The Body Snatchers Affair

A Carpenter and Quincannon Mystery

Marcia Muller and Bill Pronzini

Drug lords, missing millionaires, corrupt cops...just another day for Carpenter and Quincannon Detective Services

Two missing bodies and two separate investigations take Carpenter and Quincannon from the heights above San Francisco Bay to the depths of Chinatown's opium dens.

For John Quincannon, this is a first: searching a Chinatown opium den for his client's husband, missing in the middle of a brewing tong war set to ignite over the stolen corpse of Bing Ah Kee.

Meanwhile, his partner, Sabina Carpenter, unsure of the dark secrets her suitor might be concealing, searches for the corpse of a millionaire, stolen from a sealed family crypt and currently being held for ransom.

With the threat of a tong war hanging over the city (a war perhaps being spurred on by corrupt officials), Carpenter and Quincannon have no time to lose in solving their cases. Is there a connection between the two body snatchers? Or is simple greed the answer to this one?

And why is the enigmatic Englishman who calls himself Sherlock Holmes watching so carefully from the shadows?

Mark of the Beast

Adolphus A. Anekwe

A searing medical thriller by a renowned doctor about the ramifications of isolating a gene that causes violent behavior

Dr. Regina Dickerson is a Catholic physician in San Diego who has discovered that there is a certain genetic marker that indicates the carrier is prone to psychotic violence. Working on blood from prison inmates, her theory begins to prove itself time and again with violent offenders. The variety of crimes is diverse: one couple murders their children for organ money, another man kidnaps young girls to seduce and kill them, yet another has a penchant for cyanide.

As Dickerson's work begins to show results and catches the attention of the media, people begin to fear that witch hunts and Spanish Inquisition–style mayhem will result if forcible testing is carried out. Meanwhile, a race begins to find a cure. With science and religion at odds, Dickerson must find her own answers while trying to escape those who want to put an end to her inflammatory research.

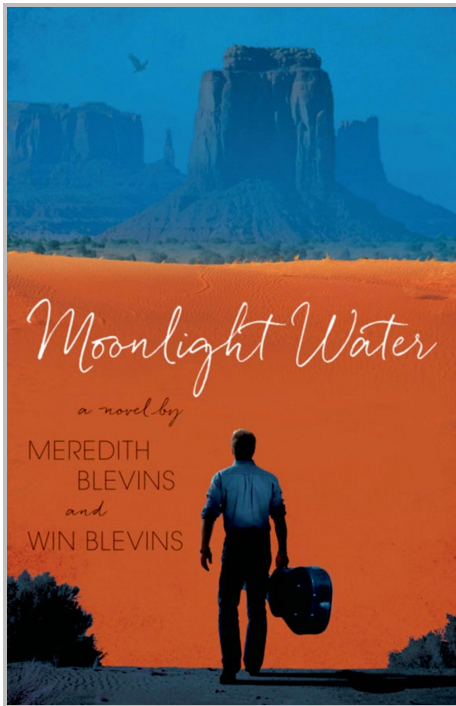

PRAISE

"Dr. Anekwe nailed it in *Mark of the Beast*. This medical thriller is supposed to be fiction but it'll get your heart pounding and your knuckles white holding on as the author takes you through a search for the scientific evidence of a criminal gene so evil it evokes apocalyptic images of Revelations." —Junius Podrug, author of *Presumed Guilty*

ADOLPHUS A. ANEKWE, MD, is a Clinical Assistant Professor at Indiana University Northwest Medical Center, and is also an active staff member at five area hospitals, a Board Certified Diplomat and Fellow in two medical specialties, and an active community leader. He resides in Schererville, Indiana.

The Wily O'Reilly: Irish Country Stories

Patrick Taylor

The origins of Dr. Fingal Flahertie O'Reilly from Patrick Taylor's *New York Times* bestselling Irish Country series

Long before Dr. Fingal Flahertie O'Reilly made most readers' acquaintance in Patrick Taylor's bestselling novel *An Irish Country Doctor*, he appeared in a series of humorous columns originally published in *Stitches: The Journal of Medical Humour*. These warm and wryly amusing vignettes provide an early glimpse at the redoubtable Dr. O'Reilly as he tends to the colourful and eccentric residents of Ballybucklebo, a cozy Ulster village nestled in the bygone years of the early sixties.

