# Her Body and Other Parties Stories

## Carmen Maria Machado

A highly anticipated debut by “one of the most ferociously gifted young writers working today” (Michelle Huneven)

In *Her Body and Other Parties*, Carmen Maria Machado blithely demolishes the arbitrary borders between psychological realism and science fiction, comedy and horror, fantasy and fabulism. While her work has earned her comparisons to Karen Russell and Kelly Link, she has a voice that is all her own. In this electric and provocative debut, Machado bends genre to shape startling narratives that map the realities of women’s lives and the violence visited upon their bodies.

A wife refuses her husband’s entreaties to remove the green ribbon from around her neck. A woman recounts her sexual encounters as a plague slowly consumes humanity. A salesclerk in a mall makes a horrifying discovery within the seams of the store’s prom dresses. One woman’s surgery-induced weight loss results in an unwanted houseguest. And in the bravura novella “Especially Heinous,” Machado reimagines every episode of *Law & Order: Special Victims Unit*, a show we naively assumed had shown it all, generating a phantasmagoric police procedural full of doppelgängers, ghosts, and girls with bells for eyes.

Earthy and otherworldly, antic and sexy, queer and caustic, comic and deadly serious, *Her Body and Other Parties* swings from horrific violence to the most exquisite sentiment. In their explosive originality, these stories enlarge the possibilities of contemporary fiction.

**Carmen Maria Machado’s** work has appeared in *Granta*, *The New Yorker*, NPR, *Electric Literature*, and elsewhere. She has been nominated for a Nebula Award and a Shirley Jackson Award, and was a finalist for the Calvino Prize. She lives in Philadelphia.

## The Rise of Hoaxes, Humbug, Plagiarists, Phonies, Post-Facts, and Fake News

**Kevin Young**

**Has the hoax now moved from the sideshow to take the center stage of American culture?**

Award-winning poet and critic Kevin Young traces the history of the hoax as a peculiarly American phenomenon—the legacy of P. T. Barnum's "humbug" culminating with the currency of Donald J. Trump's "fake news." Disturbingly, Young finds that fakery is woven from stereotype and suspicion, with race being the most insidious American hoax of all. He chronicles how Barnum came to fame by displaying figures like Joice Heth, a black woman whom he pretended was the 161-year-old nursemaid to George Washington, and *What is It?*, an African American man Barnum professed was a newly discovered missing link in evolution.

*Bunk* then turns to the hoaxing of history and the ways that forgers, plagiarists, and frauds invent backstories and falsehoods to sell us lies about themselves and about the world in our own time, from pretend Native Americans Grey Owl and Nasdijj to the deadly imposture of Clark Rockefeller, from the made-up memoirs of James Frey to the identity theft of Rachel Dolezal. This brilliant and timely work asks what it means to live in a post-factual world of "truthiness" where everything is up for interpretation and everyone is subject to a contagious cynicism that damages our ideas of reality, fact, and art.

**Kevin Young** is the author of a previous book of nonfiction, *The Grey Album*, and ten books of poetry, including *Blue Laws*, which was long-listed for the National Book Award. He is the director of the Schomburg Center for Research in Black Culture in Harlem.

Danez Smith

"Danez Smith's is a voice we need . . . This is a mighty work and a tremendous offering." (Tracy K. Smith)

Award-winning poet Danez Smith is a groundbreaking force, celebrated for deft lyrics, urgent subjects, and performative power. *Don't Call Us Dead* opens with a heartrending sequence that imagines an afterlife for black men shot by police, a place where suspicion, violence, and grief are forgotten and replaced with the safety, love, and longevity they deserved here on earth. Smith turns then to desire, mortality—the dangers experienced in skin, body, and blood—and a diagnosis of HIV positive. "Some of us are killed / in pieces," Smith writes, "some of us all at once." *Don't Call Us Dead* is an astonishing collection, one that confronts America, where every day is too often a funeral and not often enough a miracle.

**Danez Smith** is the author of *[insert] boy*, winner of the Lambda Literary Award and the Kate Tufts Discovery Award. Smith has received fellowships from the National Foundation for the Arts and the Poetry Foundation, and lives in Minneapolis.

