The Last Letter

Rebecca Yarros

Fans of Nicholas Sparks and Jodi Picoult will be talking about this powerful and emotional story long after the last page.

One letter. That was all it took for Beckett Gentry to fall for Ella MacKenzie, his buddy Ryan’s sister. Through her letters, Ella spoke to his heart, fueled his dreams, and made his days in Afghanistan bearable. Until Ryan’s life ends…and so do the letters.

Leaving the military, Beckett heads to Colorado with one destination in mind—Ella. Despite the guilt Beckett feels over his friend’s death, he’s determined to carry out his promise to watch over Ryan’s sister…and never tell Ella he’s the one she’d been writing to.

At twenty-six, Ella has lost almost everyone she loves—and now one of her precious twins is battling cancer. When Beckett walks into her tiny town—all six-feet-plus of dark, brooding, gorgeous man—Ella barely takes notice. Okay, fine, of course she takes notice. He’s come with the last of Ryan’s letters and the promise that he’d made to watch over her, but he’s insanely tight-lipped about everything else. Now Beckett is everywhere—and the most irritating part is that she likes him, despite his tough-as-nails exterior.

But his secrets could destroy everything.

Rebecca Yarros is a hopeless romantic and a lover of all things coffee, chocolate, and Paleo. She is the author of the Flight & Glory, Renegades, and Legacy series. She loves military heroes, and has been blissfully married to hers for fifteen years.

With six kids, she’s an autism mom and a hockey mom, and can order a mean pizza. Just don’t ask her to cook. She lives in Colorado with the hottest Apache pilot ever and their rambunctious gaggle of kids.
The Trouble with Cowboys

Victoria James

From New York Times bestseller Victoria James, a funny and heartfelt romance that wraps you in a warm blanket of family love...

When Tyler Donnelly left Wishing River, Montana eight years ago after a violent argument with his father, he swore he’d never come back. But eight years is a helluva long time, and when he gets the call that his father is seriously ill, guilt and duty drive him back to his hometown. But not everything is as he remembers. The family ranch is run-down, his father refuses to acknowledge him, and Lainey Sutton is all grown up now and still off-limits.

Lainey is done with cowboys. Especially the kind who break their father’s heart or think they can just walk-no, saunter-back into town looking even better than all her teenage fantasies. But as much as she tries to avoid this cowboy, the more she sees how much he and his father need her to help them heal past hurts. She’ll show Ty what it means to be part of a small-town and part of a family again before her rising career takes her away for good.

Victoria James is a New York Times and USA Today bestselling author of contemporary romance.

She is a hopeless romantic who is living her dream, penning happily-ever-afters for her characters in between managing kids and the family business. Writing on a laptop in the middle of the country in a rambling old Victorian house would be ideal, but she’s quite content living in suburbia with her husband, their two young children, and very bad cat.
Nothing But Trouble

Amy Andrews

*Northern Exposure* meets *Two Weeks Notice* in this new series from *USA Today* bestselling author, Amy Andrews

WANTED: BACHELORETTES WILLING TO LEAVE THE CITY RAT RACE TO LIVE AND LOVE IN CREDENCE, COLORADO, WHERE THE HOUSING IS CHEAP, EMPLOYMENT OR ASSISTANCE WITH SETTING UP A BUSINESS IS GUARANTEED, AND THE MEN ARE PLENTIFUL. COME AND FALL IN LOVE WITH CREDENCE.

Retired all-star quarterback Wade Carter is looking forward to the anonymity of his small home town. Just the perfect place to hide away. A place where everyone knows his name and nobody wants his autograph and, most importantly, there aren’t any single women.

But now the crazy little town is advertising to bring in more women?! Not on his watch.

Cecilia Morgan doesn’t want to accompany her boss to rural Colorado. Not one little bit. She sold her soul to the inconsiderate, self-centred man-baby five years ago and she’s finally given him her two weeks notice. Not to be deterred, Wade offers CC a big, fat bonus to stay for the summer and help him with his memoir.

And he expects her to help him thwart the town’s ad that’s gone viral?! Not for a second.

With bus loads of women arriving daily, CC finally has a plan for the ultimate revenge…

Amy is an award-winning, *USA Today* best-selling Aussie author who has written sixty plus contemporary romances in both the traditional and digital markets. She's sold two million books and been translated into over a dozen languages.
Analiese Rising

Brenda Drake

Half-Blood meets the Antigoddess in this new series from NY Times bestselling author Brenda Drake.

After a dying man gives Analiese Jordan a list of names and hers is one of the few names not crossed off, she agrees to go with the man’s grandson, Micah, to find the other people on the list and unlock the secrets behind the clues in the man’s satchel.