Those seminal columns have been collected in *The Wily O'Reilly: Irish Country Stories*. In this convenient volume, Patrick Taylor's legions of devoted fans can savor the enchanting origins of the Irish Country series...and newcomers to Ballybucklebo can meet O'Reilly for the very first time.

An ex-Navy boxing champion, classical scholar, crypto-philanthropist, widower, and hard-working general practitioner, Fingal Flahertie O'Reilly is crafty and cantankerous in these charming slices of rural Irish life. Whether he's educating a naive man of the cloth in the facts of life, dealing with chronic hypochondriacs and malingerers, clashing with pigheaded colleagues, or raising a pint in the neighborhood pub, the wily O'Reilly knows a doctor's work is never done, even if some of his "cures" can't be found in any medical text!

PRaise

"What Herriot did for Yorkshire, Taylor does for Northern Ireland...minus the animals, of course, but with all the good sentiments." —*Kirkus Reviews* on *An Irish Country Wedding*

"The author laces his heartwarming moments with liberal doses of whiskey and colourful Ulster invectives." —*Chicago Sun-Times*

Of Irish Blood

Mary Pat Kelly

From the acclaimed Irish-American author of *Galway Bay* comes a story that's emblematic of the second act of Irish-American history: making it

It's 1903. Nora Kelly, twenty-four, is talented, outspoken, progressive, and climbing the ladder of opportunity, until she falls for an attractive but dangerous man who sends her running back to the Old World her family had fled. Nora takes on Paris, mixing with couturiers, artists, and "les femmes Americaines" of the Left Bank such as Gertrude Stein and Sylvia Beach. But when she stumbles into the centuries-old Collège des Irlandais, a good-looking scholar, an unconventional priest, and Ireland's revolutionary women challenge Nora to honor her Irish blood and join the struggle to free Ireland.

Author Mary Pat Kelly weaves historical characters such as Maud Gonne, William Butler Yeats, Countess Markievicz, Michael Collins, and Eamon de Valera, as well as Gabrielle Chanel, Gertrude Stein, James Joyce, and Nora Barnicle, into a vivid and compelling story inspired by the life of her great-aunt.

PRAISE

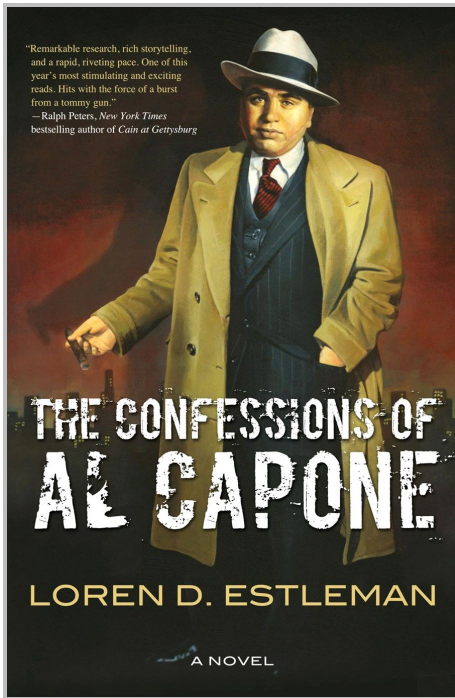

"After reading her novel *Galway Bay*, you might wonder if Kelly knows everything about nineteenth century Ireland... But it's her exploration of the human heart that moves you. As they say in Ireland, 'Take your ease with this book.' You'll need time for laughter and tears and pure magic."—Frank McCourt, Pulitzer Prize-winning author of *Angela's Ashes*

"Mary Pat Kelly is a wonderful, creative, intelligent writer who's endowed with a sense of humor." —Malachy McCourt, *New York Times* bestselling author of *A Monk Swimming*

MARY PAT KELLY worked in Hollywood as a screenwriter for Paramount and Columbia Pictures and in New York City as an associate producer with *Good Morning America* and *Saturday Night Live*. She wrote the book and lyrics for the musical *Abby's Song*. Kelly received her PhD from the City University of New York. Born and raised in Chicago, she lives in Manhattan with her husband, Web designer Martin Sheerin.