# Border

## A Journey to the Edge of Europe

### Kapka Kassabova

**“Remarkable: a book about borders that makes the reader feel sumptuously free.” —Peter Pomerantsev**

In this extraordinary work of narrative reportage, Kapka Kassabova returns to Bulgaria, from where she emigrated twenty-five years previously, to explore the border it shares with Turkey and Greece. When she was a child, the border zone was rumored to be an easier crossing point into the West than the Berlin Wall, and it swarmed with soldiers and spies. On holidays in the “Red Riviera” on the Black Sea, she remembers playing on the beach only miles from a bristling electrified fence whose barbs pointed inward toward the enemy: the citizens of the totalitarian regime.

Kassabova discovers a place that has been shaped by successive forces of history: the Soviet and Ottoman empires, and, older still, myth and legend. Her exquisite portraits of fire walkers, smugglers, treasure hunters, botanists, and border guards populate the book. There are also ragged men and women who have walked across Turkey from Syria and Iraq. But there seem to be nonhuman forces at work here too: this densely forested landscape is rich with curative springs and Thracian tombs, and the tug of the ancient world, of circular time and animism, is never far off.

*Border* is a scintillating, immersive travel narrative that is also a shadow history of the Cold War, a sideways look at the migration crisis troubling Europe, and a deep, witchy descent into interior and exterior geographies.

**Kapka Kassabova** is the author of three poetry collections, the novel *Villa Pacifica*, and the acclaimed memoirs *Street Without a Name: Childhood and Other Misadventures in Bulgaria* and *Twelve Minutes of Love: A Tango Story*. She lives in Scotland.

#### PRAISE

# Sometimes I Think About It

## Essays

**Stephen Elliott**

An essay collection by a writer who “may be writing under . . . the influence of genius” (*Vanity Fair*)

In *Sometimes I Think About It*, Stephen Elliott gathers personal essays, reportage, and profiles written over fifteen years to tell a powerful story about outsiders and underdogs.

Moving from the self to the civic, the book begins with a series of essays that trace Elliott’s childhood with an abusive and erratic father, his life on the streets as a teenager, and his growing interest in cross-dressing and masochism. These stories, which range from a comic portrait of a week spent hosting his younger brother to a brutal depiction of depression, provide a context for the essays that follow.

Stepping out into the world, Elliott tells of a man who loses his family in a rock slide in Southern California, explores the vexing realities of life in Palestine, and paints a chilling picture of a young man caught in the prison-industrial complex. The last section, “The Business of America Is Business,” shows Elliott’s abiding interest in the spectacle of money in America, from pop music to pornography to publishing, and it concludes with an off-kilter account of the tech industry’s assault on West Los Angeles.

Building on the extraordinary storytelling that characterized his breakout book, *The Adderall Diaries*, Elliott’s search for dignity and happiness leads him to tell with great sympathy the stories of those who are broken and seek to be whole.

**Stephen Elliott** is the author of *The Adderall Diaries* and *Happy Baby*, which was a finalist for the New York Public Library’s Young Lion Award. He is the founding editor of *The Rumpus* and the director of the movies *About Cherry* and *After Adderall*.

# Happy Baby

A Novel

Stephen Elliott

**“Heartbreakingly and bewilderingly alive in a way most bigger books can’t even imagine.” —*Salon***

On a flight from Oakland to Chicago, Theo thinks about two women he left behind: Maria, the girlfriend who shared his troubled youth, and Ambellina, the woman who has been satisfying the masochistic desires that emerged from it. His return to Chicago, and Maria, spurs the backward movement of this innovative novel that chases him ever deeper into the darkness and violence of his past.

As a boy, Theo was shuffled from juvenile delinquent centers to foster homes, picking up odd jobs, addictions, and ill-fitting relationships along the way. Scenes of abuse and heartache are revealed chapter by chapter, but our discovery of his dignity and humanity continues, even when we are finally confronted with the eleven-year-old child who barely remembers what it feels like to be safe.

In this beautiful and brutal novel, Stephen Elliott follows in the footsteps of writers like Hubert Selby and Dennis Cooper, of “sexual renegades” like Jean Genet and Marguerite Duras. Elliott writes with raw honesty and a tight yet lyric prose style that cuts through the fog of memory to get at the core of youth, pain, and what it means to be an outsider.

