The High Tide Club

A Novel

Mary Kay Andrews

An instant *New York Times* bestseller from the author of *The Weekenders* - a delightful new novel about new love, old secrets, and the kind of friendship that transcends generations.

Eccentric heiress Josephine Warrick is a notorious recluse - reigning over a crumbling pink mansion on a private island, she is rarely seen but often whispered about. So when Brooke Trappnell, a struggling young lawyer, is summoned to the island, she has no idea what's in store. As she listens to Josephine recount a story of old friendship, dark secrets, and a mysterious murder, it becomes clear that Brooke is there for two reasons: to help protect Josephine's beloved island, and to make amends with her old friends, the skinny-dipping, secret-keeping girls of the The High Tide Club.

To fulfill a dying woman's last wish, Brooke must track down the descendants of Josephine's closest friends and bring them together for a reunion of women who've never actually met. But in doing so, Brooke uncovers a scandal that could make someone rich beyond their wildest dreams...or cause them to be in the crosshairs of a murderer.

The High Tide Club is Mary Kay Andrews at her very best - a compelling story steeped in mystery, fierce friendship, love lost and possibly...love found.

PRAISE

"A compelling novel about the people and places that shape a life and the secrets that create ripples for generations. With a unique setting, mysterious flashbacks, romance, and a surprising twist, this book will not disappoint readers looking for a juicy escape." —*Booklist*

"Nothing says the start of summer like a new book from Mary Kay Andrews...An irresistible story of love, friendship, and skinny-dipping." —*PopSugar, Best New Books for Spring*

"A fascinating blend of mystery, romance, friendship, and history." —*Mystery Scene Magazine*

The Race to Save the Romanovs

The Truth Behind the Secret Plans to Rescue the Russian Imperial Family

Helen Rappaport

New York Times bestselling historian Helen Rappaport uncovers the truth behind the many international plots to save the Russian Imperial Family—and why they ultimately failed.

The murder of the Romanov family in July 1918 horrified the world, and its aftershocks still reverberate today. In Putin's autocratic Russia, the Revolution itself is considered a crime, and its anniversary was largely ignored. In stark contrast, the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church.

While the murders themselves have received major attention, what has never been investigated in detail are the various plots and plans behind the scenes to save the family—on the part of their royal relatives, other governments, and Russian monarchists loyal to the Tsar. Rappaport refutes the traditional claim that the fault lies entirely with King George V. The responsibility for failing the Romanovs must be equally shared. The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political, logistical and geographical challenges at a time when Europe was still at war.

Like a modern day detective, Helen Rappaport draws on never-before-seen sources from archives in the US, Russia, Spain and the UK, creating a powerful account of near misses and close calls with a heartbreaking conclusion. *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs.

PRAISE

"Finely researched and elegantly written." —*Washington Post*

"Rappaport, a historian, turns the question of why European relatives and Allied governments failed to save Czar Nicholas and family into a thriller, full of juicy tidbits for Romanov completists."—*Newsweek*

"Skillfully told." —*The Economist*

"Devastating, complex, and fast-moving... This is a well-researched account of a colorful, suspenseful, and tragic series of events."—*Publishers Weekly*

HELEN RAPPAPORT is the *New York Times* bestselling author of *The Romanov Sisters*. She studied Russian at Leeds University and is a specialist in Russian and Victorian history. She lives in West Dorset.

Shelter in Place

Nora Roberts

The #1 *New York Times* bestselling author presents a stunning new novel about an incomprehensible act of violence—and the heroic acts, large and small, that follow in its wake.

It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at the video-game store tended to customers. Then the shooters arrived.

The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone—until she finally found a way to pour the emotions of that night into her art.

But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait—and this time, there might be nowhere safe to hide.

From the author of *Year One* and *Come Sundown*, *Shelter in Place* blends propulsive suspense, a cast of vivid characters, and intimate psychological insight in a rich, exciting read.

PRAISE

"Roberts' newest is part thriller, part romance, part survivors' psychological study and a lively, captivating read." - KIRKUS

"Sharply outlined characters, including an unusual villain, take center stage in another tautly plotted page-turner that suspense and thriller readers will love." - LIBRARY JOURNAL

"Delivers all the literary touchstones her fans have come to expect, including high-stakes suspense...a thoughtful exploration of the strong bonds of family and friendship that women create for themselves." -- BOOKLIST

"[The] real draw is the story, which has some welcome red herrings and a page-turning brio that elevates it above the average ...

Bring Me Back

A Novel

B. A. Paris

The next chilling, propulsive novel from the NYT and USA Today bestselling author of *Behind Closed Doors* and *The Breakdown*

A young British couple are driving through France on holiday when they stop for gas. He runs in to pay, she stays in the car. When he returns her car door has been left open, but she's not inside. No one ever sees her again.

Ten years later he's engaged to be married; he's happy, and his past is only a tiny part his life now. Until he comes home from work and finds his new wife-to-be is sitting on their sofa. She's turning something over in her fingers, holding it up to the light. Something that would have no worth to anyone else, something only he and she would know about, because his wife is the sister of his missing first love.

As more and more questions are raised, their marriage becomes strained. Has his first love somehow come back to him after all this time? Or is the person who took her playing games with his mind?

PRAISE

Praise for *Bring Me Back*:

"We're in a new Golden Age of suspense writing now, because of amazing books like *Bring Me Back*, and I for one am loving it." —Lee Child

"[An] outstanding Hitchcockian thriller." —*Publishers Weekly* (starred and boxed)

"Paris once again proves her suspense chops with this can't-put-down psychological thriller." —*Library Journal* (starred)

B.A. PARIS is the internationally bestselling author of *Behind Closed Doors* and *The Breakdown*. She grew up in England but has spent most of her adult life in France. She has worked both in finance and as a teacher and has five daughters. This is her third novel.

Tom Clancy's Op-Center: Sting of the Wasp

Created by Tom Clancy and Steve Pieczenik, Written by Jeff Rovin

After an intelligence failure at Op-Center results in a major terrorist attack, director Chase Williams radically transforms the agency into a ground-breaking new mobile strike force.

It's a beautiful day in Manhattan as excited tourists board the floating Air and Space Museum on the USS *Intrepid*—until a horrible explosion rips across the flight deck, showering the body parts of innocent people everywhere. The perpetrator is none other than Captain Ahmed Salehi, an Iranian mastermind whose last terrorism plot was foiled at the last minute by Op-Center.

Back in Washington, the White House orders Op-Center disbanded—or so it seems. Unbeknownst to America's enemies, director Chase Williams has been put in charge of a brand-new, top-secret covert attack team known only as BLACK WASP. Its members, each chosen for their unique set of specialized black-ops skills—martial arts expert Lieutenant Grace Lee, sharpshooter Lance Corporal Jaz Rivette, and JAG attorney and criminologist Major Hamilton Breen—have been assigned to seek out Salehi and finally bring him to justice.

But Salehi is part of an even more frightening conspiracy, led by a renegade Iranian tycoon determined to establish a new Islamic State that will dwarf the horrors of ISIS. From the heart of Manhattan, to the swamps of Trinidad, to the sunbaked mud villages of Yemen, this new Op-Center is America's only line of defense against a bloody Middle Eastern tyrant.

PRaise

"Rovin's thrilling fifth entry...all the elements seamlessly click into place. Clancy would be proud."—*Publishers Weekly* for *For Honor*

"A top-notch military thriller, combining politics, suspense, and action." —*Booklist* for *Into the Fire*

"Thriller addicts like me devoured every Tom Clancy's Op-Center tale. Now they are back, intricately plotted, with wonderfully evil villains and enough realistic military action and suspense to ruin a couple of night's sleep. Highly recommended." —Stephen Coonts, bestselling author for *Out of the Ashes*

JEFF ROVIN is the author of more than 150 books, fiction and nonfiction, both under his own name, under various pseudonyms, or as a ghostwriter, including numerous *New York Times* bestsellers and over a dozen of the original Tom Clancy's Op-Center novels.

The Dream Daughter

A Novel

Diane Chamberlain

New York Times bestselling author Diane Chamberlain delivers a thrilling, mind-bending novel about one mother's journey to save her child.

When Carly Sears, a young woman widowed by the Vietnam war, receives the news that her unborn baby girl has a heart defect, she is devastated. It is 1970, and she is told that nothing can be done to help her child. But her brother-in-law, a physicist with a mysterious past, tells her that perhaps there is a way to save her baby. What he suggests is something that will shatter every preconceived notion that Carly has. Something that will require a kind of strength and courage she never knew existed. Something that will mean an unimaginable leap of faith on Carly's part.

And all for the love of her unborn child.

The Dream Daughter is a rich, genre-spanning, breathtaking novel about one mother's quest to save her child, unite her family, and believe in the unbelievable. Diane Chamberlain pushes the boundaries of faith and science to deliver a novel that you will never forget.

PRAISE

"With a little tension and a lot of heart, *The Dream Daughter* will delight Chamberlain's fans and hook new readers." —*Booklist*

"Chamberlain writes with supernatural gifts...fate, destiny, chance and hope combine for a heady and breathless wonder of a read." —Pam Jenoff, author of *The Orphan's Tale*

"Can a story be both mind-bending and heartfelt? In Diane Chamberlain's hands, it can. *The Dream Daughter* will hold readers in anxious suspense until the last satisfying page." —Therese Fowler, author of *Z*

DIANE CHAMBERLAIN is the international bestselling author of twenty-three novels. She lives in North Carolina with her partner, photographer John Pagliuca, and her sheltie.

The Summer I Met Jack

A Novel

Michelle Gable

New York Times bestselling author Michelle Gable imagines the affair between JFK and Alicia Corning Clark - and the child they may have had.

Based on a real story - in 1950, a young, beautiful Polish refugee arrives in Hyannisport, Massachusetts to work as a maid for one of the wealthiest families in America. Alicia is at once dazzled by the large and charismatic Kennedy family, in particular the oldest son, a rising politician named Jack.

Alicia and Jack are soon engaged, but his domineering father forbids the marriage. And so, Alicia trades Hyannisport for Hollywood, and eventually Rome. She dates famous actors, athletes and royalty, all the while staying close with Jack. A decade after they meet, on the eve of Jack's inauguration as the thirty-fifth President of the United States, the two must confront what they mean to each other.

