Sabotage

Matt Cook

A missing Stanford professor and a cruise ship held hostage begin a thrilling story of action and espionage on the high seas

A cruise ship loses power in the North Atlantic. A satellite launches in the South Pacific. Professor Malcolm Clare—celebrated aviator, entrepreneur, and aerospace engineer—disappears from Stanford University and wakes up aboard an unknown jet, minutes before the aircraft plunges into the high seas.

An extortionist code-named “Viking” has seized control of a private warfare technology, pitting a US defense corporation against terrorist conspirators in a bidding war. His leverage: a threat to destroy the luxury liner and its 3,000 passengers.

Stanford doctoral student Austin Hardy, probing the disappearance of his professor, seeks out Malcolm Clare’s daughter Victoria, an icy brunette with a secret that sweeps them to Saint Petersburg. Helped by a team of graduates on campus, they must devise Trojan horses, outfox an assassin, escape murder in Bruges, and sidestep treachery in order to unravel Viking’s scheme. Failure would ensure economic armageddon in the United States.

Both on US soil and thousands of miles away, the story roars into action at supersonic speed. Filled with an enigmatic cast of characters, Matt Cook’s debut novel is a sure thrill ride for those who love the puzzles of technology, cryptology, and people.

Strong Darkness

A Caitlin Strong Novel

Jon Land

Texas Ranger Caitlin Strong returns in her most thrilling adventure yet

1883: Texas Ranger William Ray Strong teams up with Judge Roy Bean to track down the Old West's first serial killer who's stitching a trail of death along the railroad lines slicing their way through Texas.

The Present: Texas Ranger Caitlin Strong finds herself pursuing another serial killer whose methods are eerily similar to the one pursued by her great-grandfather almost a century-and-a-half before.

But that's just the beginning of her problems. The son of her boyfriend is nearly beaten to death at Brown University. The investigation leads back to Texas and to the Chinese high-tech company awarded the contract to build the US's 5G network. Li Zhen, the company's founder, counts that as the greatest achievement of his career, but it hides his true motivations—nothing less than China's total domination of the United States.

His plan is backed by elements of the Chinese underworld. Up against an army at Li's disposal, Caitlin blazes a violent trail across country and continent in search of secrets hidden in the past, but it's a secret from the present that holds the key. Darkness is coming, and only Caitlin Strong can find the light before it's too late.

PRAISE

"Caitlin Strong doesn't miss a trick, a target, or a bad guy. Plus, she's a Texas Ranger. One riot, one woman, same as it ever was. That's why I like her so much, that's why I'll read anything Jon Land writes." —Stephen Hunter, *New York Times* bestselling author

"The appeal of a Caitlin Strong novel lies in its improbable, over-the-top action scenes. The history may intrigue you—and the portrayal of America's vulnerability may scare you—but mostly the novel is just rollicking no-holds-barred fun."
 —Associated Press on *Strong Rain Falling*

JON LAND is the critically acclaimed author of thirty novels, including the bestselling series featuring female Texas Ranger Caitlin Strong: *Strong Enough to Die*, *Strong Justice*, *Strong at the Break* and *Strong Vengeance*. In addition, he is that author of the nonfiction bestseller, *Betrayal*. He lives in Providence, Rhode Island, and can be found on the web at jonlandbooks.com.

Ghost Medicine

Aimée Thurlo and David Thurlo

When a former police officer is murdered, Navajo Special Investigator Ella Clah will do anything to bring his killer to justice

Former Navajo Police officer Harry Ute's body is found in an isolated part of the Navajo Reservation, rumored to be skinwalker country. This makes Navajo Police Special Investigator Ella Clah's job much harder—no one wants to speak to her for fear of incurring the wrath of the Navajo witches.

Harry's latest P.I. case involves tracking down property stolen from the county. This leads Ella to work with county Detective Dan Nez. Ella doesn't trust Nez but can't deny her growing attraction to him.

The murder and thefts turn out to be the tip of an iceberg. Previously unknown Navajo artifacts are being offered for sale, indicating a hidden dig somewhere on the Reservation. As danger mounts, Ella worries that her latest case might also become her last.

PRAISE

“The skinwalker angle is especially creepy here, with vivid descriptions of the way they leave their calling card of body mutilation. The Thurlos mix in a great deal of knowledge about trafficking in Native American antiquities with a well-constructed investigation steered by a believable and admirable heroine.” —*Booklist on Ghost Medicine*

“Does anybody understand the Navajo better than the Thurlos? Their keen understanding and attention to detail makes *Black Thunder* a first-rate mystery.”
—*RT Book Reviews on Black Thunder*

“An excellent, page-turning, and suspenseful read.”
—*Mysteries Galore on Black Thunder*

AIMÉE and DAVID THURLO have written more than seventy novels. The Midnight Plan of the Repo Man

W. Bruce Cameron

Bestselling author W. Bruce Cameron delivers a wonderful story about finding truth, love, and yourself

Ruddy McCann, former college football star, now Kalkaska, Michigan, repo man, has a fairly simple life repossessing cars and working at the Black Bear, a bar his sister inherited from their parents, enjoying the nightly company of their colorful patrons, many of whom he considers friends.

