Beasts of Extraordinary Circumstance

A Novel

Ruth Emmie Lang

"This exquisite and adventurous book will remind you of classic fantasies that you read as a child." —*Bustle*

Finding magic in the ordinary...

The day that Weylyn is born is the largest snowstorm the South has ever seen. As he grows older, so does the legends of Weylyn Grey, his horned-pig Merlin and their magical abilities. But the true magic is in the way that he transforms the lives of those around him. As anyone who's met Weylyn will tell you, once he wanders into your life, you'll wish he'd never leave.

Told from the perspectives of the people who knew him, loved him, and even a few who thought he was just plain weird. Although he doesn't stay in any of their lives for long, he leaves each of them with a story to tell. Stories about a boy who lives with wolves, great storms that evaporate into thin air, fireflies that make phosphorescent honey, and a house filled with spider webs and the strange man who inhabits it.

There is one story, however, that Weylyn wishes he could change: his own. But first he has to muster enough courage to knock on Mary's front door.

In the tradition of Sarah Addison Allen, Ruth Emmie Lang teaches us about adventure and love in a beautifully written story full of nature and wonder.

PRAISE

"Weylyn Grey is enchanting." —*Real Simple* magazine

"Original and imaginative, especially in its multifaceted exploration of one extraordinary person, Lang's novel is a lovely and fascinating feat of magical realism." —*Booklist*

"Mixes magical realism with romance, humor, and adventure, delighting readers who enjoy strong fantasy populated with quirky characters and events." —*Library Journal*

RUTH EMMIE LANG was born in Glasgow, Scotland and has the red hair to prove it. When she was four years old, she immigrated to Ohio where she has lived ever since. She has since lost her Scottish accent, but still has the hair. Ruth currently lives in Cleveland, Ohio with her husband and dreams of someday owning a little house in the woods where she can write more books. *Beasts of Extraordinary Circumstance* is her first novel.

Getting the Love You Want

A Guide for Couples

Harville Hendrix, Helen LaKelly Hunt

The bestselling guide to transforming an intimate relationship into a lasting source of love and companionship, fully revised with a new forward, and a brand new chapter.

Getting the Love You Want has helped millions of people experience more satisfying relationships and is recommended every day by professional therapists and happy couples around the world. Dr. Harville Hendrix and Dr. Helen LaKelly Hunt explain how to revive romance and remove negativity from daily interactions, to help you:

- Discover why you chose your mate
- Resolve the power struggle that prevents greater intimacy
- Learn to listen – really listen – to your partner
- Increase fun and laughter in your relationship
- Begin healing early childhood experiences by stretching into new behaviors
- Become passionate friends with your partner
- Achieve a common vision of your dream relationship

Become the most connected couple you know with this revolutionary guide, combining behavioral science, depth psychology, social learning theory, Gestalt therapy, and interpersonal neuroscience to help you and your partner recapture joy, enhance closeness, and experience the reward of a deeply fulfilling relationship.

PRAISE

“This wisdom-drenched and profoundly knowledgeable book gave us tangible relationship support when we’ve needed it most.” —Grammy award-winning singer and songwriter Alanis Morissette and rapper Souleye

Harville Hendrix, Ph.D. and Helen LaKelly Hunt, Ph.D., co-created Imago Relationship Therapy, a unique healing process for couples, prospective couples, and parents. Together they have more than thirty years’ experience as educators and therapists and their work has been translated into more than 50 languages, with Imago practiced by over two thousand therapists worldwide. Harville and Helen have six children and live in New York and Dallas.

The Woman in the Water

A Prequel to the Charles Lenox Series

Charles Finch

This chilling new mystery takes readers back to Charles Lenox's very first case and the ruthless serial killer who would set him on the course to become one of London's most brilliant detectives.

London, 1850: A young Charles Lenox struggles to make a name for himself as a detective...without a single case. Scotland Yard refuses to take him seriously and his friends deride him for attempting a profession at all. But when an anonymous writer sends a letter to the paper claiming to have committed the perfect crime—and promising to kill again—Lenox is convinced that this is his chance to prove himself.

The writer's first victim is a young woman whose body is found in a naval trunk, caught up in the rushes of a small islets in the middle of the Thames. With few clues to go on, Lenox endeavors to solve the crime before another innocent life is lost. When the killer's sights are turned toward those whom Lenox holds most dear, the stakes are raised and Lenox is trapped in a desperate game of cat and mouse.

In the tradition of Sherlock Holmes, this newest mystery in the Charles Lenox series pits the young detective against a maniacal murderer who would give Professor Moriarty a run for his money.

PRAISE

"Prequels are fun...Lenox is a mere whippersnapper in *The Woman in the Water*...a cunning mystery."—Marilyn Stasio, *New York Times Book Review*

"Bravo Mr. Finch and keep them coming! More Lenox, please."—Louise Penny, author of *Still Life*

"A thick, leisurely, British detective novel, studded with memorable characters."—Hallie Ephron, *The Boston Globe* on *The Laws of Murder*

"Finch is a clever plotter and assiduous researcher."—*Seattle Times*

CHARLES FINCH is a graduate of Yale and Oxford. He is the author of the Charles Lenox mysteries, including *The Inheritance* and *A Beautiful Blue Death*, which was nominated for an Agatha Award and was named one of *Library Journal's* Best Books of 2007, one of only five mystery novels on the list. He lives in Chicago.

Black Star Renegades

Michael Moreci

In the tradition of *Star Wars*, a galaxy-hopping space adventure about a galactic kingdom bent on control and the young misfit who must find the power within before it's too late.

Cade Sura holds the future of the galaxy in his hands: the ultimate weapon that will bring total peace. He didn't ask for it, he doesn't want it, and there's no worse choice to wield it in all of space, but if he doesn't, everyone's totally screwed. The evil Praxis kingdom is on the cusp of having every star system under its control, and if that happens, there'll be no contesting their cruel reign. Especially if its fanatical overlord, Ga Halle, manages to capture Cade and snag the all-powerful weapon for herself.

Cade can't hide from Praxis, and he can't run from the destiny that's been shoved into his hands. So he only has one option:

He has to fight.

Cade's not going to let destiny send him on a suicide run, though. With some help from his friends—rebels and scoundrels alike—Cade's going to use this weapon to chart a new destiny for the galaxy, and for himself.

He just has to do so before everyone around him discovers that he's a complete and total fraud.

Blending the space operatics of *Star Wars* and the swagger of *Guardians of the Galaxy*, *Black Star Renegades* is a galaxy-hopping adventure that blasts its way from seedy spacer bars to sacred temples guarded by deadly creatures—all with a cast of misfit characters who have nowhere to go and nothing to lose.

PRAISE

"Part 'Star Wars' homage, part unexpected coming-of-age novel...Moreci balances character with plot very well; the story moves at a brisk pace, and the frequent action sequences fit in well with the overall story." —*Los Angeles Times*

"Moreci's book is what I'd characterize as a sort of beach read for nerds—like *Ready Player One* or Andy Weir's *The Martian* and *Artemis*." —*The Verge*

"This book really, truly feels like the next big thing." —*The Nerdist*

MICHAEL MORECI is a novelist and author of comic books. His comics include the critically acclaimed sci-fi trilogy *Roche Limit* and the military horror drama *Burning Fields*. He's also written *Suicide Squad* for DC, *Planet of the Apes* for Boom!, and his other original titles include *Curse*, *Hoax Hunters*, *ReincarNATE*, and the forthcoming *Black Hole Repo*. As a novelist, Michael is currently writing *Spy Swap*, an espionage thriller for Tor/Forge. He lives in Chicago with his wife, two sons, and dog.

"An indispensable resource." —*Psych Central*

Love Worth Making

How to Have Ridiculously Great Sex in a Long-Lasting Relationship

Stephen Snyder, M.D.

The next *Mating in Captivity*, this is a paradigm-shifting guide to thinking about and enjoying sex and intimacy in committed, long-term relationships, from one of the nation's top sex therapists.

With the wealth of books on sex available today, it's notable that sexual unhappiness remains widespread. In fact, research from the Kinsey Institute suggests that 25% of American women in heterosexual relationships today are markedly distressed about their sex lives. The problem stems from our limited sexual vocabulary: sex writing tends to dwell mostly on technique ("7 Ways to Blow His Mind") and to offer only the most superficial psychological advice.

Most readers aren't interested in pushing their erotic boundaries; what they want is more meaningful, satisfying sex within their committed relationships. For that, they need something that's not yet available: *a book that talks about actual sexual feelings*.

This is what Dr. Stephen Snyder understands. An M.D. sex therapist with a practice devoted to sexual and relationship issues, he has worked with over 1,500 individuals and couples, introducing them to new and original ways of thinking about sex in order to help them experience the best sex of their married lives. Integrating the latest research on human sexuality with compelling stories from 25 years of experience, *Love Worth Making* shows people of all ages and backgrounds new ways to master the erotic challenges of long-term relationships by understanding their sexual feelings, enjoying them, and holding on to them for life.

PRAISE

"Prepare to be entertained, enlightened, and even outraged by this impassioned defense of pair bonding for life." —Wednesday Martin, Ph.D., *New York Times* bestselling author of *Primates of Park Avenue*

"*Love Worth Making* is, hands down, the most practical, fun, and empowering book I've ever read on how to have a fabulous sex life in a committed relationship. A must read for every committed couple who wants to keep the spark alive for many years." —Christiane Northrup, M.D., OB/GYN, and *New York Times* bestselling author of *Goddesses Never Age* and *The Wisdom of Menopause*

STEPHEN SNYDER, M.D. is a sex and couples therapist, psychiatrist, and writer. He is an Associate Clinical Professor of Psychiatry at the Icahn School of Medicine at Mt. Sinai in New York City and chairman of the Consumer Book Award Committee for the Society for Sex Therapy and Research. He has treated patients at his practice for 25 years, is a guest on major media outlets nationwide, and writes for *Psychology Today* and *Huffington Post*. He lives with his wife and

Heavens on Earth

The Scientific Search for the Afterlife, Immortality, and Utopia

Michael Shermer

A scientific exploration into humanity's obsession with the afterlife and quest for immortality from the bestselling author and skeptic Michael Shermer

In his most ambitious work yet, Shermer sets out to discover what drives humans' belief in life after death, focusing on recent scientific attempts to achieve immortality along with utopian attempts to create heaven on earth.

For millennia, religions have concocted numerous manifestations of heaven and the afterlife, and though no one has ever returned from such a place to report what it is really like—or that it even exists—today science and technology are being used to try to make it happen in our lifetime. From radical life extension to cryonic suspension to mind uploading, Shermer considers how realistic these attempts are from a proper skeptical perspective.

Heavens on Earth concludes with an uplifting paean to purpose and progress and how we can live well in the here-and-now, whether or not there is a hereafter.

PRAISE

"[A] fascinating book...a journey as boggling as it is engrossing." —Maria Konnikova, *The New York Times Book Review*

"[An] ambitious, erudite volume...bringing the high evidentiary standards of science to bear on heavenly claims." —*The Washington Post*

"Thank goodness for Michael Shermer's sound and inspired mindfulness and for this importantly useful volume. Truly a delicious read. Ten Goldblums out of a possible ten Goldblums!" —Jeff Goldblum, actor

Michael Shermer is the Publisher of *Skeptic* magazine, a monthly columnist for *Scientific American*, and a Presidential Fellow at Chapman University. He is the author of *The Moral Arc*, *The Believing Brain*, and many other bestselling titles.

Rupture

An Ari Thor Thriller

Ragnar Jonasson

The fourth book in the international bestselling Ari Thor thriller series from a spectacular crime writer.

Hailed for combining the darkness of Nordic Noir with classic mystery writing in the tradition of Agatha Christie, author Ragnar Jonasson's books are haunting, atmospheric, and complex. *Rupture*, the latest Ari Thór thriller, delivers another dark mystery that is chillingly stunning with its complexity and fluidity.