The Summer I Met Jack is based on the fascinating real life of Alicia Corning Clark, a woman who J. Edgar Hoover insisted was paid by the Kennedys to keep quiet, not only about her romance with Jack Kennedy, but also a baby they may have had together.

PRAISE

"Compassionate and intelligent...offers massive cross-genre appeal." - *Library Journal*, Starred Review

"A riveting tale about America's most romanticized family." - *Kirkus*

"Gable brings her flair for multigenerational stories rooted in New England summers to this inspired-by-a-true-story tale that will appeal to Kennedy watchers, seasonal romantics, and fans of old Hollywood." - *Booklist*

"Clark proves as fascinating a figure as JFK and both are explored here with much imagination. A must read." - *Toronto Star*

New York Times bestselling author of *A Paris Apartment*, MICHELLE GABLE graduated from The College of William & Mary. When not dreaming up fiction on the sly, she currently resides in Cardiff by the Sea, California, with her husband, two daughters, and one lazy cat.

How to College

What to Know Before You Go (and When You're There)

Andrea Malkin Brenner and Lara Hope Schwartz

A crucial guide that helps students transition smoothly from high school to college

The transition from high school—and home—to college can be stressful for students and their families. Students and parents arrive on campus unprepared for what college is really like. Academic standards and expectations are different from high school; families aren't present to serve as “scaffolding” for students; and students have to do what they call “adulting.” Nothing in the college admissions process prepares students for these new realities.

As a result, first-year students report higher stress, more mental health issues, and lower completion rates than in the past. In fact, up to one third of first-year college students will not return for their second year—and colleges are reporting an increase in underprepared first-year students.

How to College is here to help. Andrea Malkin Brenner and Lara Schwartz guide first-year students and their families at any point in the transition process, during the summer after high school graduation and throughout the school year, to prepare to succeed and thrive as they transition and adapt to college. The first practical guide of its kind, this book draws on the authors' experience teaching and working with thousands of first-year college students over decades.

Andrea Malkin Brenner, PhD taught in the Department of Sociology in the College of Arts and Sciences (CAS) at American University for over 20 years. She created and directed AU's award-winning first-year experience program and consults with colleges that wish to create their own first-year transition courses.

Lara Hope Schwartz, JD teaches in the Department of Government at American University School of Public Affairs (SPA) and is the Director of the Project on Civil Discourse. In teaching law an...

A Study in Treason

A Daughter of Sherlock Holmes Mystery

Leonard Goldberg

A seemingly impossible mystery tests the keen mind and forensic skills of Joanna Blalock, the daughter of Sherlock Holmes and the heir to his unique talent for deduction.

The following case has not previously been disclosed to the public due to the sensitive information on foreign affairs. All those involved were previously bound by the Official Secrets Act. With the passage of time and the onset of the Great War, these impediments have been removed and the story can now be safely told.

When an executed original of a secret treaty between England and France, known as the French Treaty, is stolen from the country estate of Lord Halifax, Scotland Yard asks Joanna, Dr. John Watson, Jr., and Dr. John Watson, Sr. to use their detective skills to participate in the hunt for the missing treaty. As the government becomes more restless to find the missing document and traditional investigative means fail to turn up the culprit, Joanna is forced to devise a clever plan to trap the thief and recover the missing treaty.

Told from the point of view of Dr. John Watson, Jr. in a style similar to the original Sherlock Holmes stories, *A Study in Treason* is based partly on facts in our world and partly on the facts left to us by Sir Arthur Conan Doyle.

This cunning locked room mystery is sure to be enjoyed by fans of Sherlock Holmes, Laurie R. King, and Charles Finch.

PRAISE

for *A Study in Treason*:

"Goldberg matches the style of Conan Doyle's stories and adds the fillip of a female protagonist." —*Kirkus Reviews*

"Avid Sherlockians will be delighted with the many echoes of the original Holmes canon." —*Publishers Weekly*

"The plot is quick paced and is sprinkled with unforeseen clues that enhance the overall story. Leonard Goldberg is a great writer and brings to life the legend of Sherlock Holmes." —*RT Book Reviews* (4 stars)

LEONARD GOLDBERG is the *USA Today* bestselling author of the Joanna Blalock medical thrillers. His novels have been translated into a dozen languages and were selections of the Book of the Month Club, French and Czech book clubs, and The Mystery Guild. They were featured as *People's* "Page-Turner of the Week" and at the International Book Fair. After a long career affiliated with the UCLA Medical Center as a Clinical Professor of Medicine, he now lives on an island off the coast of Charleston, SC.

How to Be Yourself

Quiet Your Inner Critic and Rise Above Social Anxiety

Ellen Hendriksen, Ph.D.

Picking up where *Quiet* ended, from our own Savvy Psychologist comes the best book you'll ever read about how to conquer social anxiety.

Weaving together cutting-edge science, concrete tips, and the compelling stories of real people who have risen above their social anxiety, Dr. Ellen Hendriksen proposes a groundbreaking idea: you already have everything you need to succeed in any unfamiliar social situation. As someone who lives with social anxiety, Dr. Hendriksen has devoted her career to helping her clients overcome the same obstacles she has. With familiarity, humor, and authority, Dr. Hendriksen takes the reader through the roots of social anxiety and why it endures, how we can rewire our brains through our behavior, and—at long last—exactly how to quiet your Inner Critic, the pesky voice that whispers, "Everyone will judge you." Using her techniques to develop confidence, think through the buzz of anxiety, and feel comfortable in any situation, you can finally be your true, authentic self.

PRAISE

"Ellen Hendriksen's *How to Be Yourself* is for the millions of Americans who consider themselves quiet, shy, introverted, or socially anxious. Through clear, engaging storytelling, she takes readers on an inspiring journey: from how social anxiety gets wired into our brains to how you can learn to live a life without fear. This book is also a groundbreaking roadmap to finally being your true, authentic self." —Susan Cain, *New York Times*, *USA Today*, and nationally bestselling author of *Quiet*

"Ellen Hendriksen is the real deal. This book cuts through the noise to help you overcome those big, dark anxieties and doubts that hold you back so you can..."

ELLEN HENDRIKSEN is a clinical psychologist at Boston University's Center for Anxiety and Related Disorders. She graduated from Brown University, earned her Ph.D. at UCLA, and completed her training at Harvard Medical School. Dr. Hendriksen is a regular contributor to *Psychology Today*, *Scientific American*, *Huffington Post*, and *Quiet Revolution*, and is the host of the Savvy Psychologist podcast on Macmillan's Quick and Dirty Tips network, which has been downloaded over 5 million times.

Giant

Elizabeth Taylor, Rock Hudson, James Dean, Edna Ferber, and the Making of a Legendary American Film

Don Graham

A larger-than-life narrative of the making of the classic film, marking the rise of America as a superpower, the ascent of Hollywood celebrity, and the flowering of Texas culture as mythology.

Starring James Dean, Rock Hudson, and Elizabeth Taylor, *Giant* is an epic film of fame and materialism, based around the discovery of oil at Spindletop and the establishment of the King Ranch of south Texas. Isolating his star cast in the wilds of West Texas, director George Stevens brought together a volatile mix of egos, insecurities, sexual proclivities, and talent: Hudson's promiscuity, Taylor's high diva-dom, and Dean's egotistical eccentricity. The film made cinematic history, winning Stevens the Academy Award for Best Director and garnering nine other nominations, including Best Actor for Dean, who died before the film was finished.

In this compelling and impeccably researched narrative history, Don Graham chronicles the stories of Stevens, whose trauma in World War II intensified his ambition to make films telling the story of America; Edna Ferber, a considerable literary celebrity who meets her match in the imposing Robert Kleberg, proprietor of King Ranch; and Glenn McCarthy, an oil tycoon and Errol Flynn lookalike with a taste for Hollywood. Drawing on archival sources, *Giant* is a comprehensive depiction of the film's production showing readers how reality became fiction and fiction became cinema.

PRAISE

What You Want to See

A Mystery

Kristen Lepionka

The thrilling follow up to *The Last Place You Look*, starring troubled and determined private investigator, Roxane Weary, in the Anthony Award nominated series.

Marin Strasser has a secret. Her fiancé thinks her secret is that she's having an affair, and he hires P.I. Roxane Weary to prove it. Then, just days into the case, Marin is shot to death on a side street in an apparent mugging. But soon enough the police begin to focus on Roxane's client for Marin's death; so she starts to dig deeper into Marin's life—discovering that the elegant woman she's been following has a past and a half, including two previous marriages, an adult son fresh out of prison, and a criminal record of her own.

The trail leads to a crew of con artists, an ugly real estate scam that defrauds unsuspecting elderly homeowners out of their property, and the suspicious accident of a wealthy older woman who lives just down the street from where Marin was killed. With Roxane's client facing a murder indictment, the scammers hit close to home to force Roxane to drop the case, and it becomes clear that the stakes are as high as the secrets run deep.

In *What You Want to See*, Kristen Lepionka keeps readers guessing at every brilliant plot twist and turn.

PRAISE

"That rare and precious thing — a sequel as good as — or even better than — the outstanding first in the series. It's wise, knowing, propulsive, and perfectly pitched. Lepionka is a major new talent." — Lee Child, #1 *New York Times* bestselling author

"A great character, a vivid setting, a twisty, timely story that happens to be beautifully written. Kristen Lepionka and Roxane Weary are the best things to happen to the genre in years." —Laura Lippman, *New York Times* bestselling author

KRISTEN LEPIONKA is the Shamus Award-winning and Anthony and Mcavity Award-nominated author of *The Last Place You Look* and *What You Want to See*. She grew up mostly in her local public library, where she could be found with a big stack of adult mysteries before she was out of middle school. She is a co-founder of the feminist podcast *Unlikeable Female Characters*, and she lives in Columbus, Ohio, with her partner and two cats.

Before and Again

A Novel

Barbara Delinsky

From *New York Times* bestselling author Barbara Delinsky, comes a novel of self-discovery, sacrifice, and forgiveness.

