Animal Instinct

A K Team Novel

David Rosenfelt; read by Fred Berman

The next audiobook in bestselling author David Rosenfelt's new K Team mystery series.

The K Team is back in the second installment in this spinoff series from bestselling author David Rosenfelt's beloved Andy Carpenter mysteries.

PRAISE

Praise for *The K Team*:

“This strong series launch . . . is a promising start to what’s likely to be a long-running series.” —*Publishers Weekly*

Praise for David Rosenfelt and the Andy Carpenter Mysteries:

“One of the most unforgettable authors in the genre.” —*Associated Press*

“Reading the 'Andy Carpenter' series by David Rosenfelt is dangerous. The books should come with warnings: 'Read with Caution, Extremely Addicting.'” —*The Huffington Post*

David Rosenfelt is the Edgar-nominated and Shamus Award-winning author of twenty Andy Carpenter novels, most recently *Dachshund Through the Snow*; nine stand-alone thrillers; two non-fiction titles; and *The K Team*, the first in a new series featuring some of the characters from the Andy Carpenter series. After years of living in California, he and his wife moved to Maine with twenty-five of the four thousand dogs they have rescued.

A Stranger in Town

Kelley Armstrong; read by Therese Plummer

In #1 *New York Times* bestselling author Kelley Armstrong's latest Rockton thriller, the biggest mystery is the fate of the town itself.

Detective Casey Duncan has noticed fewer and fewer residents coming in to the hidden town of Rockton, and no extensions being granted. Her boyfriend, Sheriff Eric Dalton, presumes it's the natural flux of things, but Casey's not so sure. Something bigger is happening in the small town they call home.

When an injured hiker stumbles from the woods, the sole survivor of a hostile attack, it's all hands on deck. Even a member of the elusive Rockton council comes in to help. This council members also comes bearing news: Rockton is being shut down due to the hostile situation.

Casey and Eric must now race to save the town that has allowed them to have a fresh start, away from the mistakes of their past, while also getting to the bottom of this latest attack.

PRAISE

Praise for Therese Plummer in *This Fallen Prey*:

"Considering how much I love Therese Plummer, I just have to say a few words about her performance. She's one of the finest narrators I've had the pleasure of listening to, reading the story with perfect timing and dramatization. A good narrator is the key to a good listen, especially when it comes to the thriller-suspense genre, and once again Plummer knocks it out of the park."

—*BiblioSanctum*

Praise for The Rockton Novels:

Blood and Treasure

Daniel Boone and the Fight for America's First Frontier

Bob Drury & Tom Clavin

The explosive true saga of the legendary figure, Daniel Boone, and the bloody struggle for America's frontier, by two bestselling authors at the height of their writing power.

It is the mid-18th Century, and in the 13 colonies founded by Great Britain, anxious colonists desperate to conquer and settle North America's "First Frontier" beyond the Appalachian Mountains engage in a never-ending series of bloody battles. These violent conflicts are waged against the Native American tribes whose lands they covet, The French, and finally against the mother country itself in an American Revolution destined to reverberate around the world.

This is the setting of "Blood and Treasure" and the guide to this epic narrative is none other than America's first and arguably greatest pathfinder Daniel Boone—not the coonskin cap-wearing caricature of popular culture but the flesh-and-blood frontiersman and military hero whose explorations into the forested frontier beyond the great mountains would become the stuff of legend. Now, thanks to painstaking research by two award-winning authors, the story of the brutal birth of the United States is told through the eyes of both the ordinary and larger-than-life people who witnessed it.

The characters who inhabit this panoramic world are a mixture of the legendary and the forgotten—the young George Washington, whose violent expedition into what was then "the west" sparked the conflagration known as the French and Indian War; the adventurous Indian fighters Simon Kenton and Joseph Harrod whose names were legend across the Trans-Appalachian territory; and of course the myriad ...

PRAISE

Praise for *Valley Forge*:

"A thorough, nuanced and enthralling account of the darkest winter of the American Revolution, *Valley Forge* recounts an epic of suffering, endurance and martial rebirth that Americans should never forget. . . . Masters of narrative history, Messrs. Drury and Clavin have written rousing and sharply rendered accounts of lesser known but thrilling historical episodes."