Young policeman Ari Thór tries to solve a 50-year-old murder when new evidence surfaces. But the case proves difficult in a town where no one wants to know the truth, where secrets are a way of life. He's assisted by Ísrún, a news reporter in Reykjavik who is investigating an increasingly chilling case of her own. Things take a sinister turn when a child goes missing in broad daylight. With a stalker on the loose, and the town in quarantine, the past might just come back to haunt them.

PRAISE

Praise for the Ari Thor thrillers:

"A classic crime story seen through a uniquely Icelandic lens... first rate and highly recommended." —Lee Child

"A modern take on an Agatha Christie-style mystery, as twisty as any slalom..." —Ian Rankin

"A chiller of a thriller whose style and pace are influenced by Jonasson's admiration for Agatha Christie. It's good enough to share shelf space with the works of Yrsa Sigurdardottir and Arnaldur Indridason, Iceland's crime novel royalty." —*The Washington Post*

RAGNAR JONASSON is the award winning author of the international bestselling Ari Thor thriller series. Before embarking on a writing career, he translated fourteen Agatha Christie novels into Icelandic. He is also the cofounder of the Reykjavik international crime-writing festival Iceland Noir. Ragnar lives in Reykjavik with his wife and two daughters.

PRAISE

for the Ari Thor thrillers:

"A classic crime story seen through a uniquely Icelandic lens... first rate and highly recommended." —Lee Child

"A modern take on an Agatha Christie-style mystery, as twisty as any slalom..." —Ian Rankin

"Chilling, poetic beauty... a must read!" —Peter James

RAGNAR JONASSON was born in Iceland and works as an Attorney at Law and writer in Reykjavik. Before embarking on a writing career, Ragnar translated fourteen Agatha Christie novels into Icelandic. Ragnar is the co-founder of the Reykjavik international crime writing festival Iceland Noir. He has appeared on panels at various crime fiction festivals, including Bouchercon and Left Coast Crime in the US. Ragnar lives in Reykjavik with his wife and two daughters.

The Vanishing Season

A Mystery

Joanna Schaffhausen

In this 2016 MB/MWA First Crime Novel Award winner, Ellery Hathaway is the only one who knows the real reason a person goes missing around her birthday each year in her small Massachussets town.

Winner of the Minotaur Books/Mystery Writers of America First Crime Novel Competition, Joanna Schaffhausen's accomplished debut will grip readers from the opening page to the stunning conclusion.

Ellery Hathaway knows about serial killers, but not through her police training. She's an officer in sleepy Woodbury, MA, where a bicycle theft still makes the newspapers. No one there knows she was once victim number seventeen in the grisly story of serial killer Francis Michael Coben. The only one who lived.

When three people disappear from her town in three years, all around her birthday—the day she was kidnapped so long ago—Ellery fears someone knows her secret. Someone very dangerous. Her superiors dismiss her concerns, but Ellery knows the vanishing season is coming and anyone could be next. She contacts the one man she knows will believe her: the FBI agent who saved her from a killer's closet all those years ago.

PRAISE

"A gripping and powerful read. It is what we call an edge-of-your-seat, rollercoaster of a thriller. You will not be able to put it down before you finish it."—*The Washington Book Review*

"*The Vanishing Season* won the Minotaur Books/Mystery Writers of America First Novel Competition. Given the precise prose, the suspenseful plot and the emotionally tortured characters... it's easy to see why."—*Associated Press*

"Crime fanatics and mystery lovers will love this story. Schaffhausen really nails the genre and the character development beautifully."—*Huffington Post*

Joanna Schaffhausen wields a mean scalpel, skills developed in her years studying neuroscience. She has a doctorate in psychology, which reflects her long-standing interest in the brain—how it develops and the many ways it can go wrong. Previously, she worked for ABC News, writing for programs such as World News Tonight, Good Morning America, and 20/20. She lives in the Boston area with her husband and daughter. *The Vanishing Season* is her first novel.

The Legacy

A Thriller

Yrsa Sigurdardottir

The first in a stunning new series from the author of *The Silence of the Sea*, winner of the 2015 Petrona Award for best Scandinavian Crime Novel.

The Legacy is the first installment in a fantastic new series featuring psychologist Freyja and police officer Huldar, now available in trade paperback.

The only person who might have the answers to a baffling murder case is the victim's seven-year-old daughter, found hiding in the room where her mother died. And she's not talking.

Newly-promoted, out of his depth, detective Huldar turns to Freyja for her expertise with traumatized young people. Freyja, who distrusts the police in general and Huldar in particular, isn't best pleased. But she's determined to keep little Margret safe.

It may prove tricky. The killer is leaving them strange clues: warnings in text messages, sums scribbled on bits of paper, numbers broadcast on the radio. He's telling a dark and secret story—but can they crack the code? And if they do, will they be next?

PRAISE

"A relentlessly paced series launch...Few readers will be able to put down this powerful tale of revenge."—*Publishers Weekly* (starred)

"Nordic mystery writers can raise goose bumps as few others can, and Sigurdardottir shows she's one of the best."—*Booklist* (starred)

"This thriller will have Nordic noir fans turning the pages."—*Library Journal*

YRSA SIGURDARDÓTTIR (pronounced UR-suh SIG-ur-dar-daughter) lives with her family in Reykjavík. She is a director of one of Iceland's largest engineering firms. Her work is climbing bestseller lists all over the world, and films are currently in production for several of her books.

As a Man Thinketh: The Complete Original Edition

With the Bonus Book Mastery of Destiny (A GPS Guide to Life)

James Allen

Learn to control your thoughts and reshape your life with James Allen's best-selling success book

Originally published in 1903, James Allen's *As A Man Thinketh* reveals the fundamental truth of human nature: "A man is literally what he *thinks*." Allen's deceptively simple principle has changed the lives of millions of readers, making *As A Man Thinketh* a classic bestseller for decades.

Allen explains that our character, identity, ability, and success are all determined by the thoughts in our minds. Instead of finding ourselves victims of the world, there exists within each of us the ability to shape and define our own destinies. Finances, health, social status, and success are all external manifestations of the thoughts that populate our minds. Allen offers his readers an opportunity to seize control of their minds and in doing so create the lives they've always imagined.

This new edition combines *As A Man Thinketh* with another of Allen's companion works, *Mastery of Destiny*. In *Mastery of Destiny* Allen shows that the natural progression of human evolution is away from the evil that results from ignorance and towards ultimate good. Combined in one volume, these two books offer a revolutionary outlook of empowerment.

James Allen was born in Leicester, England, in 1864. He took his first job at age 15 to support his family, after his father was murdered while looking for work in America. Allen was employed as a factory knitter and a private secretary until the early 1900s, when he became increasingly known for his motivational writing. His 1903 work *As a Man Thinketh* earned him worldwide fame as a prophet of inspirational thinking and influenced a who's-who of self-help writers, including Napoleon Hill.

The Hush

A Novel

John Hart

"Hart evokes that surreal landscape with a power and economy worthy of the great British horror novelist Ramsey Campbell."
—*Washington Post*

New York Times bestseller

It's been ten years since the events that changed Johnny Merrimon's life and rocked his hometown to the core. Since then, Johnny has fought to maintain his privacy, but books have been written of his exploits; the fascination remains. Living alone on six thousand acres of once-sacred land, Johnny's only connection to normal life is his old friend, Jack. They're not boys anymore, but the bonds remain. What they shared. What they lost.

But Jack sees danger in the wild places Johnny calls home; he senses darkness and hunger, an intractable intent. Johnny will discuss none of it, but there are the things he knows, the things he can do. A lesser friend might accept such abilities as a gift, but Jack has felt what moves in the swamp: the cold of it, the unspeakable fear.

More than an exploration of friendship, persistence, and forgotten power, *The Hush* leaves all categories behind, and cements Hart's status as a writer of unique power.

PRAISE

"*The Hush* displays Hart at his best.... The author builds on his trademark take on the literary Southern gothic; the result is his most powerful work yet, one that plants a flag at the intersection where William Faulkner and Stephen King meet in unexpected harmony." —*Richmond Times-Dispatch*

"Once again, Hart has given us not only a thriller of the highest order, but also a story about loyalty, friendship, family and love." —*Greensboro News & Record*

"Hart proves his reputation as an Edgar Award-winning wordsmith is well-deserved." —*Library Journal*

JOHN HART is the author of five *New York Times* bestsellers, *The King of Lies*, *Down River*, *The Last Child*, *Iron House*, and *Redemption Road*. The only author in history to win the Edgar Award for Best Novel consecutively, John has also won the Barry Award, the Southern Independent Bookseller's Award for Fiction, the Ian Fleming Steel Dagger Award, and the North Carolina Award for Literature. His novels have been translated into thirty languages and can be found in more than seventy countries.

The Family Next Door

A Novel

Sally Hepworth

A suburban drama about desperate mothers, secrets among neighbors, and the things women keep hidden, from the author of *The Mother's Promise*.

Small, perfect towns often hold the deepest secrets.

From the outside, Essie's life looks idyllic: a loving husband, a beautiful house in a good neighborhood, and a nearby mother who dotes on her grandchildren. But few of Essie's friends know her secret shame: that in a moment of maternal despair, she once walked away from her newborn, asleep in her carriage in a park. Disaster was avoided and Essie got better, but she still fears what lurks inside her, even as her daughter gets older and she has a second baby.

When a new woman named Isabelle moves in next door to Essie, she is an immediate object of curiosity in the neighborhood. Why single, when everyone else is married with children? Why renting, when everyone else owns? What mysterious job does she have? And why is she so fascinated with Essie? As the two women grow closer and Essie's friends voice their disapproval, it starts to become clear that Isabelle's choice of neighborhood was no accident. And that her presence threatens to bring shocking secrets to light.

The Family Next Door is Sally Hepworth at her very best: at once a deeply moving portrait of family drama and a compelling suburban mystery that will keep you hooked until the very last page.

PRAISE

"With jaw-dropping discoveries, and realistic consequences, this novel is not to be missed. Perfect for lovers of *Big Little Lies*." —*Library Journal*, starred review

"Hepworth deftly keeps the reader turning pages and looking for clues, all the while building multilayered characters and carefully doling out bits of their motivations." —*Booklist*

SALLY HEPWORTH is a human resource professional. A graduate of Monash University in Melbourne, Australia, Sally started writing novels after the birth of her first child. Sally has lived around the world, spending extended periods in Singapore, the UK, and Canada, and she now writes full-time from her home in Melbourne, where she lives with her husband and three young children.

Jackie, Janet & Lee

*The Secret Lives of Janet Auchincloss and Her Daughters
Jacqueline Kennedy Onassis and Lee Radziwill*

J. Randy Taraborrelli

A dazzling biography of three of the most glamorous women of the 20th century: Jacqueline Bouvier Kennedy Onassis, her mother Janet Lee Auchincloss, and her sister, Princess Lee Radziwill.

"Do you know what the secret to happily-ever-after is?" Janet Bouvier Auchincloss would ask her daughters Jackie and Lee during their tea time. "Money and power," she would say. It was a lesson neither would ever forget. They followed in their mother's footsteps after her marriages to the philandering socialite "Black Jack" Bouvier and the fabulously rich Standard Oil heir Hugh D. Auchincloss.

Jacqueline Bouvier would marry John F. Kennedy and the story of their marriage is legendary, as is the story of her second marriage to Greek shipping magnate Aristotle Onassis. Less well known is the story of her love affair with a world renowned architect and a British peer. Her sister, Lee, had liaisons with one and possibly both of Jackie's husbands, in addition to her own three marriages—to an illegitimate royal, a Polish prince and a Hollywood director.

If the Bouvier women personified beauty, style and fashion, it was their lust for money and status that drove them to seek out powerful men, no matter what the cost to themselves or to those they stepped on in their ruthless climb to the top. Based on hundreds of new interviews with friends and family of the Bouviers, among them their own half-brother, as well as letters and journals, J. Randy Taraborrelli paints an extraordinary psychological portrait of two famous sisters and their ferociously ambitious mother.