Unbeknownst to Analiese, she and the others on the list are descendants of the Gods of Death. They have the power to raise the dead and control them, but those raised become strong and evil, with a tendency of decaying and losing limbs.

During their search, they discover Micah’s grandfather belonged to a group, pledged to save and protect the Death Risers from two groups of gods and their descendants. One wants to control them and use the Raised for an army, and the other wants to destroy them.

If Analiese and Micah don’t decipher the clues to finding out the truth about her and whom she should trust, Analiese could end up being a puppet to the wrong set of gods and become the destroyer of humankind as we know it.

Brenda Drake grew up the youngest of three children, an Air Force brat, and the continual new kid at school. Her fondest memories growing up are of her eccentric, Irish grandmother’s animated tales, which gave her a strong love for storytelling. So it was only fitting that she would choose to write stories with a bend toward the fantastical. When she’s not writing or hanging out with her family, she haunts libraries, bookstores, and coffee shops, or reads someplace quiet.
To Whatever End

Lindsey Frydman

A contemporary love story with a small paranormal twist: what happens when you’ve found the one, only for the future to show he dies in your arms?

Quinn is cursed. Nothing deadly. Nothing particularly cruel. With one touch, she can see the ends to all her romantic encounters—like she was hit with some kind of twisted Cupid’s bow. (And there’s nothing romantic about that.) So she does not, under any circumstance, date. Quinn Easterly is not available or interested. Ever.

Until she meets Griffin. When the two of them touch, a vision sparks—one where Griffin is shot, bleeding, dying in Quinn’s arms. And then he utters three words she’s never heard—words she thought she’d never hear: I love you.

Whether by coincidence or by “fate,” Griffin keeps showing up. And the more she sees of him, the less she can ignore the vision. She might never have been able to prevent the horrific predictions before, but this time, she can’t simply walk away. She can’t let him die. Even if Quinn can’t change the future, can’t save him, she at least has to try. Even if it means breaking her own heart when the fated ending finally arrives and she discovers she might’ve been to blame all along.

Lindsey writes about heart-stopping romance, rule-breaking heroes, and everyday magic. She lives in Columbus, Ohio (where the weather is never quite right). Her BFA in Photography and Graphic Design has granted her a wide assortment of creative knowledge that serves mostly as inspiration. When she’s not crafting stories, you’ll likely find her spending waayy too much time on Pinterest, gaming, or performing in a burlesque show—because she enjoys giving her introversion a worthy adversary.
Malice

Pintip Dunn

Dead Zone meets Sixth Sense when a girl learns that a boy in her class will one day launch World War III. Can she kill his still-innocent self today in order to save millions of lives tomorrow?

Could you kill an innocent life today to save millions in the future?

Seventeen-year-old Alice has spent her entire life in the shadows of her charismatic twin brother. And she's utterly content to stay there, as not taking risks means that she doesn't get hurt. Until the day a strange voice appears in her mind, demanding that she approach Bandit, the cute Thai boy in her physics class—and kiss him. Never mind that she's never spoken a word to him before.

Compelled by the excruciating pain in her head, Alice reluctantly obeys. But submitting to the voice sets off a series of bizarre demands, tasks that don't seem to follow any rhyme or reason. Determined to figure out who the voice is and what it wants, Alice hurries into a dangerous investigation into the tangled link between the future and the present.

What she discovers shakes her to the core. Twenty years from now, a boy from her class will launch World War III, and it is up to Alice to stop him. Problem is, she doesn't know his identity. And even if she can figure out who he is, will she be able to take the biggest gamble of all: killing his still-innocent self today in order to save millions of lives in the future?

We Told Six Lies

Victoria Scott

A taut, fast-paced thriller perfect for fans of April Henry, Megan Miranda, or young adult fans of Gillian Flynn.

Remember how many lies we told, Molly? It’s enough to make my head spin. You were wild when I met you, and I was mad for you. But then something happened. And now you’re gone.

But don’t worry. I’ll find you. I just need to sift through the story of us to get to where you might be. I’ve got places to look, and a list of names.

The police have a list of names, too. See now? There’s another lie. There is only one person they’re really looking at, Molly.

And that’s yours truly.

Victoria Scott is the author of eight novels including Titans, Fire & Flood, the Dante Walker trilogy, and Violet Grenade. She is published by Scholastic and Entangled Teen.

Victoria’s novel Titans received two starred reviews, and Fire & Flood was selected as a 2017 Spirit of Texas Reading Program book. Victoria’s novels have been bought and translated in fourteen foreign markets. The author currently resides in Philadelphia, and loves hearing from her readers.
Eyes on Me

Rachel Harris

_New York Times_ bestselling author Rachel Harris returns to YA with a passionate, emotional romance perfect for fans of Sarah Dessen or Huntley Fitzpatrick.

