# When You Get the Chance

*A Novel*

Emma Lord

**An effervescent, endearing, joyful contemporary romance of one young woman searching for her birth mother one summer, by New York Times bestselling author Emma Lord.**

Nothing will get in the way of Millie Price's dream to become a Broadway star. Not her lovable but super-introverted dad, who after raising Millie alone, doesn't want to watch her leave home to pursue her dream. Not her pesky and ongoing drama club rival, Oliver, who is the very definition of Simmering Romantic Tension. And not the "Millie Moods," the feelings of intense emotion that threaten to overwhelm, always at maddeningly inconvenient times. Millie needs an ally. And when a left-open browser brings Millie to her dad's embarrassingly moody LiveJournal from 2003, Millie knows just what to do. She's going to find her mom.

There's Steph, a still-aspiring stage actress and receptionist at a talent agency. There's Farrah, ethereal dance teacher who clearly doesn't have the two left feet Millie has. And Beth, the chipper and sweet stage enthusiast with an equally exuberant fifteen-year-old daughter (A possible sister?! This is getting out of hand). But how can you find a new part of your life and expect it to fit into your old one, without leaving any marks? And why is it that when you go looking for the past, it somehow keeps bringing you back to what you've had all along?

Joyous, heartfelt, and brimming with emotion, *When You Get the Chance* is a novel about falling in love, making a mess, and learning to let go that will have you happy-sobbing and cheering all the way to the end.

# You Have a Match

*A Novel*

Emma Lord

**The New York Times bestseller and Winter YA Reese Book Club Pick, now in paperback!**

When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie... although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front.

But she didn't know she's a younger sister.

When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents—especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself.

The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a secret that threatens to unravel everything.

But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones.

*A Novel*

Meg Long

**A captivating debut about survival, found family, and the bond between a girl and a wolf that delivers a fresh twist on classic survival stories and frontier myths.**

After angering a local gangster, seventeen-year-old Sena Korhosen must flee with his prize fighting wolf, Iska, in tow. A team of scientists offer to pay her way off her frozen planet on one condition: she gets them to the finish line of the planet's infamous sled race. Though Sena always swore she'd never race after it claimed both her mothers' lives, it's now her only option. But the tundra is a treacherous place, and as the race unfolds and their lives are threatened at every turn, Sena starts to question her own abilities. She must discover whether she's strong enough to survive the wild—whether she and Iska together are strong enough to get them all out alive.

## Edgewood

*A Novel*

Kristen Ciccarelli

**Internationally bestselling author Kristen Ciccarelli weaves an epic love story of a girl forced to return to the home she's left behind in order to break a terrible curse**

No matter how far she runs, the forest of Edgewood always comes for Emeline Lark. The scent of damp earth curls into her nose when she sings and moss creeps across the stage. It's as if the woods of her childhood, shrouded in folklore and tall tales, are trying to reclaim her. But Emeline has no patience for silly superstitions.

When she learns her grandfather disappeared from his nursing home, leaving only a milky orb in his wake, the stories Emeline has always scoffed at suddenly seem less foolish. After searching for him almost everywhere, Emeline finally succumbs to the call of Edgewood, entering the forest she has spent years trying to escape.

Emeline finds herself in the court of the fabled Wood King himself. She makes a deal—her voice for her grandfather's freedom. Little does she know, she's stumbled into the middle of a curse much bigger than herself, one that threatens the existence of a life she has worked so hard to forget.

With the help of a handsome and brooding tithe collector, a surly blacksmith, and a lost childhood friend, Emeline sets out to not only save her grandfather's life, but to right past wrongs, and in the process, discover her true voice.

**PRAISE**

**"Darkly gorgeous and moving, *Edgewood* is full of curses and fae magic that will capture your heart and wrap it in thorns before setting you free again, forever changed. I devoured *Edgewood* whole and couldn't put it down."** —Evelyn Skye, *New York Times* bestselling author of *The Crown's Game*

**"*Edgewood* has everything I love in a Kristen Ciccarelli book: lyrical prose, a romance that will hurt, and themes rooted in raw and intimate questions, making for a timeless tale."** - Joan He, *New York Times* bestselling author of *The Ones We're Meant to Find*

KRISTEN CICCARELLI grew up on her grandfather's grape farm where she spent her childhood running through his vineyards and adventuring in the deep, dark woods behind his house. She now resides in a blustery seaside cove on a misty island in the North Atlantic. When she's not writing, you can find her hiking in the headlands with her dog, playing board games with her husband, or sipping tea by the wood stove. She is also the author of the internationally bestselling Iskari series.

#### PRAISE

**Praise for the *Jessica Darling* series:**

**“McCafferty looks at travails with humor as well as heart.” —*People***

**“Jessica is a captivating, intelligent, acidly funny-but always believably adolescent-narrator who is unsparing in her sketches of Pineville High ‘society’ yet touchingly alive to her own vulnerabilities.” —*Publishers Weekly***

MEGAN MCCAFFERTY writes fiction for tweens, teens and teens-at-heart of all ages. The author of eleven novels, she's best known for *Sloppy Firsts* and four more books in the *New York Times* bestselling Jessica Darling series. Described in her first review as “Judy Blume meets Dorothy Parker” (*Wall Street Journal*), she's been trying to live up to that high standard ever since.