PRAISE

"Riveting...Taraborrelli presents a woman of passion, both sexual and emotional, whose facade somehow always remains in place...the magic of Jackie's aura is imperishable to this day...deliciously readable." —New York Times Book Review

"In this revealing biography, Taraborrelli explores the complicated relationship between Jacqueline Bouvier Kennedy Onassis, her mother Janet Lee Auchincloss, and her sister, Princess Lee Radziwill." —People magazine, "Best Books About the Kennedy Family"

J. RANDY TARABORRELLI is the author of nearly 20 biographies, most of which have become *New York Times* bestsellers, including: *Call Her Miss Ross*, *Sinatra—Behind the Legend*, *Madonna—An Intimate Biography*, *Jackie*, *Ethel*, *Joan—Women of Camelot*, *Elizabeth*, (a biography of Elizabeth Taylor); *The Secret Life of Marilyn Monroe* and *After Camelot—A Personal History of the Kennedy Family 1968 to the Present*, which has been adapted as a mini-series for Reelz airing in April 2017.

All Roads End Here

David Moody

The second book in the new series from *Hater* author David Moody is perfect for readers of John Maberry and Max Brooks

Set in the world of David Moody's *Hater* trilogy, *All Roads End Here* is the sequel to the "top drawer horror" (*Booklist*, starred review) *One of Us Will Be Dead by Morning*.

It's taken Matthew Dunne almost three months to get home. Never more than a few meters from the *Haters* at any time, every single step has been fraught with danger. But he's made it.

In his absence, his home city has become a sprawling, walled-off refugee camp. But the camp—and the entire world beyond its borders—is balanced on a knife-edge. During his time in the wilderness, Matt developed a skill which is in high demand: the ability to anticipate and predict *Hater* behavior. It's these skills that will thrust him into a web of subterfuge and danger. As the pressure mounts inside the camp, he finds himself under scrutiny from all sides.

He's always done his best to avoid trouble, but sometimes it can't be helped. The shit's about to hit the fan, and this time Matt's right at the epicenter.

All Roads End Here is a fast-paced, and wonderfully dark story about humanity's fight for survival in the face of the impending apocalypse.

PRAISE

Praise for *One of Us Will Be Dead by Morning*:

"Moody really knows how to write creeping, claustrophobic terror, effectively sneaking up on his readers and, finally, scaring the life out of them. Top-drawer horror." —*Booklist*, starred review

"A bloody fun ride... Another network nightmare that should delight fans of *Haters* and intrigue writers who wallow in the genre." —*Kirkus Reviews*

From the UK, DAVID MOODY first self-published *Hater* on the internet in 2006, and without an agent, succeeded in selling the film rights for the novel to Mark Johnson (producer, *The Chronicles of Narnia* film series) and Guillermo Del Toro (director, *Hellboy*, *Pan's Labyrinth*). With the publication of a new series of *Hater* stories, Moody is poised to further his reputation as a writer of suspense-laced SF/horror, and "farther out" genre books of all description.

The Military Wife

Heart of a Hero

Laura Trentham

An emotionally layered novel about family, loss and what it means to be a military wife.**An emotionally layered novel about family, second chances and what it means to be a military wife.**

Harper Lee Wilcox has been marking time in her hometown of Kitty Hawk, North Carolina since her husband's death, nearly five years earlier. Moving back to her hometown with her young son has her feeling restless but she is worried that moving on means leaving her husband's memory behind.

While visiting a friend who is going through a tough time Harper sees an opportunity to help not only her friend but also a network of other military wives while rebuilding her own life.

In pursuit of her dream, Harper crosses paths with Bennett Caldwell, Noah's best friend and SEAL brother. A man who has a promise to keep, entangling their lives in ways neither of them can foresee. Can Harper let go of her grief, build a future for herself and let love in a second time?

PRAISE

"Fans of Kristan Higgins and Susan Mallery will love the immersive world that Trentham has created." - Booklist on *When the Stars Come Out*

Laura Trentham is an award winning romance author. The Military Wife is her debut women's fiction novel. A chemical engineer by training and a lover of books by nature, she lives in South Carolina.

So Close to Being the Sh*t, Y'all Don't Even Know

Retta

In her hilarious book of essays, *Parks and Recreation*, *Girlfriends' Guide to Divorce*, and *Good Girls* star Retta shares the stories that led to her success in Hollywood.

In *So Close to Being the Sh*t, Y'all Don't Even Know*, *Parks and Recreation* star Retta takes us on her not-so-meteoric rise from roaches to riches (well, rich enough that she can buy \$15,000 designer handbags yet scared enough to know she's always a heartbeat away from ramen with American cheese).

Throwing her hard-working Liberian parents for a loop, Retta abandons her plan to attend med school after graduating Duke University to move to Hollywood to star in her own sitcom—like her comedy heroes Lucille Ball and Roseanne.

Say what? Word. Turns out Retta might actually be on to something. After winning Comedy Central's stand-up competition, she should be ready for prime time—but a fear of success derails her biggest dream.

Whether reminiscing about her days as a contract chemist at GlaxoSmithKline, telling “dirty” jokes to Mormons, feeling like the odd man out on *Parks*, fending off racist trolls on Twitter, flirting with Michael Fassbender, or expertly stalking the cast of “Hamilton,” Retta's unique voice and refreshing honesty will make you laugh, cry, and laugh so hard you'll cry.

Her eponymous sitcom might not have happened yet, but by the end of *So Close to Being the Sh*t*, you'll be rooting for Retta to be the next one-named wonder to take over your television.

PRAISE

“Whether recalling her early years doing stand-up on the college circuit, expounding on the ways TV shows reflect us, or fangirling hard for the musical *Hamilton*, comedian and actor Retta spins entertaining tales and hilarious phrases.... As books like this one go, hers is as honest, funny, and fun to read as they come.” —*Booklist*

**“A humorous memoir that will please the author's many fans and followers.”
—*Kirkus Reviews***

MARIETTA SIRLEAF, better known simply as Retta, is an American stand-up comedian and actress. She is known for her role as Donna Meagle on NBC's *Parks and Recreation*. She has appeared in several films and television shows, and has performed stand-up on Comedy Central's *Premium Blend*. She is currently in a series regular on *Good Girls*.

Our Little Secret

A Novel

Roz Nay

"A cracking read...*Our Little Secret* builds to a deliciously dark conclusion." —Ruth Ware, *New York Times* bestselling author of *The Woman in Cabin 10*

They say you never forget your first love. What they don't say, though, is that sometimes your first love won't forget you...

Angela Petitjean sits in a cold, dull room. The police have been interrogating her for hours, asking about Saskia Parker. She's the wife of Angela's high school sweetheart, HP, and the mother of his child. She has vanished. Homicide Detective J. Novak believes Angela knows what happened to Saskia. He wants the truth, and he wants it now.

But Angela has a different story to tell. It began more than a decade ago when she and HP met in high school in Cove, Vermont. She was an awkward, shy teenager. He was a popular athlete. They became friends, fell in love, and dated senior year. Everything changed when Angela went to college. When time and distance separated them. When Saskia entered the picture.

That was eight years ago. HP foolishly married a drama queen, and Angela moved on with her life. Whatever marital rift caused Saskia to leave her husband has nothing to do with Angela. Nothing at all. Detective Novak needs to stop asking questions and listen to what Angela is telling him. And once he understands everything, he'll have the truth he so desperately wants.

PRAISE

"A sneaky-smart, charismatic debut that will win fans among those who enjoy...Ruth Ware, Sophie Hannah, and Erin Kelly." —*Booklist* (starred review)

"Fans of Paula Hawkins and Ruth Ware will devour this twisty psychological thriller." —*Library Journal* (starred review)

"[A] mesmerizing debut...Nay expertly spins an insidious, clever web, perfectly capturing the soaring heights and crushing lows of first love and how the loss of that love can make even the sanest people a little crazy. Carve out some time for this riveting, one-sitting read." —*Kirkus Reviews*

ROZ NAY grew up in England and studied at Oxford University. She has been published in *The Antigonish Review* and the anthology *Refuge*. Roz has worked as an underwater fish counter in Africa, a snowboard videographer in Vermont, and a high school teacher in both the UK and Australia. She now lives in British Columbia, Canada, with her husband and two children. This is her first novel.

Not That I Could Tell

A Novel

Jessica Strawser

The second novel from Jessica Strawser that *Booklist* says "will appeal to fans of Liane Moriarty and Jennifer Kitses," now in trade paperback.

When a group of neighborhood women gathers, wine in hand, around a fire pit where their backyards meet one Saturday night, most of them are just ecstatic to have discovered that their baby monitors reach that far. It's a rare kid-free night, and they're giddy with it. They drink too much, and the conversation turns personal.

By Monday morning, one of them is gone.

Everyone knows something about everyone else in the quirky small Ohio town of Yellow Springs, but no one can make sense of the disappearance. Kristin was a sociable twin mom, college administrator, and doctor's wife who didn't seem all that bothered by her impending divorce—and the investigation turns up more questions than answers, with her husband, Paul, at the center. For her closest neighbor, Clara, the incident triggers memories she thought she'd put behind her—and when she's unable to extract herself from the widening circle of scrutiny, her own suspicions quickly grow. But the neighborhood's newest addition, Izzy, is determined not to jump to any conclusions—especially since she's dealing with a crisis of her own.

As the police investigation goes from a media circus to a cold case, the neighbors are forced to reexamine what's going on behind their own closed doors—and to ask how well anyone *really* knows anyone else.

PRAISE

"[An] engrossing, taut tale." —*Publishers Weekly*

"Strawser tackles the secrets of suburbia, domestic abuse, and friendship in a gripping story about a neighboring family gone missing. The characters are unique, engaging, and relatable and the ending is both surprising and poignant. Fans of Liane Moriarty will adore Jessica Strawser; she's a huge talent!" —Kate Moretti, *New York Times* bestselling author of *The Blackbird Season*

"Surprising and entertaining, *Not That I Could Tell* is a riveting story of secrets and suburbia." —*Buzzfeed*, "5 Suspenseful Thrillers for Fans of Ruth Ware"

JESSICA STRAWSER (jessicastrawser.com) is the editorial director of *Writer's Digest* magazine and the author of *Almost Missed You*, named to Barnes & Noble's Best New Fiction list for March 2017 and *PopSugar*'s Best Spring Reads. She has written for *The New York Times* Modern Love, *Publishers Weekly* and other fine venues, and lives with her husband and two children in Cincinnati.

The Very Best of the Best

35 Years of The Year's Best Science Fiction

Gardner Dozois

For the first time in a decade, a compilation of the very best in science fiction, from a world authority on the genre.

For decades, the Year's Best Science Fiction has been the most widely read short science fiction anthology of its kind. Now, after thirty-five annual collections, comes the ultimate in science fiction anthologies. In *The Very Best of the Best*, legendary editor Gardner Dozois selects the finest short stories for this landmark collection.

PRAISE

Praise for Gardner Dozois and *The Year's Best Science Fiction* Series:

"The best that science fiction has to offer, chosen by the most respected editor in the field. A copy belongs on the shelf of every SF author." —George R. R. Martin

**"Another excellent and provocative annual anthology of the best in the field...An illuminating examination of the depth and breadth of current science fiction."
—*Publishers Weekly* (starred review), on the thirty-third edition**

GARDNER DOZOIS, one of the most acclaimed editors in science-fiction, has won the Hugo Award for Best Editor 15 times. He was the editor of *Asimov's Science Fiction Magazine* for 20 years. He is the editor of the *Year's Best Science Fiction* anthologies and co-editor of the *Warrior* anthologies, *Songs of the Dying Earth*, and many others. As a writer, Dozois twice won the Nebula Award for best short story. He lives in Philadelphia, Pennsylvania.

The English Wife

A Novel

Lauren Willig

From *New York Times* bestselling author, Lauren Willig, comes this scandalous novel full of family secrets, affairs, and even murder.

Annabelle and Bayard Van Duyvil live a charmed life in New York: he's the scion of an old Knickerbocker family, she grew up in a Tudor house in England, they had a fairytale romance in London, they have three-year-old twins on whom they dot, and he's recreated her family home on the banks of the Hudson and named it Illyria.