*“Happy Baby is surely the most intelligent and beautiful book ever written about juvenile detention centers, sadomasochism, and drugs . . . Heartbreaking.” —Curtis Sittenfeld, *The New York Times Book Review**

**Stephen Elliott** is the author of seven books, including *The Adderall Diaries*, which has been described as “genius” by *The San Francisco Chronicle* and *Vanity Fair*. He is the founding editor of *The Rumpus* and the director of *About Cherry* and *After Adderall*.

# The Complete Ballet

## A Fictional Essay in Five Acts

John Haskell

A dark-hued, hybrid novel by a writer who “delivers our culture back to us, made entirely new” (A. M. Homes)

In *The Complete Ballet*, John Haskell choreographs an intricate and irresistible pas de deux in which fiction and criticism come together to create a new kind of story. Fueled by the dramatic retelling of five romantic ballets, and interwoven with a contemporary story about a man whose daunting gambling debt pushes him to the edge of his own abyss, it is both a pulpy entertainment and a meditation on the physicality—and psychology—of dance.

The unnamed narrator finds himself inexorably drawn back to the pre-cell phone world of Technicolor Los Angeles, to a time when the tragedies of his life were about to collide. Working as a part-time masseur in Hollywood, he attends an underground poker game with his friend Cosmo, a strip-club entrepreneur. What happens there hurtles the narrator down the road and into the room where the novel’s violent and surreal showdown leaves him a different person.

As the narrator revisits his past, he simultaneously inhabits and reconstructs the mythic stories of ballet, assessing along the way the lives and obsessions of Nijinsky and Balanchine, Pavlova and Fonteyn, Joseph Cornell, the film director John Cassavetes. This compulsively readable fiction is ultimately a profound and haunting consideration of the nature of art and identity.

**John Haskell** is the author of the story collection *I Am Not Jackson Pollock* and the novels *American Purgatorio* and *Out of My Skin*. His stories and essays have appeared on the radio, in anthologies, and in many magazines. He lives in Brooklyn.

# London and the South-East

## A Novel

### David Szalay

Never before published in the United States, the debut novel by the wildly talented author of Man Booker Prize finalist *All That Man Is*

“That clattering noise you hear is the sound of critics and readers racing to find [David Szalay’s] earlier books, an activity worth the effort,” wrote Dwight Garner in his *New York Times* review of Szalay’s *All That Man Is*. And now his debut novel, *London and the South-East*, is finally available for American readers as well.

Paul Rainey, the hapless antihero at the center of this “compulsively readable” (*Independent on Sunday*) story works, miserably, in ad sales. He sells space in magazines that hardly exist, and through a fog of booze and drugs dimly perceives that he is dissatisfied with his life—professional, sexual, weekends, the whole nine yards. If only there were something he could do about it—and “something” seems to fall into his lap when a meeting with an old friend and fellow salesman, Eddy Jaw, leads to the offer of a new job. But when that offer turns out to be as misleading as Paul’s own sales patter, his life is transformed in ways very much more peculiar than he ever thought possible.

*London and the South-East*, which won the Betty Trask Prize and the Geoffrey Faber Memorial Prize, is both a gloriously told shaggy-dog story about the compromising inanities of office life and consumer culture, and the perfect introduction to one of the best writers at work today.

**David Szalay** is the author of *The Innocent*, *Spring*, and *All That Man Is*, which was a finalist for the Man Booker Prize. In 2013 he was named as one of *Granta’s* Best of Young British Novelists. He lives in Budapest.

#### PRAISE

“[A] contemporary British novelist worth catching up on and following . . . on a level with the likes of James Buchan, Tessa Hadley and Edward St Aubyn . . . # All That Man Is

## A Novel

### David Szalay

Now in paperback, a Man Booker Prize finalist of “great brilliance and brutal simplicity” (*The New Yorker*)

*All That Man Is* traces the arc of life from the spring of youth to the winter of old age by following nine men who range from a working-class ex-grunt to a pompous college student, a middle-aged loser to a Russian oligarch. Ludicrous and inarticulate, shocking and despicable, vital, pitiable, and hilarious, these men paint a picture of modern manhood. David Szalay is a master of a new kind of realism that vibrates with detail, intelligence, relevance, and devastating pathos. In *All That Man Is*, a Man Booker Prize finalist and the winner of the Gordon Burn Prize and the Plimpton Prize, he brilliantly illuminates the physical and emotional terrain of an increasingly globalized Europe.