Mackenzie Cooper took her eyes off the road for just a moment but the resulting collision was enough to rob her not only of her beloved daughter but ultimately of her marriage, family, and friends—and thanks to the nonstop media coverage, even her privacy. Now she lives in Vermont under the name Maggie Reid, in a small house with her cats and dog. She's thankful for the new friends she's made—though she can't risk telling them too much. And she takes satisfaction in working as a makeup artist at the luxurious local spa, helping clients hide the visible outward signs of their weariness, illnesses, and injuries. Covering up scars is a skill she has mastered.

Her only goal is to stay under the radar and make it through her remaining probation. But she isn't the only one in this peaceful town with secrets. When a friend's teenage son is thrust into the national spotlight, accused of hacking a powerful man's Twitter account, Maggie is torn between pulling away and protecting herself—or stepping into the glare to be at their side. As the stunning truth behind their case is slowly revealed, Maggie's own carefully constructed story begins to unravel as well. She knows all too well that what we need from each other in this difficult world is comfort. But to provide it, sometimes we need to travel far outside our comfort zones.

PRAISE

"Through a fast-paced and accessible narrative voice, Delinsky tackles many weighty issues in this complicated tale of friendship, loss, love, and redemption." - *Kirkus*

"This is a rewarding, emotionally intense novel." - *Publishers Weekly*

"Delinsky perfectly portrays the temptations of starting over." - *Booklist*

"It's largely about love and loss, mistakes and second chances and ultimately learning to survive life and whatever it throws your way and to go on living." - *Medium*

BARBARA DELINSKY is the author of twenty-one *New York Times* bestselling books. She has been published in twenty-eight languages worldwide. A lifelong New Englander, Delinsky earned a B.A. in psychology at Tufts University and an M.A. in sociology at Boston College. She lives in Massachusetts with her husband, more books than she'll ever be able to read, two tennis racquets, and enough electronic devices to keep in close touch with her children and their families.

Kingdom of the Blind

A Chief Inspector Gamache Novel

Louise Penny

The new Chief Inspector Gamache novel from the #1 *New York Times* bestselling author Louise Penny.

When a peculiar letter arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder.

None of them had ever met the elderly woman.

The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect the woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane?

When a body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing.

But it isn't the only menace Gamache is facing.

The investigation into what happened six months ago—the events that led to his suspension—has dragged on, into the dead of winter. And while most of the opioids he allowed to slip through his hands, in order to bring down the cartels, have been retrieved, there is one devastating exception.

Enough narcotic to kill thousands has disappeared into inner city Montreal. With the deadly drug about to hit the streets, Gamache races for answers.

As he uses increasingly audacious, even desperate, measures to retrieve the drug, Armand Gamache begins to see his own blind spots. And the terrible things hiding there.

PRAISE

Praise for *Kingdom of the Blind*

“Penny reveals a deeper vulnerability in the introspective Gamache; is it possible he's not quite sure of himself anymore? A theme of desperation plays out in both story arcs, as characters from all walks of life move between hope and despair and traverse the fine line that separates them. The ending is adrenaline-filled....This starts as a small-town mystery and becomes something grander and more frightening.” —*Kirkus Reviews*

“I thoroughly enjoyed *Kingdom of the Blind*. It's always a treat to spend a few days with Armand Gamache and his latest investigation is one of my favorites.”

The Sun Does Shine

How I Found Life, Freedom, and Justice

Anthony Ray Hinton with Lara Love Hardin; Foreword by Bryan Stevenson

The Oprah Book Club Selection and *New York Times* Bestseller: A powerful story of hope, love, and justice by a man who spent 30 years on death row for a crime he didn't commit

In 1985, Anthony Ray Hinton was arrested and charged with two counts of capital murder in Alabama. Stunned, confused, and only 29 years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free.

But with an incompetent defense attorney and a different system of justice for a poor black man in the South, Hinton was sentenced to death by electrocution. He spent his first three years on Death Row at Holman State Prison in despairing silence—angry and full of hatred for all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon—transforming not only his own spirit, but those of his fellow inmates, 54 of whom were executed mere feet from his cell. With the help of civil rights attorney and bestselling author of *Just Mercy*, Bryan Stevenson, Hinton won his release in 2015.

With a foreword by Stevenson, *The Sun Does Shine* is an extraordinary testament to the power of hope sustained through the darkest times. Destined to be a classic memoir of wrongful imprisonment and freedom won, Hinton's memoir tells his dramatic 30-year journey and shows how you can take away a man's freedom, but you can't take away his imagination, humor, or joy.

PRAISE

"Anthony Ray Hinton has the spirit of Nelson Mandela." - Oprah Winfrey

"A heart-wrenching yet ultimately hopeful story about truth, justice, and the need for criminal justice reform." – *Kirkus*, starred review

"Hinton's life is one of inspiration, which he wonderfully relays here in bitingly honest prose." - *Publishers Weekly*, starred review

ANTHONY RAY HINTON spent nearly thirty years on death row for crimes he didn't commit. Released in April 2015, Hinton now speaks widely on prison reform and the power of faith and forgiveness. He lives in Alabama.

How to Walk Away

A Novel

Katherine Center

From the author of *Happiness for Beginners* comes the instant *New York Times* bestseller, an unforgettable love story about finding joy even in the darkest of circumstances.

Margaret Jacobsen is just about to step into the bright future she's worked for so hard and so long: a new dream job, a fiancé she adores, and the promise of a picture-perfect life just around the corner. Then, suddenly, on what should have been one of the happiest days of her life, everything she worked for is taken away in a brief, tumultuous moment.

In the hospital and forced to face the possibility that nothing will ever be the same again, Maggie must confront the unthinkable. First there is her fiancé, Chip, who wallows in self-pity while simultaneously expecting to be forgiven. Then, there's her sister Kit, who shows up after pulling a three-year vanishing act. Finally, there's Ian, her physical therapist, the one the nurses said was too tough for her. Ian, who won't let her give in to her pity, and who sees her like no one has seen her before. Sometimes the last thing you want is the one thing you need. Sometimes we all need someone to catch us when we fall. And sometimes love can find us in the least likely place we would ever expect.

How to Walk Away is Katherine Center at her very best—a masterpiece of a novel that is both hopeful and hilarious; truthful and wise; tender and brave.

PRAISE

"A marvelous example of acceptance and healing and a celebration of family."

—*USA Today*

"Center explores the limits of hope and love...[she] transforms the story of a family tragedy into a heartfelt guide to living the fullest life possible." —*Publisher's Weekly*

"Inspiring and romantic... A touching and truthful novel that shows how people can find comfort in the most unexpected places." —*Library Journal*

KATHERINE CENTER is the author of six novels, including *How to Walk Away*, *Happiness for Beginners*, *The Bright Side of Disaster*, and *Everyone Is Beautiful*. Her books and essays have appeared in *Redbook*, *People*, *USA Today*, *Vanity Fair*, and *Real Simple*—as well as the anthologies *Because I Love Her*, *CRUSH*, and *My Parents Were Awesome*. Katherine is a graduate of Vassar College and the University of Houston's Creative Writing Program. She lives in Houston with her husband and two sweet children.

She Was the Quiet One

A Novel

Michele Campbell

From the author of *It's Always the Husband* comes a riveting new suspense novel about privilege, power, and what happens when we let ambition take control.

For Rose Enright, enrolling in a prestigious New England boarding school is the opportunity of a lifetime. But for Rose's vulnerable twin sister Bel, Odell Academy is a place of temptation and danger. When Bel falls in with a crowd of wild rich kids who pressure her into hazing Rose, the sisters' relationship is shattered. Rose turns to her dorm mother, Sarah Donovan, for advice. But Bel turns to Sarah's husband Heath, a charismatic and ambitious teacher. Is Heath trying to help Bel or take advantage of her? In a world of privilege, seduction, and manipulation, only one sister will live to tell the truth.

In a novel full of twists, turns, and dark secrets, Michele Campbell once again proves her skill at crafting intricately spun and completely compelling plots.

PRAISE

Praise for *She Was the Quiet One*:

"Campbell's skillful characterization and her shocking final twist make this follow-up to *It's Always the Husband* well worthwhile. Readers who enjoyed Simone St. James' boarding-school mystery, *The Broken Girls*, should give this a try." —*Booklist*

"Readers will... be drawn in to the novel's intricate exploration of divided loyalties and the brittleness of trust." —*Publishers Weekly*

A graduate of Harvard University and Stanford Law School, MICHELE CAMPBELL worked at a prestigious Manhattan law firm before spending eight years fighting crime as a federal prosecutor in New York City.

Every Time You Go Away

A Novel

Beth Harbison

In *New York Times* bestselling author Beth Harbison's most emotional novel ever, a fractured family must come together at a beach house haunted by the past.

Willa has never fully recovered from the sudden death of her husband, Ben. She became an absent mother to her young son, Jamie, unable to comfort him while reeling from her own grief.

Now, years after Ben's death, Willa finally decides to return to the beach house where he passed. It's time to move on and put the Ocean City, Maryland house on the market.

When Willa arrives, the house is in worse shape than she could have imagined, and the memories of her time with Ben are overwhelming. They met at this house and she sees him around every corner. Literally. Ben's ghost keeps reappearing, trying to start conversations with Willa. And she can't help talking back.

To protect her sanity, Willa enlists Jamie, her best friend Kristin, and Kristin's daughter Kelsey to join her for one last summer at the beach. As they explore their old haunts, buried feelings come to the surface, Jamie and Kelsey rekindle their childhood friendship, and Willa searches for the chance to finally say goodbye to her husband and to reconnect with her son.

Every Time You Go Away is a heartfelt, emotional story about healing a tragic loss, letting go, and coming together as a family.

PRAISE

Red, White & Royal Blue

A Novel

Casey McQuiston

A big-hearted romantic comedy in which the First Son falls in love with the Prince of Wales after an incident of international proportions forces them to pretend to be best friends

First Son Alex Claremont-Diaz is the closest thing to a prince this side of the Atlantic. With his intrepid sister and the Veep's genius granddaughter, they're the White House Trio, a beautiful millennial marketing strategy for his mother, President Ellen Claremont. International socialite duties do have downsides—namely, when photos of a confrontation with his longtime nemesis Prince Henry at a royal wedding leak to the tabloids and threaten American/British relations.