Yes, there are rumors that she's having an affair with the architect, but rumors are rumors and people will gossip. But then Bayard is found dead with a knife in his chest on the night of their *Twelfth Night* ball, Annabelle goes missing, presumed drowned, and the papers go mad.

Bay's sister, Janie, forms an unlikely alliance with a reporter to try and uncover the truth, convinced that Bay would never have killed his wife, that it must be a third party. But the more she learns about her brother and his wife, the more everything she thought she knew about them starts to unravel. Who were her brother and his wife, really? And why did her brother die with the name George on his lips?

The English Wife is another stunning novel by *New York Times* bestselling author Lauren Willig that bestselling author Jennifer Robson calls "her best book yet."

PRAISE

"A dark and scintillating tale." -Pam Jenoff, *New York Times* bestselling author of *The Orphan's Tale*

"A gorgeous gem of a novel." -Karen White, *New York Times* bestselling author of *The Night the Lights Went Out*

**"The pages fly fast and furious in this thoroughly engaging, suspenseful yarn."
—*Booklist***

"Willig has a knack for creating sympathetic characters and fully fleshed settings, adding some juicy plot twists to this atmospheric period piece." — *Kirkus Reviews*

"A dark, romantic mystery full of twists and turns." — *Library Journal*

LAUREN WILLIG is also the author of the *New York Times* bestselling Pink Carnation series and a RITA Award-winner for Best Regency Historical for *The Mischief of the Mistletoe*. A graduate of Yale University, she has a graduate degree in English history from Harvard and a J.D. from Harvard Law School. She lives in New York City, where she now writes full time.

A Dangerous Woman

American Beauty, Noted Philanthropist, Nazi Collaborator - The Life of Florence Gould

Susan Ronald

A revealing biography of Florence Gould, fabulously wealthy socialite and patron of the arts, who hid a dark past as a Nazi collaborator in 1940's Paris.

Born in turn-of-the-century San Francisco to French parents, Florence moved to Paris, aged eleven. Believing that only money brought respectability and happiness, she became the third wife of Frank Jay Gould, son of the railway millionaire Jay Gould. She guided Frank's millions into hotels and casinos, creating a luxury hotel and casino empire. She entertained Zelda and Scott Fitzgerald, Pablo Picasso, Joseph Kennedy, and many Hollywood stars, like Charlie Chaplin, who became her lover. While the party ended for most Americans after the Crash of 1929, Frank and Florence refused to go home. During the Occupation, Florence took several German lovers and hosted a controversial salon. As the Allies closed in, the unscrupulous Florence became embroiled in a notorious money laundering operation for fleeing high-ranking Nazis.

Yet after the war, not only did she avoid prosecution, but her vast fortune bought her respectability as a significant contributor to the Metropolitan Museum and New York University, among many others. It also earned her friends like Estée Lauder who obligingly looked the other way. A seductive and utterly amoral woman who loved to say "money doesn't care who owns it", Florence's life proved a strong argument that perhaps money can buy happiness after all.

PRAISE

"Energetic...Ronald's group portrait is breath-taking and quite modern." —*New York Times Book Review*

"A lively picture of the world in which Florence moved, with all its intricate financial shenanigans, rivalrous investors and glittering social occasions." —*Wall Street Journal*

"Ronald traces Gould's amoral life and high-flying times...elegant and beautiful, she used sex and charm as her currency." —*New York Post*

Born and raised in the United States, SUSAN RONALD has lived in England for more than twenty-five years. She is the author of several books, including *Hitler's Art Thief* and *Heretic Queen*.

Crystals: A Guide to Using the Crystal Compass for Energy, Healing, and Reclaiming Your Power

A Guide to Using Crystals for Energy, Healing, and Reclaiming Your Power

Aisha Amarfio

The ultimate guide to using crystals for healing, wellbeing, and creating harmonious spaces.

Crystals are teachers. They conduct and transform our energy to help us to discover our true selves and attain our natural state of peace, quiet joy, and inspired creativity. *Crystals* is the ultimate guide to using crystals in every aspect of your life. Through practical exercises and tools for identifying the right crystals at the right time, this book helps you harness the power of crystals in your life to:

- Transmute stress, tension, and disharmony
- Unlock your internal wisdom and intuitive power
- Nourish your health and vitality
- Reclaim your power and follow your soul path
- Cleanse, protect, and purify your spaces

Crystals provides an easy to use map—the Crystal Compass—that helps you diagnose the root cause of tensions in your life, so that you can select the crystal and healing method that you need to experience holistic healing and powerful transformation.

AISHA AMARFIO is a shamanic healer and energy medicine practitioner, with a clinic in London. She trained as a Reiki Master and is also a Clinical Hypnotherapist and Mast NLP Practitioner. She later embarked on a 5-year journey of training in the shamanic healing arts. Aisha's work is often described as life changing. She has helped hundreds of clients to overcome chronic issues or blockages and to experience spiritual self-discovery, transformation, and inspired creativity from the heart.

The Very Best of the Best

35 Years of The Year's Best Science Fiction

Gardner Dozois

For the first time in a decade, a compilation of the very best in science fiction, from a world authority on the genre.

For decades, the Year's Best Science Fiction has been the most widely read short science fiction anthology of its kind. Now, after thirty-five annual collections, comes the ultimate in science fiction anthologies. In *The Very Best of the Best*, legendary editor Gardner Dozois selects the finest short stories for this landmark collection.

PRAISE

Praise for Gardner Dozois and *The Year's Best Science Fiction* Series:

"The best that science fiction has to offer, chosen by the most respected editor in the field. A copy belongs on the shelf of every SF author." —George R. R. Martin

**"Another excellent and provocative annual anthology of the best in the field...An illuminating examination of the depth and breadth of current science fiction."
—*Publishers Weekly* (starred review), on the thirty-third edition**

GARDNER DOZOIS, one of the most acclaimed editors in science-fiction, has won the Hugo Award for Best Editor 15 times. He was the editor of *Asimov's Science Fiction Magazine* for 20 years. He is the editor of the *Year's Best Science Fiction* anthologies and co-editor of the *Warrior* anthologies, *Songs of the Dying Earth*, and many others. As a writer, Dozois twice won the Nebula Award for best short story. He lives in Philadelphia, Pennsylvania.

After Anna

Lisa Scottoline

From the *New York Times* bestselling author, a riveting novel of suspense and emotional justice.

Nobody cuts deeper than family...

Dr. Noah Alderman, a widower and single father, has remarried a wonderful woman, Maggie Ippolitti, and for the first time in a long time, he and his young son are happy. Despite her longing for the daughter she hasn't seen since she was a baby, Maggie is happy too, and she's even more overjoyed when she unexpectedly gets another chance to be a mother to the child she thought she'd lost forever, her only daughter Anna.

Maggie and Noah know that having Anna around will change their lives, but they would never have guessed that everything would go wrong, and so quickly. Anna turns out to be a gorgeous seventeen-year-old who balks at living under their rules, though Maggie, ecstatic to have her daughter back, ignores the red flags that hint at the trouble brewing in a once-perfect marriage and home.

Events take a heartbreaking turn when Anna is murdered and Noah is accused and tried for the heinous crime. Maggie must face not only the devastation of losing her daughter, but the realization that Anna's murder may have been at the hands of a husband she loves. In the wake of this tragedy, new information drives Maggie to search for the truth, leading her to discover something darker than she could have ever imagined.

PRAISE

Praise for Lisa Scottoline:

"An intense, breathless ride." —Jodi Picoult

"Scottoline grabs her readers by the jugular and won't let go." —*Library Journal* (Starred Review)

"Lisa Scottoline is one of the very best writers at work today." —Michael Connelly

"A virtuoso of suspense, fast action, and intricate plot." —*The Washington Post*

LISA SCOTTOLINE is the *New York Times* bestselling and Edgar Award-winning author of the Rosato & DiNunzio series, *After Anna*, and many others. She has 30 million copies of her books in print, has been published in 35 countries, and her thrillers have been optioned for film. Lisa also writes a weekly column with her daughter, Francesca Serritella, for *The Philadelphia Inquirer*. Those critically acclaimed stories have been adapted into a series of memoirs. She lives in the Philadelphia area.

Between the Lies

Michelle Adams

She believes what she's been told. But the truth is a whole 'nother story. . .

I can't recall the life I had before the accident. So for now I have to make do with this place, these people. This version of myself. Chloe. Whoever that is...

She wakes up in a hospital with no memory of how she got there. No idea who the people are who call themselves her family. No sense of who she is—or was. But once Chloe Daniels returns to her childhood home, she slowly starts to piece together the details of her life. A house by the sea. A successful career. The car crash that caused her to lose it all...

Chloe's loved ones tell her that they want what's best for her. So does her therapist. But how can she put her trust in those she does not know? And why are certain details from others' stories about who Chloe is, and what really happened to her, not adding up? Chloe has a deep, visceral sense that someone is lying to her, that there is a world of dark secrets she cannot access—yet. The person she used to be may be gone. But the new Chloe will stop at nothing in her quest to find the truth...even if it kills her.

A page-turning novel of psychological suspense, *Between the Lies* will have you questioning everything and everyone until its stunning climax.

PRAISE

"Adams fills her dark story with plenty of twists." —*Publishers Weekly*

"In *Elle*, Michelle Adams has created a truly terrifying character who exerts her power from the first page, drawing you in to the last. Intricately plotted, *My Sister* kept me gripped to the stunning finale." —Amanda Reynolds, author of *Close to Me*

"A fabulously chilling tale of two twisted sisters, this is a corker of a thriller that grabs you by the throat from first page to last—I absolutely loved it." —Camilla Way, author of *Watching Eden*

MICHELLE ADAMS is a part-time scientist who has published six science-fiction novels under a pseudonym. A British expat now living in Cyprus, she is the author of *If You Knew My Sister*. Visit her at www.michelleadams.com.uk to learn more.

The New York Times Big Book of Mini Crosswords

500 Fun-Sized Puzzles

Joel Fagliano; Introduction by Will Shortz

For the first time, a large-format omnibus that includes 500 of the popular *New York Times* mini crossword puzzles: a lot of little puzzles in a big ol' book!

The next big thing in puzzles is also the smallest! We rounded up 500 mini puzzles from our previous volumes and collected them all in this big, beautiful book. It's chock-full of fun in easy and convenient bite-sized portions that you can complete in 1 minute or less.

JOEL FAGLIANO is the digital puzzles editor at The New York Times. He also works as the assistant to Will Shortz on the print puzzles. He's a 2014 graduate of Pomona College, with a major in Linguistics and Cognitive Science. Joel lives in New York City.

The Italian Party

A Novel

Christina Lynch

A delicious and sharply funny page-turner about “innocent” Americans abroad in 1950s Siena, Italy.

The Italian Party is a sneaky book: half glamorous fun, half an examination of America's role in the world. Scottie and Michael, young newlyweds arriving in Siena in 1956, are seduced by Tuscany's famous beauty and the sensory experience of a summer in the ancient city. But their reasons for being there—and the secrets they are keeping from each other—force them beneath the beautiful surface to a more complex view of Italy, America, and each other.

When Scottie's Italian teacher, a teenager with secrets of his own, goes missing, her search for him leads her to discover other, darker truths about herself, her husband, and her country. Michael's dedication to saving the world from communism crumbles as he begins to see that he is a pawn in a much different game. Driven apart by lies, Michael and Scottie must find their way through a maze of history, memory, hate, and love to a new kind of complicated truth.

Filled with sun-dappled pasta lunches, Prosecco, handsome locals, and horse racing, *The Italian Party* is a smart pleasure.

PRAISE

"Deeply funny." —*The New York Times Book Review Podcast*

"Tremendous fun...Teeming with seduction and spycraft." —Chris Pavone, *New York Times* bestselling author of *The Travelers*

"Like the best Italian paintings, this smart and funny book deftly combines the light and the dark. Christina Lynch's prose pairs well with any hearty Tuscan red." —Conan O'Brien

"Imagine *Beautiful Ruins* plus horses; *Toujours Provence* with spies, a mystery and sex. A fizzy, page-turning delight that begs for a Campari and soda!" —Julia Claiborne Johnson, author of *Be Frank With Me*

"A sweltering thriller set against the backdrop of what is probably your dream getaway..."

