A bright and lively introduction to first concepts from the team who brought you the bestselling *Amazing Machines* series.

Red diggers, blue cars, yellow trucks, and more!

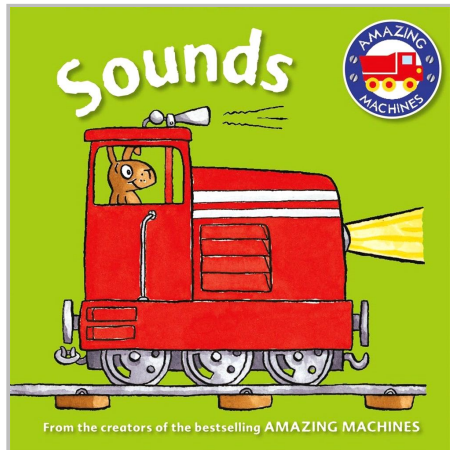

For fans of the bestselling *Amazing Machines* series, this is a perfect way for young children to learn all about colors in a bright and engaging way, with their favorite zippy machines!

Ant Parker is known for his distinctive, vibrant work in books such as *Charlie Chick*. His artwork has been animated for BBC Children's TV and he illustrated the bestselling *Amazing Machines* picture-book series. His other titles include the pop-up counting book *10 Little Monsters*, and an *I Am Reading* title: *JJ Rabbit and the Monster*. Ant lives in London.

Tony Mitton has been reading and writing since he was 9. He began writing specifically for children around the age of 40 while still working as a primary school and special needs teacher. He now works full-time as a writer and sometimes performs his poems in schools and libraries and occasionally at other venues, mainly in the UK.

\$3.99/\$3.99 Can.

Kingfisher Readers L1: Brilliant Birds

9780753471999

\$3.99/\$4.99 Can.

Kingfisher brings its expertise in beautifully designed, trusted non-fiction to the sphere of learning to read.

This irresistible reading series is sure to fire the imagination of young readers with its exciting range of high-interest topics and its great-looking, easy-to-follow design.

Developed with literacy experts, this five-level graded reading series will guide young readers as they build confidence and fluency in their literacy skills and progress towards reading alone.

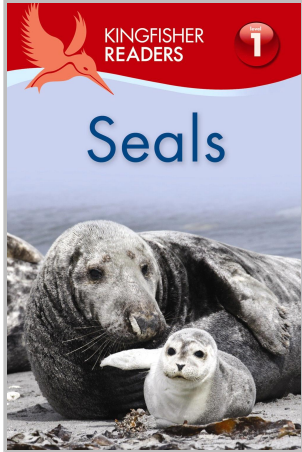

Seals introduces beginner readers to a variety of seals from different habitats, to the largest and the smallest. It includes facts about swimming and diet, and explains how a seal pup starts life, and grows to adulthood.

See www.kingfisherreaders.com for series information and free audiobooks.

Thea Feldman is the author of dozens of books for young children including non-fiction and fiction titles for Disney and Animal Planet. She writes on a wide range of subjects, with natural history as one of her main areas of interest. She also writes about the practice of teaching reading.
