A colorful and engaging activity book, with its own press-out and play car, from the team who brought you the bestselling *Amazing Machines* series.

Cars can whiz and zoom, but you can write, color, sticker, and draw in your *Amazing Machines* activity book--and build your very own car too!

For fans of the bestselling *Amazing Machines* series, this activity book with over 50 reusable stickers is perfect for young children to practice important early learning skills such as counting, writing, coloring, matching, and hand-eye coordination. And each page features one or more of their favorite *Amazing Machines* cars!

**Tony Mitton** has been reading and writing since he was 9. He began writing specifically for children around the age of 40 while still working as a primary school and special needs teacher. He now works full-time as a writer and sometimes performs his poems in schools and libraries and occasionally at other venues, mainly in the UK. Tony is the author of the bestselling *Amazing Machines* picture-book series.