CHRISTINA LYNCH's picturesque journey includes chapters at Harvard, where she was an editor on the *Harvard Lampoon*, and in Milan, where she was correspondent for *W* magazine and *Women's Wear Daily*, and disappeared for four years in Tuscany. In L.A. she was on the writing staff of *Unhappily Ever After*; *Encore, Encore*; *The Dead Zone*; and *Wildfire*. She now lives in the foothills of the Sierra Nevada and teaches at College of the Sequoias. *The Italian Party* is her debut novel.

The Druidcraft Tarot

Philip Carr-Gomm and Bill Worthington

A new edition of a classic tarot which brings two fundamental spiritualities of Nature—Wicca and Druidry—to the ancient art of the tarot.

For the past 15 years, *The Druidcraft Tarot* has been one of the most popular and most recommended tarots. Blending the ancient traditions of the tarot with the imagery and wisdom of Nature-based spiritualities, *The Druidcraft Tarot* is a beautifully illustrated deck with a book to guide both beginners and long-standing practioners to a deeper reading.

Philip Carr-Gomm is one of the most prominent figures in the Mind, Body and Spirit (MBS) pagan movement, having been the leader of the largest international druid organization for almost thirty years. With his collaborators, Stephanie Carr-Gomm and Will Worthington, he has created a tarot that draws upon tarot's relationship to both druidry and wicca, drawing upon the primal essence that lies at the heart of each of these systems. With a fully illustrated book explaining the relationship between the card and the teachings of druidry and wicca, along with 78 beautifully illustrated major and minor arcana cards, *The Druidcraft Tarot* is a modern classic tarot.

PHILIP CARR-GOMM is a psychologist, a leading figure in the modern neo-pagan movement, and is the leader of the largest international druidcraft organization. He has published a half dozen books and lectures widely on the topic. He and Stephanie Carr-Gomm were initiated into both Druidry and Wicca and together they have written *The Druid Animal Oracle*. WILL WORTHINGTON has worked as an illustrator for over twenty years. His work includes *The Druid Animal Oracle*.

Never Get Angry Again

The Foolproof Way to Stay Calm and in Control in Any Conversation or Situation

David J. Lieberman, Ph.D.

A comprehensive, holistic look at the underlying emotional, physical, and spiritual causes of anger, and what the reader can do to gain perspective allowing them to never get angry again.

Take a deep breath and count to ten. Meditate. Visualize your happy place.

You've probably heard all of these anger management techniques and more from friends, family, and experts, but somehow they miss the mark when it comes to coping with the complex emotion of anger.

Let's face it: if anger-management techniques were effective, you wouldn't be reading this book. These clumsy attempts to maintain calmness are usually futile and sometimes emotionally draining. The fact is, either something bothers us (causing anxiety, frustration, or anger), or it doesn't. A state of calm is better accomplished by not becoming agitated in the first place. When we fight the urge to blow up or melt down, we fight against our own nature.

Internationally bestselling author David J. Lieberman understands that a change in perspective is all that is needed to help keep from flying off the handle. In *Never Get Angry Again*, he illuminates the underlying emotional, spiritual, and physical components of anger, and gives the readers simple, practical tools to snuff out anger before it even occurs.

PRAISE

"An essential instruction manual for anger management, but also a detailed work on how to get along with other people."—*Library Journal* (starred review)

"Parsing psychological processes into elegant and applicable concepts, *Never Get Angry Again* is a book that can be read and re-read."—PsychCentral

"Ever wish you could win people over to your point of view, no matter how crazy your idea? You can, with these [tools] to successful persuasion." —*Self* magazine on *Get Anyone to do Anything*

"It cuts to the chase presenting simple, concise techniques...useful strategies rooted in basic human psychology and supported by numerous studies." —*Publisher...*

DAVID J. LIEBERMAN, Ph.D. is a *New York Times* bestselling and award-winning author and internationally recognized leader in the fields of human behavior and interpersonal relationships. His eleven books have been translated into 26 languages and have sold more than 3 million copies. His work has been featured in hundreds of major publications, and he appears as a frequent guest

HUSBANDS THAT COOK

MORE THAN 120 IRRESISTIBLE VEGETARIAN RECIPES AND TALES FROM OUR TINY KITCHEN

RYAN ALVAREZ AND ADAM MERRIN

Husbands That Cook

More Than 120 Irresistible Vegetarian Recipes and Tales from Our Tiny Kitchen

Ryan Alvarez and Adam Merrin

From the award-winning bloggers behind *Husbands That Cook*, never-before-seen vegetarian recipes inspired by the husbands' travel, relationship, and entertaining

Today more people are discovering the benefits of healthy eating and plant-based diets, and Ryan Alvarez and Adam Merrin, the authors behind the award-winning blog *Husbands that Cook*, are ready to show just how easy and delicious eating healthy can be.

Each chapter in *Husbands That Cook* is filled with inventive recipes that are so satisfying and flavorful that no one will miss the meat. In this all-purpose cookbook, you will find more than 120 new, unreleased recipes, including quick, easy, and flavorful meatless entrees, sides, breakfasts, drinks, and snacks; rich, chocolatey, decadent desserts; tasty and healthy vegan and gluten-free options; some of the husbands' favorite dishes from their travels around the world; and a few of the most beloved recipes from the blog.

Cooking has always been a central part of Adam and Ryan's relationship, and that's where a unique, narrative element comes into play. Many of the recipes in the book represent significant moments in their love story. From the Coconut Curry with Chickpeas and Cauliflower inspired by their first date at a shopping mall food court, to the Communication Breakdown Carrot Cake—one of their biggest kitchen disasters—many recipes are all a behind-the-scenes glimpse into their relationship, accompanied by vibrant photography and helpful cooking tips to make sure your dishes turn out perfectly every time.

PRAISE**Praise for the Husbands:**

"[Ryan and Adam's] feed is stuffed with gorgeous shots of their eating and drinking adventures." —*Imbibe Magazine*

"A few of our favorite foodies." —Ellen Miller, Whole Foods Market blog

ADAM MERRIN and RYAN ALVAREZ are two husbands that cook together in a small kitchen in a house on a hill in Eagle Rock, California and the men behind the popular blog *Husbands that Cook*. Since its inception in 2015, *Husbands That Cook* was a 2016 Saveur Blog Awards Finalist for Best How-To Cooking Blog and a 2017 Taste Talks Awards Nominee for Best Food Blog. When they're not cooking, they love being in nature, hiking, and spending time in their garden.

MINOTAUR BOOKS

MARCH 2019

A Death of No Importance

A Novel

Mariah Fredericks

Through exquisite prose, sharp observation, and deft plotting, Mariah Fredericks invites us into the heart of a changing New York in her remarkable debut adult novel.

This trade paperback is part of the Minotaur Signature Editions program.

New York City, 1910. Invisible until she's needed, Jane Prescott has perfected the art of serving as a ladies' maid to the city's upper echelons. When she takes up a position with the Benchley family, dismissed by the city's elite as "new money", Jane realizes that while she may not have financial privilege, she has a power they do not—she understands the rules of high society. The Benchleys cause further outrage when their daughter Charlotte becomes engaged to notorious playboy Norrie, the son of the eminent Newsome family.

But when Norrie is found murdered at a party, Jane is uniquely positioned to find his killer—she's a woman no one sees, but who witnesses everything. There are many with grudges to bear: from the family Norrie was supposed to marry into, to the survivors of a tragic accident in a mine owned by the Newsomes, to the rising anarchists who are sick of those born into wealth getting away with anything they want. Jane also knows that in both worlds, morals become cheap in the wrong hands: scandal and violence simmer just beneath the surface—and can break out at any time.

PRAISE

"A sparkling mystery . . . The novel's voice, plotting, pace, characterization, and historical background are all expertly crafted, while the resolution—which feels both surprising and convincing—will leave readers hungry for more."—*Publishers Weekly* (starred)

"Jane is an appealing amateur sleuth . . . With its vivid depiction of contrasting worlds this series debut should appeal to readers of Alyssa Maxwell's 'Gilded Age' historical mysteries."—*Library Journal* (starred)

MARIAH FREDERICKS was born and raised in New York City, where she still lives with her family. She is the author of several YA novels. *A Death of No Importance* is her first adult novel.

The Echo Killing

A Mystery

Christi Daugherty

When a murder echoing a fifteen-year-old cold case rocks the Southern town of Savannah, crime reporter Harper McClain risks everything to find the identity of this calculated killer.

A city of antebellum architecture, picturesque parks, and cobblestone streets, Savannah moves at a graceful pace. But for Harper McClain, the timeless beauty and culture that distinguishes her home's Southern heritage vanishes during the dark and dangerous nights. She wouldn't have it any other way. Not even finding her mother brutally murdered in their home when she was twelve has made her love Savannah any less.

Her mother's killer was never found, and that unsolved murder left Harper with an obsession that drove her to become one of the best crime reporters in the state of Georgia. She spends her nights with the police, searching for criminals. Her latest investigation takes her to the scene of a homicide where the details are hauntingly familiar: a young girl being led from the scene by a detective, a female victim naked and stabbed multiple times in the kitchen, and no traces of any evidence pointing towards a suspect.

Harper has seen all of this before in her own life. The similarities between the murder of Marie Whitney and her own mother's death lead her to believe they're both victims of the same killer. At last, she has the chance to find the murderer who's eluded justice for fifteen years and make sure another little girl isn't forever haunted by a senseless act of violence—even if it puts Harper in the killer's cross-hairs...

PRAISE

"The Echo Killing won me over utterly, from its lush southern setting, to the determined, vulnerable Harper and her dogged search for the truth." —Ruth Ware

"A smart, tough, emotionally bruising portrayal of what murder means when it's up close and personal. A terrific book. Brava." —Carolyn Hart

"Excruciatingly suspenseful." —Laura Childs

"I don't remember breathing the whole time I read *The Echo Killing*." —Rhys Bowen

As a crime reporter, CHRISTI DAUGHERTY saw her first dead body at the age of 22. Over the years there would be many more while she covered murders in cities like Savannah, Baton Rouge, and New Orleans. Her writing eventually took her to England, where she wrote the Night School series of thrillers for young adults under the name CJ Daugherty. *The Echo Killing* is her first adult novel. She resides in the south of England.

The Fleur de Sel Murders

A Brittany Mystery

Jean-Luc Bannalec

Commissaire Dupin is back on the case in this atmospheric mystery from international bestselling author Jean-Luc Bannalec.

The old salt farmers have always said that the violet scent of the Fleur de Sel at harvest time on the salt marshes of the Guérande Peninsula has been known to cause hallucinations. Commissaire Dupin also starts to believe this when he's attacked out of the blue in the salt works.

He had actually been looking forward to escaping his endless paperwork and taking a trip to the "white country" between the raging Atlantic Ocean and idyllic rivers. But when he starts snooping around mysterious barrels on behalf of Lilou Breval, a journalist friend, he finds himself unexpectedly under attack. The offender remains a mystery, and a short time later, Breval disappears without a trace. It is thanks to his secretary Nolwenn and the ambition of the prefect that Dupin is assigned to the case. But he won't be working alone because Sylvaine Rose is the investigator responsible for the department—and she lives up to her name....

What's going on in the salt works? Dupin and Rose search feverishly for clues and stumble upon false alibis, massive conflicts of interest, personal feuds—and ancient Breton legends.

PRAISE

Praise for the series:

"Roll over Maigret. Commissaire Dupin has arrived." —M.C. Beaton

"Francophiles and art lovers will welcome Bannalec's good old-fashioned detective story set in Brittany... Bannalec excels at plotting and pacing, as well as vivid descriptions of the Finistère countryside." —*Publishers Weekly* (Starred Review)

"Very satisfying...along the lines of Martin Walker's novels set in Dordogne, or M.L. Longworth's Aix-en-Provence mysteries." —*Booklist*

JEAN-LUC BANNALEC divides his time between Germany and coastal Brittany, France. He is also the author of *Death in Brittany* and *Murder on Brittany Shores*.

