**Never Saw You Coming**  
*A Novel*  
Erin Hahn

*Tell Me Three Things* meets *Saved!* in Erin Hahn’s next thrilling contemporary about forgiveness and first love

Raised by conservative parents, 18-year-old Meg Hennessey just found out her entire childhood was a lie. Instead of taking a gap year before college to find herself, she ends up traveling north to meet what’s left of the family she never knew existed.

While there, she meets Micah Allen, a former pastor’s kid whose dad ended up in prison, leaving Micah with his own complicated relationship about the church. The clock is ticking on Pastor Allen’s probation hearing and Micah, now 19, feels the pressure to forgive - even when he can’t possibly forget.

As Meg and Micah grow closer, they are confronted with the heavy flutterings of first love and all the complications it brings. Together, they must navigate the sometimes-painful process of cutting ties with childhood beliefs as they build toward something truer and straight from the heart.

In Erin Hahn’s *Never Saw You Coming*, sometimes it takes a leap of faith to find yourself.

Bright Ruined Things

Samantha Cohoe

Set over the course of a day, a girl realizes her life on a glittering, magical island isn’t what it seems in a 1920s-set fantasy, inspired by The Tempest.

The only life Mae has ever known is on the island, living on the charity of the wealthy Prosper family who control the magic on the island and the spirits who inhabit it. Mae longs for magic of her own and to have a place among the Prosper family, where her best friend, Coco, will see her as an equal, and her crush, Miles, will finally see her. Now that she’s eighteen, Mae knows her time with the Prospers may soon come to an end.

But tonight is First Night, when the Prospers and their high-society friends return to the island to celebrate the night Lord Prosper first harnessed the island’s magic and started producing aether – a magical fuel source that has revolutionized the world. With everyone returning to the island, Mae finally has the chance to go after what she’s always wanted.

When the spirits start inexplicably dying, Mae starts to realize that things aren’t what they seem. And Ivo, the reclusive, mysterious heir to the Prosper magic, may hold all the answers – including a secret about Mae’s past that she doesn’t remember. As Mae and her friends begin to unravel the mysteries of the island, and the Prospers’ magic, Mae starts to question the truth of what her world was built on.

"A deftly-plotted tale about ambition and belonging, Bright Ruined Things takes Shakespeare’s The Tempest and brilliantly reimagines its themes of family and love. Cohoe writes with a magic that dazzles and cuts right to the core." - Chloe Gong, ...

Within These Wicked Walls

A Novel

Lauren Blackwood

Emily A. Duncan meets Tomi Adeyemi in this Ethiopian-inspired fantasy retelling of Jane Eyre

Andromeda is a debtera—an exorcist hired to cleanse households of the Evil Eye. She *would* be hired, that is, if her mentor hadn’t thrown her out before she could earn her license. Now her only hope of steady work is to find a Patron—a rich, well-connected individual who will vouch for her abilities.

When a handsome young heir named Magnus Rochester reaches out to hire her, she takes the job without question. Never mind that he’s rude and demanding and eccentric, that the contract comes with a number of outlandish rules… and that almost a dozen debtera had quit before her. If Andromeda wants to earn a living, she has no choice.

But she quickly realizes this is a job like no other, with horrifying manifestations at every turn, and that Magnus is hiding far more than she has been trained for. Death is the most likely outcome if she stays, the reason every debtera before her quit. But leaving Magnus to live out his curse alone isn’t an option because—heaven help her—she’s fallen for him.

Stunningly romantic, Lauren Blackwood’s heartstopping debut, *Within These Wicked Walls*, ushers in an exciting new fantasy voice.

PRAISE

"*Within These Wicked Walls* is an indulgently Gothic fairy tale, comparable in mastery with *Mexican Gothic* and *Jane Eyre*. “Brilliantly plotted with transportive prose, Blackwood has created a delightfully fresh take on *Jane Eyre* absolutely dripping with Gothic fun.” —Emily A. Duncan, *New York Times* bestselling author of *Ruthless Gods*

I Am Margaret Moore

A Novel

Hannah Capin

Four friends are excited about the summer ahead of them, until the events of the previous year come back to haunt them in this twisty paranormal thriller.

I am a girl. I am a monster, too.

Each summer the girls of Deck Five come back to Marshall Naval School. They sail on jewel-blue waters; they march on green drill-fields; they earn sunburns and honors. They push until they break apart and heal again, stronger.

Each summer Margaret and Rose and Flor and Nisreen come back to the place where they are girls, safe away from the world: sisters bound by something more than blood.

But this summer everything has changed. Girls are missing and a boy is dead. It's because of Margaret Moore, the boys say. It's because of what happened that night in the storm.

Margaret’s friends vanish one by one, swallowed up into the lies she has told about what happened between her and a boy with the world at his feet. Can she unravel the secrets of this summer and last, or will she be pulled under by the place she once called home?

Lyrical and haunting, I Am Margaret Moore is a paranormal thriller that tests the hold of sisterhood and truth.