The plan for damage control: staging a fake friendship between the First Son and the Prince. Alex is busy enough handling his mother's bloodthirsty opponents and his own political ambitions without an uptight royal slowing him down. But beneath Henry's Prince Charming veneer, there's a soft-hearted eccentric with a dry sense of humor and more than one ghost haunting him.

As President Claremont kicks off her reelection bid, Alex finds himself hurtling into a secret relationship with Henry that could derail the campaign and upend two nations. And Henry throws everything into question for Alex, an impulsive, charming guy who thought he knew everything: What is worth the sacrifice? How do you do all the good you can do? And, most importantly, how will history remember you?

PRAISE

"Absorbing, hilarious, tender, sexy—this book had everything I crave." - Christina Lauren, *New York Times* bestselling author of *Love and Other Words* and *Roomies*

"Red, White & Royal Blue is outrageously fun. I loved every second." - Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo*

"By turns hilarious and angst-ridden, buoyant and strikingly real, this novel is a surefire bull's-eye for any devotee of classic romance, slow burn fanfiction, or heartfelt storytelling." - Lyndsay Faye, internationally bestselling author of *Jane Steele*

CASEY MCQUISTON grew up in the swamps of Southern Louisiana, where she cultivated an abiding love for honey butter biscuits and stories with big, beating hearts. She studied journalism and worked in magazine publishing for years before returning to her first love: joyous, offbeat romantic comedies and escapist fiction. She now lives in the mountains of Fort Collins, Colorado, with a collection of caftans and her poodle mix, Pepper.

Twisted Family Values

A Novel

V. C. Chickering

An unpredictable and entertaining tale of secrets, desires, and forgiveness spanning four generations of an American family.

In conservative, WASPy Larkspur, New Jersey, social expectations and decorum rule, and Marjorie and Dunsfield Thornden are the envy of their neighbors. Their daughters Claire and Cat set the small town's social calendar by throwing tastefully lavish family parties year round. Because it's 1977, underage debauchery is to be expected—and Cat and Claire's children, Bizzy and Choo, are at its very center.

Underneath their well-maintained veneer, the Thorndens are quite dysfunctional, but have always had their entitlement to fall back on. And while some are finally ready to accept what they're willing to give up for the life that they think they deserve, secrets that should've never been kept—especially not from each other—are bubbling unattractively to the surface.

So when a scandal threatens to unravel this tight-lipped family and their secrets, the Thorndens will have to decide how much they'll let decorum rule social mores dictate their decisions and how far they'll go to keep some secrets just that. Any choice they make could mean freedom from expectations but will change the course of their family's legacy forever.

PRAISE

Praise for Nookietown

“With vivid characters, quick dialogue, and over-the-top situations, Chickering’s debut novel alternates between moments of true hilarity and deep introspection.”

—*Kirkus Reviews*

“A laugh-out-loud story about marriage, fidelity, and honesty” —*PopSugar*

“Chickering holds nothing back in this debut that can only be described as a *Fifty Shades of Grey* for the married and divorced set. She dives in with a plethora of graphic sex scenes, creating a blend of erotica with a strong dose of women’s fiction. Sure to be a hit among women seeking a feisty, thrilling, and risqué read.”

—*Library Journal*

V.C. CHICKERING has written for Comedy Central, MTV, Lifetime, TLC, Discovery, NickMom and Oxygen television networks as well as for *BUST*, *Cosmo*, and *The Washington Post* magazines. She's written screenplays; has a local newspaper column entitled, Pith Monger; and a blog. She lives in New Jersey with her family where she also writes and performs witty, original songs for the alt-bluegrass/indi-jazz band, Tori Erstwhile & The Montys. She is the author of *Nookietown* and *Twisted Family Values*.

The Father of All Dad Guides

From (A)doring to (Z)addy

Madeleine Davies and Tara Jacoby

A humorous gift book that introduces the different species of American fathers, from A to Z

Of all the mammalian species of North America, few are as paradoxically mysterious and demanding of attention as the human father of the United States. Quiet yet steady in his affection and deafeningly loud when he's mad, the American dad—as much as we love him—is a particularly exciting study, which is why we've created this guide as an aid for readers to identify themselves (if you happen to be a dad), their dads (if you happen to have a dad), dads on television (often a stand-in when your dad's not around), and dads in the wild.

In *A Guide to American Dads from A(doring) to Z(addy)*, you will learn how to identify fathers through:

- **Their markings.** Some dads have mustaches. Others do not!
- **Dad calls.** These include: “I’ll turn this car around right now” and “Can’t you ask your mom about that?”
- **Migration patterns.** Why does Dad consistently ignore directions when he clearly doesn’t know where he is going?
- **Hibernation.** Dads are tired all the time.
- **Defining characteristics.** All dads are different, but they typically fall into at least one of the categories we’ve collected here. Is your dad obsessed with barbecuing? He might be a grill dad. Did he only really begin to see women as people deserving of political and social equality after he had daughters? That right there is the feminist dad!

Madeleine Davies is a Brooklyn-based writer from Madison, WI. Most recently, Davies has been a Managing Editor at Jezebel.com. Madeleine has a great dad named Robin and a great step dad named Kevin.

Tara Jacoby is a freelance illustrator who lives in Philadelphia, PA. Tara has served as Deputy Art Director at Gawker Media and has been published in *GQ*, *The Village Voice*, *The Wall Street Journal*, *the New York Times*, and more. Tara is grateful for her dad Bruce, who has unlimited patience and a heart...

The Perfect Date

Evelyn Lozada, with Holly Lorincz

The newest novel from celebrity Evelyn Lozada in the vein of *The Wedding Date* and *The Kiss Quotient*.

Angel Gomez only wants to get through nursing school and earn enough to support her mother and her son, Jose. Her bartending job helps bring in some extra cash, and the last thing she's interested in is flirting or men in general.

Caleb "The Duke" Lewis is an up and coming star for the Yankees, known for getting around. However, his last breakup left him distracted and made him turn to drink. When he's caught by the Yankees manager at a party instead of training, he's suspended and sent back to the Bronx to get his head straight.

Angel and Duke's worlds collide one night at the club and sparks fly. Though Angel wants nothing to do with Duke, he has no intention of letting her slip through his fingers. She isn't star-struck by his fame, and this might be just what he needs to get things in order. He'll do anything to convince her...even make her an offer she can't refuse.

EVELYN LOZADA is a high-profile American-Latina reality TV personality, entrepreneur, author and philanthropist. She's best known for her role on VH1's *Basketball Wives*, OWN's *Living' Lozada*, author of *The Wives Association: Inner Circle* and creator of *Healthy Boricua*. She has become a national trendsetter, go-to fitness expert, jewelry designer and a supporter of causes that affect women and girls through the *Evelyn Lozada Foundation*. She's a Bronx native, mother of two and lives in Los Angeles.

The Death of Democracy

Hitler's Rise to Power and the Downfall of the Weimar Republic

Benjamin Carter Hett

A riveting account of how the Nazi Party came to power and how the failures of the Weimar Republic and the shortsightedness of German politicians allowed it to happen

Why did democracy fall apart so quickly and completely in Germany in the 1930s? How did a democratic government allow Adolf Hitler to seize power? In *The Death of Democracy*, Benjamin Carter Hett answers these questions, and the story he tells has disturbing resonances for our own time.

To say that Hitler was elected is too simple. He would never have come to power if Germany's leading politicians had not responded to a spate of populist insurgencies by trying to co-opt him, a strategy that backed them into a corner from which the only way out was to bring the Nazis in. Hett lays bare the misguided confidence of conservative politicians who believed that Hitler and his followers would willingly support them, not recognizing that their efforts to use the Nazis actually played into Hitler's hands. They had willingly given him the tools to turn Germany into a vicious dictatorship.

Benjamin Carter Hett is a leading scholar of twentieth-century Germany and a gifted storyteller whose portraits of these feckless politicians show how fragile democracy can be when those in power do not respect it. He offers a powerful lesson for today, when democracy once again finds itself embattled and the siren song of strongmen sounds ever louder.

PRAISE**Named "Book of the Week" by CNN's Fareed Zakaria GPS**

"At a time of deep distress over the stability of democracy in America and elsewhere, Benjamin Carter Hett's chronicle of the collapse of the Weimar Republic and the rise of Adolf Hitler could not be more timely. 'The Death of Democracy' makes for chilling reading." -- Roger Lowenstein, The Washington Post

"[An] extremely fine study of the end of constitutional rule in Germany. . . . With careful prose and fine scholarship, with fine thumbnail sketches of individuals and concise discussions of institutions and economics, . . . [Benjamin Carter Hett] sensitively describes a moral crisis that p...

Benjamin Carter Hett is the author of *Burning the Reichstag*, *Crossing Hitler*, and *Death in the Tiergarten*. He is a professor of history at Hunter College and the Graduate Center of the City University of New York, and holds a Ph.D. in history from Harvard University and a law degree from the University of Toronto. Born in Rochester, New York, he grew up in Edmonton, Alberta, and now lives in New York City.

Stay Hidden

A Novel

Paul Doiron

A supposed hunting accident becomes a dangerously complicated murder investigation for Maine Game Warden Mike Bowditch in this intricately-plotted thriller from Edgar Award finalist Paul Doiron.

A woman has been shot to death by a deer hunter on an island off the coast of Maine. To newly promoted Warden Investigator Mike Bowditch, the case seems open and shut. But as soon as he arrives on remote Maquoit Island he discovers mysteries piling up one on top of the other.

The hunter now claims he didn't fire the fatal shot, and the evidence proves he's telling the truth. Bowditch begins to suspect the secretive community might be covering up the identity of whoever killed the woman, known as Ariel Evans. The controversial author was supposedly writing a book about the island's notorious hermit. So why are there no notes in her rented cottage?

The biggest blow comes the next day when the weekly ferry arrives and off steps the dead woman herself. Ariel Evans is alive, well, and determined to solve her own "murder" even if it upsets Mike Bowditch's investigation and makes them both targets of an elusive killer who will do anything to conceal his crimes.