A THOMAS DUNNE BOOK FOR ST. MARTIN'S GRIFFIN

Lyndon Johnson and the American Dream

The Most Revealing Portrait of a President and Presidential Power Ever Written

Doris Kearns Goodwin; With a New Foreword by the Author

An engrossing biography of President Lyndon Johnson from the Pulitzer Prize-winning author of *Team of Rivals*

Hailed by the *New York Times* as “the most penetrating, fascinating political biography I have ever read,” Doris Kearns Goodwin’s extraordinary and insightful book draws from meticulous research in addition to the author’s time spent working at the White House from 1967 to 1969.

After Lyndon Johnson’s term ended, Goodwin remained his confidante and assisted in the preparation of his memoir. In *Lyndon Johnson and the American Dream*, she traces the 36th president’s life from childhood to his early days in politics, and from his leadership of the Senate to his presidency, analyzing his dramatic years in the White House, including both his historic domestic triumphs and his failures in Vietnam.

Drawn from personal anecdotes and candid conversation with Johnson, Goodwin paints a rich and complicated portrait of one of our nation’s most compelling politicians.

PRAISE

“The most penetrating, fascinating political biography I have ever read . . . No other President has had a biographer who had such access to his private thoughts.” —*The New York Times*

“Magnificent, brilliant, illuminating...A profound analysis of both the private and the public man.” —*Miami Herald*

“Kearns has made Lyndon Johnson so whole, so understandable that the impact of the book is difficult to describe. It might have been called 'The Tragedy of Lyndon Johnson,' for he comes to seem nothing so much as a figure out of Greek tragedy.” —*Houston Chronicle*

DORIS KEARNS GOODWIN is a celebrated historian and the author of *Team of Rivals*, *The Fitzgeralds and the Kennedys*, *Lyndon Johnson and the American Dream*, and other bestsellers. She lives in Concord, Massachusetts, with her husband and their three sons.

Dirt Is Good

The Advantage of Germs for Your Child's Developing Immune System

Jack Gilbert, Ph.D., and Rob Knight, Ph.D., with Sandra Blakeslee

From two of the world's top scientists and one of the world's top science writers (all parents) comes a q&a-based guide to everything you need to know about kids & germs.

"Is it OK for my child to eat dirt?"

That's just one of the many questions authors Gilbert and Knight are bombarded with every week from parents all over the world. "My two-year-old gets constant ear infections. Should I give her antibiotics? Or probiotics?"; "I heard that my son's asthma was caused by a lack of microbial exposure. Is this true, and if so what can I do about it now?"

Google these questions, and you'll be overwhelmed with answers. The internet is rife with speculation and misinformation about the risks and benefits of what most parents think of as simply germs, but which scientists now call the microbiome: the combined activity of all the tiny organisms inside our bodies and the surrounding environment that have an enormous impact on our health and well-being. Who better to turn to for answers than Jack Gilbert and Rob Knight, two of the top scientists leading the investigation into the microbiome—an investigation that is producing fascinating discoveries and bringing answers to parents who want to do the best for their young children.

PRAISE

"A deeply informed, fascinating and fun guide for parents, healthcare professionals and anyone else interested in the latest microbiome research, from two of the nation's leading researchers." —Ted Anton, Professor of English at DePaul University and author of *Planet of Microbes: The Perils and Potential of Earth's Essential Life Forms*.

JACK GILBERT, PhD is a Professor of Surgery and Director of the Microbiome Center at University of Chicago, Argonne National Laboratory and The Marine Biological Laboratory. ROB KNIGHT, PhD is Professor of Pediatrics and Computer Science & Engineering and Director of the Center for Microbiome Innovation at the University of California, San Diego.

SANDRA BLAKESLEE has worked for the *New York Times* for nearly 45 years, winning multiple journalism awards.

Where There's Hope

Healing, Moving Forward, and Never Giving Up

Elizabeth Smart

New York Times bestselling author, activist, and ABC News contributor Elizabeth Smart empowers those who have experienced trauma to reclaim their lives and move forward with hope.

In her fearless memoir, *My Story*, Elizabeth Smart related, for the first time, the horrific experiences she went through as a fourteen-year-old girl, when she was abducted from her home and held captive for nine months. Since then, she's travelled the world as the president of the Elizabeth Smart Foundation, sharing her story in the hopes of helping others along the way.

Over and over, Elizabeth hears the same question from women who've gone through horrible experiences: How do you find the hope to go on? In this powerful book, she seeks out others who have overcome adversity to help find the answers. Through conversations with victims of violence, disease, war, and the loss of loved ones, Elizabeth explores the meaning and power of hope to heal our lives.

Through discussions with well-known figures like Anne Romney and Diane Von Furstenburg, spiritual leaders like Archbishop John C. Wester and Elder Richard Hinckley, and her own parents, Ed and Lois Smart, Elizabeth gives readers the tools they need to take control and embrace life.

PRAISE

"Elizabeth's message really shines through...the stories throughout this book remind us that hope comes in many forms." —Jaycee Dugard, *New York Times* bestselling author of *A Stolen Life* and *Freedom: My Book of Firsts*

On *My Story*:

"A survival yarn in the vein of *The Island of the Blue Dolphins*...Its power lies in the way Smart presents herself, as a pure girl who emerged from degradation purer still." —*The New Yorker*

"As compelling as it is disturbing. [Smart's] stoic Mormon faith...will both inspire and mystify readers." —*Boston Globe*

ELIZABETH SMART is an American activist, president of the Elizabeth Smart Foundation, and *New York Times* bestselling author of *My Story*. She first gained widespread attention at age fourteen when she was kidnapped from her home and rescued nine months later.

Every Day I'm Hustling

Vivica A. Fox

Inspirational life lessons from the actress Vivica Fox — learned from creating a lasting career completely on her own, through sheer, roll-up-your-sleeves DIY hustle.

Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. *Every Day I'm Hustling* is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody's going to call you and offer you that part or ask you out on that date that's going to change your life, that *you* have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself.

The actress provides start-today strategies for success in business and “been there” lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and *always* funny, Fox also tells behind-the-scenes tales from some of her biggest movies — such as Uma Thurman's life-changing advice during *Kill Bill* and Will Smith's downtime pep talk on *Independence Day*. And she maps out exactly what it took to come back with a role on the smash hit *Empire* and her own frisky show on Lifetime, *Vivica's Black Magic*. She also shares her *how-is-she-53?* secrets to looking your best, no matter the age on your driver's license.

PRAISE

"Like her spot-on portrayals in front of the camera, she is totally entertaining as an author." —*Essence* magazine

"Fox's plainspoken prose is entertaining and her fans will appreciate her beauty tips, style secrets, and frankness about aging in Hollywood." —*Library Journal*

"It was refreshing to hear the real stories of what it took to get there.... If you're ready to get to the next level and want real advice about how to get there, pick up this book today." —*Her* magazine

"More than a simple memoir, Fox also offers advice for overcoming the everyday struggles of life and career." —*ABC News*

VIVICA A. FOX is an actress, producer, and TV host. After getting her start in soap operas, most famously *Generations*, she went on to star in *Independence Day*, *Kill Bill*, and the hit FOX show *Empire*. She was also the recipient of an NAACP Image Award for Outstanding Actress in a Drama Series for her work on the lifetime series *Missing*. Vivica lives in Los Angeles.

A Palm Beach Wife

Susannah Marren

For readers of Elin Hilderbrand, a delicious and irresistible commercial novel set among the high society galas and gossip of Palm Beach.

Amid the glamour and galas and parties of Palm Beach, Faith knows that image often counts as much if not more than reality. She glides effortlessly among the highest of the high society so perfectly that you would never suspect she wasn't born to this. But it wasn't always so; though she hides it well, Faith has fought hard for the wonderful life she has, for her loving, successful husband, for her daughter's future. In this town of secrets and gossip and rumors, Faith has kept a desperate grip on everything she holds so dear, built from so little. And yet even she—the only one who knows just how far she has to fall—never suspects from which direction, or how many directions all at once, betrayal will come.

PRAISE

Praise for Susannah Marren:

"[A] fast-paced first novel." —*The New York Post*

"This contemporary novel...is lovingly tinged with the myth of the selkie...some engaging characters and vivid settings indicate Marren's promise."—*Booklist*

"A page-turning, commanding novel."—Holly Peterson, *New York Times* bestselling author of *The Manny* and *The Idea of Him*

SUSANNAH MARREN is originally from Long Beach Island, New Jersey. She currently lives in Manhattan with her family and still spends her summers on the Jersey Shore. *Between the Tides* is her first novel.

Buddhism

*An Introduction to the Buddha's Life, Teachings, and Practices
(The Essential Wisdom Library)*

Joan Duncan Oliver

A modern guide to the essential teachings of Buddhism

Part of *The Essential Wisdom Library*, *Buddhism* provides an accessible, comprehensive guide for anyone looking to gain an understanding of the faith and practice of the religion. From central ideas like the Eight Fold Path and the Four Noble Truths to the role of meditation, *Buddhism* offers an indispensable introduction to the wisdom tradition that has shaped the lives of millions of people across centuries and continents. Writing in an engaging, approachable style, author Joan Duncan Oliver outlines the key tenants of Buddhism for every reader, unpacking complex philosophies and revealing the beauty of the timeless faith.

A practitioner of Buddhist meditation for over thirty years, Oliver has written extensively on the subject and is uniquely well versed in Buddhist practice. Her expert knowledge and understanding make *Buddhism* an essential modern guidebook to an ancient tradition.

JOAN DUNCAN OLIVER is *Tricycle's* reviews editor and an award-winning journalist whose work has appeared in such publications as *The New York Times*, *O: the Oprah Magazine*, *Health*, *Shambhala Sun*, and *The Best Buddhist Writing 2005*. Her books include *Happiness*; *Good Karma*; and, most recently, *Coffee with the Buddha*. She has practiced Buddhist meditation for 30 years, studying with teachers in the Zen, Vipassana, and Tibetan Buddhist traditions.

In Prior's Wood

A Max Tudor Mystery

G. M. Malliet

“The Father Max Tudor books are just excellent. G. M. Malliet has crafted the English village of our dreams.” —Charlaine Harris

Newly returned from investigating a sordid murder in Monkslip-super-Mare, handsome spy-turned-cleric Max Tudor wants nothing more than to settle back into his predictable routine as vicar of St. Edwold's Church in the tiny village of Nether Monkslip. But the flow of his sermon on Bathsheba is interrupted when the lady of the local manor house is found in a suicide pact with her young lover.

Lady Duxter's husband rallies quickly from the double tragedy—too quickly, it is murmured in the village. But Max reminds his parishioners that grief can take many forms. Lord Duxter has already offered his manor house to a motley crew of writers, including Max's wife Awena, for his Wooten Priory Writers' Retreat. He insists the show must go on.

But when a young girl goes missing and a crime writer who needed to be taken down a few notches becomes a target, DCI Cotton asks Max to lend his MI5 expertise to the investigation, for it is felt murder might be a notch too far. Max begins to wonder: Was the attack on the writer only part of a broader conspiracy of silence? And how many more might die before Max can solve the mystery?

Agatha Award-winning author G. M. Malliet continues to captivate cozy fans and Agatha Christie devotees with her witty and endearing mysteries. Max's intriguing investigation into the goings-on in Prior's Wood is no exception.

PRAISE

“[Malliet] may be the best mystery author writing in English at the moment (along with French). She's certainly the most entertaining, with her delightful but surprisingly deep series about sleuthing vicar Max Tudor...” —Cleveland Plain Dealer on *A Demon Summer*

“Contemporary cozies don't get much better than Agatha-winner Malliet's third Max Tudor mystery.” — *Publishers Weekly* (starred) on *Pagan Spring*

“This series shines for its wit, well-drawn characters, pitch-perfect dialogue, and intricately structured puzzle.” —*Library Journal*, starred review on *Fatal Winter*

G. M. MALLIET's first St. Just mystery won the 2008 Agatha Award for Best First Novel, and was chosen by Kirkus Reviews as a best book of the year. It was nominated for many awards, including the Anthony, the Macavity, and a Left Coast Crime award for best police procedural. Her subsequent mysteries and short stories have been nominated for nearly every major crime-writing award. She and her husband live in the US and travel often to the UK, the setting for all her books.