—*Wall Street Journal*

"A powerfully human portrait of George Washington . . . *Valley Forge* is deeply researched but presented in such lively style that it reads like a novel."

—*Tampa Bay Times*

BOB DRURY and TOM CLAVIN are the #1 *New York Times* bestselling authors of *The Heart of Everything That Is*, *Lucky 666*, *Halsey's Typhoon*, *Last Men Out*, and *The Last Stand of Fox*

The Perfect Daughter

A Novel

D.J. Palmer

An edge-of-your-seat thriller that explores the lengths parents will go to understand and protect their children, from the author of *The New Husband*.

Grace never dreamt she'd be visiting her teenaged daughter Penny in the locked ward of a decaying state psychiatric hospital, charged with the brutal murder of an apparent stranger. There was not much question of her daughter's guilt. Police had her fingerprints on the murder weapon and the victim's blood on her body and clothes. What they didn't have was a motive.

Grace blames herself for the horrible turn of events, because that's what mother's do—they look at their choices, the paths not traveled, and they wonder, what if? But hindsight offers little more than the chance for regret.

None of this was conceivable the day Penny came into her life. Back then, it all seemed like something of a miracle. Penny was found abandoned, with a mysterious past, and it seemed like fate brought Penny to her, and her husband Arthur. But as she grew, Penny's actions became more and more disturbing, and different "personalities" seemed to emerge.

Arthur and Grace took their daughter to different psychiatrists, many of whom believed that Penny was putting on something of a show, a little mind game to help her manage the trauma that had preceded her abandonment. But Grace wasn't buying it. These personas were too real, too consistent to be anything other than a severe multiple personality disorder. With the help of a determined psychiatrist, Grace and Dr. Mitch McHugh discover someone new inside Penny—a young girl named Abigail. Is this the gi...

A Good Day for Chardonnay

Darynda Jones; read by Lorelei King

"Laugh-out-loud funny, intensely suspenseful, page-turning fun." —New York Times Bestselling author Allison Brennan

Running a small-town police force should be a swell, chat-with-the-townspeople kind of job. But for full-time Sheriff and even fuller-time coffee guzzler Sunshine Vicram, she's about to sweat more than a polar bear on a July day in New Mexico . . .

All Sunshine really wants is one easy-going day. You know, the kind that starts with coffee and a donut (okay, a few donuts) and ends with take-out pizza and a glass (okay, a few glasses) of chardonnay. But that's about as easy as switching to decaf and pretending its regular (WHO are these people that do this and who hurt them)??

Suddenly, she's got a bar fight turned uglier than usual, her teenage daughter has taken it upon herself to investigate a serial killer, and oh yes, there's still the mystery of her unresolved abduction from years ago—a conundrum which continues to feature moonshine distiller and total dangerous baddie dreamboat Levi Ravinder. Sunny knows he's not the villain from her past . . . but perhaps beneath it all, he holds the keys to her disappearance from years ago. And heck, beneath it all, there's at least a serious set of abs.

Between investigation shenanigans with her hunky best friend Detective Quincy Cooper, a Mammoth-sized crush on Levi that seems to grow exponentially, and an irascible raccoon that just doesn't know when to quit, Sunny's life is about to go to the next level of crazy-town. Definitely a good day for chardonnay.

PRAISE

Praise for Lorelei King's narration of Darynda Jones:

"A variety of different character voices makes King's narration lively and entertaining." —AudioFile Magazine on *The Dirt on Ninth Grave*

"King handles the many revelations and surprise cameos with aplomb. She doesn't skimp on Charley's trademark snarky humor, while still allowing a glimmer of her humanity to shine through. A Matter of Life and Death

A Robin Lockwood Novel

Phillip Margolin

An indigent man has been set up for the brutal murder of the wealthy wife of a prominent judge in *New York Times* bestseller Phillip Margolin's latest legal thriller featuring Robin Lockwood.

