GUINNESS WORLD RECORDS (GWR) is the global authority on record-breaking achievement. First published in 1955, the iconic annual Guinness World Records books have sold over 136 million copies in over 20 languages and in more than 100 countries. Additionally, the Guinness World Records: Gamer's Edition, first published in 2007, has sold more than 5 million copies to date.
Guinness World Records: Gamer's Edition 2020

We’re proud to present the 13th edition of the world’s best-selling gaming annual!

Gamer’s 2020 is bursting at the seams with the characters our readers love and the games making the biggest splash in gaming right now!

Gamer’s 2020 features characters and legends such as Super Mario, Spider-Man, Pikachu, Link, Master Chief, Solid Snake, Batman, Mickey Mouse, Lara Croft and Crash Bandicoot will all have their own page… and that’s just the start! And, if that wasn’t enough, this year a special section is dedicated entirely to the gaming sensation that is Fortnite. We’ve worked closely with the game’s publisher, Epic, to obtain the most accurate facts on the best players, the most popular equipment and the biggest in-game events. We’ve also crafted specially designed Reader Challenges to put our readers to the test and crown all-new record holders!

The book’s features will transport our readers to more legendary gaming franchises – whether they visit a galaxy far, far away in Star Wars, get up-to-speed on gaming’s debutant heroes, catch-up on a year’s worth of eSports tournaments, or explore the history of Assassin’s Creed’s locales. Gamer’s 2020 has something for every gamer on the planet and remains the ultimate guide to gaming!