Damsel in Distress

A Daisy Dalrymple Mystery

Carola Dunn

Back in a brand new edition, a classic Daisy Dalrymple mystery for new fans and old.

It's Spring 1923 and love is in bloom as the Honourable Phillip Petrie finds himself totally smitten with Miss Gloria Arbuckle, daughter of an American millionaire. But before the enthusiastic suitor can pop the question, his beloved is abducted by kidnappers. As Gloria's distraught father begins assembling the ransom, Phillip enlists his childhood friend, the Honourable Daisy Dalrymple, to help him recover his missing sweetheart. Strictly forbidden to contact the police, Daisy must resist the temptation to bring her occasional collaborator, Scotland Yard's Detective Chief Inspector Alec Fletcher, into the case. But as she closes in on the abductors' rural hideaway, she begins to suspect that Gloria isn't the only fair damsel whose life hangs in the balance...

PRAISE

"Delicious...pleasantly reminiscent of the old-fashioned English mysteries of a bygone era." —*The Denver Post* on *Gunpowder Plot*

"Dunn's forebears are writers such as Agatha Christie and Dorothy L. Sayers. They set the standard for classic cozy puzzles, and *Heirs of the Body's* unfussy prose and straightforward plot lends themselves well to this venerable tradition." —*The Seattle Times*

"Amusing and sprightly, and as evocative of the period as ever." —*Kirkus Reviews* on *Anthem for Doomed Youth*.

CAROLA DUNN is the author of many mysteries featuring Daisy Dalrymple, most recently *The Corpse at the Crystal Palace*, as well as numerous historical novels. Born and raised in England, she lives in Eugene, Oregon.

Waiting in the Wings

How to Launch Your Performing Career on Broadway and Beyond

Tiffany Haas with Jenna Glatzer

A practical guide to the world of theater for anyone looking to pursue a career on stage.

Tiffany Haas knows how to make it on Broadway. After 72 auditions and 72 rejections, she finally landed the role of Glinda in Broadway's long-running smash hit *Wicked*. Now she wants to share her advice for starting and nurturing a career in the theater. *Waiting in the Wings* is for anyone who wants to have a theatrical career, whether they're complete newbies or already have some professional credits.

Tiffany gives readers her insider view of the various types of careers in the performing arts, what the salary is like for all of them, and who is best suited for each. She'll give you advice on how to audition, what to memorize, what to bring, how to research a role, how to know yourself and, most important of all, how to be genuine in your presentation. With advice on developing relationships with cast mates, finding a reputable agent, when and how to join the union, and the best way to shape and build your career, Tiffany covers every aspect of the business.

In an industry that is famed for its insider secrets, she draws back the curtain, giving readers the knowledge and tools they need to follow their dreams. If you're one of those people *Waiting in the Wings* for a big Broadway career, Tiffany Haas's book is the one resource you need to land a big role, stand in front of those footlights and let it go!

Tiffany Haas is a talented Broadway performer, concert vocalist, designer and passionate entrepreneur. Throughout the years her evolving career has spanned Broadway, Symphony concerts, pageants, and sharing her many talents with others through teaching. She formerly played Glinda on the hit Broadway show *Wicked*.

Baby-Led Weaning Recipe Book

120 Recipes to Let Your Baby Take the Lead

Annabel Karmel

A complete recipe guide to weaning babies and toddlers into solid foods from the UK's #1 children's cooking author.

For 25 years, Annabel Karmel has been the person families turn to when it comes to delicious, nutritious recipes for weaning children onto solid food.

While lots of parents start out with smooth spoon-led purees, baby-led weaning (BLW) is fast growing in popularity. But you don't have to choose one or the other.

Baby-Led Weaning Recipe Book is designed to offer a flexible approach to weaning. These expert recipes are designed to offer a flexible approach to weaning with simple methods and everything parents need to know about getting started with self-feeding. *Baby-Led Weaning Recipe Book* is a must-have resource for parents and is the perfect standalone guide for those wanting to explore this method exclusively.

ANNABEL KARMEL is the mother of three children and the UK's leading expert on feeding children. She works with leading US parenting websites such as Parents.com and has appeared on many TV shows, including *Today* show and *The View*. She created a popular app, *Annabel's Essential Guide to Feeding Your Baby & Toddler*, and her website is AnnabelKarmel.com.

Energy Healing

Simple and Effective Practices to Become Your Own Healer (A Start Here Guide)

Kris Ferraro

Everything you need to begin practicing energy healing in your own life

Energy Healing is a practical guide to the unique and powerful art of channeling restoring energy through the body. The channeled energy can promote physical health and healing. This *Start Here Guide* offers an overview of the history and development of Energy medicine and various methods including Healing Touch, Reiki, and Pranic healing. Readers are introduced to key concepts such as Qi, Vital fluid, and Prana as part of a holistic understanding of the practice of Energy Healing.

Going beyond a merely hypothetical understanding, *Energy Healing* includes exercises and methods to help readers transform their own lives. With exercises specifically designed for the novice practitioner, readers will soon be able to develop their own healing practice. Diagrams and illustrations throughout the book provide clear directions and help readers visualize energy patterns. Anyone looking to understand and practice energy medicine in their own life should Start Here!

KRIS FERRARO is a writer, speaker, coach, licensed affirmative prayer practitioner with Centers for Spiritual Living, and certified Advanced EFT (EFT-ADV) practitioner. She has spent 25 years studying and applying the principles of metaphysics, shamanism, Native American spirituality, Christian mysticism, and Eastern philosophy to create dramatic changes in her own life.

The Clean 20

20 Foods, 20 Days, Total Transformation

Ian K. Smith

From the author of *SHRED* and *Blast the Sugar Out*, the New York Times bestselling ultimate guide to clean eating!

What is clean eating? In his newest diet book, Dr. Ian K. Smith teaches readers the benefits of clean eating and how to implement it in their own lives. He tells readers how to easily reduce unhealthy processed foods in their diets, a key to weight loss, disease prevention, and overall health. *The Clean 20* focuses on twenty clean foods--from avocado to whole wheat pasta and everything in between--that readers can easily find, prepare, and incorporate into their diets. *The Clean 20* includes a complete clean eating program with a daily meal plan, 60 recipes and substitutions, as well as 20 minute easy-to-work-in workouts.

Dr. Ian knows what works: it's not eliminating food groups, but choosing foods *within* each group wisely to satisfy the palate and the body's nutritional demands. *The Clean 20* isn't just vegetables. Grains are in. And so is fruit, fat, meat and fish. When palate and nutrition are in sync, weight loss not only follows, it sticks. *The Clean 20* is a life and body changer.

PRAISE

"A simple plan to help regular folks—rather than the extreme dieters among us—shed excess weight and live with a little more energy... This is for the average person who wants to make a change, hit that reset button, but not go crazy."
—*Men's Journal*

"If you are a busy person and do not have much time to prepare your food, *The Clean 20* is the solution. These recipes are not only healthy but also scrumptious. You are most likely to continue eating them even after the 20-day plan period. *The Clean 20* is for the health-conscious people." —*Washington Book Review*

IAN K. SMITH, M.D. is the #1 New York Times bestselling author of *SHRED*, *SUPER SHRED*, *The SHRED Power Cleanse* and *Blast the Sugar Out*. He has created two national health initiatives--the 50 Million Pound Challenge and the Makeover Mile—and has served two terms on the President's Council on Fitness, Sports, and Nutrition. A graduate of Harvard, Columbia, and the University of Chicago's Pritzker School of Medicine, Smith is an avid fitness enthusiast and sportsman.

The End of Procrastination

How to Stop Postponing and Live a Fulfilled Life

Petr Ludwig and Adela Schicker

8 simple tools to help you conquer procrastination, end indecision, and live your most fulfilling life.

Procrastination is a universal problem. Even with overflowing inboxes, missed calls, and unmet deadlines, we somehow can't manage to take control of our time and stop procrastinating. *The End of Procrastination* tackles this ubiquitous issue head on, helping you stop putting off work and reclaim your time. Authors Petr Ludwig and Adela Schicker show that ending procrastination is more than a wise time management strategy—it's essential to leading a happier more fulfilled life.

The keys to overcoming procrastination are simple. With eight clear, approachable tools—from quick daily worksheets to shift your perspective to to-do lists that actually help you get things done—*The End of Procrastination* provides everything you need to change the way you manage your time and live your life.

Based on the latest research, *The End of Procrastination* synthesizes over one hundred scientific studies to create a program that is based on the way our brains actually work. By understanding exactly why procrastination happens and how our brains respond to motivation, self-discipline, and objectivity the book provides readers with the knowledge to conquer procrastination in their own lives.

PETR LUDWIG is a science popularizer, entrepreneur, and consultant for Fortune 500 companies in Europe. He explains crucial and difficult things simply. In his book and talks, he transfers the knowledge of neuroscience and behavioral economics into practice.

ADELA SCHICKER is the co-founder of Procrastination.com. Adela translated the book and is helping it to reach the international audience. She speaks at conferences and training companies worldwide, making sure that science is simple & useful.

Success Habits

Proven Principles for Greater Wealth, Health, and Happiness

Napoleon Hill

**A never before published book by iconic self-help expert
Napoleon Hill explaining his Principles of Success**

In *Success Habits*, Napoleon Hill outlines his principles of success, a set of key tenants and beliefs that provide a basis for life-changing success. Hill, the legendary author of the classic best seller *Think and Grow Rich*, has been immortalized for his contributions to the self-help genre. In this never-before-published work he continues to share the wisdom that has changed the lives of millions. With straightforward, engaging language, Hill explains the fundamental rules that lead to a prosperous life. From the importance of having Definiteness of Purpose to the inexorable influence of the Cosmic Habit Force, Hill's principles offer a new way of thinking about intention, self-discipline, and the way we lead our lives.

Originally a series of radio talks delivered in Paris, Missouri, *Success Habits* is filled with personal anecdotes and stories to illustrate the Principles of Success. Hill's insights apply to every facet of life, inspiring readers to leverage his principles to achieve their own aspirations and create the successful lives they have always dreamed of.

PRAISE

Praise for Napoleon Hill:

"During the past twenty-five years I have been blessed with more good fortune than any individual deserves but I shudder to think where I'd be today, or what I'd be doing if I had not been exposed to Napoleon Hill's philosophy. It changed my life."—Og Mandino, *The Greatest Salesman in the World*

NAPOLEON HILL was born in 1883 in a one-room cabin on the Pound River in Wise County, Virginia. He is the author of the motivational classics *The Laws of Success* and *Think and Grow Rich*. Hill passed away in November 1970 after a long and successful career writing, teaching, and lecturing about the principles of success. His lifework continues under the direction of the Napoleon Hill Foundation.

Just Between Us

A Novel

Rebecca Drake

Alison, Julie, Sarah, Heather. Four friends living the suburban ideal. Their jobs are steady, their kids are healthy. They're as beautiful as their houses. But each of them has a dirty little secret, and hidden behind the veneer of their perfect lives is a crime and a mystery that will consume them all.

Everything starts to unravel when Alison spots a nasty bruise on Heather's wrist. She shares her suspicions with Julie and Sarah, compelling all three to investigate what looks like an increasingly violent marriage. As mysterious injuries and erratic behavior mount, Heather can no longer deny the abuse, but she refuses to leave her husband. Desperate to save her, Alison and the others dread the phone call telling them that she's been killed. But when that call finally comes, it's not Heather who's dead. In a moment they'll come to regret, the women must decide what lengths they'll go to in order to help a friend.

Just Between Us is a thrilling glimpse into the underbelly of suburbia, where not all neighbors can be trusted, and even the closest friends keep dangerous secrets. You never really know what goes on in another person's mind, or in their marriage.