Joe Lattimore, homeless and trying desperately to provide for his young family, agrees to fight in a no-holds illegal bar bout, only to have his opponent die. Lattimore now finds himself at the mercy of the fight's organizers who blackmail him into burglarizing a house. However, when he breaks in, he finds a murdered woman on the floor and the police have received an anonymous tip naming him for the crime.

Robin Lockwood, an increasingly prominent young attorney and former MMA fighter, agrees to take on his defense. But the case is seemingly airtight—the murdered woman's husband, Judge Anthony Carasco, has an alibi and Lattimore's fingerprints are discovered at the scene. But everything about the case is too easy, too pat, and Lockwood is convinced that her client has been framed. The only problem is that she has no way of proving it and since this is a death case, if she fails then another innocent will die.

PRAISE

Praise for Therese Plummer as Robin Lockwood:

"Narrator Therese Plummer delivers a stellar reading of Margolin's latest thriller. . . . Her vocal skills capably supplement Margolin's fast-paced story in this riveting production." —AudioFile Magazine on *The Third Victim*

"With lots of twists and turns to engage the listener and an entertaining narrator, this is a light and entertaining mystery." —Sound Commentary

Praise for Phillip Margolin:

"A smooth, tight narrative with a snappy, old-time whodunit finish. Margolin pulls off his own sleight of hand when the murderer is revealed." —Booklist on *A Reasonable Doubt*

"Legal-thriller fans will find it ...

PHILLIP MARGOLIN has written over twenty novels, most of them *New York Times* bestsellers, including *Gone But Not Forgotten*, *Lost Lake*, and *Violent Crimes*. Broken (in the best possible way)

Jenny Lawson

From #1 *New York Times* bestselling author Jenny Lawson, comes her most personal audiobook yet.

As Jenny Lawson's hundreds of thousands of fans know, she suffers from depression. In *Broken*, she explores her experimental treatment of transcranial magnetic stimulation with brutal honesty. But also with brutal humor: "People do different things to distract themselves during each treatment. I embroider. It feels fitting. I'm being magnetically stabbed in the head thousands of times as I'm stabbing the embroidery myself. I don't embroider the same patterns my grandmother did. I embroider girls with octopus faces, David Bowie, a flowery bouquet with FUCK YES written in the middle. They let you do anything as long as it's 'positive.'"

Jenny discusses the frustration of dealing with her insurance company in "An Open Letter to My Insurance Company," which should be an anthem for anyone who has ever had to call their insurance company to try and get a claim covered. On the lighter side, she tackles such timelessly debated questions as "How do dogs know they have penises?" We see how her vacuum cleaner almost set her house on fire, how she was attacked by three bears, business ideas she wants to pitch to Shark Tank, and why she can never go back to the post office. Of course, Jenny's long-suffering husband Victor—the Ricky to Jenny's Lucille Ball—is present throughout.

A treat for Jenny Lawson's already existing fans, and destined to convert new ones, *Broken* is a beacon of hope and a wellspring of laughter.

PRAISE

Praise for Jenny Lawson's narration of *Furiously Happy*:

"Lawson's energy, passion, and furiously happy demeanor invite the listener into her atypical world of mental disorder, taxidermy, and family. . . One Two Three

A Novel

Laurie Frankel; read by Rebecca Soler, Jesse Vilinsky, and Emma Galvin

By Laurie Frankel, author of the Reese's Book Club x Hello Sunshine Pick *This Is How It Always*, comes a novel for fans of Barbara Kingsolver, Liane Moriarty, and Richard Russo, about how to let g...

Mab is the "normal" one, never mind Bourne Memorial High School has banned that term, and besides, she's a stickler for words and definitions and knows normal isn't normal in Bourne.

Monday is a stickler for everything else. She doesn't like abbreviations, contractions, lies, typos, or wearing green clothes on yellow days. When the Bourne library shut down—funds desperately needed elsewhere—she stashed the books under her bed, behind the sofa, along the stairs, inside the microwave, and lends them from home.

Mirabel's the smart one, the slow one, the stuck one. Much of her body requires augmentation—she needs a wheelchair to navigate the world, a voice app to speak to it—but her right arm and hand work flawlessly. And so do her brain and her heart.