“We’ve seen Capone before, in movies and in books, but we haven’t seen him like this.” —Booklist

1944: Al Capone is living with his family in Florida and suffering from advanced syphilis. J. Edgar Hoover orders FBI agent Peter Vasco to pose as a priest and get close to the infamous American gangster, so he can obtain information that might help the Bureau nab members of Capone’s Chicago Outfit. Vasco and Capone bond over card games, lunches, and even a trip to Wisconsin, and Capone spills secrets that expose in vivid detail this monster who was the most iconic figure in twentieth-century crime.

What emerges is a fascinating, compelling portrait of Capone—a man who would stop at nothing to take what he wanted, but who also fed the poor of Chicago; who rose to the top of Chicago on a tide of bootleg beer and booze but took the time to ensure that innocent victims of mob violence got proper medical care. This is Al Capone as he’s never been seen before, a ruthless crime lord who trafficked in death and corruption...as well as a man of refined tastes who loved his family.

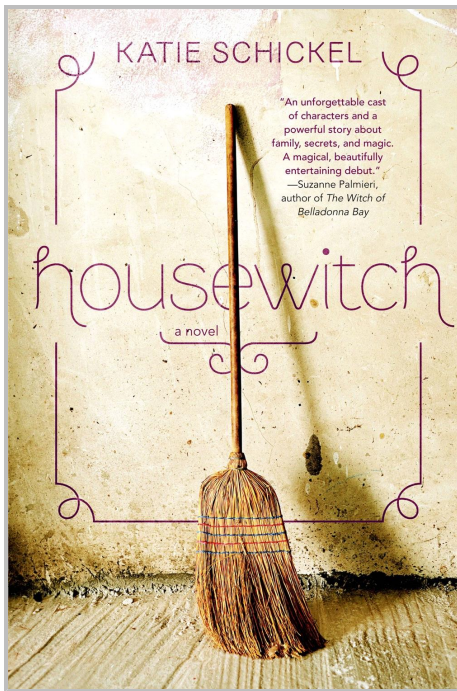

Loren Estleman’s *The Confessions of Al Capone* is a rigorously researched historical thriller, with sharp and subtly nuanced portrayals of Capone, his family, members of the Chicago outfit, J. Edgar Hoover, and even Ernest Hemingway in a riveting story that truly exposes the real man behind Capone’s iconic, scarred visage.

PRAISE

“Estleman captures his lead’s ambivalence at deceiving others for a greater good perfectly, and the directions the plot takes aren’t always foreseeable.” —Publishers Weekly

“A fascinating premise beautifully handled, meticulous period research, uniformly excellent characterization, and powerful writing make *The Confessions of Al Capone* Loren Estleman’s magnum opus to date. Storytelling at its finest—a triumph in all respects. It kept me riveted.” —Bill Pronzini, bestselling author of the Nameless Detective series

Housewitch

Katie Schickel

A fantastic, clever women's fiction debut with a lot of heart that deals with universal issues of family and acceptance

Former foster child, now a stay-at-home mom of three, Allison Darling desperately wants to fit in with the latte drinking and hundred-dollar-yoga-pants wearing moms that run Monrovia, her charming seaside town. Constantly feeling like an outsider, Allison dreams of more for her children.

When Allison's estranged mother passes away, her previously dormant special talents emerge. Soon she is reunited with the family that abandoned her and learns of their heartbreaking legacy.

At the same time, the Glamour Girls, a soap-selling company run by the most popular women in Monrovia, recruits Allison to join them. They have a monopoly on everything in town, from bake sales to businesses deals. But once you're a Glamour Girl, there's no going back.

Suddenly caught between the rag-tag, hippie relatives she once so desperately wanted and the rich, charismatic Glamour Girls—Allison is unsure where she fits in. Could she come to trust the strange outcast family that abandoned her, or really hang with the most powerful, glamorous women in town?

For Allison, it's like high school all over again, except this time, the mean girls have more than killer manicures and the nobodies aren't sulking in the band hall. They're adults. They've got husbands, children, and livelihoods on the line. And they also happen to be witches.

