The Truth About Cowboys

Lisa Renee Jones

Bestselling author Lisa Renee Jones brings a fresh, modern take to the cowboy romance with her signature humor and heat!

I had my life figured out.

Engaged to a successful man.

About to make partner at my firm.

Bought a high-rise apartment in downtown Denver.

And then, poof, it's all gone. Now, like in some cheesy romantic comedy, my car has broken down in the pouring rain on my way to "find myself" in The Middle of Nowhere, Texas. Cue hot guy coming to my rescue and changing my tire. This is the part where we flirt and have a meet-cute, right? That's how it works in romance novels, and I should know—after all, I'm coming to Texas to write my own cowboy romance. But nope. *This sexy cowboy* lights into me about not being prepared for the country roads and how inappropriate my high-heeled boots are.

Little did I know, Michael Montgomery would tilt my world into a new dimension with his sinful smirk and his bad attitude. Every time I turn around, he's there to reluctantly save the day. And every time, I think there may be something to that spark we ignite. But there's a reason the majority of country songs are about broken hearts. The closer I get to this man, the closer I get to learning the truth about cowboys.

New York Times and *USA Today* bestselling author Lisa Renee Jones is the author of the highly acclaimed *Inside Out* series, as well as the *Tall, Dark and Deadly* series and *The Secret Life of Amy Bensen* series. Prior to publishing, Lisa owned a multi-state staffing agency that was listed as the #7 growing women-owned businesses in *Entrepreneur* magazine. Lisa can be found online at www.lisareneejones.com.

The Trouble with Christmas

Amy Andrews

Return to Credence, Colorado, in this sexy and funny follow-up to *Nothing But Trouble* from *USA Today* bestselling author, Amy Andrews.

Suzanne St Michelle forges art for a living. And she's damn good at it. When her friend convinces her to spend the holidays in Credence, Colorado, she jumps at the opportunity to reconnect with a muse that's been MIA for a decade.

Joshua Grady raises cattle for a living. And he's damn good at it. After working in the military for twelve years, running his uncle's ranch is a walk in the park, and he loves the peace and solitude.

Unfortunately, his uncle has other ideas. Due to an accommodation shortage in Credence, Grady ends up with a way too curvy, way too chatty artist in the cottage behind his cabin. Suspicious that his uncle is trying to play Cupid, Grady makes it clear that he is. Not. Interested.

Despite his arrogant assumption, Suzanne is irrationally fascinated by her grumpy, taciturn landlord, and her muse returns with a vengeance. But then her constantly bickering parents decide they're spending Christmas with Suzanne in Colorado, and suddenly she's prepared to strike a deal. All Grady has to do is make nice with Suzanne for a week for the benefit of her parents and commit to the kind of full-scale Christmas Suzanne has always longed for, and she'll be out of his hair.

Grady doesn't do Christmas, but suddenly, making nice with Suzanne St Michelle doesn't feel like a hardship at all...

Amy is an award-winning, *USA Today* best-selling Aussie author who has written sixty plus contemporary romances in both the traditional and digital markets. She's sold two million books and been translated into over a dozen languages.

The Devil Is a Cowboy

Lisa Renee Jones

***New York Times* bestselling author Lisa Renee Jones is back with another sexy, hilarious cowboy romance!**

Landing a job photographing a small Texas town's local festival for a home and garden magazine is the big break I need to finally take Samantha Wilson Photography (that's me!) to the next level. It's a cute town, but Jackson Yates, the big, brooding horse trainer who owns the Big J Ranch, isn't making life easy. The man has attitude, barely speaks, and yet still manages to look hot in jeans and boots while turning me down—professionally, of course. I don't want that man. Not at all (just a little).

No, he insists, I cannot photograph his ranch *or* his horses, despite their key role in the festival. Then, almost as if he's trying to push me out of town, he inadvertently causes my rental to flood. And with the festival in town, there's no place left for me to stay.

He's not exactly thrilled when he finds me on his doorstep, ready to move in, though. Sure, he agrees to let me stay, and help me fix the damage, but it's a business arrangement, nothing else. Still, there's a current of electricity between us, and suddenly our forced proximity doesn't feel so forced after all. They say the devil is in the details—or is it a pair of cowboy boots?

New York Times and *USA Today* bestselling author Lisa Renee Jones is the author of the highly acclaimed *Inside Out* series, as well as the *Tall, Dark and Deadly* series and *The Secret Life of Amy Bensen* series. The Beast of Beswick

Amalie Howard

***The Duchess Deal* by Tessa Dare meets *Taming of the Shrew* in the start to a new Regency series from award-winning author Amalie Howard.**

Lord Thane Harte, the Duke of Beswick, is more monster than man. Brutally scarred after a bayonet ambush during the war and scorned by society, he lives in seclusion on his country estate in Southend, England. And that's how he wants to remain.

