Dream Things True

A Novel

Marie Marquardt

A modern-day Romeo and Juliet story in which a wealthy Southern boy falls in love with an undocumented Mexican girl and together they face perils in their hostile Georgia town

Evan, a soccer star and the nephew of a conservative Southern Senator, has never wanted for much -- except a functional family. Alma has lived in Georgia since she was two-years-old, excels in school, and has a large, warm Mexican family. Never mind their differences, the two fall in love, and they fall hard. But when ICE (Immigration and Customs Enforcement) begins raids on their town, Alma knows that she needs to tell Evan her secret. There's too much at stake. But how to tell her country-club boyfriend that she's an undocumented immigrant? That her whole family and most of her friends live in the country without permission. What follows is a beautiful, nuanced, well-paced exploration of the complications of immigration, young love, defying one's family, and facing a tangled bureaucracy that threatens to completely upend two young lives.

The Weight of Feathers

A Novel

Anna-Marie McLemore

***The Night Circus* meets *Romeo and Juliet* in this stunning young adult novel about two teens who fall in love despite the almost impossible odds against them.**

The Palomas and the Corbeaus have long been rivals and enemies, locked in an escalating feud for over a generation. Both families make their living as traveling performers in competing shows—the Palomas swimming in mermaid exhibitions, the Corbeaus, former tightrope walkers, performing in the tallest trees they can find.

Lace Paloma may be new to her family's show, but she knows as well as anyone that the Corbeaus are pure *magia negra*, black magic from the devil himself. Simply touching one could mean death, and she's been taught from birth to keep away. But when disaster strikes the small town where both families are performing, it's a Corbeau boy, Cluck, who saves Lace's life. And his touch immerses her in the world of the Corbeaus, where falling for him could turn his own family against him, and one misstep can be just as dangerous on the ground as it is in the trees.

Beautifully written, and richly imaginative, *The Weight of Feathers* is an utterly captivating young adult novel by a talented new voice.

PRAISE

"A gripping, beautifully rendered story with prose reminiscent of *Eva Luna* and a fantastical world as captivating as that of *The Night Circus*."—Sabaa Tahir, author of *An Ember in the Ashes*

"Draws us into a world that's magical but still feels very, very real. The writing is beautiful, fluid, lyrical. I never wanted this story to end."—Robin Talley, author of *Lies We Tell Ourselves*

"A gorgeous debut, lush and heart-tuggingly romantic, full of bittersweet magic."—Jessica Spotswood, author of *The Cahill Witch Chronicles*

"An unmissable story... Will leave you enchanted till the last page. Beautiful."—Emery Lord, author of *Open Road Summer*

Breakaway

A Novel

Kat Spears

From Kat Spears, author of *Sway*, comes a new novel that asks the question: when a group of four best friends begins to drift apart, what will it take to bring them back together?

When Jason Marshall's younger sister passes away, he knows he can count on his three best friends and soccer teammates—Mario, Jordie, and Chick—to be there for him. With a grief-crippled mother and a father who's not in the picture, he needs them more than ever. But when Mario starts hanging out with a rough group of friends and Jordie finally lands the girl of his dreams, Jason is left to fend for himself while maintaining a strained relationship with troubled and quiet Chick.

Then Jason meets Raine, a girl he thinks is out of his league but who sees him for everything he wants to be, and he finds himself pulled between building a healthy and stable relationship with a girl he might be falling in love with, grieving for his sister, and trying to hold onto the friendships he has always relied on.

A witty and emotionally moving tale of friendship, first love, and loss, *Breakaway* is Kat Spears at her finest.

Evolution

Stephanie Diaz

The final book in the brilliantly paced *Extraction* series. About a fearless girl who wins escape from a brutal life only to find herself battling to save her planet from destruction.

Clementine's world is on the brink of destruction. An army of aliens from the distant planet Marden has arrived with a massive fleet of battleships, intent on finally putting an end to the war Kiel's old rulers initiated. With the Alliance headquarters reduced to rubble and one of the rebel leaders close to death, Clementine and her friends have no choice but to retreat to the Core to escape the alien ships attacking the Surface.

But safety in the Core means forming a temporary alliance with their sworn enemy, Commander Charlie. He's a ruthless man and a liar, but striking a bargain with him—his pardon in exchange for their help defeating the Mardenites—is the only way the rebels might survive the war. And Charlie needs their help too, for Marden's force is more powerful than anyone anticipated, with weapons and technologies never before seen on Kiel. Unless old feuds can be set aside long enough for a diplomatic solution to be found, all of Kiel's people will be destroyed, and everything Clementine and her friends have sacrificed in their fight for peace will have been for nothing.

Lisbeth comes from a broken home in the land of tube tops, heavy eyeliner, frosted lip-gloss, juiceheads, hoop earrings and "the shore." She has a circle of friends who have dedicated their teenage lives to relieve the world of all its alcohol one drink at a time.

Obsessed with everything Audrey Hepburn, Lisbeth is transformed when she secretly tries on Audrey's iconic Givenchy. She becomes who she wants to be by pretending to be somebody she's not and living among the young and privileged Manhattan elite. Soon she's faced with choices that she would never imagine making - between who she's become and who she once was.

Sway

A Novel

Kat Spears

In this hilarious and often poignant debut YA, a young man who avoids emotional connection at all costs, is forced to open his heart when he meets the girl of his dreams.

In Kat Spears' hilarious and often poignant debut, high school senior Jesse Alderman, or "Sway," as he's known, could sell hell to a bishop. He also specializes in getting things people want—term papers, a date with the prom queen, fake IDs. He has few close friends and he *NEVER* lets emotions get in the way. For Jesse, life is simply a series of business transactions.

But when Ken Foster, football team captain, homecoming king candidate, and all-around jerk, hires Jesse to help him win the heart of the angelic Bridget Smalley, Jesse finds himself feeling all sorts of things. While following Bridget and learning the intimate details of her life, he falls helplessly in love. He also finds himself in an accidental friendship with Bridget's belligerent and self-pitying younger brother who has cerebral palsy. Suddenly, Jesse is visiting old folks at a nursing home in order to run into Bridget, and offering his time to help the less fortunate, all the while developing a bond with this young man who idolizes him. Could the tin man really have a heart after all?

A Cyrano de Bergerac story with a modern twist, *Sway* is told from Jesse's point of view with unapologetic truth and biting humor, his observations about the world around him untempered by empathy or compassion—until Bridget's presence in his life forces him to confront his quiet devastation over a life-changing event a year earlier and maybe, just maybe, feel *something* again.

Romancing the Dark in the City of Light

A Novel

Ann Jacobus

A troubled teen, living in Paris, is torn between two boys, one of whom encourages her to embrace life, while the other—dark, dangerous, and attractive—urges her to embrace her fatal flaws.

Haunting and beautifully written, with a sharp and distinctive voice that could belong only to this character, *Romancing the Dark in the City of Light* is an unforgettable young adult novel.

Summer Barnes just moved to Paris to repeat her senior year of high school. After being kicked out of four boarding schools, she has to get on the right track or she risks losing her hefty inheritance. Summer is convinced that meeting the right guy will solve everything. She meets two. Moony, a classmate, is recovering against all odds from a serious car accident, and he encourages Summer to embrace life despite how hard it can be to make it through even one day. But when Summer meets Kurt, a hot, mysterious older man who she just can't shake, he leads her through the creepy underbelly of the city—and way out of her depth.

When Summer's behavior manages to alienate everyone, even Moony, she's forced to decide if a life so difficult is worth living. With an ending that'll surprise even the most seasoned reader, *Romancing the Dark in the City of Light* is an unputdownable and utterly compelling novel.

Instructions for the End of the World

A Novel

Jamie Kain

From the author of *The Good Sister* comes a gripping novel about two sisters who learn that there are things in life—love, loss, and self-discovery—that you simply can't prepare for.

He prepared their family for every natural disaster known to man—except for the one that struck.

When Nicole Reed's father forces her family to move to a remote area of the Sierra Foothills, one without any modern conveniences, it's too much too handle for her mother, who abandons them in the middle of the night. Heading out to track her down, Nicole's father leaves her in charge of taking care of the house and her younger sister, Izzy. For a while, Nicole is doing just fine running things on her own. But then the food begins to run out, the pipes crack, and forest fires start slowly inching their way closer every day. Wolf, a handsome boy from the neighboring community, offers to help her when she needs it most, but when she starts to develop feelings for him, feelings she knows she will never be allowed to act on once her father returns, she must make a decision. With her family falling apart, will she choose to continue preparing for tomorrow's disasters, or will she take a chance and really start living for today?

Instructions for the End of the World is a gripping, young adult novel that explores family, friendship, and love in the midst of the most difficult and dangerous circumstances.

Killing Lincoln

The Shocking Assassination that Changed America Forever

Bill O'Reilly and Martin Dugard

The mega bestseller that launched a franchise--a riveting history of the heart-stopping events surrounding the assassination of Abraham Lincoln

In this #1 *New York Times* Bestseller, the anchor of *The O'Reilly Factor* recounts one of the most dramatic stories in American history—how one gunshot changed the country forever. In the spring of 1865, the bloody saga of America's Civil War finally comes to an end after a series of increasingly harrowing battles. President Abraham Lincoln's generous terms for Robert E. Lee's surrender are devised to fulfill Lincoln's dream of healing a divided nation, with the former Confederates allowed to reintegrate into American society. But one man and his band of murderous accomplices, perhaps reaching into the highest ranks of the U.S. government, are not appeased.

In the midst of the patriotic celebrations in Washington D.C., John Wilkes Booth—charismatic ladies man and impenitent racist—murders Abraham Lincoln at Ford's Theatre. A furious manhunt ensues and Booth immediately becomes the country's most wanted fugitive. Lafayette C. Baker, a smart but shifty New York detective and former Union spy, unravels the string of clues leading to Booth, while federal forces track his accomplices. The thrilling chase ends in a fiery shootout and a series of court-ordered executions—including that of the first woman ever executed by the U.S. government, Mary Surratt. Featuring some of history's most remarkable figures, vivid detail, and page-turning action, *Killing Lincoln* is history that reads like a thriller.

PRAISE

"If you think you know this story, you don't until you've read *Killing Lincoln*. Add historian to Bill O'Reilly's already impressive résumé." —Nelson DeMille

"A must read historical thriller. Bill O'Reilly recounts the dramatic events of the spring of 1865 with such exhilarating immediacy that you will feel like you are walking the streets of Washington, D.C., on the night that John Wilkes Booth shot Abraham Lincoln." —Vince Flynn, author of *American Assassin*

"If Grisham wrote a novel about April 1865 . . . it might well read like *Killing Lincoln*."—Peter J. Boyer, *Newsweek*

Bill O'Reilly is the anchor of *The O'Reilly Factor*, the highest-rated cable news show in the country. He also writes a syndicated newspaper column and is the author of several number-one bestselling books. He is, perhaps, the most-talked-about political commentator in America. **Martin Dugard** is the *New York Times* bestselling author of several books of history. Saving Sophie

A Novel

Ronald H. Balson

From the author of *Once We Were Brothers*, Liam and Catherine team up again to investigate an embezzlement case, and discover a link between their prime suspect, a kidnapping, and a terrorist cell

Jack Sommers was just an ordinary accountant from Chicago. That is, until his wife passed away, his young daughter was kidnapped, and he became the main suspect in an \$88 million dollar embezzlement case. Now, Jack is on the run, hoping to avoid the feds long enough to rescue his daughter, Sophie, from her maternal grandfather, a suspected terrorist in Palestine.

With the help of the investigative team who first appeared in *Once We Were Brothers*, Liam and Catherine, and a new CIA operative, a secret mission is launched to not only rescue Sophie, but also to thwart a major terrorist attack in Hebron. But will being caught in the crossfires of the Palestine-Israeli conflict keep their team from accomplishing the task at hand, or can they overcome the odds and save countless lives, including their own?