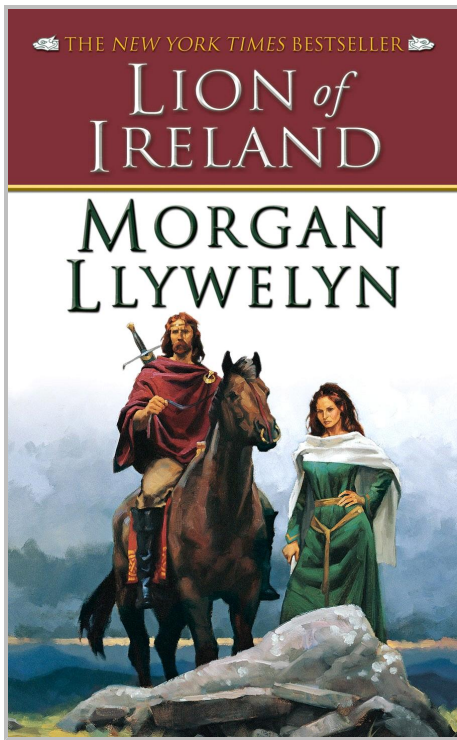

Allison's decision to lend her powerful magical talents to either group will change Monrovia—and Allison—forever.

Lion of Ireland

Morgan Llywelyn

The *New York Times* bestselling historical classic returns in a trade paperback edition

Originally published in 1980, *Lion of Ireland* was a national bestselling sensation when it was first released. Its most famous fan was then-President of the United States Ronald Reagan, who traced his own descent from the hero of the novel, Brian Boru.

King, warrior, lover: Brian Boru is remembered as the greatest king Ireland has ever known. Out of the mists of the country's most violent age, he emerged to lead his people to the peak of their golden era, aided by women as formidable as he, and just as larger-than-life: Fiona, a druidess with mystical powers, and his wife, Gormlaith, the sister of one enemy and the mother of another.

Set against the barbaric splendors of the tenth century, this is a story rich in truth and myth—in which friends are transformed into deadly enemies, bedchambers become battlefields, and dreams of glory are finally fulfilled. Morgan Llywelyn has written one of the greatest novels of Irish legend.

PRAISE

"A royal read...without a misstep and with touching beauty." —*The Washington Post*

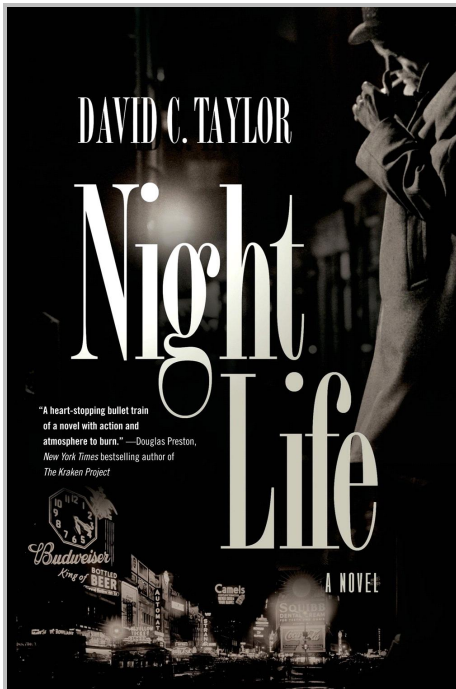

"Llywelyn has woven the historical tales of her country and its greatest High King into a single magnificent book.... This is an extraordinary biography of a very human man... with convincing characters and vivid, detailed descriptions." —*The Dallas Morning News*

"A rousing story... Something to enjoy on a cold night by the fireplace with your goblet of mead or strong ale." —*Boston Sunday Globe*

"Mary Stewart has a worthy rival." —*The Baltimore Sun*

"Rich, panoramic...one of the most exciting periods of Irish history."
—*Cleveland Plain Dealer*

Night Life

David C. Taylor

The first of a transporting historical crime fiction series set in 1950s New York, with a pulse-pounding murder plot and a protagonist caught between police and mafia ties

New York City in 1954. The Cold War is heating up. Senator Joe McCarthy is running a witch hunt for Communists in America. The newly formed CIA is fighting a turf battle with the FBI to see who will be the primary US intelligence agency. And the bodies of murdered young men are turning up in the city.