But then the village's local spinster makes him an offer he can't refuse—her body for his name to save her sister.

Despite her ruined, shrewish reputation, Lady Astrid Everleigh is determined to have a proper Season for her younger sister. Though her future as a spinster is assured, she does not want her sister to pay for her mistakes.

But when her uncle pledges her sister's hand to a scoundrel of the first water, Astrid is forced to action. She makes a bold proposition to the recalcitrant Beast of Beswick—her body for his name. But stirring the beast may put everything at risk...including her heart.

Amalie Howard grew up in Trinidad & Tobago where she spent most of her childhood with her nose buried in a book or running around barefoot, shimmying up mango trees, and dreaming of adventure. She is the co-author of the adult historical romance series *The Lords of Essex*. As an author of color and a proud supporter of diversity in fiction, she has written articles on multicultural fiction that have appeared in *The Portland Book Review* and on the popular *Diversity in YA* blog. www.amaliehoward.com

My Darling Duke

Stacy Reid

***A Rogue of Her Own* by Grace Barrowes meets Eloisa James in this new historical romance from Stacy Reid.**

Miss Katherine Danvers is a desperate wallflower. Her family is on the brink of financial ruin, and it is up her to save her mother and sisters from a life of indignities. So she transforms herself into the incomparable Kitty Danvers, the fiancé of the enigmatic and reclusive Alexander Masters, Duke of Thornton, once dubbed the mad, bad, and dangerous catch of the Season.

Ten years ago, society and the woman Alexander Masters loved called him a monster after a tragic accident left him scarred and confined to a wheelchair. His heart exists in cold, lonely exile until he learns he has a fiancé —a deceptive, clever, and utterly intriguing woman he's never met. Miss Danvers will now learn the consequences of engaging herself to the beast, for Alexander is determined to make her his. Soon they are involved in a chase, a clash of wills, and though he once vowed to never love again, he burns for the enchanting Miss Danvers. And denying his heart may cost him an exquisite love that happens only once in a lifetime.

Stacy is an avid reader of novels with a deep passion for writing. She especially loves romance and adores writing about people falling in love. Stacy lives a lot in the worlds she creates and actively speaks to her characters (out loud). She has a warrior way, never give up on her dreams. When Stacy is not writing, she spends a copious amount of time drooling over Rick Grimes from *The Walking Dead*, watching Japanese anime, and playing video games with her love, Dusean Nelson.

The Bone Throwers

A.K. Wilder

The magic of Harry Potter meets the romance and intrigue of Victoria Aveyard in this thrilling first in a sweeping new fantasy series.

Raise. Your. Phantom.

The Bone Throwers said Ash had potential, though by age seventeen, she's not been able to raise her phantom and join the ranks of savants. To make matters worse, her best friend, Marcus Adicio, heir to the throne, raises a magnificent warrior phantom, pulling him deeper into a life Ash will never be part of. That is, until they set off for the sacred Isle of Aku.

Their journey takes them across enemy lands and a dark sea, home of the Mar, a beautiful, deadly race entombed beneath the waves. On board a black sailed carrack, Ash meets Nalin, the bosun's mate, who awakens her memories, and her heart. As Nalin and Marcus lock horns, their path triggers a catastrophic event, one none of them can stop.

In a world on the brink of the next Great Dying, no amount of training will prepare them for what is to come . . .

Mirror Bound

Monica Sanz

Endlessly romantic and beautifully dark, the second book in the Witchling Academy series delves into themes of forbidden romance, betrayal, and the cost of power.

Seraphina Dovetail, the seventh-born daughter of a witch, is desperate to find her family—a task made difficult both because she has no memory prior to two years ago and because of her recent expulsion from the Aetherium Witchling Academy. All she has left is hope—and her position as assistant to the young alchemy professor and moonlighting detective Nicolai Barrington.

When Barrington begins to sideline her during investigations, Sera has had enough. In spite of their growing attraction—she knows there is no future in a romance with him—she’s determined to master the skills needed to find her family. And if that means taking on her own investigation behind Barrington’s back, so be it.

When a girl plunges to her death, Sera is determined to uncover why the girl haunts her reflection in a mirror. But then an academy student goes missing, and soon after, their souls appear trapped in the mirror. As Sera tries to discover who is confining them, she uncovers a conspiracy to destroy the Witchling world. There’s more here than meets the eye...and looking too deeply could have deadly consequences.