Saving Sophie is the powerful story of the lengths a father will go through to protect his daughter, alongside the religious and political persecution of a nation caught in a civil war. This action-packed thriller will take you on an unforgettable journey of murder and deception, testing the bonds of family and love along the way.

When her roommate gives her the opportunity to make a lot of money fast, Bleu goes all in—and heads straight down a path of violence and addiction that only her newest protector, Iman, can save her from.

Safe under the wing of the head of the West Coast's biggest drug empire, Bleu can concentrate on getting clean and staying safe. But when the sins of Bleu's past come back to haunt her, she will have to fight to fix the mess she's created—or give in completely to self-destruction...

September

Rosamunde Pilcher

For the first time ever in Trade Paperback, Rosamunde Pilcher's beloved sequel to her classic #1 *New York Times* bestselling novel *The Shell Seekers*—a captivating story of life and love

With this mesmerizing story—the sequel to her enduring classic *The Shell Seekers*—Rosamunde Pilcher transports readers to her native Scotland. September is an extraordinary month there, when a brief but glorious summer is ending and the long, gray winter has yet to begin. It is a time of almost frenzied rounds of parties and houseguests and reels. A month when marriage is proposed and marriages break up, when even normally reticent Scots, Londoners, and Americans drink a little too much, dance a little too late into the night, when promises are made, hearts are broken, and long-buried family secrets can come to light.

With consummate skill, Rosamunde Pilcher begins her story as spring comes to Scotland and the hills burst into life, with a dance planned for September. The invitations summon home the group of people Violet Aird has cared for most in her long life. The oldest, strongest and wisest of them all, she sees Alexa, her vulnerable granddaughter, find love for the first time, while the decision to send her little grandson away to school is driving his parents even further apart. Far from them all is Pandora, the glamorous, exciting girl who ran away twenty years before. But as May turns to June and the summer commences, an inexorable fate propels them all towards Scotland as well as their inevitable—and often surprising—destinies.

PRAISE

"Character is at the heart of a story, and this fine tale has plenty of that... An alluring sense of [the Scottish Highlands] is at the very core of the book." –New York Times

"A family drama filled with romance." –People

"A dance of life!" –Philadelphia Inquirer

"Magnificent!" –Cosmopolitan

ROSAMUNDE PILCHER has had a long and distinguished career as a novelist and short-story writer, but it was her phenomenally successful novel *The Shell Seekers* that captured the hearts of all who read it and won her international recognition as one of the most-loved storytellers of our time. *The Shell Seekers* was followed by *September* and then by *Coming Home* and *Winter Solstice*, which also became worldwide bestsellers. She lives in Perthshire, Scotland.

Level Zero Heroes

The Story of U.S. Marine Special Operations in Bala Murghab, Afghanistan

Michael Golembesky and John R. Bruning

An elite Marine special operations team, a battle to save downed soldiers in Afghanistan, a fight for survival—an incredible true story of war that became a *New York Times* bestseller

In *New York Times* bestseller *Level Zero Heroes*, Michael Golembesky follows the members of U.S. Marine Special Operations Team 8222 on their assignment to the remote and isolated Taliban stronghold known as Bala Murghab as they conduct special operations in an effort to break the Taliban's grip on the Valley. What started out as a routine mission changed when two 82nd Airborne Paratroopers tragically drowned in the Bala Murghab River while trying to retrieve vital supplies from an air drop gone wrong. In that moment, the focus and purpose of the friendly forces at Forward Operating Base Todd was forever altered as a massive clearing operation was initiated to break the Taliban's stranglehold on the valley and recover the bodies.

From close-quarters firefights in Afghan villages to capturing key-terrain from the Taliban in the unforgiving Afghan winter, this intense and personal story depicts the brave actions and sacrifices of MSOT 8222. Readers will understand the hopelessness of being pinned down under a hail of enemy gunfire and the quake of the earth as a 2000 lb. guided bomb levels a fortified Taliban fighting position. A moving story of Marine Operators doing what they do best, *Level Zero Heroes* brings to life the mission of these selected few that fought side-by-side in Afghanistan, in a narrative as action-packed and emotional as anything to emerge from the Special Operations community contribution to the Afghan War.

PRAISE

"*Level Zero Heroes* proves that great warriors aren't minted from any one branch of service. Michael's story is a testament to the hard men of MARSOC who have contributed significantly both on and off the battlefield since the attacks of Sept. 11th, 2001. Semper Fi brothers." —Brandon Webb, former Navy SEAL, Editor of SOFREP, and *New York Times* bestselling author of *The Red Circle*

"Golembesky vividly depicts the engagement, which became known as Operation Hero Recovery and involved vicious ground combat....controversial." —*Publishers Weekly*

STAFF SERGEANT MICHAEL GOLEMBESKY served 8 years with the United States Marine Corps and is a combat veteran of the Afghanistan and Iraq Wars. Golembesky served as a Joint Terminal Attack Controller with Marine Special Operation Team 8222 (MARSOC). He lives in Colorado Springs, CO.

JOHN R. BRUNING is the author or collaborating writer on sixteen non-fiction books, including the bestseller *Outlaw Platoon*.

Undeniable

Evolution and the Science of Creation

Bill Nye; Edited by Corey S. Powell

From the host of "Bill Nye the Science Guy" comes an impassioned explanation of how the science of our origins is fundamental to our understanding of the nature of science—now in Trade Paperback.

Sparked by a controversial debate in February 2014, Bill Nye has set off on an energetic campaign to spread awareness of evolution and the powerful way it shapes our lives. In *Undeniable: Evolution and the Science of Creation*, he explains why race does not really exist; evaluates the true promise and peril of genetically modified food; reveals how new species are born, in a dog kennel and in a London subway; takes a stroll through 4.5 billion years of time; and explores the new search for alien life, including aliens right here on Earth.

With infectious enthusiasm, Bill Nye shows that evolution is much more than a rebuttal to creationism; it is an essential way to understand how nature works—and to change the world. He argues passionately that to continue to assert otherwise, to continue to insist that creationism has a place in the science classroom is harmful not only to our children, but to the future of the greater world as well. It might also help you get a date on a Saturday night.

PRAISE

"With his charming, breezy, narrative style, Bill empowers the reader to see the natural world as it is, not as some would wish it to be. He does it right. And, as I expected, he does it best."—Neil deGrasse Tyson, Ph.D, host of COSMOS

"This gracefully written book provides a tour through not just the big ideas of evolution, but why evolution is such a captivating idea scientifically, philosophically, and emotionally. Written from the heart—but science always comes from the heart with Bill Nye."—Dr. Eugenie C. Scott, author of *Evolution vs. Creationism: An Introduction*

BILL NYE holds a BS in Mechanical Engineering from Cornell University, and worked as an engineer at Boeing before creating and hosting his Emmy award-winning PBS/Discovery Channel show. He holds six Honorary Doctorate degrees.

COREY S. POWELL is the former editor in chief of *American Scientist* and *Discover*, where he is currently editor at large. He is also a visiting scholar at NYU's SHERP science journalism program, as well as a freelance writer for *Popular Science*, *Smithsonian*, and *Nautilus*.

Endsinger

The Lotus War Book Three

Jay Kristoff

The stunning conclusion to the critically acclaimed Lotus War series that began with *Stormdancer*, featuring unforgettable heroine Yukiko and an extraordinary Japanese dystopian steampunk world

With *Stormdancer*, Jay Kristoff came roaring onto the fantasy scene—he has been praised as "the master of unique and intense plots and huge twists" — USA Today.com, while critics called the novel, "[A] fast-paced, fantastical adventure [that] is sharp as a Shogun's sword." —*The LA Times*. With healthy sales in hardcover and electronic—fueled by Jay's inventive promotion on his website, social media, and the blogosphere—we know readers are hungry for the finale to his wildly inventive saga.

As civil war sweeps across the Shima Imperium, the Lotus Guild unleashes their deadliest creation—a mechanical goliath, intended to unite the shattered Empire under a yoke of fear. Yukiko and Buruu are forced to take leadership of the rebellion, gathering new allies and old friends. But the ghosts of Buruu's past stand between them and the army they need, and Kin's betrayal has destroyed all trust among their allies. When a new foe joins the war, it will be all the pair can do to muster the strength to fight, let alone win. And as the earth splits asunder, as armies destroy each other for rule over an empire of lifeless ash and the final secret about blood lotus is revealed, the people of Shima will learn one last, horrifying truth. An exciting, vivid conclusion to a critically acclaimed series, *Endsinger* is sure to have fans racing through the pages to savor every last revelation.

PRAISE

"*Kinslayer* is intense and heart-punching. Are you ready? Probably not. Will you venture into the storm anyway? I think you should." —YABooksCentral.com

"*Stormdancer* is an intoxicating joyride into steampunklandia with a top-notch brassy heroine who rivals Katniss Everdeen of *The Hunger Games*. Yes, I did say that!" —*Huffington Post*

"What's that? You say you've got a Japanese Steampunk novel with mythic creatures, civil unrest, and a strong female protagonist? I'm afraid I missed everything you said after "Japanese Steampunk." That's all I really needed to hear." —Patrick Rothfuss, #1 New York Times bestselling author of *The Wise Man's Fear*

JAY KRISTOFF grew up in the most isolated capital city on earth and fled at his earliest convenience. Being the holder of an arts degree, he has no education to speak of. He is six feet seven inches and has approximately 13,520 days to live. He lives in Melbourne with his wife.

Malice

A Mystery

Keigo Higashino; Translated by Alexander O. Smith

International bestseller and Edgar Award finalist Keigo Higashino, author of *The Devotion of Suspect X*, returns with one of his most challenging and dazzling mysteries ever.

Acclaimed bestselling novelist Kunihiko Hidaka is found brutally murdered in his home on the night before he's planning to leave Japan and relocate to Vancouver. His body is found in his office, a locked room, within his locked house, by his wife and his best friend, both of whom have rock solid alibis. Or so it seems.

At the crime scene, Police Detective Kyochiro Kaga recognizes Hidaka's best friend, Osamu Nonoguchi. Years ago when they were both teachers, they were colleagues at the same public school. Kaga went on to join the police force while Nonoguchi eventually left to become a full-time writer, though with not nearly the success of his friend Hidaka. As Kaga investigates, he uncovers evidence that the two writers' had been anything but best friends. But the question before Kaga isn't necessarily who, or how, but why. In a brilliantly realized tale of cat and mouse, the detective and the killer battle over the truth of the past and how events that led to the murder really unfolded. And if Kaga isn't able to uncover and prove why the murder was committed, then the truth may never come out.

Malice is one of the bestselling—the most acclaimed—novel in Keigo Higashino's series featuring police detective Kyochiro Kaga, one of the most popular creations of the bestselling novelist in Asia.

PRAISE

"Keigo Higashino combines Dostoyevskian psychological realism with classic detective-story puzzles reminiscent of Agatha Christie and E.C. Bentley."—*Wall Street Journal*

"Keigo Higashino again proves his mastery of the diabolical puzzle mystery with *Malice*, a story with more turns, twists, switchbacks and sudden stops than a Tokyo highway during Golden Week."—*The New York Times Book Review*

"This smart and original mystery is a true page-turner... will baffle, surprise, and draw out suspicion until the final few pages. Higashino continues to elevate the modern mystery as an intense and inventive literary form." —*Library Journal* (starred review)

KEIGO HIGASHINO is the bestselling, best-known novelist in Japan and around Asia, with numerous television and film adaptations of his work appearing in several languages. He's the author of *The Devotion of Suspect X*, the English translation of which was the finalist for the Edgar Award for best novel, and *Salvation of a Saint*. He lives in Tokyo, Japan.