PRAISE

"Doiron captures the stark beauty of his setting." —*New York Times Book Review*

"Outstanding...Doiron balances nuanced characterizations and intelligent plotting perfectly." —*Publishers Weekly* (starred review)

"The extraordinary sense of place makes this Doiron's strongest novel yet." —*Booklist* (starred review)

"Maine author Paul Doiron provides readers yet another sharp twist." —*Portland Press Herald*

"Doiron is at his finest...a marvel of a thriller." —*Shelf Awareness*

A native of Maine, bestselling author PAUL DOIRON attended Yale University, where he graduated with a degree in English. *The Poacher's Son*, the first book in the Mike Bowditch series, won the Barry award, the Strand award for best first novel, and has been nominated for the Edgar, Anthony, and Macavity awards in the same category. He is a Registered Maine Guide specializing in fly fishing and lives on a trout stream in coastal Maine with his wife, Kristen Lindquist.

Rescued

An Andy Carpenter Mystery

David Rosenfelt

The next novel in David Rosenfelt's witty, heartfelt mystery series featuring lawyer Andy Carpenter and his faithful golden retriever, Tara.

Defense lawyer Andy Carpenter is reluctant to take on any more cases. He'd much rather spend his time working for his dog rescue organization, the Tara Foundation, than find himself back in a courtroom. However, when a truck carrying over seventy dogs from the South to the rescue-friendly northeast turns up with a murdered driver, Andy can't help but get involved.

Andy is eager to help the dogs, many of whom come to the Tara Foundation while awaiting forever homes – it's the man accused of murder who he has a problem defending. The accused just happens to be his wife Laurie's ex-fiance; her tall, good looking, ex-Marine ex-fiance. Even with dozens of cases behind him, this one may prove to be his most difficult.

PRAISE

Praise for *Rescued*

"One of the most unforgettable authors in the genre." – *Associated Press*

"Series fans will welcome this latest installment, and those unfamiliar with Andy and his crew will be delighted to have so much catching up to do." – *Booklist*

"Andy is an affable, funny narrator, and his Nick and Nora-like banter with Laurie, a highly capable ex-cop, leavens the dark deeds they uncover. Series fans and newcomers alike will have fun." – *Publishers Weekly*

Lies

A Novel

T. M. Logan

T. M. Logan's debut psychological thriller dissects a troubled marriage straight to the marrow as one man separates the truth from the *Lies*...

Six days ago, Joe Lynch was a happily married man, a devoted father, and a respected teacher living in a well-to-do London suburb. But that was before he spotted his wife's car entering a hotel parking garage. Before he saw her in a heated argument with her best friend's husband. Before Joe confronted the other man in an altercation where he left him for dead, bleeding and unconscious.

Now, Joe's life is unraveling. His wife has lied to him. Her deception has put their entire family in jeopardy. The man she met at the hotel has vanished. And as the police investigate his disappearance, suspicion falls on Joe.

Unable to trust the woman he loves, Joe finds himself at the mercy of her revelations and deceits, unsure of who or what to believe. All he knows is that her actions have brought someone dangerous into their lives—someone obsessed with her and determined to tear Joe's world apart.

What if your whole life was based on LIES?

PRAISE

"Assured, compelling, and hypnotically readable—with a twist at the end I guarantee you won't see coming." —Lee Child

"*Lies* is positively riveting, from the captivating first scene to the shocking twist at the end." —Sandra Brown, *New York Times* bestselling author

"A tense and gripping thriller." —B.A. Paris, bestselling author of *Behind Closed Doors*

"An adrenaline-fueled page-turner." —*Kirkus Reviews*

"A fast moving joyride of nerve-wracking suspense and intrigue." —*Library Journal*

TM LOGAN was born in Berkshire to an English father and a German mother. He studied at Queen Mary and Cardiff universities before becoming a national newspaper journalist. He currently works in communications and lives in Nottinghamshire with his wife and two children. *Lies* is his first novel.

Baby Teeth

A Novel

Zoje Stage

In the vein of THE DINNER and WE NEED TO TALK ABOUT KEVIN, a “bad seed” debut about a mom desperate to find help for her mute young daughter whose disturbing behavior is increasingly dangerous.

“Unnerving and unputdownable, BABY TEETH will get under your skin and keep you trapped in its chilling grip until the shocking conclusion.”—Lisa Scottoline

Meet Hanna.

She’s the sweet-but-silent angel in the adoring eyes of her Daddy. He’s the only person who understands her, and all Hanna wants is to live happily ever after with him. But Mommy stands in her way, and she’ll try any trick she can think of to get rid of her. Ideally for good.

Meet Suzette.

She loves her daughter, really, but after years of expulsions and strained home schooling, her precarious health and sanity are weakening day by day. As Hanna’s tricks become increasingly sophisticated, and Suzette’s husband remains blind to the failing family dynamics, Suzette starts to fear that there’s something seriously wrong, and that maybe home isn’t the best place for their baby girl after all.

BABY TEETH is a story about a perfect-looking family, and a mute little girl who wants nothing more than to kill her mother.

PRAISE

“We Need to Talk About Kevin meets Gone Girl meets The Omen. Baby Teeth is a twisty, delirious read that will constantly question your sympathies for the two characters as their bond continues to crumble.” —Ew.com

“A deliciously creepy read.” —New York Post

“Deliciously creepy . . . the author keeps the suspense taut . . . offering a terrifying glimpse into the inner thoughts of a budding sociopath.” —Library Journal (starred)

ZOJE STAGE is a filmmaker and writer. She was a 2008 Fellow in Screenwriting from the New York Foundation of the Arts and a 2012 Emerging Storytellers Fellow from the Independent Filmmaker Project. She lives in Pittsburgh, PA. *Baby Teeth* is her first novel.

Bone on Bone

A Bell Elkins Novel

Julia Keller

In the next powerful mystery from Julia Keller, West Virginia prosecuting attorney Bell Elkins continues to unravel her town's ties to crime and drug abuse.

The next powerful chapter in Pulitzer Prize-winner Julia Keller's beloved Bell Elkins series sends readers headlong into the thick of a mystery as young as today's headlines -- but as old as the mountains that hold these lives in a tight grip.

How far would you go for someone you love? Would you die? Would you kill? After a three-year prison sentence, Bell Elkins is back in Acker's Gap. And she finds herself in the white-hot center of a complicated and deadly case -- even as she comes to terms with one last, devastating secret of her own.

A prominent local family has fallen victim to the same sickness that infects the whole region: drug addiction. With mother against father, child against parent, and tensions that lead inexorably to tragedy, they are trapped in a grim, hopeless struggle with nowhere to turn.

Bell has lost her job as prosecutor -- but not her affection for her ragtag, hard-luck hometown. Teamed up with former Deputy Jake Oakes, who battles his own demons as he adjusts to life as a paraplegic, and aided by the new prosecutor, Rhonda Lovejoy, Bell tackles a case as poignant as it is perilous, as heartbreaking as it is challenging.

Only Ever You

A Novel

Rebecca Drake

Four suburban mothers and friends conspire to cover up a deadly crime in this heart-stopping novel of suspense.

A gripping, edge-of-your-seat domestic thriller, *Only Ever You* will leave you breathless as you race to the end.

Jill Lassiter's three-year-old daughter disappeared from a playground only to return after forty frantic minutes of searching, but a mother's relief is short-lived—there's a tiny puncture mark on Sophia's arm. When doctors can find no trace of drugs in her system, Jill accepts she'll never know what happened, but at least her child is safe.

Except Sophia isn't. Someone is watching the Lassiter home in an affluent Pennsylvania suburb, infiltrating the family's personal and professional lives.

Three months after the incident at the park, Sophia disappears again.

This time, it's Jill who is under suspicion. Jill who has to repair her marriage. Jill, who must face every parent's worst nightmare. Someone doesn't just want Sophia for her own—she wants to destroy the entire family.

The question is: who?

Song of Blood & Stone

Earthsinger Chronicles, Book One

L. Penelope

L. Penelope's Special Earthsinger's Edition of *Song of Blood & Stone* includes a brand new storyline, never before seen scenes and all new action.

The kingdoms of Elsira and Lagrimar have been separated for centuries by the Mantle, a magical veil that has enforced a tremulous peace between the two lands. But now, the Mantle is cracking and the True Father, ruler of Lagrimar and the most powerful Earthsinger in the world, finally sees a way into Elsira to seize power.

All Jasminda ever wanted was to live quietly on her farm, away from the prying eyes of those in the nearby town. Branded an outcast by the color of her skin and her gift of Earthsong, she's been shunned all her life and has learned to steer clear from the townsfolk...until a group of Lagrimari soldiers wander into her valley with an Elsiran spy, believing they are still in Lagrimar.

Through Jack, the spy, Jasminda learns that the Mantle is weakening, allowing people to slip through without notice. And even more troubling: Lagrimar is mobilizing, and if no one finds a way to restore the Mantle, it might be too late for Elsira. Their only hope lies in uncovering the secrets of the Queen Who Sleeps and Jasminda's Earthsong is the key to unravel them.

Thrust into a hostile society and a world she doesn't know, Jasminda and Jack race to unveil an ancient mystery that might offer salvation.

Five Stars

The Communication Secrets to Get from Good to Great

Carmine Gallo

How to master the art of persuasion—from the bestselling author of *Talk Like TED*.

Ideas don't sell themselves. As the forces of globalization, automation, and artificial intelligence combine to disrupt every field, having a good idea isn't good enough. Mastering the ancient art of persuasion is the key to standing out, getting ahead, and achieving greatness in the modern world. Communication is no longer a "soft" skill—it is the human edge that will make you unstoppable, irresistible, and irreplaceable—earning you that perfect rating, that fifth star.

In *Five Stars*, Carmine Gallo breaks down Aristotle's ancient formula of persuasion to inspire contemporary audiences. As the nature of work changes and technology carries things across the globe in a moment, communication skills become more valuable—not less. When people express their ideas effectively, they're more likely to win dream jobs, sell products, build brands, and trigger movements.