Simple, that is, until he starts hearing a voice in this head.

The voice introduces himself as Alan Lottner, former real estate agent. Ruddy isn't sure if Alan is real or if he's losing his mind. To complicate matters, it turns out Katie, the girl he is falling for, is Katie Lottner—Alan's daughter.

Ruddy's time would be better spent helping his sister keep the Black Bear afloat and wrapping up a particularly trying repo job. But it's hard to avoid the voice in his head, and soon Ruddy is trying to figure out what happened to Alan and hoping to avoid the same fate.

With a sweet romance, a suspenseful plot, colorful characters, and a hero you can't help but fall in love with, W. Bruce Cameron's *The Midnight Plan of the Repo Man* is a laugh-out-loud, edge-of-your-seat, delightful read.

W. BRUCE CAMERON is the *New York Times* bestselling author of *A Dog's Purpose*, *A Dog's Journey*, and *8 Simple Rules for Dating My Teenage Daughter*, which was turned into the hit ABC series. He lives in California.

Doctor O'Reilly heeds the call to serve his country in this new novel in Patrick Taylor's beloved Irish Country series

Long before Doctor Fingal Flahertie O'Reilly became a fixture in the colourful Irish village of Ballybucklebo, he was a young M.B. with plans to marry midwife Dierdre Mawhinney. Those plans were complicated by the outbreak of World War II and the call of duty. Assigned to the HMS *Warspite*, a formidable 30,000-ton battleship, Surgeon Lieutenant O'Reilly soon found himself face-to-face with the hardships of war, tending to the dreadnought's crew of 1,200 as well as to the many casualties brought aboard.

Life in Ballybucklebo is a far cry from the strife of war, but over two decades later O'Reilly and his younger colleagues still have plenty of challenges: an outbreak of German measles, the odd tropical disease, a hard-fought pie-baking contest, and a local man whose mule-headed adherence to tradition is standing in the way of his son's future. Now older and wiser, O'Reilly has prescriptions for whatever ails...until a secret from the past threatens to unravel his own peace of mind.

Shifting deftly between two very different eras, Patrick Taylor's latest Irish Country novel reveals more about O'Reilly's tumultuous past, even as Ballybucklebo faces the future in its own singular fashion.

Discover how Dr. O'Reilly began his medical career in the tenements of Dublin in Patrick Taylor's *New York Times* bestselling series

Fans of Taylor's bestselling Irish Country novels know Dr. Fingal Flahertie O'Reilly as the irascible senior partner of a general practice in the colourful Irish village of Ballybucklebo. Newly married to his long-lost sweetheart, he's ready to settle into domestic bliss, but there's always something requiring his attention, be it a riding accident, a difficult patient with a worrisome heart condition, a spot of grouse-hunting, or even some tricky shenanigans at the local dog races.

The everyday complications of village life are very different from the challenges Fingal faced nearly thirty years earlier, when, fresh out of medical school, the young Dr. O'Reilly accepts a post at the Aungier Street Dispensary, tending to the impoverished denizens of Dublin's tenement slums. Yet even as he tries to make a difference, Fingal's tireless devotion to his patients may cost him his own true love. . . .

Shifting back and forth between the present and the past, Patrick Taylor's captivating new novel brings to life both the green young man O'Reilly once was and the canny village doctor readers have come to know and admire.

The Last Shootist

Miles Swarthout

The sequel to Glendon Swarthout's classic Western, *The Shootist*, penned by his son Miles Swarthout

Young Gillom Rogers has just given the *coup de grace* to a famous gunfighter involved in a bloody saloon shootout in 1901 El Paso, Texas. After swiping J.B. Books's matched Remington pistols off his body, Gillom thinks he may be able to ride this spectacle to fame and glory as *the last shootist*. But Gillom is an eighteen-year-old with lots of growing up to do, and showing off his new pistols quickly gets him into a gunfight he didn't bargain for.

Gillom sets out for adventure, determined to become a shootist like his hero, John Bernard Books. On his dangerous journey into manhood, he runs into yellow journalists, a New Mexican horse breaker, and a train robber. When he meets a Hispanic saloon dancer named Anel in the booming copper mining town of Bisbee, Arizona, Gillom Rogers is forced to reconsider what kind of man he really wants to be.