Michael Cassidy has an unusual background for a New York cop. His father, a refugee from Eastern Europe, is a successful Broadway producer. His godfather is Frank Costello, a Mafia boss. Cassidy also has an unusual way of going about the business of being a cop—maybe that’s why he threw a fellow officer out a third story window of the Cortland Hotel.

Cassidy is assigned to the case of Alexander Ingram, a Broadway chorus dancer found tortured and dead in his apartment in Hell’s Kitchen. Complications grow as other young men are murdered one after the other. And why are the FBI, the CIA, and the Mafia interested in the death of a Broadway gypsy?

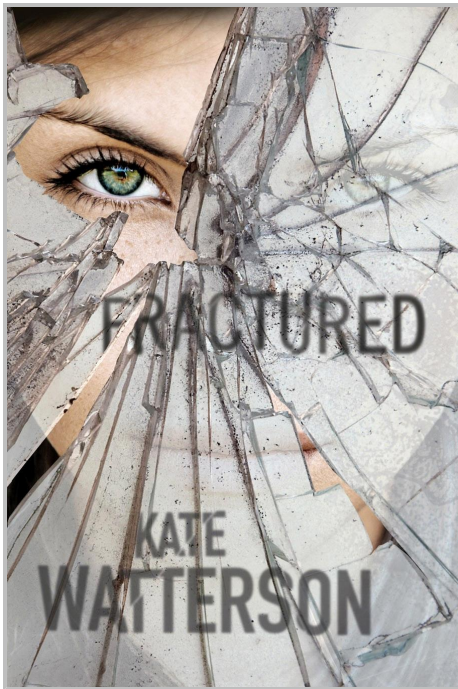

Meanwhile, a mysterious, beautiful woman moves into Cassidy’s building in Greenwich Village. Is Dylan McCue a lover or an enemy? Cassidy is plagued by nightmares—dreams that sometimes become reality. And he has been dreaming that someone is coming to kill him.

PRAISE

“Smart, capable, honest, and all cop, NYPD detective Michael Cassidy is a cross between Jack Reacher and Philip Marlowe, only tougher. Where’s the next Cassidy tale?”
 —Stephen Coonts, *New York Times* bestselling author of *Pirate Alley*

Blending mystery and romance, this action-packed thriller finds Detective Ellie MacIntosh racing to stop a serial killer

Milwaukee homicide detective Ellie MacIntosh's bizarre case takes gruesome to a new level—and is eerily and frustratingly familiar. She has seen the signature work of the killer before, but cannot connect the victims. There isn't a single suspect in sight, but at least the case gives Ellie something to focus on instead of her chaotic personal life.

Ellie's partner, Jason Santiago, is glad to be back on the job, even on a disturbing case like this one. Working with Ellie has evolved into a tangled relationship that is no longer platonic, at least to him. Jason's chance to make a move is now, but he's paralyzed by the fear he will ruin both his career and a partnership he values more than any he has ever had.

When a timid woman named Rachel reveals that she suspects her promiscuous and charismatic roommate, Lea, has been involved in the grisly murders, therapist Dr. Georgia Lukens is put into the untenable position of deciding if these are the ramblings of a delusional patient or something more.

As Ellie pieces together a macabre puzzle of past and present sins, it becomes clear that madness takes many forms and...it may be too late to stop her partner from becoming the next victim.

Bruce De Silva's third Mulligan mystery: "Bruce DeSilva ranks with the best of them." —Michael Connelly

Edgar Award-winner Bruce DeSilva returns with Liam Mulligan, an old-school investigative reporter for a dying newspaper in Providence, Rhode Island.

Inspired by a true story, *Providence Rag* finds Mulligan, his pal Mason, and the newspaper they both work for at an ethical crossroad. The youngest serial killer in history butchered five of his neighbors before he was old enough to drive. When he was caught eighteen years ago, Rhode Island's antiquated criminal statutes—never intended for someone like him—required that all juveniles, no matter their crimes, be released at age twenty-one. The killer is still behind bars, serving time for crimes supposedly committed on the inside.

That these charges were fabricated is an open secret; but nearly everyone is fine with it—if the monster ever gets out more people will surely die. But Mason is not fine with it. If officials can get away with framing this killer they could do it to anybody. As Mason sets out to prove officials are perverting the justice system, Mulligan searches frantically for some legal way to keep the monster behind bars. The dueling investigations pit the friends against each other in a high-stakes race against time—and snares them in an ethical dilemma that has no right answer.