Nora gave her girls "M" names with escalating syllables so she'd be able to keep them straight. As if single parenting sixteen-year-old triplets weren't enough, her two jobs—Bourne's only therapist and its only bartender—are both in unusually high demand. And then there's the job she can't let go—lead plaintiff in Bourne's class-action lawsuit against Bison Chemical.

Seventeen years ago, the Bison plant was pumping toxic chemicals into Bourne's river. Flowers stopped blooming. Pets got sick, then their owners did too. A generation was born not quite whole. Nora assures her daughters they're perfect just the way they are, but she's still spent their whole lives fighting to make Bison pay...

The Survivors

A Novel

Jane Harper

Coming home may dredge up deeply buried secrets in this thrilling mystery by *New York Times* bestselling author Jane Harper.

Kieran has come home to his small town on an island off the coast of Australia, with his wife and new baby. But not everyone is happy to see him.

Twelve years ago, Kieran caused the death of his brother and another man. He knew he wasn't supposed to be near the seaside cliffs, but the storm came up so quickly. His brother's boat, on its way to rescue him, went down, killing the two men aboard. And there was another casualty that day, a young girl named Caitlin who mysteriously went missing in the midst of the storm.

On Kieran's first night back in town, someone is killed. Amid the shock, Kieran notices that everyone on the island is so linked that the same names keep coming up around both the recent murder and the deaths back then, and a detective is wondering if they might be somehow connected.

As the police investigation proceeds, Kieran learns that he may not know everything about the day his brother died. And he has never told the full truth, either. As secrets are revealed and mysteries uncovered, Kieran draws closer to figuring out what really happened twelve years ago. And for Kieran, the brewing storm may change everything.

Stunning and atmospheric, Jane Harper's new thriller is another triumph by the acclaimed author of *The Dry* and *The Lost Man*.

PRAISE

Praise for Stephen Shanahan reading Jane Harper:

The Kaiser's Web

Steve Berry; read by Scott Brick

The next installment in #1 *New York Times* bestselling author Steve Berry's Cotton Malone series.

In *New York Times* bestseller Steve Berry's latest Cotton Malone adventure, a secret dossier from a World War Two-era Russian spy comes to light, containing information that, if proven true, could not only impact Germany's upcoming elections, but also rewrite history.

The file contains a first-hand account of the events leading up to Adolf Hitler's suicide in the bunker, and suggests that history has the facts wrong. This information is of particular interest to the two candidates running for Germany's prime minister, though for different reasons.

From the streets of Belarus and the villages of Chile, to the mesas of South Africa and the campaign trail in Germany, former Justice Department agent Cotton Malone and his girlfriend Cassiopea Vita are tasked with discovering the truth of what really happened to Hitler and Eva Braun.

PRAISE

Flowers of Darkness

Tatiana de Rosnay; read by Saskia Maarleveld

***New York Times* bestselling author Tatiana de Rosnay presents a near future Paris where a recently divorced writer enrolls in a highly coveted artistic residence with surprising consequences.**

CASA is a brand new artist residency in an ultra-modern apartment, with a view of all of Paris. A dream for any novelist in search of tranquility. But is this residency a dream or a nightmare? Since moving in, Clarissa Katsef has had ominous discomfort, the feeling of being watched. Who is behind CASA? Is Clarissa right to be wary or does she too easily give in to paranoia, falling victim to an overly fertile imagination?

Meanwhile, Clarissa is still haunted by the betrayal that led her to divorce.

Staying true to her favorite themes—the imprint of the place, the weight of secrets—*New York Times* bestselling author Tatiana de Rosnay weaves an intrigue of diabolical suspense to explore the threats hanging over a precious asset: our privacy.

The Good Sister

A Novel

Sally Hepworth; read by Barrie Kreinik

The newest captivatingly twisty novel from the author of *The Mother-in-Law*.

From the outside, everyone might think Fern and Rose are as close as twin sisters can be: Rose is the responsible one, with a home and a husband and a fierce desire to become a mother. Fern is the quirky one, the free spirit, the librarian who avoids social interaction and whom the world might just describe as truly odd.

