Legendary

A Caraval Novel

Stephanie Garber; read by Rebecca Soler

The sequel to the *New York Times* bestselling and #1 IndieNext Pick *Caraval*, following Scarlett's younger sister, Tella, on a journey to the empire's capital to fulfill a dangerous bargain.

Stephanie Garber's limitless imagination takes flight once more in the colorful, mesmerizing, and immersive sequel to her *New York Times* bestselling debut audiobook *Caraval*.

This year's Caraval has concluded. Tella is alive—and safe, to her older sister's relief. But Tella has secrets she has been keeping from Scarlett. Secrets like what Tella promised in exchange for the sisters' invitations to Caraval in the first place. Secrets about the person to whom these promises were made. And secrets about Julian, the Caraval player who won Scarlett's heart.

Afraid of revealing the truth to the person who loves her most, Tella runs away to Valenda, the capital of the Empire, to find the mysterious correspondent whom Tella owes. But in the nights leading up to Elantine's Day, a cross between a masquerade ball, a jubilee, and Caraval, no one is to be trusted . . .

Sky in the Deep

Adrienne Young; read by Kristine Hvam

In this stunning debut, a young Viking warrior must challenge everything she's been taught in order to survive and protect those she loves.

A lush and vivid debut that is part Wonderwoman part Vikings and all action and heart.

Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, god-decreed rivalry against the Riki clan. Her life is brutal but simple: train to fight and fight to survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago.

Eelyn loses her focus and is captured. Now, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan settling in the valley, Eelyn is even more desperate to get back to her beloved family.

She is given no choice but to trust Fiske, her brother's friend who tried to kill her the day she was captured. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and find a way to forgive her brother while daring to put her faith in the people she's spent her life hating.