Whitey on Trial

Secrets, Corruption, and the Search for Truth

Margaret McLean and Jon Leiberman

An explosive, up-to-the-minute account of the trial of America's most notorious mob boss, Whitey Bulger, revealed through exclusive interviews and dramatic trial testimony

After sixteen years on the lam, infamous Boston gangster James "Whitey" Bulger was finally captured and brought to trial—and what a trial it was: evidence of nineteen gruesome murders, bodies buried in basements, explosive courtroom testimony from convicted killers, decades of FBI corruption and leaks of top secret investigations, a government witness dead mid-trial, and a tale of love. Whitey's machine guns and gangland-style extortions gripped the city of Boston for decades.

Former Boston-area prosecutor and legal analyst Margaret McLean attended the sensational trial every day. Investigative journalist Jon Leiberman traveled the world with the FBI's Whitey Bulger task force. As the trial progressed, it raised more questions about the FBI using murderers as informants and shielding them from prosecution, which caused the authors to dig deeper.

In *Whitey on Trial*, the multiple layers of this tragic story are revealed through dramatic trial testimony and exclusive behind the scenes interviews with FBI agents, Massachusetts State police, a former US Attorney, prosecutors, Whitey's defense attorneys, organized crime figures, and members of the jury. An exclusive letter from Whitey to McLean offers insight into his state of mind immediately following the verdict. *Whitey on Trial* is the definitive firsthand account of the Whitey Bulger trial.

PRAISE

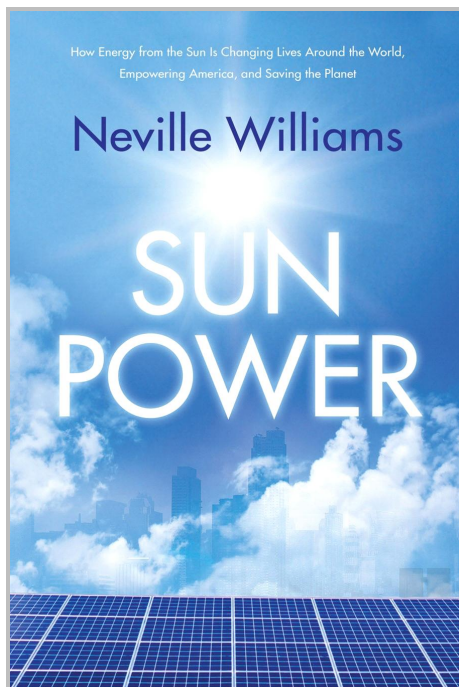

"Whitey on Trial brings to life the intense and complex experiences of the 'stage and battleground' of criminal prosecution. I was hooked from the opening paragraphs. If you read the headlines and think you understood this case, think again. This is a must-read."
 —Dr. Drew Pinsky, host of *Dr. Drew on Call*, *Loveline*, and *Celebrity Rehab*

"Leiberman helped me hunt Whitey for years with passion for all of his victims. This book is truly an inside and compelling view of a legendary trial. McLean and Leiberman have written a must-read for true crime lovers."

—John Walsh, creator and host of *America's Most Wanted*

MARGARET McLEAN practiced law as a criminal prosecutor and civil litigation attorney. She is a legal analyst on numerous national television and radio shows, and has a nationally syndicated weekly radio show called *It's a Crime Radio*.

JON LEIBERMAN is an award-winning investigative correspondent, host, producer and victim advocate. Jon hosts *Leiberman Live* on Sirius XM and is a crime contributor for CNN, HLN, and WildAboutTrial.com, and a crime blogger for *Huffington Post*.

Sun Power

How Energy from the Sun Is Changing Lives Around the World, Empowering America, and Saving the Planet

Neville Williams

A solar pioneer explores what is happening now in the solar industry—and what still needs to be done

America is on the brink of an energy revolution that can save the planet, and increase peace and prosperity, by harnessing the unlimited power of the sun. After decades of promise, the technology now exists to replace our dangerous addiction to fossil fuels with cheap, clean solar energy.

