If You Give a Pig the White House

A Parody

Faye Kanouse; Illustrations by Amy Zhing

A parody of presidential proportions...

A coiffed and blustery pig has shoved his way into the White House! A cleverly worded and illustrated picture book, this is the adult parody of the beloved children's cautionary tale, *If You Give a Pig a Pancake*. Watch in dismay as the presidential pig gets into trouble, binges on too much Fox News and fast food, and cavalierly threatens national security. *If You Give the Pig a White House* both lovingly caricatures the original children's book and shows just what can happen when a greedy anti-hero tracks his hooves all over America.

FAYE KANOUSE writes cautionary tales that the whole family can read together.

AMY ZHING grew up in the city of Plymouth in Devon, England. She studied fine art at university, but realized a career as an award-winning fine artist was far too serious for her. So, she has decided to try to make it as an award-winning illustrator instead!