But the sisters are devoted to one another and Rose has always been Fern's protector from the time they were small. Fern needed protecting because their mother was a true sociopath who hid her true nature from the world, and only Rose could see it. Fern always saw the good in everyone. Years ago, Fern did something very, very bad. And Rose has never told a soul.

When Fern decides to help her sister achieve her heart's desire of having a baby, Rose realizes with growing horror that Fern might make choices that can only have a terrible outcome. What Rose doesn't realize is that Fern is growing more and more aware of the secrets Rose, herself, is keeping. And that their mother might have the last word after all.

Spine tingling, creepy, utterly compelling and unpredictable, *The Good Sister* is about the ties that bind sisters together. . . and about the madness that lurks where you least expect it.

The Wife Upstairs

A Novel

Rachel Hawkins; read by Emily Shaffer, Lauren Fortgang, and Kirby Heyborne

From a *New York Times* bestselling author, *The Wife Upstairs* is a delicious, commercial twist on *Jane Eyre*, reimagined as contemporary domestic suspense, and perfect for fans of *B.A. Paris* and *Meg...*

Meet Jane. Newly arrived to Birmingham, Alabama, broke and relying on the kindness of near-strangers, Jane is a dog-walker in Thornfield Estates—a gated community full of McMansions, shiny SUVs, and bored housewives. The kind of place where no one will notice if Jane supplements her meager income by lifting the discarded tchotchkes and jewelry off the side tables of her well-heeled clients. Where no one will even think to ask whether Jane is her real name.

But her luck changes when Jane meets Eddie Rochester. Recently widowed, Eddie is Thornfield Estates' most talked-about resident. His wife, Bea, drowned in a boating accident with her best friend, their bodies lost to the deep. Jane can't help but see an opportunity in Eddie—not only is he rich, brooding, and handsome, he could also offer her the kind of protection she's always yearned for. The kind of protection she needs.

But as Jane and Eddie begin to fall for each other, Jane is increasingly haunted by the legend of his late wife Bea, an ambitious beauty with a rags-to-riches origin story, who reinvented herself as the founder of a wildly successful southern lifestyle brand. How can she, plain Jane, the before to Bea's after, ever measure up? And can she win Eddie's heart before her past—or his—catches up to her?

With delicious suspense, incisive wit, and a fresh, feminist sensibility, *The Wife Upstairs* reimagines *Jane Eyre*—that timeless tale of forbidden romance, ill-ad...

PRAISE

Praise for *The Wife Upstairs*:

"*The Wife Upstairs* is everything I'd hoped—sharp, smart, tricky and fast-paced. Rachel Hawkins' debut thriller puts you in the steps of an outsider, an insider, and an imposter, but which is which? You won't know til you're up way too late turning the final pages." —Kelly Harms, nationally bestselling author of *The Overdue Life of Amy Byler*

Praise for Rachel Hawkins:

"Ace plotting, snappy dialogue, unexpected twists, and an exhilarating finale will have readers eager for more." —*Publishers Weekly*, starred review

The Four Winds

A Novel

Kristin Hannah

***The Four Winds*, by #1 New York Times bestselling author Kristin Hannah, is an epic novel of love and heroism and hope, set against the backdrop of one of America's most defining eras--the Great D...**

"If I close my eyes, I can still taste the dust..."

Texas, 1934. Millions are out of work and a drought has broken the Great Plains. Farmers are fighting to keep their land and their livelihoods. The crops are failing, the water is drying up, and dust threatens to bury them all.

In this uncertain and dangerous time, Elsa Martinelli—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or go west, to California, in search of a better life. *The Four Winds* is an indelible portrait of America and the American Dream, as seen through the eyes of one indomitable woman who will discover the best in herself in the worst of times.

KRISTIN HANNAH is the #1 New York Times bestselling author of more than twenty novels, including *The Nightingale* and *The Great Alone*. A former lawyer turned writer, she lives with her husband in the Pacific Northwest.

We Begin at the End

Chris Whitaker; read by George Newbern

For fans of *Snow Falling on Cedars* and *Cold Mountain* comes a literary crime thriller with a mystery at its core. Chris Whitaker's *We Begin at the End* is an unforgettable examination of how the cho...