Rebellion: The History of England from James I to the Glorious Revolution

Peter Ackroyd

"The depth and scope of Ackroyd's account is impressive, and it is as accessible as it is rich." —*Publishers Weekly*

Peter Ackroyd has been praised as one of the greatest living chroniclers of Britain and its people. In *Rebellion*, he continues his dazzling account of the history of England.

The Stuart monarchy brought England and Scotland into one realm, albeit a realm still marked by political divisions that echo to this day. More importantly, perhaps, the Stuart era was marked by the cruel depredations of civil war, and the killing of a king. Shrewd and opinionated, James I was eloquent on matters as diverse as theology, witchcraft, and the abuses of tobacco, but his attitude to the English parliament sowed the seeds of the division that would split the country during the reign of his hapless heir, Charles I. Ackroyd offers a brilliant, warts-and-all portrayal of Charles's nemesis, Oliver Cromwell, Parliament's great military leader and England's only dictator, who began his career as a political liberator but ended it as much of a despot as "that man of blood," the king he executed.

England's turbulent seventeenth century is vividly laid out before us, but so too is the cultural and social life of the period, notable for its rich literature, including Shakespeare's late masterpieces, Jacobean tragedy, the poetry of Donne and Milton and Hobbes's great philosophical treatise, *Leviathan*. *Rebellion* also gives us a very real sense of the lives of ordinary English men and women, lived out against a backdrop of constant disruption and uncertainty.

PRAISE

"Splendid... Ackroyd keeps things moving briskly along by alternating between weighty matters of state and vignettes of everyday life. An accomplished novelist, he has an eye for the revelatory digression." —*The New York Times Book Review*

"Appropriately detailed, beautifully written... will leave readers clamoring for the further adventures awaiting England in the 18th century." —*Kirkus* (starred review)

"Ackroyd is a wonderful storyteller, and he has a wonderful and vitally important story to tell." —*Booklist* (starred review)

PETER ACKROYD is an award-winning novelist, as well as a broadcaster, biographer, poet, and historian. He is the author of the acclaimed *Thames: Sacred River*, *London: The Biography*, and the first and second volumes of his history of England, *Foundation* and *Tudors*. He holds a CBE for services to literature and lives in London.

Reaching Down the Rabbit Hole

A Renowned Neurologist Explains the Mystery and Drama of Brain Disease

Dr. Allan H. Ropper and Brian David Burrell

In the tradition of Oliver Sacks, a top-flight neurologist pulls back the curtain at a renowned hospital to reveal how brain diseases offer some of the greatest diagnostic challenges in medicine.

"Tell the doctor where it hurts." It sounds simple enough, unless the problem affects the very organ that produces awareness and generates speech. In this book, Dr. Allan Ropper and Brian Burrell take the reader behind the scenes at Harvard Medical School's neurology unit to show how a seasoned diagnostician faces down bizarre, life-altering afflictions. Like Alice in Wonderland, Dr. Ropper inhabits a world where absurdities abound:

- A figure skater whose body has become a ticking time-bomb
- A salesman who drives around and around a traffic rotary, unable to get off
- A college quarterback who can't stop calling the same play
- A mother of two young girls who has to decide whether a life locked inside her own head is worth living

How does one begin to treat such cases, to counsel people whose lives may be changed forever? How does one train the next generation of clinicians to deal with the moral and medical aspects of brain disease? Dr. Ropper and his colleague answer these questions by taking the reader into a rarified world where lives and minds hang in the balance.

PRAISE

"An entertaining and eminently readable book. Demystifying the art and practice of healing neurological disorders." —*Huffington Post*

"Ropper and Burrell exhibit both a hungry curiosity and an elegant writing style married to the humbleness that comes from standing at the edge of the rabbit hole." —*Kirkus Reviews* (starred)

"An intriguing account of neurology's real-world applicability." —*Publishers Weekly*

Dr. Allan H. Ropper is a Professor at Harvard Medical School and the Raymond D. Adams Master Clinician at Brigham and Women's Hospital in Boston. He is credited with founding the field of neurological intensive care and counts Michael J. Fox among his patients.

Brian David Burrell teaches mathematics and statistics at the University of Massachusetts Amherst. The author of *Postcards from the Brain Museum*, he has appeared on the *Today Show*, *C-Span's Booknotes*, and NPR's *Morning Edition*.

Horst Cabal has risen from the dead. Again. Horst, the most affable vampire one is ever likely to meet, is resurrected by an occult conspiracy that wants him as a general in a monstrous army. Their plan: to create a country of horrors, a supernatural homeland. As Horst sees the lengths to which they are prepared to go and the evil they cultivate, he realizes that he cannot fight them alone. What he really needs on his side is a sarcastic, amoral, heavily armed necromancer.

As luck would have it, this exactly describes his brother.

Join the brothers Cabal as they fearlessly lie quietly in bed, fight dreadful monsters from beyond reality, make soup, feel slightly sorry for zombies, banter lightly with secret societies that wish to destroy them, and—in passing—set out to save the world.

PRAISE

"Jonathan L. Howard has such an effortless way with monsters and the undead that you might suspect him of being, like his creation, Johannes Cabal, a necromancer. The series is addictive." —Richard Kadrey, author of the Sandman Slim series

"*The Brothers Cabal* is smart, funny, and dark in all the right places. Imagine Mycroft and Sherlock—if one were a polite vampire and the other were a surly necromancer—up against an army of monsters and magicians. Like Pratchett and Fforde, Jonathan L. Howard puts it all together and makes it look effortless." —Christopher Farnsworth, author of *Blood Oath*

Raiders of the Nile

A Novel of the Ancient World

Steven Saylor

In Egypt during the late Roman Republic, the young Gordianus finds himself involved in a raid to steal the golden Sarcophagus of Alexander the Great

In 88 B.C., from Rome to Greece and to Egypt itself, most of civilization is on the verge of war. The young Gordianus—a born-and-raised Roman citizen—is living in Alexandria, making ends meet by plying his trade of solving puzzles and finding things out for pay. He whiles away his time with his slave Bethesda, waiting for the world to regain its sanity. But on the day Gordianus turns twenty-two, Bethesda is kidnapped by brigands who mistake her for a rich man's mistress. If Gordianus is to find and save Bethesda, who has come to mean more to him than even he suspected, he must find the kidnappers before they realize their mistake and cut their losses. Using all the skills he learned from his father, Gordianus must track them down and convince them that he can offer something of enough value in exchange for Bethesda's release.

As the streets of Alexandria slowly descend into chaos, and the citizenry begin to riot with rumors of an impending invasion by Ptolmey's brother, Gordianus finds himself in the midst of a very bold and dangerous plot—the raiding and pillaging of the golden sarcophagus of Alexander the Great himself.

New York Times bestselling author Steven Saylor returns, chronicling the early years of his detective, Gordianus, before he assumed the title of *The Finder*. *Raiders of the Nile* is the latest in his much-loved series of mysteries set in the late Roman Republic.

PRAISE

"Exuberantly entertaining."—*USA Today* (a weekend pick)

"Saylor is unmatched. From the towering Pharos Lighthouse to the waters of the Nile Delta, from the dungeons of kings to the rowing decks of galleys, ancient Egypt comes alive on the pages." —*Deseret News*

"A feast of details about Roman cuisine, street life, dress, and social strata is presented here, spiked with the contrast to Alexandrian customs. Another history-mystery that can be devoured on both levels." —*Booklist* (starred review)

STEVEN SAYLOR is the author of acclaimed historical mystery novels featuring Gordianus the Finder, including *Wrath of the Furies*, as well as the internationally bestselling historical novels *Empire* and *Roma*. He has appeared on the *History Channel* as an expert on Roman politics and life. He divides his time between Berkeley, California, and Austin, Texas.

Proof Positive

A Joe Gunther Novel

Archer Mayor

An apparent accidental death turns out to be only the first of many murders

Ben Kendall was a troubled man. Coming back from Vietnam with PTSD and scars that no one else could see, he hid away from the world, filling his house with an ever-increasing amount of stuff, until finally, the piles collapsed and he was found dead, crushed beneath his own belongings. But what at first glance looks to be a tragic accidental death of a hoarder, may be something much more—and much deadlier. Ben's cousin, medical examiner Beverly Hillstrom, unsettled by the circumstances of his death, alerts Joe Gunther and his Vermont Bureau of Investigation team.

Ben, it seems, brought back something else from Vietnam than personal demons—he also brought back combat photos and negatives that someone else wants desperately to keep from the public eye. When Beverly's daughter Rachel made her cousin Ben—and his photos—the subject of her college art project, some of those photos appeared on the walls of a local art gallery. This in turn resulted in the appearance of a two man hit squad, searching for some other missing negatives. With Joe Gunther and his squad trailing behind the grisly research results of the hit team, and the deadly killers closing in on Rachel, Gunther has little time to find and protect Rachel before she ends up in the same grisly state as her cousin before her.

PRAISE

"Mayor has capture the real Vermont whose beauty often belies a dark and gritty criminal landscape; Joe Gunther and the ensemble cast surrounding him are among the very best in criminal fiction." —Alfred Hitchcock's Mystery Magazine

"Another riveting addition to one of the finest series in crime fiction. A circuitous plot, finely drawn characters, and Mayor's evocative, writerly grace notes...make this a must-read for crime lovers." —Booklist (starred review)

"Over 26 years and 25 books, Joe Gunther has...grown in stature and so has the series." —Publishers Weekly (starred review)

ARCHER MAYOR, in addition to writing the *New York Times* bestselling Joe Gunther series, is an investigator for the sheriff's department, the state medical examiner, and has twenty-five years of experience as a firefighter/EMT. He lives near Brattleboro, Vermont.

The Frozen Dead

Bernard Minier; translated by Alison Anderson

A suspenseful and chilling murder mystery set in a high-security asylum for the criminally insane and the snowy mountains of the French Pyrenees

In a snowbound valley, deep in the French Pyrenees, a dark story of madness and revenge is unfolding.

The first victim is a horse: its headless, flayed body hangs suspended from the edge of a frozen cliff. On the same day as the gruesome discovery takes place, Diane Berg, a young psychiatrist starts her first job at a high security asylum for the criminally insane, just a few miles away. She is baffled by the slightly unorthodox methods the asylum's director uses, and then greatly alarmed when she realizes that drugs are disappearing from within the fortified institution while someone seems to be slipping out at night.

Commandant Martin Servaz, a charismatic, Toulouse city cop fond of quoting Latin, can't believe he has been called out over the death of an animal. But there is something disturbing about this crime that he cannot ignore. Then DNA from one of the most notorious inmates of the asylum, a highly intelligent former prosecutor who is accused of killing and raping several women, is found on the corpse... and a few days later the first human murder takes place. Servaz and his colleague, the mysterious Irene Ziegler, must use all their skill to solve the terrifying mystery.

Brooks: The Biography of Brooks Robinson

Doug Wilson

**"An unabashedly affectionate life of and tribute to a man who
deserves every good word that ever has been said or written
about him."—*The Washington Post***

Brooks Robinson is one of baseball's most transcendent and revered players. He won a record sixteen straight Gold Gloves at third base, led one of the best teams of the era, and is often cited as the greatest fielder in baseball history. Credited with almost single-handedly winning the 1970 World Series, this MVP was immortalized in a Normal Rockwell painting. A wholesome player and role model, Brooks honored the game of baseball not only with his play but with his class and character off the field.

Doug Wilson returns to baseball's Golden Age to detail the birth of a new franchise through the man who came to symbolize it as one of baseball's most beloved players. Through numerous interviews with people from every part of the legendary player's life, Wilson reveals never-before-reported information to illuminate Brooks's remarkable skill and warm personality.

Brooks takes readers back to an era when players fought for low-paying yearly contracts, spanning the turbulent 60s and 70s and into the dawning of the free agent era. In the current climate of astronomic salaries, steroids, off-field troubles, and heroes who let down their fans, *Brooks* reminds baseball fans of the honor and glory at the heart of America's favorite pastime.