Glow of the Fireflies

Lindsey Duga

From the author of *Kiss of the Royal* comes another fast-paced, funny, and romantic read, this time taking inspiration from unique and not-often-seen mythology.

Nestled deep within the Smoky Mountains is a world that exists beyond the physical plane...

Briony wasn't supposed to come back.

Years ago, Alder went to extremes to protect her by blocking everything she knew of Firefly Valley from her memory—including their friendship. Seeing her now, a strong-willed young woman determined to find the truth behind her mother's disappearance, makes keeping his secret from her painful.

But if he doesn't he might lose Briony to the same deadly fate.

Alder won't leave her to meet this task on her own, though, not when he is the reason she can't remember what's at stake. As a nature spirit, flora and fauna bend to his will. But it will take more than a few tricks to stand up against powerful gods. No matter the cost, Briony resolves to rescue her mother, and Alder resolves to do whatever he must to keep Briony safe.

Lindsey Duga is a middle grade and young adult writer with a passion for fantasy, science fiction, and basically any genre that takes you away from the real world. She wrote her first novel in college while she was getting her bachelor's in Mass Communication from Louisiana State University.

Other than writing and cuddling with her morkie puppy, Delphi, Lindsey loves catching up on the latest superhero TV show and practicing yoga. <https://lindseyduga.com>

The Bookworm Crush

Lisa Brown Roberts

For every book nerd who's ever crushed on a guy from afar, this sweet contemporary romance will be sure to melt your heart.

Amy McIntyre's artistic dreams were crushed by a scathing art critic, but she's determined to reboot her confidence this summer. She's made a list of her flaws that need fixing, though she's not quite sure how to tackle them. One thing she is sure of- she doesn't need Toff Nichols declaring himself her wingman and taking over her list like a boss. Especially since he's the reason for a secret to-do item on her list: BKoML (Best Kiss of My Life).

Toff Nichols plans to spend his summer surfing and partying, but when an injury sidelines him, he's desperate to find something- or someone- to distract him until he can get back in the water. Enter Amy McIntyre, artist and book nerd. She needs him for her stupid list, even though she won't admit it, because what kind of girl goes around listing her "flaws" when she's flawless?

Lisa Brown Roberts still hasn't recovered from the teenage trauma of nearly tweezing off both eyebrows and having to pencil them in for an entire school year. This and other angst-filled memories inspire her to write YA books about navigating life's painful and funny dramas, and falling in love along the way. She lives in Colorado in a house full of books, boys, four-legged prima donnas, and lots of laughter.

Sick Kids In Love

Hannah Moskowitz

Fan favorite Hannah Moskowitz brings a snarky-yet-heartwarming take to the “sick lit” genre with her Entangled debut. Spoiler alert: they don’t die in this one.

Isabel has one rule: no dating.

All the women in her family are heartbreakers, and she’s destined to become one, too, if she’s not careful. But when she goes to the hospital for her RA infusion, she meets a gorgeous, foul-mouthed boy who has her rethinking the no-dating rule and ready to risk everything.

Aleksander is chronically ill, too, and there’s a softer side underneath all his jokes. Isabel finds herself unraveling the secrets of a real person, rather than crowd-sourcing her decisions through her online column Sick Girl Wants to Know.

They fall for each other hard and fast, but Isabel has known all along they were headed for disaster. When a devastating family secret threatens their love, can she find the strength to claim a brave new life with Aleksander, or will she retreat to the safety she’s always depended on and break his heart?

Hannah Moskowitz wrote her first story, about a kitten named Lilly on the run from cat hunters, for a contest when she was seven years old. It was disqualified for violence. Her first book, BREAK, was on the ALA’s 2010 list of Popular Paperbacks for Young Adults, and in 2013, GONE, GONE, GONE received a Stonewall Honor. 2015’s NOT OTHERWISE SPECIFIED was named the YA Bisexual Book of the Year. She lives in Maryland with several cats, none of whom are violent. hannahmosk.blogspot.com/

To Whatever End

Lindsey Frydman

A contemporary love story with a small paranormal twist: what happens when you've found the one, only for the future to show he dies in your arms?

Quinn is cursed. Nothing deadly. Nothing particularly cruel. With one touch, she can see the ends to all her romantic encounters—like she was hit with some kind of twisted Cupid's bow. (And there's nothing romantic about that.) So she does not, under any circumstance, date. Quinn Easterly is not available or interested. Ever.

Until she meets Griffin. When the two of them touch, a vision sparks—one where Griffin is shot, bleeding, dying in Quinn's arms. And then he utters three words she's never heard—words she thought she'd never hear: *I love you.*

Whether by coincidence or by “fate,” Griffin keeps showing up. And the more she sees of him, the less she can ignore the vision. She might never have been able to prevent the horrific predictions before, but this time, she can't simply walk away. She can't let him die. Even if Quinn can't change the future, can't save him, she at least has to try. Even if it means breaking her own heart when the fated ending finally arrives and she discovers she might've been to blame all along.