This sequel to one of the most famous Westerns ever written concludes the tale of a junior shootist's coming-of-age in a dazzling gunfight in a deadly pimp's whorehouse, as a trio of firey teenagers ride hard into a new twentieth century.

The Spook Lights Affair

A Carpenter and Quincannon Mystery

Marcia Muller and Bill Pronzini

A missing debutante, murder, and spectral lights in the fog make for a thrilling gaslight-era mystery in this sequel to *The Bughouse Affair*

In 1895 San Francisco, young debutantes don't commit suicide at festive parties, particularly not under the eye of Sabina Carpenter. But Virginia St. Ives evidently did, leaping from a foggy parapet in a shimmer of ghostly light. The seemingly impossible disappearance of her body creates an even more serious problem for the firm of Carpenter and Quincannon, Professional Detective Services.

Sabina hadn't wanted to take the assignment, but her partner John Quincannon insisted it would serve as entrée to the city's ultra-rich and powerful. That means money, and Quincannon loves the almighty dollar. Which is why he is hunting the bandit who robbed the Wells, Fargo office of \$35,000.

Working their separate cases (while Sabina holds John off with one light hand), the detectives give readers a tour of The City the way it was. From the infamous Barbary Coast to the expensive Tenderloin gaming houses and brothels frequented by wealthy men, Quincannon follows a danger-laden trail to unmask the murderous perpetrators of the Wells, Fargo robbery. Meanwhile, Sabina works her wiles on friends and relatives of the vanished debutante until the pieces of her puzzle start falling into place. But it's an oddly disguised gent appearing out of nowhere who provides the final clue to both cases—the shrewd “crackbrain” who believes himself to be Sherlock Holmes.

A Song to Die For

Mike Blakely

A rousing tale mixing love, music, and mystery from Spur Award–winning author Mike Blakely

It's 1975 and guitarist and singer/songwriter Creed Mason hopes to ride the new wave of Texas-style, Austin-based country music all the way back to the big time. A one-hit wonder whose Nashville career was cut short by a trip to Vietnam, Creed is desperate to get back into the business. His break arrives when a country legend, Luster Burnett, comes out of a fifteen-year retirement for one last album and tour in order to pay off a huge debt to the I.R.S. As Luster's new guitarist and band manager, Creed jumps at the chance of a lifetime.

Rosa Martini, a beautiful young mob princess from Las Vegas, is found dead just outside of Austin. Texas Ranger Captain Hooley Johnson looks into the case, only to find a second young woman murdered—a friend of Rosa's. To complicate things, Rosa's adoptive brother, mob hit man Franco Martini, is spotted nosing around Austin in the wake of the murders.

Soon it appears to Johnson, and to Creed, that the mob-related murders and the band are somehow connected. When the band wins an unexpected booking at the biggest casino in Vegas, Creed begins to wonder what kind of contract his band is being set up for—a major-label recording deal, or a mob hit?

You Know Who Killed Me

Loren D. Estleman

**A hot new Amos Walker mystery by a master of the hard-boiled detective novel. “Loren Estleman is my hero.”
 —Harlan Coben, #1 *New York Times* bestseller**

In *You Know Who Killed Me*, by multiple award-winning author Loren D. Estleman, Amos Walker is at low ebb. Just released from a rehab clinic, the Detroit private detective has to marshal his energies to help solve a murder in Iroquois Heights, his least favorite town.

The area is flooded with billboards rented by the widow of Donald Gates, an ordinary suburbanite found shot to death in his basement on New Year’s Eve: “YOU KNOW WHO KILLED ME!” they read, above the number of the sheriff’s tip line. Complicating matters is a \$10,000 reward for information leading to the arrest and conviction of the murderer, offered by an anonymous donor through the dead man’s place of worship.

Initially hired by the sheriff’s department to run down anonymous tips, Walker investigates further. The trail leads to former fellow employee Yuri Yako, a Ukrainian mobster, relocated to the area through the US Marshals’ Witness Protection Program.

Shadowed by government operatives, at odds with the sheriff, and struggling with his addiction, Walker soldiers on, in spite of bodies piling up and the fact that almost everyone involved with the case is lying to him.

PRAISE

For Infernal Angels

**“Shamus Award–winner Estleman demonstrates that the art of inserting a Philip Marlowe–esque hero into modern times is alive and well in his twenty-first novel featuring Detroit PI Amos Walker.... Estleman presents a powerful view of the battered inner city. Three decades on, Estleman and Walker show no signs of slowing down.”
 —*Publishers Weekly*, starred review**

“Estleman has piled up enough literary awards to add a wing to his home. Read this classic yet modern example of the hard-boiled detective novel and you’ll begin to understand why.” —*Booklist*