PRAISE

Praise for Only Ever You:

"[A] gripping domestic thriller about a parent's worst fear. Jill's persistence and patience will resound with readers, and the payoff only adds to the overall reading experience that is a must for fans of Harlan Coben and Lisa Gardner." —*Library Journal* (starred review)

"A twisty, compelling, and harrowing thriller that will hook and leave you breathless. Drake ratchets up the suspense with each hairpin turn while offering a nuanced mosaic of voices, deftly exploring that wrenching, powerful love between mother and child." —Lisa Unger, *New York Times* bestselling author

Emily & Einstein

A Novel of Second Chances

Linda Francis Lee

He was a man who didn't deserve a second chance . . . but he needed one

It's not easy being a dog in New York City.

Emily and her husband Sandy Portman seemed to live a gracious if busy life in an old-world, Upper West Side apartment in the famous Dakota building. But one night on the way to meet Emily, Sandy dies in a tragic accident. The funeral isn't even over before Emily learns she is on the verge of being evicted from their apartment. But worse than the possibility of losing her home, Emily is stunned when she discovers that her marriage was made up of lies.

Suddenly Emily is forced on a journey to find out who her husband really was . . . all the while feeling that somehow he isn't really gone. Angry, hurt, and sometimes betrayed by loving memories of the man she lost, Emily finds comfort in a scruffy dog named Einstein. But is Einstein's seemingly odd determination that she save herself enough to make Emily confront her own past? Can he help her find a future—even after she meets a new man? More than that, can Einstein help Sandy Portman find a way to save himself.

PRAISE

"A rare book of emotional depth and observation - this multi-faceted story is woven by a master who holds you by the heart-strings on every page. An utter triumph all the way around, simply spectacular!" --J.R. Ward, #1 *New York Times* bestselling author of *Lover Mine*

"In this completely one-of-a kind story, Linda Francis Lee deftly combines fantasy and reality for an emotional punch that's as unexpected as it is satisfying. You will HAVE to keep turning the pages." --Patricia Gaffney, *New York Times* bestselling author of *The Saving Graces*

"Powerful and perceptive, *Emily & Einstein* is an unconventional love story, one of those rare books that..."

LINDA FRANCIS LEE is a native Texan now living on the Upper West Side of Manhattan, steps from the Dakota Apartment Building. Linda's writing career began in college when she published her first article. But after graduating she was sidetracked from writing when she was offered a job teaching probability and statistics. Later she found her way back to her first love, and the *Atlanta Journal Constitution* called her breakout novel, *Blue Waltz*, "absolutely stunning." Now the author of twenty bo...

ST. MARTIN'S GRIFFIN

DECEMBER 2018

Karolina's Twins

A Novel

Ronald H. Balson

From the author of *Once We Were Brothers* comes a saga inspired by true events of a Holocaust survivor's quest to fulfill a promise, return to Poland and find two sisters lost during World War II.

Lena Woodward, an elderly woman, enlists the help of both lawyer Catherine Lockhart and private investigator Liam Taggart to appraise the story of her harrowing past in Nazi occupied Poland. At the same time, Lena's son Arthur presents her with a hefty lawsuit under the pretense of garnering her estate—and independence—for his own purposes. Where these stories intersect is through Lena's dubious account of her life in war-torn Poland, and her sisterhood with a childhood friend named Karolina. Lena and Karolina struggled to live through the atrocity of the Holocaust, and at the same time harbored a courageous, yet mysterious secret of maternity that has troubled Lena throughout her adult life. In telling her story to Catherine and Liam, Lena not only exposes the realities of overcoming the horrors of the Holocaust, she also comes to terms with her own connection to her dark past.

Karolina's Twins is a tale of survival, love, and resilience in more ways than one. As Lena recounts her story, Catherine herself also recognizes the unwavering importance of family as she prepares herself for the arrival of her unborn child. Through this association and many more, both Lena and Catherine begin to cherish the dogged ties that bind not only families and children, but the entirety of mankind.

PRAISE

"As compelling a story as you would ever want to read....You won't be disappointed...a new look at an old story, and it will stay with you long after you have finished it." —Jackie K Cooper, *Huffington Post*

"*Once We Were Brothers* tells a great story...gripping." —*The Chicago Tribune*

"The author describes the atrocities of wartime Poland and the beautiful, eternal romance between Ben Solomon and his wife, Hannah. Balson's first novel is hard to put down." —*The Jewish Book World*

RONALD H. BALSON is a Chicago trial attorney, an educator, and writer. His practice has taken him to several international venues. He is also the author of *Saving Sophie* and the international bestseller *Once We Were Brothers*.

Strangers in a Strange Land

Living the Catholic Faith in a Post-Christian World

Charles J. Chaput

A vivid critique of American life today, but also an empowering guide to how Christians—and particularly Catholics—can live their faith vigorously, with confidence and hope, in a post-Christian ...

From the author of *Living the Catholic Faith* and *Render Unto Caesar* comes a fresh, urgent, and ultimately hopeful treatise on the state of Catholic life and Christian community in the United States. America today is different *in kind*, not just in degree, from the past. And this new reality is unlikely to be reversed. The reasons include, but aren't limited to, the decline of a sustaining sense of family and community, the impact of new technologies and economic changes that widen the gulf between rich and poor, diminished religious belief among young people, significant demographic shifts, profound new patterns in sexual behavior and identity, the growth of federal power and its disregard for religious rights, and the growing isolation and elitism of our leadership classes. But the author gives more than a penetrating diagnosis of the nation's problems. Archbishop Chaput offers a compelling reflection on the person of Jesus Christ, the nature of the Church, the urgency of radical faith, and the redemptive power of beauty—all in the spirit of Psalm 8 and the enduring words of Irenaeus: "The glory of God is man fully alive."

PRAISE

"Chaput is an erudite writer, and his work includes a wide array of quotations and allusions. His observations on Western culture are keen, and while secular-minded readers will find plenty to argue with, his writing will appeal to a wide Christian audience. An optimistic account of the church's future in the midst of a secular age."—*Kirkus Reviews*

"Well documented, with citations to a wide variety of sources in such areas as literature, philosophy, theology and politics, this book will appeal to traditionally oriented Catholics."—*Library Journal*

"[E]ssential reading for all small-o orthodox Christians, not only Catholics."—*The American Cons...*

Archbishop Charles J. Chaput, O.F.M. Cap., was named archbishop of Philadelphia in 2011 by Pope Benedict XVI. As a member of the Prairie Band Potawatomi Nation, he was the second Native American to be ordained a bishop in the United States and is the first Native American archbishop. Chaput is the author of two books—*Living the Catholic Faith: Rediscovering the Basics* and *Render Unto Caesar: Serving the Nation by Living Our Catholic Beliefs in Political Life*—as well as numerous articles and publ...

A Palm Beach Wife

Susannah Marren

For readers of Elin Hilderbrand, a delicious and irresistible commercial novel set among the jet set galas, beauty, and gossip of Palm Beach.

Amid the glamour, wealth and privilege of Palm Beach, Faith, the quintessential Palm Beacher, knows that illusion often counts as much if not more than reality. She glides effortlessly among the haut monde—so perfectly that one would never suspect she wasn't born to this world. It hasn't always been Faith's truth. Though she hides it well, she has striven for the life she has attained, for her loving, successful husband, for her daughter's future. In this town of secrets and rumors, Faith, with her own dark past, has kept a desperate grip on everything she holds dear, invented from little, built on a lie. Yet even she—the only one who knows how carefully her image is honed and how far she has to fall—never suspects from which angle or how many directions at once, betrayal will come.

PRaise

Praise for Susannah Marren:

“[A] fast-paced first novel.” —*The New York Post*

“This contemporary novel...is lovingly tinged with the myth of the selkie...some engaging characters and vivid settings indicate Marren's promise.”—*Booklist*

“A page-turning, commanding novel.”—Holly Peterson, *New York Times* bestselling author of *The Manny* and *The Idea of Him*

Susannah Marren is the author of *Between the Tides* and the pseudonym for Susan Shapiro Barash, who has written thirteen nonfiction books including *Tripping the Prom Queen* and *Toxic Friends*. She lives in New York City and teaches gender studies in the Writing Department at Marymount Manhattan College.

Adnan's Story

The Search for Truth and Justice After Serial

Rabia Chaudry

For the first time in paperback and updated, the *New York Times* bestseller

"The first letter I received after being arrested in 1999 was from Rabia...As someone connected to me, my family, my community, my lawyers, and my investigation, there is no one better to help tell my story, and no one that I trust more to tell it, than Rabia." —Adnan Syed

On February 28, 2000, Adnan Syed was convicted and sentenced to life plus thirty years for the murder of his ex-girlfriend Hae Min Lee, a high school senior in Baltimore, Maryland. Adnan has always maintained his innocence. Rabia Chaudry, a family friend, believes he was wrongly convicted and has fought for his release. But by 2013, after appeals were exhausted, things looked bleak. Rabia contacted Sarah Koenig, a journalist and producer at *This American Life*, hoping that she would bring possibly shed new light on the case. Koenig's investigation turned into *Serial*, the international phenomenon and Peabody Award-winning podcast.

Adnan's Story reexamines the investigation that led to Adnan's arrest, covers new evidence and possibilities that have since come to light, reviews the court successes that have breathed new life to Adnan's case, and in this new edition, reveals how she achieved success in the courts when Adnan was granted a retrial in March 2018. Woven with personal reflections from Adnan himself, including new never-before-seen letters he penned from prison, this in-depth book offers new insight into the story that captivated millions.

PRAISE

"Vivid and highly readable." —*Washington Post*

"Utterly riveting—high stakes, a breakneck pace, brilliant expert witnesses."
—*Entertainment Weekly*

"Could change how you think about the case, and about 'Serial' itself." —*Los Angeles Times*

"Lays out new details that [Chaudry] believes exonerate Syed...[they] already have produced results." —*People*

RABIA CHAUDRY is an attorney and partner at Chaudry & Anwer Immigration Law, a recent Jennings Randolph Fellow at the U.S. Institute of Peace, an International Security Fellow at the New America think tank, and a Fellow of the Shalom Hartman Institute. She is the co-host of *Undisclosed*, one of the top-ranked podcasts in the iTunes store with nearly 250 million downloads, and *The 45th*, with over four million downloads. She is a member of the National Muslim-Jewish Advisory Council and the Aspen I...

Ageless Soul

The Lifelong Journey Toward Meaning and Joy

Thomas Moore

"A beautifully and eloquently written book." - Dr. Rudolph E. Tanzi, *New York Times* bestselling author of *Super Brain* and *Super Genes*

Thomas Moore is the renowned author of *Care of the Soul*, which spent forty-four weeks on the *New York Times* bestseller list and showed how spiritual practice can heal personal and societal problems. In *Ageless Soul*, Moore reveals a fresh, optimistic, and rewarding path toward aging, one that need not be feared, but rather embraced and cherished. In Moore's view, aging is the process by which one becomes a more distinctive, complex, fulfilled, loving, and connected person.

Using examples from his practice as a psychotherapist and teacher who lectures widely on medicine and spirituality, Moore argues for a new vision of aging: as a dramatic series of initiations, rather than a diminishing experience, one that each of us has the tools—experience, maturity, fulfillment—to embrace.

Subjects include:

*Why melancholy is a natural part of aging, and how to accept it, rather than confuse it with depression and resort to medication

*The vital role of the elder and mentor in the lives of younger people

*The many paths of spiritual growth and learning that open later in life

*Sex and sensuality

*Building new communities and leaving a legacy

Ageless Soul teaches readers how to embrace the richness of experience and how to take life on, embrace invitations to new vitality, and feel fulfilled as they get older. Aging means living into life.

PRAISE

***Best Books About Health and Aging (*Wall Street Journal*)**

***Top 10 Religion and Spirituality Books (*Booklist*)**

***AARP Magazine Editor's Pick**

THOMAS MOORE is the *New York Times* bestselling author of *Care of the Soul*, as well as many other books on deepening soul and cultivating mindfulness, three of which have received the Books for a Better Life Award. At turns he has been a monk, a musician, a university professor, and a psychotherapist. Today he lectures widely on holistic medicine and spirituality. He lives in New Hampshire.