Thirty years ago, a teenage Vincent King was sent to prison. But now, he's served his sentence and is returning to his hometown. The hometown where his childhood best friend, Walk, is now the chief of police. The town where his childhood sweetheart, Star Radley, still lives. The same Star Radley whose sister he killed.

Duchess, Star's daughter, is a self-proclaimed outlaw. She needs to be. Who else is going to take care of her and her five-year-old brother? Star is still dazzling, still beautiful, but she hasn't shined as bright since Vincent was sent away. Too often it's Duchess and Walk who are the ones taking care of her. But when Duchess exacts her own vigilante revenge, she will set into motion a series of events that threatens not only her own family, but everyone she grows close to.

PRAISE

Praise for *We Begin at the End*:

"Rich with character and story, conflict and tension, humor, tragedy, and raw, unadulterated guts, this one has it all. Throw in the most compelling young protagonist I've read in at least a decade, and you have a deep and meaningful story that is an absolute delight from first page to last." —*New York Times* bestselling author John Hart

"Duchess is a character for the ages. Walk is a hero of Atticus Finch proportions. *We Begin at the End* will be a defining work of the forthcoming decade. Like *To Kill A Mockingbird*, it paints an exquisitely detailed portrait of small-town life with the everyday heroes who walk am...

Working Backwards

Insights, Stories, and Secrets from Inside Amazon

Colin Bryar and Bill Carr

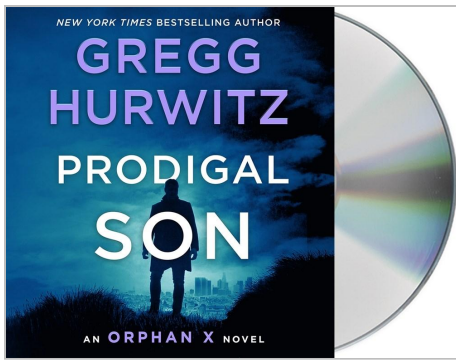

An insider's breakdown of Amazon's approach to culture, leadership, and best practices from two long-time, top-level Amazon executives

Colin started at Amazon in 1998; Bill joined in 1999. In *Working Backwards*, these two long-serving Amazon executives reveal and codify the principles and practices that drive the success of one of the most extraordinary companies the world has ever known. With twenty-seven years of Amazon experience between the two of them, much of it during the early aughts—a period of unmatched innovation that brought products and services including Kindle, Amazon Prime, Amazon Studios, and Amazon Web Services to life—Bryar and Carr offer unprecedented access to the Amazon way as it was refined, articulated, and proven to be repeatable, scalable, and adaptable.

With keen analysis and in-the-room storytelling, and replicable, practical steps for applying it at your own company—no matter the size—the authors illuminate how Amazon's fourteen leadership principles inform decision-making at all levels and reveal how the company's culture has been defined since its founding by four characteristics: customer obsession, long-term thinking, the eagerness to invent, and operational excellence. Bryar and Carr explain the set of ground-level practices that ensure the principles are translated into everyday action and flow through all aspects of the business.

Working Backwards is a practical guidebook and a corporate narrative, filled with the authors' personal recollections of what "Being Amazonian" is really like and how it has affected their personal an...

COLIN BRYAR currently serves as an advisor to companies to help them scale their businesses. He worked side by side with Jeff Bezos as his Technical Advisor, overseeing pivotal Amazon businesses being ideated and built: Amazon Prime, Amazon Web Services, Kindle, and Fulfillment by Amazon. Forced into retirement, Evan Smoak gets an urgent request for help from someone who shouldn't exist—in the latest in the *New York Times* bestselling Orphan X series.

Evan Smoak—a former government assassin who turned to helping the most desperate in their times of trouble—has retired. In exchange for an unofficial pardon, he's agreed to stop his clandestine activities as The Nowhere Man. Struggling to learn how to live a normal life, everything that he thought he knew is called into question when he gets a call for help from the one person he never thought he'd hear from—the woman who originally gave him up for adoption.

Her unlikely request: help for another orphan from the foster home he grew up in. Agreeing to help would put his deal, and his life, in danger.