## Full Flight

Ashley Schumacher

**A heartbreaking novel about finding your first love and what happens when it's over too soon.**

Everyone else in the tiny town of Enfield, Texas, calls fall football season, but for the forty-three members of the Fighting Enfield Marching Band, it's contest season. And for new saxophonist Anna James, it's her first chance to prove herself as the great musician she's trying hard to be.

When she's assigned a duet with mellophone player Weston Ryan, the boy her small-minded town thinks of as nothing but trouble, she's equal parts thrilled and intimidated. But as he helps her with the duet, and she sees the smile he seems to save just for her, she can't help but feel like she's helping him with something too.

When her strict parents find out she's been secretly seeing him and keep them apart, Anna and Weston learn what it truly means to fight for something they love. With the marching contest nearing and the two falling hard for one another, the unthinkable happens, and Anna is left grappling for a way forward without Weston.

Ashley Schumacher's *Full Flight* is about how first love shapes us—even after it's gone.

## A Far Wilder Magic

Allison Saft

**A romantic YA fantasy perfect for fans of Erin A. Craig and Margaret Rogerson, about two people who find themselves competing for glory—and each other's hearts—in a magical fox hunt.**

When Margaret Welty spots the legendary hala, the last living mythical creature, she knows the Halfmoon Hunt will soon follow. Whoever is able to kill the hala will earn fame and riches, and unlock an ancient magical secret. If Margaret wins the hunt, it may finally bring her mother home. While Margaret is the best sharpshooter in town, only teams of two can register, and she needs an alchemist.

Weston Winters isn't an alchemist—yet. Fired from every apprenticeship he's landed, his last chance hinges on Master Welty taking him in. But when Wes arrives at Welty Manor, he finds only Margaret and her bloodhound Trouble. Margaret begrudgingly allows him to stay, but on one condition: he must join the hunt with her.

Although they make an unlikely team, Wes is in awe of the girl who has endured alone on the outskirts of a town that doesn't want her, in this creaking house of ghosts and sorrow. And even though Wes disrupts every aspect of her life, Margaret is drawn to him. He, too, knows what it's like to be an outsider. As the hunt looms closer and tensions rise, Margaret and Wes uncover dark magic that could be the key to winning the hunt—if they survive that long. In *A Far Wilder Magic*, Allison Saft has written an achingly tender love story set against a deadly hunt in an atmospheric, rich fantasy world that will sweep you away.

## This May End Badly

*A Novel*

Samantha Markum

**When a high stakes boarding school prank war leads to a fake dating scheme, two teens must decide if they are ready to take the ultimate risk—falling in love**

Pranking mastermind Doe and her motley band of Weston girls are determined to win the century-long war against Winfield Academy before the clock ticks down on their senior year. But when their headmistress announces that The Weston School will merge with its rival the following year, their longtime feud spirals into chaos.

To protect the school that has been her safe haven since her parents' divorce, Doe puts together a plan to prove once and for all that Winfield boys and Weston girls just don't mix, starting with a direct hit at Three, Winfield's boy king and her nemesis. In a desperate move to win, Doe strikes a bargain with Three's cousin, Wells: If he fake dates her to get under Three's skin, she'll help him get back his rightful family heirloom from Three.

As the pranks escalate, so do her feelings for her fake boyfriend, and Doe spins lie after lie to keep up her end of the deal. But when a teacher long suspected of inappropriate behavior messes with a younger Weston girl, Doe has to decide what's more important: winning a rivalry, or joining forces to protect something far more critical than a prank war legacy.

# Perfect on Paper

*A Novel*

Sophie Gonzales

**Leah on the Offbeat meets *To All the Boys I've Loved Before*: a bisexual girl who gives anonymous love advice to her classmates is hired by the hot guy to help him get his ex back.**

"*Perfect on Paper* is perfectly wonderful." —Becky Albertalli

*Her advice, spot on. Her love life, way off.*

Darcy Phillips:

- Can give you the solution to any of your relationship woes—for a fee.
- Uses her power for good. Most of the time.
- Really cannot stand Alexander Brougham.
- Has maybe not the best judgement when it comes to her best friend, Brooke...who is in love with someone else.
- Does not appreciate being blackmailed.

However, when Brougham catches her in the act of collecting letters from locker 89—out of which she's been running her questionably legal, anonymous relationship advice service—that's exactly what happens. In exchange for keeping her secret, Darcy begrudgingly agrees to become his personal dating coach—at a generous hourly rate, at least. The goal? To help him win his ex-girlfriend back.

Darcy has a good reason to keep her identity secret. If word gets out that she's behind the locker, some things she's not proud of will come to light, and there's a good chance Brooke will never speak to her again.

Okay, so all she has to do is help an entitled, bratty, (annoyingly hot) guy win over a girl who's already fallen for him once? What could go wrong?
