold. The publicity has faded. She and her husband rarely speak. The only thing keeping her going is the unlikely chance that one day Sebastian reappears. She hires a P.I. to pick up where the police left off, but instead of finding him, she discovers that Derek is having an affair with a younger woman.

Kenzie Li is an artist and grad student—Instagram famous—and up to her eyeballs in debt. She knows Derek is married. She also knows he's rich, and dating him comes with perks: help with bills, trips away, expensive gifts. He isn't her first rich boyfriend, but she finds herself hoping he'll be the last. She's falling for him—and that was never part of the plan.

Discovery of the affair sparks Marin back to life. She's lost her son; she's not about to lose her husband, too. Kenzie is an enemy with a face, which means this is a problem Marin can fix. But as she sets a plan in motion, another revelation surfaces. Derek's lover might know what happened to their son. And so might Derek.

Present-day. Millers Kill Police Chief Russ van Alstyne gets a 911 call that a young woman has been found dead in a party dress, the same MO as the crime he was accused of in the 70s. The pressure is on for Russ to solve the murder before he's removed from the case.

Russ will enlist the help of his police squad and Reverend Clare Fergusson, who is already juggling the tasks of being a new mother to her and Russ's baby and running St. Alban's Church, to finally solve these crimes.

According to Mary, they both also look like the long-beheaded Mary Queen of Scots. Even stranger, Mary believes she is reincarnation of the Scottish queen.