Gallo interviews neuroscientists, economists, and leaders from NASA astronauts to Navy SEALs. His conversations with billionaires who built companies like Google, Nike and Airbnb reveals how great leaders captivate our imagination and ignite our dreams. Gallo will help you unlock into your innate emotional and social skills, develop your public speaking talent to communicate your ideas with confidence, and build empathy with your listeners. This is your moment. *Five Stars* is your competitive advantage.

Uneasy Lies the Crown

A Lady Emily Mystery

Tasha Alexander

In this thrilling mystery in Tasha Alexander's bestselling series, Lady Emily and her husband Colin must stop a serial killer whose sights may be set on the new king, Edward VII.

On her deathbed, Queen Victoria asks to speak privately with trusted agent of the Crown, Colin Hargreaves, and slips him a letter with one last command: *Une sanz plus. Sapere aude.* "One and no more. Dare to know."

The year is 1901 and the death of Britain's longest-reigning monarch has sent the entire British Empire into mourning. But for Lady Emily and her dashing husband, Colin, the grieving is cut short as another death takes center stage. A body has been found in the Tower of London, posed to look like the murdered medieval king Henry VI. When a second dead man turns up in London's exclusive Berkeley Square, his mutilated remains staged to evoke the violent demise of Edward II, it becomes evident that the mastermind behind the crimes plans to strike again.

The race to find the killer takes Emily deep into the capital's underbelly, teeming with secret gangs, street children, and sleazy brothels—but the clues aren't adding up. Even more puzzling are the anonymous letters Colin has been receiving since Victoria's death, seeming to threaten her successor, Edward VII. With the killer leaving a trail of dead kings in his wake, will Edward be the next victim?

The Throne of Caesar

A Novel of Ancient Rome

Steven Saylor

It's Rome, 44 B.C., and the Ides of March are approaching.

Julius Caesar, appointed dictator for life by the Roman Senate, has pardoned his remaining enemies and rewarded his friends. Now Caesar is preparing to leave Rome with his legions to wage a war of conquest against the Parthian Empire. But he has a few more things to do before he goes.

Gordianus the Finder, after decades of investigating crimes and murders involving the powerful, has been raised to Equestrian rank and has firmly and finally decided to retire. But on the morning of March 10th, he's first summoned to meet with Cicero and then with Caesar himself. Both have the same request of Gordianus—keep your ear to the ground, ask around, and find out if there are any conspiracies against Caesar's life. And Caesar has one other matter of vital importance to discuss. Gordianus's adopted son Meto has long been one of Caesar's closest confidants. To honor Meto, Caesar plans to bestow on Gordianus an honor which will change not only his life but the destiny of his entire family. It will happen when the Senate next convenes on the 15th of March.

Gordianus must dust off his old skills and see what plots against Julius Caesar, if any, he can uncover. But more than one conspiracy is afoot. The Ides of March are fast approaching and at least one murder is inevitable.

PRAISE

"Can a murder whose killers' identities and motives are known in advance provide the basis for a gripping whodunit? Saylor answers that question with a definitive yes in his thrilling and moving (*The Throne of Caesar*)." —*Publishers Weekly* (starred review)

"This elegant novel brings Saylor's much-loved Roma Sub Rosa series to a triumphant close, painting a vivid portrait of society, politics, and the arts during the Republic's dying days." —*The Sunday Express* (UK)

STEVEN SAYLOR is the author of the acclaimed Roma Sub Rosa series of historical mystery novels featuring Gordianus the Finder, beginning with *Roman Blood*, as well as the internationally bestselling historical novels *Empire* and *Roma*. He has appeared on the History Channel as an expert on Roman politics and life. He divides his time between Berkeley, California, and Austin, Texas.

The Trigger Mechanism

Scott McEwen and Hof Williams

The second book in the Camp Valor series by the #1 New York Times bestselling co-author of *American Sniper*.

When a drone explodes at a crowded high school basketball championship, unleashing a mysterious chemical, a riot ensues, leaving fans dead. The gas is revealed to be a vaporized cocktail of hormones and neurotransmitter chemicals, which have the ability to trigger horrific and seemingly unstoppable acts of violence by otherwise non-aggressive participants. Over the anonymous Tor browser—the gateway to the darknet—the Encyte network claims credit for the attack. A series of similar violent outbreaks follow, terrorizing the public. When everyone is a weapon, no one is safe.

Using spyware technology, a reclusive billionaire and Camp Valor alum develops a theory about the leader of the Encyte network's identity. Camp Valor is given the summer to stop the violence. Wyatt Brewer, who is living in hiding with his family after taking down Glowworm Gaming the previous summer, wants no part of the mission or of Valor. It's not until the violence is linked to a video game created by Glowworm Gaming that Wyatt acquiesces, agreeing to return to the camp for another summer, with one condition: He will not kill.

Wyatt searches to find the Encyte network, and to reconcile the kind of young man he thought he wanted to be with his true nature. As Wyatt and his section zero-in on what they believe is their target, Wyatt has a terrifying realization. What if they themselves are being used by their faceless enemy as a weapon?

PRAISE

Praise for *Camp Valor*:

"Like nothing else. Exciting and genre smashing, the book feels destined to inspire a generation. McEwen and Williams execute what we all want in a thriller: imagination that soars and a gritty realism that is so close to what we see daily it's frightening. If Camp Valor existed when I was a kid, I would have tried to sign up." —Doug Stanton, *New York Times* bestselling author of *Horse Soldiers* (soon to be the major motion picture *12 STRONG*) and *In Harm's Way*

SCOTT MCEWEN is the author of many books and the co-author of #1 *New York Times* bestseller *American Sniper*, which has sold more than one million copies and has been translated into over twenty languages. *American Sniper*, the movie, starring Bradley Cooper, and directed by Clint Eastwood, was the number one movie in the United States for that year, and was nominated for six Academy Awards, winning one. He lives in San Diego, California, where he began writing while practicing law.

Exile on Front Street

My Life as a Hells Angel . . . and Beyond

George Christie

A memoir of the Hells Angels motorcycle club from one of its most high-profile leaders.

After forty years in the Hells Angels, George Christie was ready to retire. As president of the high-profile Ventura charter of the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Hells Angels. Christie was the negotiator, the spokesman, the thinker, the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, rock musicians, and police chief captains among his friends.

But leaving the Hells Angels isn't easy, and within two weeks of retirement, he was told he was "out bad" blackballed by his fellow Angels, prohibited from wearing the club patch, and even told he should remove his Death Head tattoo.

Now Christie sets out to tell his story. *Exile on Front Street* is the tale of how a former Marine gave up a comfortable job with the Department of Defense and swore allegiance to the Hells Angels. In this revealing, hard-hitting memoir, he recounts his life as an outlaw biker with the world's most infamous motorcycle club.

PRAISE

"Christie articulately defends his outlaw code, which he adhered to at great personal cost. Although he resigned from the Angels in 2010, his past, as he engagingly writes, continues to haunt him." —*Publishers Weekly*

GEORGE CHRISTIE served as a Marine reservist and, after completing his service, became an electrician and communications troubleshooter for the Department of Defense. He prospected for the Hells Angels Motorcycle Club in 1975, becoming a full-patch member in 1976, eventually founding the Ventura charter and serving as its president for more than thirty years. He also served as the club's international spokesman for more than two decades. He lives in Ojai, California.

Another Kind of Madness

A Journey Through the Stigma and Hope of Mental Illness

Stephen P. Hinshaw

Parallel to *An Unquiet Mind* and *The Glass Castle*, a deeply personal memoir calling for the destigmatization of mental illness

Families are riddled with untold secrets. But Stephen Hinshaw would have never thought that in his family a profound secret had been kept for 18 years. From the moment his father revealed his long history with mental illness and involuntary hospitalizations, Hinshaw knew his life would be changed forever.

Hinshaw terms these insights from his father as a “psychological birth.” After years of experiencing the ups and downs of his father’s illness without knowing it existed, watching him disappear for weeks at a time only to return as the loving father he had always known, everything he experienced as a child now made a strange sense. He learned as much as possible about his father’s illness, and what began as an exploration into his father’s past and mental health turned into a full-fledged career as a clinical psychologist.

In *Another Kind of Madness*, Hinshaw explores the burden of living in a family “loaded” with mental illness and debunks the stigma behind it. In today’s society, mental health problems can result in a loss of a driver’s license, inability to vote or run for office, ineligibility for jury service, or automatic relinquishment of child custody. With a moving personal narrative and shocking facts about how America views mental health conditions in the 21st century, *Another Kind of Madness* is a passionate call to arms regarding the importance of destigmatizing mental illness.

PRAISE

"This heartfelt memoir shares insights into the effects of mental illness on all involved." —*Booklist*

"*Another Kind of Madness* is one of the best books I've read about the cost of stigma and silence in a family touched by mental illness. I was profoundly moved by Stephen Hinshaw's story, written beautifully, from the inside-out. It's a masterpiece." —Glenn Close, award-winning actor and founder of Bring Change 2 Mind

Stephen Hinshaw is a professor of psychology at UC Berkeley and of psychiatry at UC San Francisco. He has authored 350 scientific publications plus *The Mark of Shame: Stigma of Mental Illness and an Agenda for Change* (Oxford, 2007), the first U.S. book on mental illness stigma. His internationally renowned research has been covered in *The New York Times*, *The Washington Post*, *Time*, *The Economist*, and *The Wall Street Journal*, among others. He lives in Berkeley, CA.

City of Ink

A Mystery

Elsa Hart

Following the enthralling 18th century Chinese mysteries *Jade Dragon Mountain* and *White Mirror*, comes the next Li Du adventure in *City of Ink*.

Li Du was prepared to travel anywhere in the world except for one place: home. But to unravel the mystery that surrounds his mentor's execution, that's exactly where he must go.

Plunged into the painful memories and teeming streets of Beijing, Li Du obtains a humble clerkship that offers anonymity and access to the records he needs. He is beginning to make progress when his search for answers buried in the past is interrupted by murder in the present.

The wife of a local factory owner is found dead, along with a man who appears to have been her lover, and the most likely suspect is the husband. But what Li Du's superiors at the North Borough Office are willing to accept as a crime of passion strikes Li Du as something more calculated. As past and present intertwine, Li Du's investigations reveal that many of Beijing's residents — foreign and Chinese, artisan and official, scholar and soldier — have secrets they would kill to protect.

