Will our Mythic heroes be able to stand against Chaos incarnate and its disciples?!

One by one we've met the young descendants—Yuko, from Japan; Parvati, from India; Amir, from Egypt; Abigail, from Germany; Miguel, from Mexico; and Neo, from Greece. Our six adolescent heroes finally join forces, combining the powers bestowed upon them by the ancient gods, to combat the entity known as Evil. Also, a new foe, Chaos incarnate is wreaking havoc all over the world. Further complicating matters: what happens when Evil's disciples, those once close to the Mythics and used to manipulate them, escape? It's another globe-trotting adventure as these new young gods struggle to save the world.

Master Cartoonist Lewis Trondheim's engaging madcap fantasy series!

From the award-winning mind of cartoonist Lewis Trondheim comes the expansive and rich anthropomorphic medieval world of Ralph Azham. After failing the test of the Chosen One as a young duck, Ralph had a tough time growing up as the village pariah, often getting into trouble due to an innate extra sense that's rather unbelievable, embarrassing, and unfortunate. That was only compounded by the constant visit of spirits that only he, Ralph, could see. Cut to today, his village is threatened by a vicious Horde, an apocalyptic flood may take the life of Ralph's only supporter, his father, and the Wise Men's Counsel are out for Ralph's hide after rumors he had his way with one of their daughters. Ultimately Ralph must leave the village and unlock the secrets of his childhood as he journeys to the Kingdom of ...

Lewis Trondheim, is a French cartoonist and one of the founders of the independent publisher L'Association. Both his silent comic *La Mouche* and *Kaput* and *Zösky* have been made into animated cartoons.