Neville Williams has been on the leading edge of this revolution for decades. He has traveled the globe bringing solar-generated electricity to struggling communities throughout Asia, Africa, India, and the developing world. From isolated villages high in the mountains of Nepal to remote settlements in South Africa, Williams has worked to introduce sun power to even the most off-the-grid reaches of the planet. He has brought that knowledge and experience back to America, where he founded one of the country's fastest-growing solar companies.

If millions of poor families in the Third World can get their power from the sun, why can't Americans, concerned with their rising power bills, dependence on foreign oil, and carbon footprints, do the same?

The answer is that sun power is here, it works, and can light up a new era of economic and environmental security—if we have the will to seize this historic opportunity. This book is not about predictions or promises. It's about what's happening now, all over the world, and what still needs to be done.

PRAISE

"An engaging state of the union by an important leader in solar power."

—*Kirkus Reviews*

"A fascinating account of the author's personal odyssey to promote solar energy in the developing world. Williams shows how intelligent local solutions can be found to meet the energy needs of communities across Asia and Africa."

—Sir Arthur C. Clarke on *Chasing the Sun*

"Engagingly chronicles the author's enduring effort to build a solar world."

—Lester R. Brown, president, Earth Policy Institute, on *Chasing the Sun*

NEVILLE WILLIAMS is a solar power pioneer, advocate, and entrepreneur. He founded a highly successful non-profit organization to bring sun power to unelectrified peoples and has launched companies all over the world to sell and install solarelectric systems. He first became involved with solar power during the Carter Administration as a consultant to the US Department of Energy.

The Missing Piece

Kevin Egan

A tensely plotted legal thriller set in New York City's iconic 60 Centre Street

Kirkus Reviews named *Midnight*, Kevin Egan's first diabolically twisty legal thriller, a "Best Book of 2013." Now Egan returns to the bench with an all-new tale of courtroom intrigue, legal maneuvers, deception, desperation...and cold-blooded murder.

The Salvus Treasure is a fabulous hoard of ancient Roman silver, worth a total of seventy million dollars. Uncovered decades ago under disputed circumstances, the treasure has been claimed by various parties, some of whom will stop at nothing to secure full ownership of its riches. People have died—and killed—to possess all fourteen pieces of silver.

The legal battle over who truly owns the treasure finally leads to the New York County Courthouse in Lower Manhattan. But as teams of high-priced lawyers wrangle over provenance and witnesses, a shocking act disrupts the trial...and a crucial piece of evidence goes missing.

The missing piece is a silver urn worth at least five million dollars. Now the race is on to discover what became of the urn...before the Salvus Treasure claims more lives.

PRAISE*For **Midnight***

"Slowly, methodically, excruciatingly, Egan shows his heroes' plan spinning out of control in a classic illustration of the law of unintended consequences. A crystalline noir nightmare built on the premise that yes, things can always, always, always get worse."
 —*Kirkus Reviews*, starred review

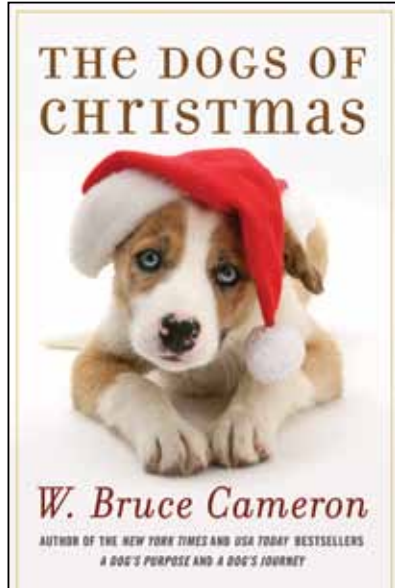

"Egan deftly parlays a simple administrative rule and the desperation of regular people into a thrilling read." —*Publishers Weekly*

"Alfred Hitchcock would have loved *Midnight's* twisty, original plot."
 —Phillip Margolin, *New York Times* bestselling author of *Sleight of Hand*

KEVIN EGAN is the acclaimed author of *Midnight*, as well as various other novels and short stories. He has spent his entire legal career working in the New York State court system, including lengthy stints as law clerk to two state supreme court justices. He graduated with a BA in English from Cornell University and teaches legal writing at Berkeley College in Manhattan.