When the threats begin, Li Du must decide how much he is willing to sacrifice to discover the truth in a city bent on concealing it, a city where the stroke of a brush on paper can alter the past, change the future, prolong a life, or end one.

"As always, Hart excels at making even walk-on characters fully realized and at combining a gripping whodunit plot with a vivid evocation of the period. This entry solidifies her status as a top-notch historical mystery author." — *Publishers Weekly* (starred review)

"Highly atmospheric and elegantly appointed, this mystery from Hart (*The White Mirror*, 2016, etc.) shines brightest in her detective's sublime cat-and-mouse interrogations of the gallery of witnesses and suspects. The introverted, intellectual sleuth is a perfect match for most any armchair detective." — *Kirkus* (starred review)

When Giants Walked the Earth 10th Anniversary Edition

A Biography of Led Zeppelin

Mick Wall

On the fiftieth anniversary of the band's founding, an update of the classic Led Zeppelin biography, featuring rich and substantial new material

Rock writer Mick Wall draws on insider access, as former confidante to both Plant and Page, to craft the definitive biography of the world's most legendary rock band—Led Zeppelin. In *When Giants Walked the Earth*, Wall audaciously tells the story of the band known not just as one of the biggest-selling bands of all-time, but also as the one that set the mark for on-the-road excess.

Detailed and revealing, *When Giants Walked the Earth* bores into not only the disasters, addiction and death that haunted the band but also into the real relationship between Page and Plant, including how it was influenced by Page's interest in the occult. Comprehensive and yet intimately detailed, *When Giants Walked the Earth* gets into the principals' heads to bring to life both an unforgettable band and an unrepeatable slice of rock history.

This edition celebrates 10 years since our original publication and includes approximately 35,000 words of new material about the band and the last decade, featuring fresh interviews and newly unearthed context.

PRAISE

“Sensational.” —*New York Times*

“Entertaining, thoughtful.” —*Los Angeles Times*

“An essential source for anyone eager to learn about the era when rock stars ruled the world.” —*Publishers Weekly*

“It deftly strikes the balance between lofty authority and finding a way to get inside the heads of its subjects.” —*The Guardian (UK)*

MICK WALL writes for *Guitar World*, *Classic Rock* and several other newspapers and magazines around the world. He has also worked in music public relations, handling Dire Straits, Black Sabbath, The Band and Journey, among others. His books include best-selling biographies of Pearl Jam, Iron Maiden, Bono and the legendary British DJ John Peel as well as 1992's *Guns N' Roses: The Most Dangerous Band in the World*, *Foo Fighters: Learning to Fly*, and *Enter Night: A Biography of Metallica*.

Feared

A Rosato & DiNunzio Novel

Lisa Scottoline

From the *New York Times* bestselling author comes the sixth book in the Rosato & DiNunzio thriller series.**In the new thriller from *New York Times* bestselling author Lisa Scottoline, Mary DiNunzio's ruthless nemesis Nick Machiavelli is back...with a vengeance.**

When three men announce that they are suing the Rosato & DiNunzio law firm for reverse sex discrimination—claiming that they were not hired because they were men—Mary DiNunzio and Bennie Rosato are outraged. To make matters worse, their one male employee, John Foxman, intends to resign, claiming that there is some truth to this case.

The plaintiffs' lawyer is Nick Machiavelli, who has already lost to Mary once and is now back with a vengeance—determined not to not only win, but destroy the firm. It soon becomes clear that Machiavelli will do anything in his power to achieve his end...even after the case turns deadly. The stakes have never been higher for Mary and her associates as they try to keep Machiavelli at bay, solve a murder, and save the law firm they love...or they could lose everything they've worked for. Told with Scottoline's trademark gift for twists, turns, heart, and humanity, this latest thriller asks the question: Is it better to be loved, or feared...

Feared, the sixth entry in the acclaimed Rosato & DiNunzio series, expertly explores what happens when we are tempted to give in to our own inner darkness.

PRAISE**Praise for the Rosato & DiNunzio series:**

**"Exposed is Lisa Scottoline's sweet spot: law, loyalty, trust, and of course, family."
—Brad Meltzer**

"A gripping thriller...Exposed wraps up with a demolition-derby doozy of an ending that will leave you shaken." —The Washington Post

"Outstanding...Tensions mount until the story concludes with a satisfying, unexpected twist." —Publishers Weekly

LISA SCOTTOLINE is the #1 bestselling and Edgar Award–winning author of more than thirty novels. She has 30 million copies of her books in print in the U.S., has been published in thirty-five countries and her thrillers have been optioned for television and film. Lisa writes a weekly column with her daughter, Francesca Serritella, for *The Philadelphia Inquirer*; which have been adapted into a series of bestselling memoirs. Lisa lives on a Pennsylvania farm with an array of disobedient pets.

The Bishop's Pawn

A Novel

Steve Berry

***The Bishop's Pawn* continues renowned *New York Times* top 5 bestseller Steve Berry's Cotton Malone series with another riveting, history-based thriller.**

History notes that the ugly feud between J. Edgar Hoover and Martin Luther King, Jr., marked by years of illegal surveillance and the accumulation of secret files, ended on April 4, 1968 when King was assassinated by James Earl Ray. But that may not have been the case.

Now, fifty years later, former Justice Department agent, Cotton Malone, must reckon with the truth of what really happened that fateful day in Memphis.

It all turns on an incident from eighteen years ago, when Malone, as a young Navy lawyer, is trying hard not to live up to his burgeoning reputation as a maverick. When Stephanie Nelle, a high-level Justice Department lawyer, enlists him to help with an investigation, he jumps at the opportunity. But he soon discovers that two opposing forces—the Justice Department and the FBI—are at war over a rare coin and a cadre of secret files containing explosive revelations about the King assassination, information that could ruin innocent lives and threaten the legacy of the civil rights movement's greatest martyr.

Malone's decision to see it through to the end — from the raucous bars of Mexico, to the clear waters of the Dry Tortugas, and ultimately into the halls of power within Washington D.C. itself — not only changes his own life, but the course of history.

Steve Berry always mines the lost riches of history — in *The Bishop's Pawn* he imagines a gripping, provocative thriller about an American icon.

PRAISE

Praise for *Bishop's Pawn*

"Berry's most personal novel to date." — Associated Press

"As fast-paced and exciting as all his previous books, this is another winner in the author's best-selling series. Berry's fans will not be disappointed. He has a knack for presenting alternative history that seems as though it might be true." — Library Journal starred review

"This Cotton Malone case is a fast-paced, heart-pounding thriller with dark corners and passageways. The action hits the ground running and does not let up until the end. Steve Berry is a talented author who shakes things up by presenting alternate versions to historical events." — RT Book ...

How Hard Can It Be?

A Novel

Allison Pearson

Hilarious and poignant, the new adventures of Kate Reddy, the beleaguered heroine of Allison Pearson's groundbreaking *New York Times* bestseller *I Don't Know How She Does It*.

Kate Reddy had it all: a nice home, two adorable kids, a good husband. Then her kids became teenagers (read: monsters). Richard, her husband, quit his job, taking up bicycling and therapeutic counseling: drinking green potions, dressing head to toe in Lycra, and spending his time—and their money—on his own therapy. Since Richard no longer sees a regular income as part of the path to enlightenment, it's left to Kate to go back to work.

Companies aren't necessarily keen on hiring 49-year-old mothers, so Kate does what she must: knocks a few years off her age, hires a trainer, joins a Women Returners group, and prepares a new resume that has a shot at a literary prize for experimental fiction.

When Kate manages to secure a job at the very hedge fund she founded, she finds herself in an impossible juggling act: proving herself (again) at work, dealing with teen drama, and trying to look after increasingly frail parents as the clock keeps ticking toward her 50th birthday. Then, of course, an old flame shows up out of the blue, and Kate finds herself facing off with everyone from Russian mobsters to a literal stallion.

Surely it will all work out in the end. After all, how hard can it be?

PRAISE

"Fiercely funny and keenly observant....couldn't be more timely or delightful....Allison Pearson can induce gales of uncontrollable laughter." —*USA Today*

"Filled with smart insights...Kate makes good company. You can't help rooting for her." —*The New York Times Book Review*

"Hugely entertaining." —*Time*

ALLISON PEARSON is the author of the hugely bestselling *I Don't Know How She Does It*, which was a *New York Times* Notable Book, as well as a national bestseller. She has written for *The Daily Telegraph*, *The Times* (UK), *The Daily Mail*, *Time*, *The New York Times*, *The New Yorker*, and *The Observer*. Pearson's many awards include Columnist of the Year, Critic of the Year and Interviewer of the Year. She lives in Cambridge, England, with the *New Yorker* film critic Anthony Lane, and their two children.

The Patchwork Bride

A Novel

Sandra Dallas

From the bestselling author of *A Quilt for Christmas* comes the irrepressible story of one woman's quest to find love without losing herself in the American West.

Ellen is putting the finishing touches on a wedding quilt made from scraps of old dresses when the bride-to-be—her granddaughter June—unexpectedly arrives and announces she's calling off the marriage. With the tending of June's uncertain heart in mind, Ellen tells her the story of Nell, a Kansas-born woman who goes to the High Plains of New Mexico Territory in 1898 in search of a husband.

Working as a biscuit-shooter, Nell falls for a cowboy named Buddy. She sees a future together, but she can't help wondering if his feelings for her are true. When Buddy breaks her heart, she runs away.

In her search for a soul mate, Nell will run away from marriage twice more before finding the love of her life. It's a tale filled with excitement, heartbreak, disappointment, and self-discovery—as well as with hard-earned life lessons about love. Another stunning, emotional novel from a master storyteller.

PRAISE

"Dallas has done it again, telling three different stories with her trademark homespun style. Strong female characters and intriguing storytelling draw the reader into this two-hanky read full of love and loss." —*Booklist* (starred review)

"Skilled writing and pacing propel the story, which is warm and heartfelt." —*Kirkus Reviews*

"As comforting to read as a hot cup of tea." —*Denver Post*

"A touching and romantic tale by a talented storyteller." —*Historical Novels Review*

SANDRA DALLAS is the author of fifteen novels, including *A Quilt for Christmas*, *Fallen Women*, *True Sisters*, *The Bride's House*, *Whiter Than Snow*, *Prayers for Sale*, *Tallgrass* and *New Mercies*. She is a former Denver bureau chief for *Business Week* magazine and lives in Denver, Colorado.