# Advice from the Lights

## Poems

### Stephen Burt

**Stephen is sometimes Stephanie and sometimes wonders how his past and her past are their own collective memory**

*Advice from the Lights* is part nostalgia, part confusion, and part an ongoing wondering: How do any of us achieve adulthood? And why would we want to, if we had the choice? This collection is woven from and interrupted by extraordinary sequences, including Stephanie poems about Stephen's female self; poems on particular years of the poet's early life, each with its own memories, desires, insecurities, and pop songs; and versions of poems by the Greek poet Callimachus, whose present-day incarnation worries (who doesn't?) about mortality, the favor of the gods, and the career of Taylor Swift. The collection also includes poems on politics, location, and parenthood. This is Stephen Burt's most accomplished collection, an essential work that asks who we are, how we become ourselves, and why we make art.

**Stephen Burt** (who also goes by Steph and Stephanie) is Professor of English at Harvard and the author of several previous books of poetry and literary criticism, among them *Belmont* and *Close Calls with Nonsense*, as well as *The Poem Is You*.

## A Novel

**Gaute Heivoll; Translated from the Norwegian by Nadia Christensen**

**An atmospheric and affecting novel set in rural Norway, by the award-winning author of *Before I Burn***

In the waning days of the German occupation of Norway, Karin and her husband move with their young son from Oslo to a tiny village in the south. There they aim to live out their dream of caring for those who can't look after themselves. They have spent months building a modest house with rooms for patients, and it's soon filled with three adult men who are psychologically unstable—including Karin's uncle Josef, who suffered a head injury in a carriage accident—and five siblings whose parents have been declared unfit, and who are the subjects of much conversation in the village. This small and idiosyncratic community persists for nearly three decades.

After his parents' deaths, the son returns to clean out this unusual home. The objects of his childhood retain a talisman-like power over him, and key items—including an orange crate where he and his sister Tone slept as infants, Josef's medal of honor, his mother's beloved piano, and many others—unlock vivid memories. In recounting the ways that the five siblings both are and are not a part of his family, he reveals his special relationship with Ingrid, who cannot speak, and his sister's accidental death, which occurred when they were playing together, and its quiet yet tragic effects on the extended family.

With deep compassion and gentle humor, Gaute Heivoll portrays an unconventional family as it navigates an uncertain and often unkind wo...

## Poems, Translations, Commentaries

**Edited by Martha Collins and  
Kevin Prufer**

**A unique anthology that "plunges the reader into a translation seminar." (Rosanna Warren)**

*Into English* presents poems, translations, and commentaries in an extraordinary format for readers to experience the artistry of poetry in translation. Editors Martha Collins and Kevin Prufer invited twenty-five contributors, all of whom are translators and most of whom are also poets, to select one poem in another language and three English translations of it and provide an essay about the challenges of translating it. This wide-format anthology offers the original poem side by side with the translations, so readers can compare different ways a poem can be rendered into English. Organized chronologically, the anthology opens with a poem in ancient Greek by Sappho beside translations by Anne Carson, Willis Barnstone, and Mary Barnard, followed by an essay by Karen Emmerich.

The original poems are by poets from across time and from around the world, including Basho, Rilke, Akhmatova, García Lorca, Szymborska, Amichai, and Adonis. The languages represented are many, from Latin to Chinese, Spanish, French, German, Russian, Hebrew, Arabic, and Haitian Creole. More than seventy translators are included, among them Robert Bly, Ruth Fainlight, David Hinton, Rosemary Lloyd, Khaled Mattawa, and W. S. Merwin. *Into English* becomes a chorus in celebration of world poetry and translation—what George Kalogeris, quoting Virgil, describes as “song replying to song replying to song.”
