Mr. Trump's Wild Ride

*The Thrills, Chills, Screams, and Occasional Blackouts of An
Extraordinary Presidency*

Major Garrett

**A chronicle of the Trump administration's first year, from the
inside perspective of a White House press correspondent.**

American politics today are more polarizing and divisive than ever, but there's one thing we can all agree on; 2017 was one long, crazy year. There were too many triumphs and tragedies to count, and dozens of moments that will impact our lives for years to come; for even the most die-hard political junkies, some of the details are already starting to fall through the cracks. When every year in Trumpland feels like a decade, who can we turn to for an authoritative, entertaining breakdown of the most important and wide-reaching events? Look no further than Major Garrett. As CBS News' Chief White House Correspondent, he's been strapped into the front seat of *Mr. Trump's Wild Ride* since Inauguration Day.

Garrett has served as a White House correspondent for nearly two decades, covering the last four presidents for three different news outlets; he's an expert in executive branch intrigue, and he knows a little something about taking the long view. *Mr. Trump's Wild Ride* is neither an exercise in Trump-bashing nor a pro-Trump pep rally. It's a definitive, non-biased chronicle of a watershed year in the White House. Buckle up; we're in for a bumpy ride.

MAJOR GARRETT has been a fixture in executive branch reporting for seventeen years, serving as a White House correspondent for three news outlets during the last four administrations. He has been CBS News' Chief White House Correspondent since 2012, and is a substitute anchor of *Face the Nation*. GARRETT graduated from the University of Missouri with degrees in journalism and political science. A native of San Diego, he lives in Washington, D.C.

American Fix

Inside the Opioid Addiction Crisis - and How to End It

Ryan Hampton

In *American Fix*, Ryan Hampton tells his story of recovery, provides a comprehensive guide to understanding the national opioid crisis, and offers an agenda for how to address it.

Nearly every American knows someone who has been affected by the opioid crisis. Addiction is a trans-partisan issue that impacts individuals from every walk of life. Millions of Americans, tired of watching their loved ones die while politicians ignore this issue. Where is the solution? Where is the hope? *Where's the outrage?*

Ryan Hampton is a young man who has made addiction and recovery reform his life's mission. Through the wildly successful non-profit organization Facing Addiction, Hampton has been rocketed to the center of America's rising recovery movement — quickly emerging as the de facto leader of the national conversation on addiction. He understands firsthand how easy it is to develop a dependency on opioids, and how destructive it can quickly become. Now, he is waging a permanent campaign to change our way of thinking about and addressing addiction in this country.

In *American Fix*, Hampton describes his personal struggle with addiction, outlines the challenges that the recovery movement currently faces, and offers a concrete, comprehensive plan of action towards making America's addiction crisis a thing of the past.

PRAISE

"The opioid crisis affects so many all across America — I'm proud that Ryan found help and is now helping others."

-President Bill Clinton

"You can feel Ryan Hampton's passion, outrage, and hope. *American Fix* is the social justice call to action we need to put an end to this generation's most urgent public health crisis. This book will make you rethink everything you know about addiction."

-Van Jones, Author, CNN Host, and Founder of #cut50 and the Dream Corps

"Ryan's story gives government leaders on both sides of the aisle smart commonsense solutions to consider. Hopefully, by writing *American Fix*, Ryan will make even more strides in breaking ...

Ryan Hampton is a national addiction recovery advocate and person in sustained recovery. He has worked with multiple non-profits across the country and served in a staff capacity for various political campaigns. A former White House staffer, Hampton is in recovery from 10 years of active opioid use. He is a leading voice in America's rising recovery movement. His interviews have appeared on NPR and HLN, and in Forbes, Slate, the Wall Street Journal, and others. He lives in

Trumponomics

Inside the America First Plan to Get Our Economy Back on Track

Stephen Moore and Arthur B. Laffer

Stephen Moore and Arthur B. Laffer describe and defend Donald Trump's economic plan for bringing jobs back to the American heartland.

Almost every area of Donald Trump's presidency has been fraught with controversy, with one notable exception—economics. Even his staunchest opponents grudgingly admit that so far, Trump's policies have been good for business.

In *Trumponomics*, conservative economists Stephen Moore and Arthur B. Laffer offer the first strong defense of the president's approach to trade, taxes, employment, infrastructure, and more. Moore and Laffer were instrumental in forming the economic policy that became the backbone of Trump's appeal as a candidate, and they still advise the president on economic policy. *Trumponomics* argues for the success of the policies that have already been implemented, refutes criticism of the president's populist economic agenda, and explains further steps he can take to bring back American prosperity.

STEPHEN MOORE and ARTHUR B. LAFFER are the economists behind the job creation platform that brought Trump to victory. STEPHEN MOORE is a former member of the *Wall Street Journal's* editorial board, and the Distinguished Visiting Fellow for The Heritage Foundation's Project for Economic Growth. ARTHUR B. LAFFER, the Father of Supply-Side Economics, was a member of Reagan's Economic Policy Advisory Board.

Paper Gods

A Novel of Money, Race, and Politics

Goldie Taylor

The mayor of Atlanta and a washed-up reporter investigate a series of assassinations, and uncover a conspiracy that reaches into the heart of the city's political machine.

Mayor Victoria Dobbs Overstreet is a Harvard-trained attorney and Spelman alum, married to a celebrated heart surgeon, mother to beautiful twin girls, and a political genius. When her mentor, ally, and friend Congressman Ezra Hawkins is gunned down in Ebenezer Baptist Church, Victoria finds a strange piece of origami—a “paper god”—tucked inside his Bible. These paper gods turn up again and again, always after someone is killed. Someone is terrorizing those who are close to Mayor Dobbs, and she can't shake the feeling that the killer is close to her, too.

PRAISE

"Goldie Taylor's brisk, lively storytelling takes us inside the seamy world of Atlanta politics, a place populated with corrupt local potentates, blackmailing power brokers, and small-time dirty tricksters, and into the caffeine-fueled world of political reporting, where high-minded idealism crumbles under brutal pressures to get the job done at any cost." -- Greg Sargent, author of the *Washington Post's* Plum Line blog

"Goldie Taylor has delivered the juice with *Paper Gods*, a gripping political thriller featuring such vivid characters that it's easy to forget they aren't real." -- Jon Allen, bestselling author of *HRC* and *Shattered*, also former...

Goldie Taylor is a journalist, news executive, and political consultant who has been featured on nearly every news network and talk show. She is the editor-at-large at *The Daily Beast*, and her writing has appeared in *Salon*, *Ebony*, and *The Huffington Post*. She was the chief architect of Procter & Gamble's "My Black is Beautiful" and the marketing force behind CNN's *Black in America*. She appeared in the OWN's *Light Girls*, and PBS's *Eyes on the Prize: Then and Now*.