PRAISE

**"I've known Brooks for more than 40 years and this is the most thorough and detailed
biography of him I've ever read. And I've read them all."—Roy Firestone, seven-time
Emmy-winning broadcaster and original host of ESPN's *Up Close***

**"Wilson can weave together interesting tidbits that belong in any social studies class
and can make us think "Wow," whether or not we follow sports."—*The Republic***

**"A nice tribute to a bygone era of baseball and one of its classiest representatives." —
*Publishers Weekly***

DOUG WILSON is a member of the Society for American Baseball Research and author of *The Bird: The Life and Legacy of Mark Fidrych* and *Fred Hutchinson and the 1964 Cincinnati Reds*. An ophthalmologist by day, Wilson has been a life-long baseball fanatic. He played baseball through college; however, his grade point average was higher than his batting average and he was forced to go to medical school to make a living. He and his wife, Kathy, have three children and live in Columbus, Indiana.

150 All-Time Favorite Crochet Blocks

Make All the Best Blocks in Beautiful Stitches, Colors & Yarns

Sarah Hazell

Make all the best blocks—in beautiful stitches, colors, and yarns!

There are classic blocks that will always have a special place in a crocheter's heart, and this book brings many of these patterns together in one gorgeous collection. Curated by crochet designer Sarah Hazell, included are the most popular motifs, like the iconic granny square in many variations, shape-changing blocks, patterns for blocks that are worked in quarters or crosses, textured, lacy and mesh blocks, and many more.

An enduring favorite with yarn crafters of all levels, blocks are both portable and perfect for small bursts of activity. If time is short, then you can work a few rounds at a time, and being portable you can carry a few with you and work on one block at a time. They help you bust your stash or declutter by using up small quantities. And they allow you to create something as large or small as you want for your own use or as a gift.

Tips on how to select yarn and color combinations run throughout the book, helping you to gain confidence in these areas. Each block is flagged by skill level, accompanied by a short description focusing on its special features and characteristics, as well as charted and row-by-row instructions. The exciting combinations will remind you of why you fell in love with a particular block the first time around or, for newbies, it could be the start of a love affair.

SARAH HAZELL is a knitting and crochet designer. Her love of knitting led to a love of crochet, and she co-authored her first book in 2007. Sarah's most recent book is *Crochet Stitch Dictionary*.

Striking Gridiron

A Town's Pride and a Team's Shot at Glory During the Biggest Strike in American History

Greg Nichols

"If you loved *Friday Night Lights*, you'll also love *Striking Gridiron*, Greg Nichols' true-life, American-spirited page-turner."—*American Profile Magazine*

In the summer of 1959, most of the town of Braddock, Pennsylvania—along with half a million steel workers around the country—went on strike in the longest labor stoppage in American history. With no paychecks coming in, the families of Braddock looked to its football team for inspiration.

The Braddock Tigers had played for five amazing seasons, a total of 45 games, without a single loss. Heading into the fall of '59, this team from just outside Pittsburgh, whose games Steelers players would drop by to watch, needed just eight victories to break the national record for consecutive wins. *Sports Illustrated* and other media descended upon the town to profile the team and its revered head coach, future Hall of Famer Chuck Klausung.

Greg Nichols recounts every detail of Braddock's incredible sixth, undefeated season, from the brutal weeks of summer training camp to the season's final play that defined the team's legacy. But even more than the story of a triumphant season, Nichols's narrative is an intimate chronicle of small-town America during the hardest of times. *Striking Gridiron* takes us from the sidelines and stands on game day into the school hallways, onto the street corners, and into the very homes of Braddock to reveal a beleaguered blue-collar town from a bygone era—and the striking workers whose strength was mirrored by the football heroics of steel-town boys on Friday nights and Saturday afternoons.

PRAISE

"Greg Nichols illuminates Western Pennsylvania mill-town race, class and labor-management tensions 55 years ago through the prism of high school foot-ball...*Striking Gridiron* captures a slice of Western Pennsylvania as it was, offering an intriguing contrast to today."—*Pittsburgh Tribune-Review*

"An excellent book on a number of levels."—*Booklist* (starred review)

"Greg Nichols couldn't have written it better if he'd been on the sidelines with us." — Chuck Klausung, coach of the 1959 Braddock High Tigers

Award-winning author and journalist GREG NICHOLS has followed his penchant for place-based reporting from the *barrios* of South America to the steel towns of western Pennsylvania. Nichols holds a B.A. in philosophy from the University of California at Santa Barbara, and an M.F.A. in creative writing from Emerson College. He lives with his wife in Los Angeles, CA.

Frankie Avalon's Italian Family Cookbook

From Mom's Kitchen to Mine and Yours

Frankie Avalon

The iconic singer shares over 80 beloved Italian recipes from four generations of Avalons in America.

Entertainment legend Frankie Avalon has cooked his way from his mother's kitchen in South Philadelphia to Hollywood and Las Vegas. Here in his first cookbook are pitch-perfect recipes for such Italian classics as Tomato-Ricotta Lasagna and Three-Meat Sunday Gravy with Pasta, as well as unexpected treasures like Roast Pork with Fig Sauce and Pork Milanese on Kale Salad.

Frankie Avalon's Italian Family Cookbook is first and foremost a collection of over 80 of his favorite dishes, ones that Frankie and his wife Kay regularly serve to their eight children and ten grandchildren. Weeknight meals, Sunday suppers, and holiday feasts are all covered with must-have recipes—each one taste-tested by Avalons of all ages. And Frankie is a great storyteller, so delicious tales of more than five decades in show business pop up like meatballs in marinara sauce. Novice and experienced cooks will find a lot to love between these pages—dozens of heirloom recipes, mouthwatering food photographs, plus candid shots of Frankie at home in Southern California with his family and some of his favorite food places and pals in the old neighborhood in Philly, tips on Italian ingredients, advice on cooking for a crowd, and more.

Frankie's latest ventures include his food company, which specializes in prepared Italian food products, like rice balls and sausages, based on his heritage (his father was a butcher) and currently available on QVC.

FRANKIE AVALON is one of the busiest nightclub performers in the country, playing the finest supper clubs and headlining top Las Vegas main rooms. He has a long string of gold record million-seller singles and albums, and 30 films, including *Grease* and *Beach Blanket Bingo*. Frankie lives in California with his wife of 50 years, Kay.

RICK RODGERS is an award-winning cookbook writer and culinary instructor. As a publishing consultant, his clients include Williams-Sonoma and Tommy Bahama.

Baking with the Brass Sisters

Over 125 Recipes for Classic Cakes, Pies, Cookies, Breads, Desserts, and Savories from America's Favorite Home Bakers

Marilynn Brass and Sheila Brass; Photography by Andy Ryan

America's favorite baking sisters—The Brass Sisters—are back with another treasure trove of treats

Marilynn and Sheila Brass are on a mission to bring old-fashioned American home baking back to everyone's kitchen. *Baking with the Brass Sisters* embodies the philosophy that's drawn thousands of fans to them: "We believe that there is nothing that tastes as good as something baked by someone who loves us, unless it is something we have baked and shared with someone we love."

In their new book, Marilyn and Sheila have gone to their collection of trusted manuscript cookbooks and handwritten recipes that number in the thousands to rediscover the home-baked treats that were brought to America from around the world - Russia, The Ukraine, Germany, Austria, France, Greece, India, Costa Rica, Armenia, Italy, England, Ireland, Norway, Canada, as well as many created here in the US. They have listened to the stories of recipes that have been passed down by family and friends and interpreted them for the home kitchen. They've even included some of their own recipes created over 126 years of combined home baking experience.

Readers will find wonderful recipes for treats like Grandma Goldberg's Honey Cake, Chocolate Walnut Banana Muffins, Billy Goat Cookies, Cobblestone Apple Tart, Mother Carleton's Black Walnut Layer Cake, Nana May's Irish Yeast Bread, Jack's Chocolate Caramel Walnut Tart and many more. *Baking with the Brass Sisters* is a classic baking book that people will keep on their shelves, bake from, and cherish for years to come.

PRAISE

"I love the Brass sisters for their ability to cut through the fiddly nonsense too often associated with home baking. Instead, Marilyn and Sheila serve up page after page of doable, utterly delectable treats that you and I can make on a moment's notice without a trip to the gourmet market (and the bank before that). Their Yankee know-how and impeccable taste shines through on every page. This is a cookbook for people who love to bake...and not just dream about it!" - Rick Rodgers, Author of *Kaffehaus, Tea and Cookies, and Coffee and Cake*

MARILYNN AND SHEILA BRASS are the authors of *Heirloom Cooking With The Brass Sisters* and *Heirloom Baking With The Brass Sisters*, a finalist for the James Beard Award. They have hosted their own specials on PBS and the Cooking Channel; have appeared on *Throwdown* with Bobby Flay and on PBS's *Simply Ming*. They appear regularly on NPR's *All Things Considered - Found Recipes* and the NPR blog, *The Salt*. They live in Cambridge, MA and enjoy baking with their family and friends in their home kitchen.

A Quilt for Christmas

Sandra Dallas

From the *New York Times* bestselling author, a Christmas novel set during the Civil War in which a woman makes a quilt for her husband and learns about love, grief, forgiveness, and healing

It is 1864 and Eliza Spooner's husband Will has joined the Kansas volunteers to fight the Confederates, leaving her with their two children and in charge of their home and land. Eliza is confident that he will return home, and she helps pass the months making a special quilt to keep Will warm during his winter months in the army. When the unthinkable happens, she takes in a woman and child who have been left alone and made vulnerable by the war, and she finds solace and camaraderie amongst the women of her quilting group. And when she is asked to help hide an escaped slave, she must decide for herself what is right, and who she can count on to help her.

The Christmas Angel

A Novel

Jane Maas

A charming, heart-warming Christmas tale about the power of family, tradition, and love. "A story that will linger in your mind and in your heart" —Debbie Macomber

In 1875, Owen Thomas, a poor Welsh coal miner, falls in love with a beautiful London actress, Jessica Lavery. He builds her a cottage in his village, and enchants her with the promise of the holidays they'll share after they marry. According to his special Thomas family tradition, the Christmas tree must always be outside, where it can look up to God. Owen carves her an angel to go on top of their tree, with lavender eyes like hers, a token more meaningful to her than any engagement ring. When Jessica breaks off their romance, Owen, broken-hearted, wraps the angel in his mother's shawl and brings her to America. There, she looks down over five generations, witnessing peace and war, triumphs and tragedies, reminding all who see her that Christmas is the time when families and sweethearts can come together, laughter and goodwill can lighten even the heaviest burden, and magic fills the earth. Jane Maas' book is a story of faith and love. And of the miracle that brought the angel home again.

Sure to delight fans of Debbie Macomber and Richard Paul Evans, *The Christmas Angel* is the perfect stocking stuffer this holiday season.

A Matrix Award winner and an Advertising Woman of the Year, she is best known for her direction of the "I Love New York" campaign. She is the author of *Mad Women*, *Adventures of an Advertising Woman*, *Christmas in Wales*, and co-author of the classic *How To Advertise*. Brief Encounters

Conversations, Magic Moments, and Assorted Hijinks

Dick Cavett, foreword by Jimmy Fallon

"The best bathroom reading ever written! Each story takes just the right amount of time."—Mel Brooks

In *Brief Encounters*, the legendary talk show host Dick Cavett introduces us to the fascinating characters who have crossed his path, from James Gandolfini and John Lennon to Mel Brooks and Nora Ephron, enhancing our appreciation of their talent, their personalities, and their place in the pantheon. We tag along as Cavett spends an afternoon with Stan Laurel at his modest apartment in Los Angeles, spars with Muhammad Ali at his training camp, and comes to know a young Steve Jobs—who woos him to be Apple's first celebrity pitchman. He also offers piquant commentary on contemporary politics, the indignities of travel, the nature of comedy writing, and the utter improbability of being alive at all.