Andre, Evan's fellow foster child, is struggling to stay afloat and get his own life back together. In doing his low-level job, he's unwittingly become the target of two top-level assassins who will go to any lengths to get rid of him. With nowhere to turn, and no safe place to hide, Evan is his only option. But if Evan returns to his role as The Nowhere Man, he puts his own life in mortal jeopardy.

PRAISE

Praise for Scott Brick as Evan Smoak:

"Considering his past life, it's understandable that Smoak is a dark, moody guy, a point underlined by reader Brick's chilly, no-nonsense approach to the character. Likewise, his sustained dramatic delivery effectively adds power to the action-filled and suspenseful moments." —*Publishers Weekly* on *Orphan X*

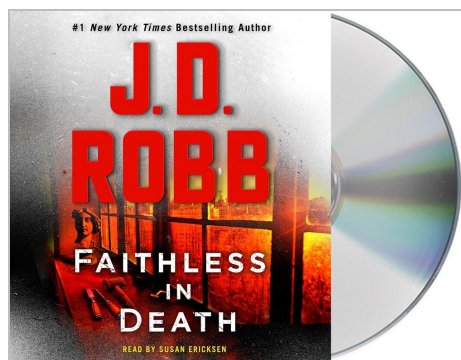

Praise for the Orphan X Series:

"Read the Orphan X series. You'll thank me later!" —David Baldacci

"A stellar series . . . the stories get better with each installment." —*Associated Press* on *Into the Fire*

"The best action-thriller you'll read in 2020!" —*Providence Journal* on *Into the Fire*

GREGG HURWITZ is the *New York Times* bestselling author of the Orphan X books, including *Into the Fire*. Critically acclaimed, his novels have graced top ten lists and have been published in 22 languages. Additionally, he's written screenplays for and sold scripts to many of the major studios, and written, developed, and produced television for various networks. Hurwitz resides in Los Angeles.

The Unwilling

A Novel

John Hart; read by Kevin Stillwell

Set in the South at the height of the Vietnam War, *The Unwilling* combines crime, suspense and searing glimpses into the human mind and soul in *New York Times* bestselling author John Hart's singul...

Gibby's older brothers have already been to war. One died there. The other came back misunderstood and hard, a decorated killer now freshly released from a three year stint in prison.

Jason won't speak of the war or of his time behind bars, but he wants a relationship with the younger brother he hasn't known for years. Determined to make that connection, he coaxes Gibby into a day at the lake: long hours of sunshine and whisky and older women.

Pleasant at first, the day turns ugly when the four encounter a prison transfer bus on a stretch of empty road. Beautiful but drunk, one of the women taunts the prisoners in a fashion so sexual and cruel it leads to a riot on the bus and a bloody beat down from the guards. Tyra finds it funny in the moment, but is savagely murdered soon after.

Given his violent history, suspicion turns first to Jason, but when the second woman is drugged in her sleep and carried from her own bed, the police think Gibby, too, must be involved. Determined to prove Jason innocent, Gibby must avoid the cops, and dive deep into his brother's hidden life, a dark world of heroin, guns and outlaw motorcycle gangs. What he discovers there is a truth more bleak than he could have imagined, not just the identity of the killer and the reasons for Tyra's murder, but the forces that shaped his brother in Vietnam, the reason he was framed, and why the most dangerous man alive wants him back in prison. This is crime fic...

PRAISE

Praise for John Hart:

“Ambitious and surprising...an engrossing, cumulatively disturbing narrative that encompasses murder, magic, madness, betrayal and obsessive, undying love. The result is unlike anything Hart has done before.” —*Washington Post* on *The Hush*

"*The Hush* displays Hart at his best. With richly imagined characters and depth of ingenuity, Hart forges a thoughtful and disturbing novel, one that delivers shocks in his story and joy in his storytelling...his most powerful work yet, one that plants a flag at the intersection where William Faulkner and Stephen King meet in unexpected harmony." —*Richmond Times-Dispatch*

JOHN HART is the author of the *New York Times* bestsellers *The King of Lies*, *Down River*, *The Last*