Look up the word “nerd” and you’ll find Lily Cooper’s picture. She’s got one goal: first stop valedictorian, next stop Harvard. Until a stint in the hospital from too much stress lands her in the last place a klutz like her ever expected to be: salsa dance lessons.

Look up the word “popular” and you’ll find Stone Torres’s picture. His life seems perfect—star of the football team, straight-A student, lots of friends. But his family is struggling to make ends meet, so if pitching in at the Torres dance studio helps, he’ll do it.

When Lily’s parents offer Stone extra cash to volunteer as Lily’s permanent dance partner, he can’t refuse. But with each dip and turn, each moment her hand is in his, his side job starts to feel all too real. But in dance, as in life, one wrong move and someone could get hurt.

_New York Times_ & _USA Today_ bestselling author Rachel Harris writes humorous love stories about sassy girls-next-door and the hot guys who make them swoon. Vibrant settings, witty banter, and strong relationships are a staple in each of her books…and kissing. Lots of kissing. Visit her online at www.RachelHarrisWrites.com.
Smoke and Key

Kelsey Sutton

An intricate gothic paranormal romance about a girl trying to solve the mystery of how she entered the Underworld, perfect for fans of Libba Bray or Kiersten White

A sound awakens her. There’s darkness all around. And then she’s falling...

She has no idea who or where she is. Or why she’s dead. The only clue to her identity hangs around her neck: a single, rusted key. This is how she and the others receive their names—from whatever belongings they had when they fell out of their graves. None of them remembers who they used to be. Under is a place of dirt and nightmares, and Key is determined to discover the secrets of her past in order to escape it.

She needs help, but who can she trust? Ribbon seems content in Under, uninterested in finding answers. There’s Smoke, the boy with sharp words and a fierceness that rivals even the living. And Journal, the boy who stays apart from everyone else and loses himself in books and science. Key’s instincts tell her that there is something remarkable about each of them, even if she can’t remember why.

Then the murders start, bodies that are burned to a crisp. After being burned, the dead stay dead. Key is running out of time to discover who she was—and what secret someone is willing to kill to keep hidden—before she becomes the next victim.

Kelsey Sutton is the author of The Lonely Ones, a middle-grade novel in verse that received a starred review from Kirkus. She is also the author of Some Quiet Place, and its companion novel Where Silence Gathers, both published by Flux. She is also the author of the YA e-book original GARDENIA.

Mary Lindsey

The next installment of a thrilling and sexy new werewolf series, full of girl power and heart-pounding paranormal action.

For the first time in his life, Rain Ryland has it all: a home, a family, security. The newly minted shape-shifter even has a place in the pack—the coveted spot right next to his girlfriend, Freddie, who will assume the role of Alpha in a few weeks at the Solstice celebration.

But Rain's peace is shattered when a stranger from Freddie's past returns to the tiny town of New Wurzburg with the power to disrupt the pack and destroy his relationship with Freddie.

When dead bodies mysteriously begin to rise as revenants, the pack and coven square off in a power struggle that could erupt in civil war. Rain and Freddie must choose whether to trust their instincts or their hearts as enemies close in from all sides—even from within.

Mary Lindsey is an award-winning, RITA® nominated author of romance for adults and teens. She lives on an island in the middle of a river. Seriously, she does. When not writing, she wrangles her rowdy pack of three teens, two Cairn Terriers, and one husband. She loves to connect with readers and can be found at marylindsey.com and on Twitter at @MaryL_MarissaC.
Haven

Mary Lindsey

The start of a thrilling and sexy new werewolf series perfect for fans of the Lux series or Maggie Stiefvater.

"We all hold a beast inside. The only difference is what form it takes when freed."

Rain Ryland has never belonged anywhere. He’s used to people judging him for his rough background, his intimidating size, and now, his orphan status. He’s always been on the outside, looking in, and he’s fine with that. Until he moves to New Wurzburg and meets Friederike Burkhart.

Freddie isn’t like normal teen girls, though. And someone wants her dead for it. Freddie warns he’d better stay far away if he wants to stay alive, but Rain’s never been good at running from trouble. For the first time, Rain has something worth fighting for, worth living for. Worth dying for.

At Entangled Publishing, we believe authors who write great books should receive a majority of the profits. We also believe authors interested in the lucrative indie publishing model shouldn’t have to sacrifice quality editing, commercial covers, or the power of a New York-style marketing machine. That’s where we come in. Founded by industry-savvy authors, Entangled Publishing utilizes a bold new business model to bridge the gap between traditional and indie publishing, giving our authors the best of both worlds. We implement the agency model across all departments at Entangled, which means everyone from the copy editor to the marketing director has a financial stake in your book. In other words, we don’t make money unless you make money.