Lindsey writes about heart-stopping romance, rule-breaking heroes, and everyday magic. She lives in Columbus, Ohio (where the weather is never quite right). Her BFA in Photography and Graphic Design has granted her a wide assortment of creative knowledge that serves mostly as inspiration. When she's not crafting stories, you'll likely find her spending waaay too much time on Pinterest, gaming, or performing in a burlesque show—because she enjoys giving her introversion a worthy adversary.

Keeper of the Bees

Meg Kassel

A Golden Heart (R) winner for Best Young Adult Romance, this companion novel to *Black Bird of the Gallows* is perfect for fans of Maggie Stiefvater or Leigh Bardugo.

KEEPER OF THE BEES is a tale of two people who are both beautiful and beastly, and whose pasts are entangled in surprising and heartbreaking ways.

Dresden is cursed. He houses a hive of bees in his chest, which he can't stop from stinging people with psychosis-inducing venom. He has been this way for centuries—since he was eighteen and magic flowed through his homeland, corrupting its people.

He follows a troupe of harbingers of death to a Midwest town marked for impending disaster. There, he encounters Essie, a seventeen-year-old girl who suffers from debilitating delusions and hallucinations. His bees want to sting her on sight, but Essie doesn't see a monster when she looks at Dresden, prompting him to hold back his bees and spare her. What starts out as a simple act of mercy ends up unraveling Dresden's solitary life and Essie's tormented one. An impossible romance blooms, even as Essie is pulled into a murder investigation and Dresden embarks on a desperate quest to unravel a centuries-old curse.

PRAISE

Adorkable

Cookie O'Gorman

**A self-published favorite available in print for the first time!
Who needs a real boyfriend when faking it is so much more
fun?**

Adorkable (ah-dor-kuh-bul): Descriptive term meaning to be equal parts dorky and adorable. For reference, see Sally Spitz.

Seventeen-year-old Sally Spitz is done with dating. Or at least, she's done with the horrible blind dates/hookups/sneak attacks her matchmaking bestie, Hooker, sets her up on. There's only so much one geek girl and Gryffindor supporter can take.

Her solution: she needs a fake boyfriend. And fast.

Enter Becks, soccer phenom, all-around hottie, and Sally's best friend practically since birth. When Sally asks Becks to be her F.B.F. (fake boyfriend), Becks is only too happy to be used. He'd do anything for Sal—even if that means giving her PDA lessons in his bedroom, saying she's "more than pretty," and expertly kissing her at parties.

The problem: Sally's been in love with Becks all her life—and he's completely clueless.

This book features two best friends, one special edition Yoda snuggie, countless beneath-the-ear kisses, and begs the question:

Who wants a real boyfriend when faking it is so much more fun?

Cookie O'Gorman writes YA romance to give readers a taste of happily-ever-after. Small towns, quirky characters, and the awkward yet beautiful moments in life make up her books. Cookie also has a soft spot for nerds and ninjas. Find her online at <http://cookieogorman.com>.

At Entangled Publishing, we believe authors who write great books should receive a majority of the profits. We also believe authors interested in the lucrative indie publishing model shouldn't have to sacrifice quality editing, commercial covers, or the power of a New York-style marketing machine. That's where we come in. Founded by industry-savvy authors, Entangled Publishing utilizes a bold new business model to bridge the gap between traditional and indie publishing, giving our authors the best of both worlds. We implement the agency model across all departments at Entangled, which means everyone from the copy editor to the marketing director has a financial stake in your book. In other words, we don't make money unless you make money.

SHIPPING POINTS

Qualifying orders of titles in this catalog shipped to destinations within the United States under Macmillan's regular shipping cycles will be shipped free freight.

RETURN POLICY

We accept returns for credit of books purchased directly from us. Returns must be unmarked and in saleable condition. Returns must be shipped prepaid to the following address:

MPS RETURNS CENTER
14301 Litchfield Road
Orange, VA 22960

Each shipment of returns must be accompanied by an accurate packing list showing customer claim number, ISBN, and quantity (by title) of all books included in the shipment. Returns will be credited at the average discount received by the customer on purchases of that class of books from Macmillan during the first 11 months of the prior calendar year.

The deadline for returns of a title is 90 days after our official out-of-print date for that title. Our full returns policy for trade books is printed on the back of our invoices, as is our returns policy for other types of books. The policies are also available upon request.