On his talk show, Cavett welcomed the leading figures from film, music, theater, literature, comedy, and politics, and engaged them in conversation that made viewers feel that the discussion was taking place in their own living rooms. Jimmy Fallon, the host of *The Tonight Show*, has called him "a legend and an inspiration" and has written a foreword that makes clear the debt that today's talk show hosts owe to Dick Cavett.

To spend a few minutes, or an hour, or even a whole evening with Dick Cavett is an experience not to be missed, and now there's no reason to deny yourself. Enjoy the conversation!

PRAISE

"Very good and very funny, at times pointed, but always engaging."—Chicago Tribune

"In his signature charming prose, Cavett introduces readers to the fascinating characters that have crossed his path."—Examiner.com (Named a Best Celebrity Book of the Year)

"The book is a delightful peek behind the curtain at celebrities, complex characters, and the nuances of everyday life—all told with his singular wit and style."—Publishers Weekly

Dick Cavett was the host of *The Dick Cavett Show* on ABC and PBS, and he also hosted talk shows on the USA, HBO, and CNBC cable networks. He appears frequently on stage, screen, and new media, and he was nominated for his most recent Emmy Award in 2012. He is the author of *Talk Show* and the coauthor of *Cavett* and *Eye on Cavett*, and he writes an online opinion column for *The New York Times*. He lives in New York City and Montauk, New York.

Cats on the Job

50 Fabulous Felines Who Purr, Mouse, and Even Sing for Their Supper

Lisa Rogak

An illustrated, full-color celebration of working cats from around the world.

In recent years, dogs have received attention for performing tasks such as sniffing out cancer, helping hospital patients recover, and serving in our military. But cats have not been sitting idly by. Indeed, felines of all stripes are earning their keep in a surprising variety of jobs.

While a number of working cats are specifically hired for their superb mouse-catching skills, others have more focused careers as hosts and bedwarmers at inns and hotels, as assistants to bike messengers, or as companions at bookstores. Some even provide therapy and comfort as diabetic alert cats and service cats for veterans and children. And in the case of those cats who are originally brought on for their mousing skills, it often doesn't take long for their job duties to expand as their talents are discovered.

Each one of *Cats on the Job's* stories of adorable feline coworkers will be paired with heartwarming color photographs, making this the perfect book for cat lovers of all ages.

Bathing the Lion

Jonathan Carroll

Neil Gaiman praises *Bathing the Lion* as "Brain-smoothing work. As if John Updike were to write a Philip K Dick novel." A surreal apocalypse novel tackles domestic strife & fragile friendships.

In Jonathan Carroll's surreal masterpiece, *Bathing the Lion*, five people who live in the same New England town go to sleep one night and all share the same hyper-realistic dream. Some of these people know each other; some don't.

When they wake the next day all of them know what has happened. All five were at one time "mechanics," a kind of cosmic repairman whose job is to keep order in the universe and clean up the messes made both by sentient beings and the utterly fearsome yet inevitable chaos that periodically rolls through, wreaking mayhem wherever it touches down—a kind of infinitely powerful, merciless tornado. Because the job of a mechanic is grueling and exhausting, after a certain period all of them are retired and sent to different parts of the cosmos to live out their days as "civilians." Their memories are wiped clean and new identities are created for them that fit the places they go to live out their natural lives to the end.

For the first time all retired mechanics are being brought back to duty: Chaos has a new plan, and it's not looking good for mankind...

PRAISE

"Carroll's skill is such that, even as his canvas expands to cosmic scale, we never forget the guilt, longing and love that drives these figures, lending them genuine poignancy." —*Chicago Tribune*

"Carroll...drenches prosaic modern life with horrifying surrealism in this hallucinatory contemporary myth, which mingles terror and awe with family strife...lyrical and thematically rich...not to be underestimated."—*Publisher's Weekly*, Starred Review

"Carroll's familiar themes of love, regret, memory, and—well, dogs, are as fully realized here as in any of his novels."—*Locus*

JONATHAN CARROLL has written eighteen novels and lives in Vienna.

DEBUT AUTHOR

Murder at the Brightwell

A Mystery

Ashley Weaver

An exquisite seaside resort, an eccentric group of British aristocrats on holiday, and rich 1930's detail lay the setting for this stupendous debut mystery of manners by a young librarian

Amory Ames is a wealthy young woman who questions her marriage to her notoriously charming playboy husband, Milo. Looking for a change, she accepts a request for help from her former fiancé, Gil Trent, not knowing that she'll soon become embroiled in a murder investigation that will not only test her friendship with Gil, but will upset the status quo with her husband.

Amory accompanies Gil to the Brightwell Hotel in an attempt to circumvent the marriage of his sister, Emmeline, to Rupert Howe, a disreputable ladies man. Amory sees in the situation a grim reflection of her own floundering marriage. There is more than her happiness at stake, however, when Rupert is murdered and Gil is arrested for the crime. Amory is determined to prove his innocence and find the real killer, despite attempted dissuasion from the disapproving police inspector on the case. Matters are further complicated by Milo's unexpected arrival, and the two form an uneasy alliance as Amory enlists his reluctant aid in clearing Gil's name. As the stakes grow higher and the line between friend and foe becomes less clear, Amory must decide where her heart lies and catch the killer before she, too, becomes a victim.

Murder at the Brightwell is a delicious mystery in which murder invades polite society and romance springs in unexpected places. Weaver has penned a delightful debut in the tradition of Jacqueline Winspear.

PRAISE

"It's all very Downton Abbey.... Weaver lays the foundation for a solid series in her first novel as she channels the ambience and spirit of British society during the post-World War I years."—Associated Press

"This debut novel by a librarian lays the foundation for a stylish series with Milo and Amory channeling Nick and Nora Charles."—Booklist

"Fans of plucky female amateur sleuths will welcome Amory Ames, the heroine of Weaver's pleasing debut... the affable Amory could carry a series."—Publishers Weekly

A Demon Summer

A Max Tudor Mystery

G. M. Malliet

G. M. Malliet's wildly popular Max Tudor series, featuring a handsome vicar—and retired spy—who solves crimes in the small English village of Nether Monkslip, gets even better.

Agatha Award-winning author G. M. Malliet has charmed mystery lovers, cozy fans, and Agatha Christie devotees everywhere with *Wicked Autumn*, *A Fatal Winter*, and *Pagan Spring*, the critically acclaimed mysteries featuring handsome former-spy-turned-cleric Father Max Tudor.

In *A Demon Summer*, someone has been trying to poison the 15th Earl of Lislelivet. Since Lord Lislelivet has a gift for making enemies, no one—particularly his wife—finds this too surprising. What is surprising is that the poison was discovered in a fruitcake made and sold by the Handmaids of St. Lucy of Monkbury Abbey. Max Tudor, vicar of Nether Monkslip and former MI5 agent, is asked to investigate. But just as Max comes to believe the poisoning was accidental, a body is discovered in the cloister well.

G.M. Malliet continues to delight readers in this standout mystery, the fourth book in her clever and engaging Max Tudor series.

PRAISE

"Highly entertaining... Each visit to Nether Monkslip has been a delight. *A Demon Summer* pays tribute to the village mystery while showing its relevance to modern times." —Associated Press

"Wittier than Louise Penny, lighter than Tana French, smarter than Deborah Crombie, G.M. Malliet has made a name for herself with her cozy-but-cutting English mysteries. *A Demon Summer* makes the case that she may be the best mystery author writing in English at the moment." —Cleveland Plain Dealer

G. M. MALLIET won the Agatha Award for best first novel for *Death of a Cozy Writer*, which initially won the Malice Domestic Grant, was nominated for both a Macavity and an Anthony Award, and was chosen as one of the Best Books of 2008 by Kirkus Reviews. Malliet's first three books in the Max Tudor series—*Wicked Autumn*, *Fatal Winter*, and *Pagan Spring*—were all nominated for the Agatha Award as well. She lives in the Washington, D.C., area.

Ghosts

A Natural History: 500 Years of Searching for Proof

Roger Clarke

A comprehensive, authoritative and readable history of the evolution of the ghost in the west, examining the behaviour of the subject in its preferred environment: the stories we tell each other.

"Is there anybody out there?" No matter how rationally we order our lives, few of us are completely immune to the suggestion of the uncanny and the fear of the dark. What explains sightings of ghosts? Why do they fascinate us? What exactly do those who have been haunted see? What did they believe? And what proof is there?

Taking us through the key hauntings that have obsessed the world, from the true events that inspired Henry James's classic *The Turn of the Screw* right up to the present day, Roger Clarke unfolds a story of class conflict, charlatans, and true believers. The cast list includes royalty and prime ministers, Samuel Johnson, John Wesley, Harry Houdini, and Adolf Hitler. The chapters cover everything from religious beliefs to modern developments in neuroscience, the medicine of ghosts, and the technology of ghosthunting. There are haunted WWI submarines, houses so blighted by phantoms they are demolished, a seventeenth-century Ghost Hunter General, and the emergence of the Victorian flash mob, where hundreds would stand outside rumored sites all night waiting to catch sight of a dead face at a window.

Written as grippingly as the best ghost fiction, *A Natural History of Ghosts* takes us on an unforgettable hunt through the most haunted places of the last five hundred years and our longing to believe.

PRAISE

"Roger Clarke tells gloriously weird stories with real verve, and also a kind of narrative authority that tends to constrain the skeptical voice within... [an] erudite and richly entertaining book." —*New York Times Book Review*

"If you believe in ghosts, Roger Clarke's book will confirm what you know. If you don't, perhaps he'll change your mind." —*Roanoke Times*

"Clarke indulges his lifelong interest in the paranormal in this well-documented look at ghost stories and the people who have told them throughout history." —*Kirkus*

"Beautifully written ... lithe, complicated and hugely rewarding." —*Sunday Times*

ROGER CLARKE is best known as a film-writer for the *Independent* newspaper and more recently *Sight & Sound*. Inspired by a childhood spent in two haunted houses, Roger Clarke has spent much of his life trying to see a ghost. He was the youngest person ever to join the Society for Psychical Research in the 1980s and was getting his ghost stories published by the The Pan & Fontana series of horror books at just 15, when Roald Dahl asked his agent to take him on as a client.

Jacqueline Bouvier Kennedy Onassis: The Untold Story

Barbara Leaming

The *New York Times* and *USA Today* bestseller that "offers a startling and fascinating look at Jackie's life." —*Richmond Times-Dispatch*

For almost six decades, Jacqueline Kennedy Onassis has fascinated people worldwide. The subject of numerous books and thousands of articles, her life has probably been documented in millions of words. And yet, there has always remained something mysterious, something private about this very public woman.

With extraordinary skill and great sensitivity, Barbara Leaming explores the seemingly magical world of Jackie's youth, her fairy-tale marriage to a wealthy and handsome Senator and Presidential candidate and her astonishing transformation into a deft political wife and unique First Lady. This spirited young woman's rejection of the idea of a "safe marriage" as the wife of some socially prominent but utterly predictable man led her to JFK and international fame. But the trauma of her husband's murder, which left her literally soaked in blood and brains, would damage her far more than has been known. Until now.

This is the first book to document Jackie's brutal, lonely and valiant thirty-one-year struggle with post-traumatic stress disorder (PTSD). In heartrending detail, we witness a struggle that unfolded at times before our own eyes, but which we failed to understand. While the life of Jacqueline Kennedy Onassis has been examined and scrutinized countless times, it is only now that we can truly discover the woman behind the facade, the untold story of this iconic woman.