Because You're Mine

A Novel

Rea Frey

"Brings to mind Jodi Picoult...thought-provoking domestic drama." - *Booklist*

The truth will set you free—but it's the lies that keep you safe.

Single mother Lee has the daily routine down to a science: shower in six minutes. Cut food into perfect squares. Never leave her on-the-spectrum son Mason in someone else's care. She'll do anything—*anything*—to keep his carefully constructed world from falling apart. Do anything to keep him safe.

But when her best friend Grace convinces her she needs a small break from motherhood to recharge her batteries, Lee gives in to a weekend trip. Surely a long weekend away from home won't hurt?

Noah, Mason's handsome, bright, charismatic tutor—the first man in ages Lee's even noticed—is more than happy to stay with him.

Forty-eight hours later, someone is dead.

But not all is as it seems. Noah may be more than who he claims to be. Grace has a secret—one that will destroy Lee. Lee has secrets of her own that she will do anything to keep hidden.

As the dominoes begin to fall and the past comes to light, perhaps it's no mystery someone is gone after all...

Because You're Mine is a breathtaking novel of domestic drama and suspense.

Prepare to stay up all night.

Jar of Hearts

Jennifer Hillier

The story of three best friends: one who was murdered, one who went to prison, and one who's been searching for the truth all these years...

When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school.

But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed.

For fourteen years, Geo knew what happened to Angela and told no one. She carried the secret of Angela's death until she was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong.

How far will someone go to bury her secrets and hide her grief? How long can you get...

In the summer of Star Wars and Son of Sam, a Long Island schoolgirl is found gruesomely murdered. A local prosecutor turns a troubled teenager known as JT from a suspect to a star witness in the case, putting away a high school football star who claimed to be innocent. Forty years later, JT has risen to chief of police, but there's a trail of a dozen dead women that reaches from Brooklyn across Long Island, along the Sunrise Highway, and it's possible that his actions actually enabled a killer.

That's when Lourdes Robles, a relentless young Latina detective for the NYPD, steps in to track the serial killer. She discovers a deep and sinister web of connections between the victims and some of the most powerful political figures in the region, including JT himself. Now Lourdes not only has to catch a killer, but maybe dismantle an entire system that's protected him, possibly at the cost of her own life.

No Barriers (The Young Adult Adaptation)

A Blind Man's Journey to Kayak the Grand Canyon

Erik Weihenmayer and Buddy Levy

This is the YA edition of the nationally bestselling memoir.

Erik Weihenmayer has a long history of turning obstacles into adventures. Born with a rare condition that blinded him as a teenager, he never let his diagnosis hold him back from a full life. As an athlete, explorer, speaker and activist, he has opened the eyes of people around the world to what's possible. In 2001, he became the first blind man to climb Mount Everest, the highest point on Earth. In 2005, he co-founded his nonprofit organization, No Barriers, to empower others to overcome adversity and achieve their biggest goals.

This special edition of *No Barriers* introduces kids to the incredible true story of Erik's most terrifying journey: solo kayaking the thunderous whitewater of the Grand Canyon. Erik and his friends form a courageous crew to do battle with some of the harshest elements nature has to offer. Along the course of Erik's journey, he meets other trailblazers: adventurers, scientists, artists, and activists who show Erik the way forward and teach him the meaning of NO BARRIERS —“What's Within You is Stronger Than What's in Your Way.”

PRAISE

“A wonderful tribute to the greatness of the human spirit.” —*Kirkus Reviews* (Starred Review)

“Guaranteed to inspire.” —*Booklist*

The Corpse at the Crystal Palace

A Daisy Dalrymple Mystery

Carola Dunn

Daisy Dalrymple is back in paperback — when a casual outing to the Crystal Palace in London takes a mysterious and murderous turn.

April 1928: Daisy Dalrymple Fletcher is visited in London by her young cousins. On the list of must-see sites is the Crystal Palace. Discovering that her children's nanny, Nanny Gilpin, has never seen the Palace, Daisy decides to make a day of it—bringing her cousins, her 3-year-old twins, her step-daughter Belinda, the nurserymaid, and Nanny Gilpin. Yet this ordinary outing goes wrong when Mrs. Gilpin goes off to the ladies room and fails to return. When Daisy goes to look for her, she doesn't find her nanny but instead the body of another woman dressed in a nanny's uniform.

Meanwhile, Belinda and the cousins spot Mrs. Gilpin chasing after yet another nanny. Intrigued, they trail the two through the vast Crystal Palace and into the park. After briefly losing sight of their quarry, they stumble across Mrs. Gilpin lying unconscious in a small lake inhabited by huge concrete dinosaurs.

When she comes to, Mrs. Gilpin can't remember what happened after leaving the twins in the nurserymaid's care. Daisy's husband, Detective Chief Inspector Alec Fletcher of Scotland Yard, finds himself embroiled in the investigation of the murdered nanny. Worried about her children's own injured nanny, Daisy is determined to help. First she has to discover the identity of the third nanny, the presumed murderer, and to do so, Daisy must uncover why the amnesic Mrs. Gilpin deserted her charges to follow the missing third nanny.

PRAISE

"Bright and breezy... Fans of Dorothy L. Sayers's gentleman sleuth, Lord Peter Wimsey, will find much to like." —*Publishers Weekly*

"Now here's a proper British mystery...A thoroughly cozy atmosphere combines with a solid mystery. More Daisy please." —*Booklist on Superfluous Women*

"Dunn's forebears are writers such as Agatha Christie and Dorothy L. Sayers. They set the standard for classic cozy puzzles, and *Heirs of the Body's* unfussy prose and straightforward plot lend themselves well to this venerable tradition." —*Seattle Times on Heirs of the Body*

CAROLA DUNN is the author of many previous mysteries featuring Daisy Dalrymple, most recently *Superfluous Women*, as well as numerous historical novels. Born and raised in England, she lives in Eugene, Oregon.

AIQ

How People and Machines Are Smarter Together

Nick Polson and James Scott

Two leading data scientists offer an up-close and user-friendly look at artificial intelligence: what it is, how it works, where it came from, and how to harness its power for a better world.

A revolution of intelligent machines, from self-driving cars to smart digital assistants, is now remaking our world, just as the Industrial Revolution remade the world of the 19th century. AI is used to diagnose and treat cancer, detect fraud, save energy, and make new discoveries. AI is not some science-fiction droid from the future. It's right here, right now, and it's changing our lives at lightning-fast speed. Many of these changes offer great promise, including freedom from drudgery, safer workplaces, better health care, and fewer language barriers. But others elicit worry—whether about jobs, data privacy, or the prospect of machines making biased decisions with no accountability.

In *AIQ*, authors Nick Polson and James Scott, both experts in the field, show us how to make sense of these accelerating trends. This book is based on a simple premise: if you want to understand the modern world, you must learn about how these intelligent machines really work. *AIQ* will teach you how to speak the mathematical language of AI—but in an approachable manner, one anchored in storytelling rather than equations. Along the way, you will meet a fascinating cast of historical characters who have a lot to say about data, probability, and better thinking—and whose tried-and-true ideas are powering the AI revolution, as they play out in the modern age of big data. Finally, *AIQ* explains how these technologies can help you to overcome some of yo...

PRAISE

"Grounding AI in tried-and-true methods makes it seem less alien: Computers are simply faster ways to solve familiar problems. Hence the book's title, a portmanteau of AI and IQ—the point being that we need both." —*Wall Street Journal*

"Entertaining and persuasive. The book's goal is to explain how artificial intelligence delivers its incredible results, and Polson and Scott are like a pair of excitable mechanics lifting up the bonnet of a sports car. This is a passionate book, and it is a model of how to make data science accessible and exciting." —*The Sunday Times (UK)*

NICK POLSON is Professor of Econometrics and Statistics at the Chicago Booth School of Business. He does research on machine intelligence and deep learning, and is a frequent speaker. Polson lives in Chicago.

JAMES SCOTT is Associate Professor of Statistics at the University of Texas at Austin. He is a statistician, data scientist, and has worked with clients across many industries to help them understand the power of data. Scott lives in Austin with his wife.

Silent Voices

A Vera Stanhope Mystery

Ann Cleeves

A series beloved by readers, reviewers, and fans of the hit TV series *Vera* alike, *Silent Voices* is the perfect entry point to the Detective Inspector Vera Stanhope series for new readers.

This reissue is part of the Minotaur Signature Editions program.

When DI Vera Stanhope finds the body of a woman in the steam room of her local swimming pool, she wonders briefly if, for once, it's a death from natural causes. But closer inspection reveals bruises around the victim's throat . . . As she leads her team, Vera relishes the thrill she gets from running an investigation. Death has never made her feel so alive. Soon, the victim's past reveals a shocking secret at the heart of their community, as they try to stop a killer in the present who can't seem to let go of the past.

Singular, complex and fiercely loyal, Vera has quickly become an iconic British detective loved by millions both on the page and on-screen, and *Silent Voices* showcases Ann Cleeves as a writer at the peak of her powers.

PRAISE

"Ann Cleeves is one of my favorite mystery writers! I relish learning most about Vera with each book."—Louise Penny

"I do love Vera!"—Val McDermid

"A nice mixture, in the British tradition, of social comedy and detective work. More Vera, please."—*Booklist* (starred review)

"It's easy to admire Vera's brainpower . . . her adventures have been a hit on British television, and readers devoted to Cleeves' tales of Jimmy Perez will want to give Vera a try."—*Kirkus Reviews*

ANN CLEEVES is the multi-million copy bestselling author behind two hit television series—the BBC's *Shetland*, starring Douglas Henshall, and ITV's *Vera*, starring Academy Award Nominee Brenda Blethyn—both of which are watched and loved in the US.

The first *Shetland* novel, *Raven Black*, won the CWA Gold Dagger for best crime novel, and Ann was awarded the CWA Diamond Dagger in 2017. She lives in the UK.