PRAISE

"Her documentation—which includes Jackie's remarks to intimates, as well as her behavior—is compelling. Interpreting the post-assassination life through the lens of PTSD turns out to be a fruitful way of making sense of Jackie's sometimes odd-seeming choices." —*The Boston Globe*

"Provocative.... Recast in this light, Jackie's post-1963 actions make a new kind of sense.... With a diagnosis of PTSD in mind, incidents once criticized as selfish or at least self-indulgent can be reassessed." —*USA Today*

BARBARA LEAMING is a *New York Times* bestselling author. Three of her biographies have been *New York Times* Notable Books of the Year. Her most recent book, *Churchill Defiant*, received the Emery Reves Award from the International Churchill Centre. Leaming's articles have appeared in *The New York Times Magazine*, *Vanity Fair*, the *Times* of London, and other publications. She lives in Connecticut.

The Widow's Guide to Sex and Dating

A Novel

Carole Radziwill

"Witty and charming . . . a delight." —Candace Bushnell, author of *Sex and the City*

The Widow's Guide's Claire Byrne is a quirky and glamorous 34-year-old Manhattanite and the wife of a famous, slightly older man. Her husband, Charlie, is a renowned sexologist and writer. Equal parts Alfred Kinsey and Warren Beatty, Charlie is pompous yet charming, supportive yet unfaithful; he's a firm believer that sex and love can't coexist for long, and he does little to hide his affairs. Claire's life with Charlie is an always interesting if not deeply devoted one, until Charlie is struck dead one day on the sidewalk by a falling sculpture . . . A Giacometti, no less!

Once a promising young writer, Claire had buried her ambitions to make room for Charlie's. After his death, she must reinvent herself. Over the course of a year, she sees a shrink (or two), visits an oracle, hires a "botanomanist," enjoys an erotic interlude (or ten), eats too little, drinks too much, dates a hockey player, dates a billionaire, dates an actor (not any actor either, but the handsome movie star every woman in the world fantasizes about dating). As she grieves for Charlie and searches for herself, she comes to realize that she has an opportunity to find something bigger than she had before—maybe even, possibly, love.

PRaise

"Delicious . . . A poignant tale of love and loss." —*Publishers Weekly*

"I couldn't put the book down . . . It's fun and fast and filled with lines that make the whole book enjoyable." —*The Rumpus*

American Snipers in the War on Terror

Gunnery Sgt. Jack Coughlin USMC (Ret.) with John R. Bruning

From the author of *The New York Times* bestselling memoir *Shooter*, comes a riveting narrative of how snipers have changed the course of America's war on Al Qaeda in the Middle East and Africa.

Retired Marine sniper Jack Coughlin (*Shooter*) and John Bruning pull back the curtain of secrecy to take an insider's look at the dark and misunderstood world of America's sniper force. Long considered the redheaded stepchildren of the infantry, snipers have been loathed by their fellow warriors, called "ten cent killers" by our media, and portrayed as unbalanced psychopaths by Hollywood. Coughlin and Bruning explore the lives and careers of some of America's most effective snipers during key missions, moments and campaigns in the War on Terror.

Part page-turning thriller, part deeply human drama, *Shock Factor* takes you from the streets of the modern day "Stalingrad" of Ramadi to the skyscrapers of Baghdad as America's one-shot warriors fight desperate battles against all odds, find themselves at the heart of tense international incidents, stalk key enemy leaders, and discover horrific human rights abuses perpetrated by our own Allies. Based on extensive interviews with snipers currently on active duty, *Shock Factor's* gripping accounts of harrowing combat, buried truths and secrets revealed could only be told by snipers to a trusted member of their own elite and cloistered brotherhood.

PRAISE

"[Coughlin] returns to nonfiction with this insider account of American snipers fighting Islamist terrorism and the toll that their service takes on them."—*Pittsburgh Tribune Review*

"Beyond the realistic depictions of urban combat, the book's strength is in its in-depth discussion of the elite snipers' weapons, training and tactics."—*Kirkus Reviews*

"Coughlin's exciting and gripping narratives will appeal to enthusiasts of dramatic war stories and popular military history."—*Library Journal*

"A renowned sniper, Coughlin is less concerned with his tally than with the human values of comradeship and love."—*The Washington Post on Shooter*

GUNNERY SGT. JACK COUGHLIN is *The New York Times* bestselling author of the autobiography, *Shooter* (with Donald A. Davis). He served with the Marines during the drive to Baghdad and has operated on a wide range of assignments in hot spots around the world.

JOHN R. BRUNING is the author or coauthor of fifteen nonfiction books. He received the Thomas Jefferson Award for Journalism for an article he wrote while embedded with the 3rd Combat Aviation Brigade in Afghanistan.

Tomlinson Hill

The Remarkable Story of Two Families Who Share the Tomlinson Name - One White, One Black

Chris Tomlinson

A *New York Times* bestseller, described as "A remarkable and essential book of personal and national history—masterfully reconstructed, and memorably told..." —Philip Gourevitch

Highly respected foreign correspondent Chris Tomlinson returns to Texas to discover the truth about his family's slave owning history, and the result is an outstanding achievement. Media all across the country have crowned this book as, "a thoughtful, brutally honest conversation about race."—*Texas Monthly*. *Tomlinson Hill* tells the story of two families, one black and one white, who trace their ancestry to the same Central Texas slave plantation.

Tomlinson discovers that his counterpart in the African American family is LaDainian Tomlinson, one of the greatest running backs in the history of the National Football League. LaDainian's father was the last Tomlinson living on the Hill when he died in 2007.

Chris learns that many of the stories surrounding the Civil War and the South that he learned as a child are simply untrue. He finds family letters that detail the mix of brutality and meager kindness that his relatives used to maintain order. He then compares and contrasts what the two families experienced at Emancipation, during Reconstruction, through the rise of the Ku Klux Klan and the Civil Rights era, and ending the day LaDainian's father died.

Tomlinson Hill is more than a history of two families; it tells the story of America and how slavery still shapes our society.

PRAISE

"Multifaceted, tragic, and extraordinary." —*The Boston Globe*

"Endlessly compelling." —*Salon Book of the Week*

"*Tomlinson Hill* offers a thoughtful, brutally honest conversation about race." —*Texas Monthly*

"Chris Tomlinson applies the same journalistic standards he once brought to the battlefields of Asia, Africa, and the Middle East. The resulting reconciliation is as moving as it is inspiring." —Henry Louis Gates, Jr., Alphonse Fletcher University Professor, Harvard University

CHRIS TOMLINSON spent 14 years as a foreign correspondent, based in Africa but covering wars and disasters across the Middle East and Asia. He is a fifth generation Texan. He now lives in Austin with his wife Shalini Ramanathan and writes for *The Houston Chronicle*.

Another Side of Bob Dylan

A Personal History on the Road and off the Tracks

Victor Maymudes; Co-written and Edited by Jacob Maymudes

A Los Angeles Times bestseller: A memoir by Bob Dylan's former tour manager, and one of his closest personal friends and confidants.

August 2014 marks 50 years since Bob Dylan released his fourth album, *Another Side of Bob Dylan*. Recorded in one night, in the middle of a turbulent year in his life, the album marked a departure from Dylan's socially-conscious folk songs and began his evolution in other directions.

During the years they spent together, few people outside of Dylan's immediate family were closer than Victor Maymudes, his tour manager, personal friend, and travelling companion from the early days in 1960s Greenwich Village through the late 90's. *Another Side of Bob Dylan* recounts landmark events including Dylan's infamous motorcycle crash and meeting the Beatles on their first US tour; his marriage to Sara Lownds, his romances with Suze Rotolo, Joan Baez, and others; fellow travelers Ramblin' Jack Elliott, Wavy Gravy, Dennis Hopper, The Band, The Traveling Wilburys, and more; memorable concerts, and insights on Dylan's songwriting process.

On January 26th, 2001, after recording more than 24 hours of taped memories in preparation for writing this book, Victor Maymudes suffered an aneurysm and died. His son Jacob has written the book, using the tapes to shape the story. The result is a vivid, first-hand account of Dylan as an artist, friend, and celebrity, illustrated with never-before-seen photographs, and told by an engaging raconteur who cut his own swathe through the turbulent counterculture.

PRAISE

"A posthumous memoir drawn from tapes of one-time Dylan insider Victor Maymudes... with such intimate exposure, Dylan remains unknowable but interesting." --*New York Daily News*

"An unusual addition to the giant Dylan oeuvre...an intimate, conversational account of Victor's tempestuous friendship with Mr. Dylan." --*The New York Times*

"A revealing new memoir." --*Rolling Stone*

VICTOR MAYMUDES was Bob Dylan's tour manager at the beginning of his musical career in the early 1960s. After a hiatus in New Mexico, Maymudes rejoined Dylan as his tour manager from 1986 to 1996. He died in January 2001.

JACOB MAYMUDES is a writer and a visual effects supervisor working for the Mill, a visual effects, animation, and design studio in Los Angeles, California.

The Furies

A Novel

Natalie Haynes

In this psychological page-turner set at a "last-chance" school for teens, a teacher hides from her own terrible tragedy by teaching the Greek classics to her troubled students.

After losing her fiancé in a shocking tragedy, Alex Morris moves from London to Edinburgh to make a break with the past. Formerly an actress, Alex accepts a job teaching drama therapy at a school commonly referred to as "The Unit," a last-chance learning community for teens expelled from other schools in the city. Her students have troubled pasts and difficult personalities, and Alex is an inexperienced teacher, terrified of what she's taken on and drowning in grief.

Her most challenging class is an intimidating group of teenagers who have been given up on by everyone before her. But Alex soon discovers that discussing the Greek tragedies opens them up in unexpected ways, and she gradually develops a rapport with them. But are these tales of cruel fate and bloody revenge teaching more than Alex ever intended? And who becomes responsible when these students take the tragedies to heart, and begin interweaving their darker lessons into real life with terrible and irrevocable fury?

The Furies is a psychologically complex, dark and twisting novel about loss, obsession and the deep tragedies that can connect us to each other even as they blind us to our fate.

In the acclaimed *Once Upon a Lie*, Maggie Barbieri introduced Maeve Conlon, a single mother and bakery owner hiding dark secrets behind her cookie-cutter suburban life.

Now, Maeve's moving on with everyday life when the unthinkable happens: her father dies of a massive heart attack. She might have a sister she's never met. Maeve knows her father would never have kept something like that from her... Unless he thought he had to.

Meantime, someone keeps sneaking around Maeve's bakery. At first the signs are subtle, but then it becomes vandalism, and then it grows even more frightening. Could it be related to Maeve's search for her missing sister? Maeve soon decides it's time to take matters into her own capable hands. But administering her personal brand of justice is a dangerous undertaking, and between the ever-watchful eyes of her family and the lingering attention she's attracted from local police, Maeve will be forced to decide just how much she's willing to risk in the name of justice.

Captive Paradise

A History of Hawaii

James L. Haley

In the tradition of Nathaniel Philbrick and David McCullough comes the first full-scale narrative history of Hawaii, an epic tale of empire, industry, war, and culture.

The most recent state to join the union, Hawaii is the only one to have once been a royal kingdom. After its "discovery" by Captain Cook in the late 18th Century, Hawaii was fought over by European powers determined to take advantage of its position as the crossroads of the Pacific. The arrival of the first missionaries marked the beginning of the struggle between a native culture with its ancient gods, sexual libertinism and rites of human sacrifice, and the rigid values of the Calvinists. While Hawaii's royal rulers adopted Christianity, they also fought to preserve their ancient ways. But the success of the ruthless American sugar barons sealed their fate and in 1893, the American Marines overthrew Lili'uokalani, the last queen of Hawaii.

Captive Paradise is the story of King Kamehameha I, The Conqueror, who unified the islands through terror and bloodshed, but whose dynasty succumbed to inbreeding; of Gilded Age tycoons like Claus Spreckels who brilliantly outmaneuvered his competitors; of firebrand Lorrin Thurston, who was determined that Hawaii be ruled by whites; of President McKinley, who presided over the eventual annexation of the islands. Not since James Michener's classic novel *Hawaii* has there been such a vibrant and compelling portrait of an extraordinary place and its people.

I'll Be Back Right After This

My Memoir

Pat O'Brien

The outrageous and inspiring memoir of sports and entertainment reporter Pat O'Brien that chronicles his wild life in sports and Hollywood and his recovery from crippling substance abuse

Pat O'Brien was a skinny South Dakota kid with long hair, a rock and roll band, divorced parents and an alcoholic father. In all the familiar ways, he was on the road to nowhere until a professor, who envisioned his future as the household name he would soon become, dramatically changed his life.

From that day forward Pat's life took turns that were both spectacular and destructive: from the Huntley-Brinkley Report and afternoons at Bobby Kennedy's living room with Muhammad Ali to conversations with six Presidents. He did acid with Timothy Leary, drank with Mickey Mantle, and over the course of a remarkable career up close and personal with the Beatles, The Stones, The Kennedy's, Magic Johnson, Michael Jordan, Tiger Woods and virtually every star in Hollywood.

In his *New York Times* bestselling memoir *I'll Be Back Right After This*, Pat reveals the highs and lows of a life spent sharing the mic with the world's rich and famous while battling an infamous public scandal and demons that nearly killed him. With laughter, tears and miracles he reveals how he learned to accept his mistakes, find redemption and become the father he never had, proving there really are second and even third acts in life.

PRAISE

"Pat approaches life like a mad scientist. Sometimes his alchemy yields dangerous, even combustible results. But he's taken copious notes and he's generous enough to share them with all of us. Kids, don't try this at home." —Michael J. Fox

"Pat's book is a fine and fancy ramble through fame and pain and addiction and glory, and from it all, a terrible beauty born." —Hall-of-Fame Sportscaster Lesley Visser

"A courageous unflinching journey through the crucible of fame and public approbation to the depths of the consequences of addiction....A must read." —Dr. Drew Pinsky

PAT O'BRIEN is best known for his work as a sportscaster with CBS and NBC as well as his work as the anchor and host of Access Hollywood and The Insider. O'Brien covered six Olympic Games, hosted the World Series, four Super Bowls, 25 US Open Tennis Championships, and a decade of the NBA Finals and the Final Four. A former columnist for the *New York Daily News* and a frequent contributor on CNN, MSNBC, *The Today Show*, *Hannity* and *Don Imus*, O'Brien lives in Los Angeles, New York and Nantucket.

Modern American Snipers

From The Legend to The Reaper---on the Battlefield with Special Operations Snipers

Chris Martin; Foreword by Eric Davis

An inside look at today's special operations sniper and an in depth look at the career of Chris Kyle from those who knew him and fought alongside him.

Most people think of snipers as shooters perched in urban hides, dealing out death unseen from a considerable distance. But this description barely scratches the surface. Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles, even when they aren't pulling the trigger. Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor, Navy Cross, and countless other honors. These are the most experienced warriors on the battlefield, oftentimes the units' best assaulters with years of door-kicking under their belt. These are the men who run ops in small teams across borders, or dress like locals and pull off high-risk vehicle reconnaissance and singleton missions in non-permissive environments.

Modern American Snipers tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best, including:

- * The Legend – Chris Kyle, SEAL Team 3 Chief and the most lethal sniper in U.S. military history
- * The Reaper – Nick Irving, the first African American to serve as a sniper in the 3rd Ranger Battalion, and its deadliest, with 33 confirmed kills
- * Robert Horrigan, Delta sniper who played a critical role in Operation Anaconda
- * Don Hollenbaugh, Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah
- * And many more

PRAISE

"Often times the impression we get from someone's public persona can be very different from who they actually are. The Chris Kyle that you read about in books, watch on interviews, and will be reading about for years to come is not some made-up public persona. That's who Chris Kyle really was." --Eric Davis, former Navy SEAL sniper instructor

Journalist CHRIS MARTIN has covered the motorsports world since the late '90s. He writes for SOFREP and is the author of the ebooks, *Shaping the World From the Shadows: The (Open) Secret History of Delta Force, Post-9/11* and *Beyond Neptune Spear: The (Open) Secret History of SEAL Team Six, Post-9/11*. He lives in Iowa City, IA.

The Good Neighbor

A Novel

Amy Sue Nathan

From the author of *The Glass Wives* comes a heartwarming story about new love, second chances, and finding a place to call home

Izzy Lane has always played by the rules. She's an excellent mother, has loyal friends, and a rich career as a school counselor. Fresh from a new divorce, however, Izzy feels like she needs a little fun. So when, on a whim, she starts a blog it seems like a rather benign indulgence. But as her online quips begin to gain traction, Izzy makes a slip. Somehow a new boyfriend winds his way into the picture. The problem? Izzy makes him up.

What, at first, feels like a harmless fib quickly spins out of control and Izzy must figure out how to balance fantasy and reality. Keeping up appearances while managing an absent ex-husband, two very nosy friends, a toddler son, and full-time job soon prove impossible, and Izzy feels utterly lost. It's only when her long-time neighbor and surrogate mother, Mrs. Feldman, re-enters her life that Izzy begins to see the mess she's made. And it's with Mrs. Feldman's guidance that Izzy learns to face reality, find comfort in new norms, and open herself up to the possibility of real love.

Nayomi Munaweera

A stunning literary debut of two young women on opposing sides of the devastating Sri Lankan Civil War—now in Trade Paperback

Mountain to Mountain

A Journey of Adventure and Activism for the Women of Afghanistan

Shannon Galpin

"An inspiring and illuminating window into the lives of Afghan women and their own path to freedom, recognition, and equality." —Khaled Hosseini, *New York Times* bestselling author of *The Kite Run...*

Being inspired to act can take many forms. For some it's taking a weekend to volunteer, but for Shannon Galpin, it meant leaving her career, selling her house, launching a nonprofit and committing her life to advancing education and opportunity for women and girls. Focusing on the war-torn country of Afghanistan, Galpin and her organization, Mountain2Mountain, have touched the lives of hundreds of men, women and children. As if launching a nonprofit wasn't enough, in 2009 Galpin became the first woman to ride a mountain bike in Afghanistan. Now she's using that initial bike ride to gain awareness around the country, encouraging people to use their bikes "as a vehicle for social change and justice to support a country where women don't have the right to ride a bike." In her lyric and honest memoir, Galpin describes her first forays into fundraising, her deep desire to help women and girls halfway across the world, her love for adventure and sports, and her own inspiration to be so much more than just another rape victim. During her numerous trips to Afghanistan, Shannon reaches out to politicians and journalists as well as everyday Afghans — teachers, prison inmates, mothers, daughters — to cross a cultural divide and find common ground. She narrates harrowing encounters, exhilarating bike rides, humorous episodes, and the heartbreak inherent in a country that is still recovering from decades of war and occupation.

PRAISE

"The narrative is most enjoyable when recounting the author's chronicles...her respect and love for the Afghan people is apparent, as are her nerve and determination to help those in need...an inspiring personal story." —*Kirkus Reviews*

"Readers seeking inspiration on how they can make a difference in the world will find it here...combined with a bit of luck, humor, and the strength to find a way to make dreams...begin to come true." —*Booklist*

"Reads like...Galpin's bike rides, fast-paced and unpredictable...bringing alive a ...poignant message: Equality for Afghan women...having the same basic freedoms as men." —Anand Gopal, *No Good Men Among the ...*

SHANNON GALPIN is the founder and president of Mountain2Mountain, a nonprofit organization focused on helping women and children in Afghanistan. Her humanitarian efforts have been profiled on *Dateline NBC*, *The New York Times*, *Outside Magazine*, *National Geographic Explorer*, *USA Today*, *CNN*, *MountainFlyer Magazine*, and *Women's Adventure Magazine*. Full Measure

A Novel

T. Jefferson Parker

From the *New York Times* bestselling thriller writer comes a powerful novel in the tradition of Steinbeck's classic *East of Eden*.

Patrick Norris has seen the worst that Afghanistan has to offer—excruciating heat, bitter cold, and death waiting behind every rock as comrades are blown to pieces by bombs and snipers. He returns home exhilarated by his new freedom and eager to realize his dream of a sport fishing business. But he is shocked to learn that the avocado ranch his family has owned for generations in the foothills of San Diego has been destroyed by a massive wildfire and the parents he loves are facing ruin.

Ted Norris worships his brother and yearns for his approval. Gentle by nature, but tormented by strange fixations with a dark undercurrent, Ted is drawn into a circle of violent, criminal misfits. His urgent quest to prove himself threatens to put those he loves in peril.

Patrick puts his own plans on hold to save the family's home and falls in love with Iris, a beautiful and unusual woman, when disaster strikes. When Ted's plan for redemption goes terribly wrong, he tries to disappear. Desperate to find his brother and salvage what remains of his family, Patrick must make an agonizing choice. Three-time Edgar Award-winner T. Jefferson Parker is known for his many bestselling crime novels, from *Laguna Heat* to *The Famous and the Dead*. *Full Measure* marks a departure; it is a literary novel that explores many subjects, among them the bonds of loyalty between brothers.

PRAISE

"A tense and compelling drama of the wars without and the wars within—and of the flame of violence that burns through the American psyche." —T.C. Boyle, *New York Times* bestselling author of *The Women*

"An emotional and gut-wrenching literary departure....Parker has a gift for storytelling, and *Full Measure* is realistic on every level." —*Associated Press*

"A departure from Parker's typical California crime fare, *Full Measure* looks at what it means to sacrifice for things you believe in—and things you don't." —*Playboy*

"Stunning." —Lisa See, *New York Times* bestselling author of *Shanghai Girls*

T. Jefferson Parker is the bestselling author of numerous novels, including *Storm Runners* and *The Fallen*. Alongside Dick Francis and James Lee Burke, Parker is one of only three writers to be awarded the Edgar Award for Best Novel more than once. Parker lives with his family in Southern California.

A sweeping historical novel of composer and priest Antonio Vivaldi, a secret wealthy mistress, and their passion for music and each other

Like most 18th century Venetians, Adriana d'Amato adores music-except her strict merchant father has forbidden her to cultivate her gift for the violin. But she refuses to let that stop her from living her dreams and begins sneaking out of her family's palazzo under the cover of night to take violin lessons from virtuoso violinist and composer Antonio Vivaldi. However, what begins as secret lessons swiftly evolves into a passionate, consuming love affair.

Adriana's father is intent on seeing her married to a wealthy, prominent member of Venice's patrician class-and a handsome, charming suitor, whom she knows she could love, only complicates matters-but Vivaldi is a priest, making their relationship forbidden in the eyes of the Church and of society. They both know their affair will end upon Adriana's marriage, but she cannot anticipate the events that will force Vivaldi to choose between her and his music. The repercussions of his choice-and of Adriana's own choices-will haunt both of their lives in ways they never imagined.

Spanning more than 30 years of Adriana's life, Alyssa Palombo's *The Violinist of Venice* is a story of passion, music, ambition, and finding the strength to both fall in love and to carry on when it ends.

PRAISE

Utterly captivating! Palombo brings the world of Vivaldi to life in a sweeping tale of love in all its many forms. Beautiful, poignant, and at times heart-wrenching, this should be at the top of everyone's list to read.

She is a recent graduate of Canisius College with degrees in English and creative writing, respectively, as well as a trained classical musician. This is her first novel. Justin Bailey is seventeen when he arrives at the shop of legendary muscle car mechanic Nick Campbell. But when Nick and Mary Ann's lives are struck by tragedy, Justin's own world is upended. Suddenly Nick, once celebrated for his mechanical genius, has lost his touch. Mary Ann, once tender and compassionate to her husband, has turned distant. As Justin tries to prop up his suffering mentor, he finds himself drawn toward the man's grieving wife. You Might Remember Me

The Life and Times of Phil Hartman

Mike Thomas

The revealing and at times harrowing biography of beloved comedian and actor, Phil Hartman

Beloved comedic actor Phil Hartman is best known for his eight brilliant seasons on *Saturday Night Live*, where his versatility and comedic timing resulted in some of the funniest and most famous sketches in the show's history, including his hilarious impersonations of Frank Sinatra, Bill Clinton, and Charlton Heston and outrageous portrayals of the Unfrozen Caveman Lawyer and Anal Retentive Chef. He also starred as pompous radio broadcaster Bill McNeal in the NBC sitcom *NewsRadio* and voiced numerous classic roles on Fox's long-running animated hit, *The Simpsons*.

But Hartman's life was cut tragically short when he was shot to death while he slept by his jealous and intoxicated third wife, Brynn, who turned the gun on herself a few hours later. It was a Hollywood tragedy that captured the nation's attention.

Now, for the first time ever, the years and moments leading up to Phil's stunning death are revealed in detail with insight gleaned from exclusive interviews with numerous famous cast mates, close friends, family members, letters, audio/video recordings, police records and more.

You Might Remember Me is both a celebration of Phil Hartman's multi-faceted career and an exhaustively reported, warts-and-all examination of his often intriguing and sometimes troubled life—a powerful and at times harrowing portrait of a man who was loved and admired by millions and taken from them far too early.

PRaise

"*You Might Remember Me* is valuable—a well-reported, thorough portrait of an artist.... [Thomas] doesn't make Brynn Hartman a monster or Phil Hartman a saint. He presents Hartman as he was, without diminishing or sanitizing him, giving the world a more nuanced remembrance than much of what's been published about him since 1998. It's a good way to remember him." —*The New Yorker*

"A much needed, well-researched biography...Phil Hartman is revealed with compassion and respect...Verdict: A welcome contribution to the sparse and one-note publications about Hartman's career and life." —*Library Journal*

MIKE THOMAS is an arts/entertainment staff writer for the *Chicago Sun-Times* and author of the critically acclaimed *The Second City Unscripted: Revolution and Revelation at the World-Famous Comedy Theater*. Throughout his two-decade-long career, Thomas has interviewed numerous comics, including Stephen Colbert, Jerry Seinfeld, Dan Aykroyd, Bill Cosby, Jim Belushi, Martin Short and many others. His writing has also appeared in *Esquire*, *Smithsonian*, *Playboy*, and on Salon.com. He lives in Chicago.

Saving Baby

How One Woman's Love for a Racehorse Led to Her Redemption

Jo Anne Normile and Lawrence Lindner

A woman's special bond with a Thoroughbred leads to the most successful horse rescue organization in the country

Some twenty years ago, Jo Anne Normile fell in love with a Thoroughbred born on her farm. She was not supposed to keep the horse, a beautiful, exuberant bay. He belonged to a breeder. But the breeder said Jo Anne could have the foal, whom she nicknamed Baby, as long as she raced him. The bond between woman and horse was strong, and Normile would have kept Baby safe in the pasture at her home, had she not made this promise. Still, horseracing had always come across as a glamorous mix of mint juleps and celebrity, set against a backdrop of equine grace and speed. It appealed to Jo Anne. She didn't know about the indifference and corruption that runs rampant in the world of horse racing—not until an accident resulted in tragedy for Baby. That's when everything changed for Jo Anne.

The Sport of Kings, as it is known, is like a drug, an intoxicating ecstasy, that transfixes. But once Normile learned the truth—that for every Seabiscuit, there are tens of thousands of racehorses whose lives end in pain and despair—she did a complete about-face, even pulling from the racecourse a promising granddaughter of Secretariat poised to win no small amount of money. Jo Anne transformed her misgivings into an entirely different vision, founding the most successful horse rescue in the country, saving more horses than anyone else ever has. *Saving Baby*, tells her life-changing story of love, regret, and redemption.

PRAISE

"A breathtaking look at the world of horse racing . . . *Saving Baby* is flat-out inspirational." --Lesley Kagen, *New York Times* bestselling author of *Mare's Nest* and *The Resurrection of Tess Blessing*

"First class story telling ... A touching narrative that transcends its subject matter." —*Kirkus Reviews (Starred Review)*

"An engaging memoir that is a must-read for animal lovers." —*Publishers Weekly*

JO ANNE NORMILE founded two hugely successful horse rescue organizations and has been featured in *The New York Times*, *The Chicago Tribune* among numerous other publications. In addition, she has appeared on CNN and many local television broadcasts.

LAWRENCE LINDNER is a *New York Times* best-selling co-author who has also written for many publications including the *Washington Post*, the *Los Angeles Times*, and *O, the Oprah Magazine*.

The Modern Savage

Our Unthinking Decision to Eat Animals

James McWilliams

"A book that everyone concerned about food, animals and the environment should read." —Peter Singer, Princeton Professor and author of *Animal Liberation*

In the last four decades, food reformers have revealed the ecological and ethical problems of eating animals raised in industrial settings, turning what was once the boutique concern of radical eco-freaks into a mainstream movement. Although animal products are often labeled "cage free," "free range," and "humanely raised," can we trust these goods to be safe, sound, or ethical?

In *The Modern Savage*, renowned writer, historian, and animal advocate James McWilliams pushes back against the questionable moral standards of a largely omnivorous world and explores the "alternative to the alternative"—not eating domesticated animals at all. In poignant, powerful, and persuasive prose, McWilliams reveals the scope of the cruelty that takes place even on the smallest and—supposedly—most humane animal farms. In a world increasingly aware of animals' intelligence and the range of their emotions, McWilliams advocates for the only truly moral, sustainable choice—a diet without meat, dairy, or other animal products.

In the spirit of *Fast Food Nation* and *The Omnivore's Dilemma*, McWilliams's *The Modern Savage* is a riveting expose of an industry that has typically hidden behind a veil of morality, and a compelling account of how to live a more economical, environmental, and ethical life.

PRAISE

"A moral accounting [that should] lead to a revolution." —Paul Shapiro, vice president, The Humane Society of the United States

"McWilliams offers convincing arguments for animal rights." —Kirkus Reviews

"McWilliams is an expressive and persuasive writer." —Library Journal

"A powerful voice that will resonate far beyond those interested in animal rights." —Jeffrey Moussaieff Masson, Ph.D., bestselling author of *Dogs Never Lie About Love*

"A book that everyone concerned about food, animals and the environment should read." —Peter Singer, Princeton Professor and author of *Animal Liberation*

JAMES McWILLIAMS is a writer and historian living in Austin, Texas. He is the author of five previous books on food, animals, and agriculture, including *Just Food* and *A Revolution in Eating*. His work has appeared in *The New York Times*, *Harper's Slate*, *The Atlantic*, and a wide variety of other publications. He blogs regularly at james-mcwilliams.com.

Shantaram

A Novel

Gregory David Roberts

"Shantaram is a novel of the first order, a work of extraordinary art, a thing of exceptional beauty."

--Pat Conroy

An epic adventure--a mesmerizing tale set in Bombay's teeming slums and luxury hotels, filled with romance and torture, mafia gang wars and Bollywood films, and populated by spiritual gurus, mysterious ex-pats, and charismatic crime lords.

Shantaram is narrated by Lin, an escaped convict with a false passport, who flees a maximum security prison in Australia for a city where he can disappear. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison, murder, and a series of betrayals. The keys to unlocking the mysteries and intrigues that bind Lin are held by two people: Khader Khan, mafia Godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City, and Karla: elusive, dangerous, passionate and beautiful.

This novel has the world of human experience in its reach, and a great love for India at its heart. It is by any measure the debut of an extraordinary voice in literature.

PRAISE

"At a time when stories have never seemed more disposable, to find a narrative that merits all that time and paper feels -- in a word --gratifying. Few stand out quite like *Shantaram*. Sometimes a big story is its own best reward."

--The New York Times

"Utterly unique, absolutely audacious, and wonderfully wild, *Shantaram* is sure to catch even the most fantastic of imaginations off guard."

--Elle

"Inspired storytelling."

--People

"Very good...vast of vision and breadth."

--Time Out

"*Shantaram* had me hooked from the first sentence. [It] is thrilling, touching, frightening...a glorious wallow of a novel."

--Detroit Free Press

GREGORY DAVID ROBERTS was born in Melbourne, Australia. Sentenced to nineteen years in prison for a series of armed robberies to support a heroin addiction, he escaped and journeyed to New Zealand, Asia, Africa, and Europe. The *New York Times* bestselling biography of the influential and beloved (by liberals, at least) host of *The Daily Show*.

Since his arrival at *The Daily Show* in 1999, Jon Stewart has become one of the major players in comedy as well as one of the most significant liberal voices in the media. In *Angry Optimist*, biographer Lisa Rogak charts his unlikely rise to stardom. She follows him from his early days growing up in New Jersey, through his years as a struggling standup comic in New York, and on to the short-lived but acclaimed *The Jon Stewart Show*. And she charts his humbling string of near-misses—passed over as a replacement for shows hosted by Conan O'Brien, Tom Snyder, and even the fictional Larry Sanders—before landing on a half-hour comedy show that at the time was still finding its footing amidst roiling internal drama.

Once there, Stewart transformed *The Daily Show* into one of the most influential news programs on television today. Drawing on interviews with current and former colleagues, Rogak reveals how things work—and sometimes don't work—behind the scenes at *The Daily Show*, led by Jon Stewart, a comedian who has come to wield incredible power in American politics.

PRAISE

Praise for *Angry Optimist*

"Including both humorous and serious insights from colleagues, Rogak presents a detailed picture of the Comedy Central show, revealing exhausting writing schedules, dogs in the office, interns running around at top speed and people who aren't particularly enamored with the host....An inside look at the man who changed the face of comedy talk shows." —Shelf Awareness

"Lots of laughs as well as some surprising pieces of information." —Examiner.com

LISA ROGAK is the author of more than forty books, including the biographies *And Nothing But the Truthiness: The Rise (and Further Rise) of Stephen Colbert* and the Edgar- and Anthony-nominated *Haunted Heart: The Life and Times of Stephen King*. She is the editor of the *New York Times* bestselling book *Barack Obama in His Own Words*.

The Stephen King Companion provides a look inside Stephen King's world. Fully illustrated with photographs and artwork, the book is a detailed look not only at Stephen King himself and his personal life, but his professional life as a writer. From *Carrie* (1974) to *Revival* (2014), this book covers four decades of King in print, as well as his juvenalia output, starting at age nine when he attempted to get a short story published, titled "Jhonathan and the Witches." The cornerstone of any King library, this book will appeal to veteran fans and new readers alike, especially since his film/tv adaptations and prolific output continue to bring new generations into his fold.

Avelynn

A Novel

Marissa Campbell

One extraordinary Saxon noblewoman and one fearless Viking warrior find passion and danger in this dazzling and sensuous debut

Marissa Campbell's debut novel is a winning combination of romance, history, and adventure sure to appeal to fans of Diana Gabaldon.

It is 869. For eighteen years, Avelynn, the beautiful and secretly pagan daughter of the Eadlorman of Somerset has lived in an environment of love and acceptance. She hasn't yet found a man to make her heart race, but her father has not pressured her to get married. Until now. With whispers of war threatening their land, her father forces Avelynn into a betrothal with Demas, a man who only covets her wealth and status. The dreaded marriage looming, she turns to her faith, searching for answers in an ancient ritual along the coast, only to find Alrik the Blood-Axe and sixty Viking berserkers have landed.

Alrik is unlike any man she has ever known, strong and intriguing. Likewise, he instantly falls for her beauty and courage. The two stumble into a passionate love affair, but it's more than just a greedy suitor who will try to keep them apart.

As the Saxons and Vikings go to war, Avelynn and Alrik find themselves caught in the throes of fate. Can they be true to their people as well as to each other?
