The **TEKNOPHAGE** saga comes to an exciting conclusion. This second volume completes the Super Genius collection of Gaiman's lost 90's comics series, including work that has been out of print for over 20 years!

The 65 million year-old intelligent dinosaur known as Teknophage has begun to lose his grip on his awesome power over untold universes and possibly what passes for his sanity. Has his insatiable lust for power lead to his ultimate downfall? Complicating matters, and perhaps sensing his weakness, assassination plots are—once considered unthinkable—happening more frequently. What are the plans of the mysterious Messalina, and the man known as the Freedom Fighter? And what happens when, finally, Teknophage is assassinated? Is that really even possible? Who will rule Kalighoul then? And who are Agnes and Johua? And what role do they play in all this madness?

NEIL GAIMAN is the New York Times bestselling author of the novels 'Neverwhere' (1995), 'Stardust' (1999), the Hugo and Nebula Award-winning 'American Gods' (2001), 'Anansi Boys' (2005), and 'Good Omens' (with Terry Pratchett, 1990), as well as the short story collections 'Smoke and Mirrors' (1998) and 'Fragile Things' (2006).

BRYAN TALBOT is an Eisner award winning writer/artist best known for his collaborations with Neil Gaiman on Sandman: "The Song of Orpheus" and his own pioneering graphic novels "The Adventures of Luther Arkwright" and "the Tale of One Bad Rat".

PAUL JENKINS is an award winning comics writer known for his work on HELLBLAZER, THE INCREDIBLE HULK and BATMAN: THE DARK KNIGHT.

Carton Quantity: 45

ISBN: 9781629916156

\$9.99 / \$13.99 Can.

Discover the adventures of Trish Trash, a young girl living on Mars!

200 years from now, Trish "Trash" Nupindju lives on the newly inhabited Mars, whose settlers live under harsh and ruthless conditions. Trish dreams of only one thing: becoming a hoverderby star. It seems like making the professional derby team is the only way to escape a future of poverty on her parents' farm. But, what happens when a half-dead Martian shows up on her doorstep and changes everything?

Find out in the first volume of the new science fiction trilogy created by Jessica Abel.

Cartoonist and writer **JESSICA ABEL** is the author of the graphic novel *La Perdida* (winner of the 2002 "Best New Series" Harvey Award) as well as two collections of stories from her omnibus comic book *Artbabe*. She and her husband, cartoonist Matt Madden, were series editors for *The Best American Comics* from 2007 to 2013 and teach at various institutions. Together they've authored two textbooks about making comics, *Drawing Words & Writing Pictures* and *Mastering Comics*.

MARKETING

Major author tour planned including appearances at Miami Book Fair, ALA mid-Winter, C2E2, MOCCA and more.

TRISH TRASH mini-comic/ARC planned for distribution at all events and regional trade shows.

Turmoil strikes the Smurfs village! When a fire forces the Smurfs to relocate, everything changes. Not only does Gargamel discover the location of their home, the crisis also reveals the existence of a whole new forest creature - the Wild Smurf!

One of the most dramatic Smurfs adventures ever begins with the animals fleeing the forest because of a deadly forest fire. The Smurfs attempt to extinguish the fire, but after several attempts fail, Papa Smurf makes a selfless decision to blow up the Smurf Dam. It succeeds in putting out the fire, but destroys the Smurf Village and all of Farmer Smurf's crops. The Smurfs travel north to another part of the forest to procure food, but while they're away, their nemesis, Gargamel stumbles upon the wreckage of the Smurfs Village. Gargamel concludes the Smurfs must've relocated, and that wonders if he'll ever see the Smurfs again. But the Smurfs do return to their village and are startled to see Gargamel's footprints. As if that wasn't bad enough, the Smurfs sense they are being watched—and they are!

The #1 doll in the world meets the world of high fashion!

Barbie is facing the same problems every young person is facing today—figuring out how to choose a career, in an economic environment that is becoming increasingly difficult for anyone to find a job. But Barbie is nothing, if not optimistic and determined. Her interest in clothes leads her to seek employment in the highly competitive world of fashion. But as what? A model? A designer? Or something she never even dreamed of? As Barbie pursues her dream, she meets a diverse bunch of all new friends that can help her... and some that may actually try to end her fashion career before it even starts!

SARAH KUHN is the author of the forthcoming *HEROINE COMPLEX* trilogy for DAW Books and the geek rom-com novella *ONE CON GLORY*.

What do you get when you take the red hot space fantasy genre and combine it with the most popular fashion doll in the world? A magical space adventure that's sure to thrill young readers everywhere.

Barbie has explored many worlds and careers but none more "out there" than Para-Den, the strange alien planet where a girl named Barbie lives with her father and her flying pet, Pupcorn. But something is not right in Barbie's galaxy. One by one the stars are going out and no one seems to know why.

Of course, no one is more surprised than Barbie when she is chosen by King Constantine to join a special mission to make the stars dance once again. Along with Prince Leo, hover board champion Sal-Lee and the colorful twins Kareena & Sheena, Barbie must solve the mystery of the creatures known as Whailens and find a way to bring the starlight back before the stars stop dancing forever!

TINI HOWARD is a lady writer of comics and other pop culture miscellanea. A winner of the 2014 Top Cow Talent Hunt, her debut book, *Magdalena: Seventh Sacrament* was published in December 2014. She writes and reads comics in Wilmington, NC, where she lives with her husband, Blake, and her cat, Orlando.

Grunhilda is back in all-new adventure. The Lunch Witch has her hands full when one of her familiars accidentally casts a spell that turns everyone nice. Needless to say the ancestors are not pleased. It's more ghoulish fun featuring everyone's favorite career-changing sorceress!

Grunhilda the Witch has a weakness...a tiny soft spot on her black and crusty heart. She continues to hide the nice feelings she has when she gets a letter from former Salem Elementary student Madison. But she can't keep up the ruse for long because her familiars are onto her...and so are her ancestors! The familiars search her hovel and find her collection of letters from Madison. Mr. Williams has a solution, but it involves making a meanness potion from the book that IS-NOT-TO-BE-USED-BY-ANYONE-OTHER-THAN WITCHES (ESPECIALLY-NOT-WITCHES'-PETS). But anything that can go wrong does when he accidentally mixes up a positivity potion instead...and it starts to affect everyone in town. Birds are singing. Flowers are growing. The principal cancels school!

Deb Lucke is a writer and illustrator of children's books with an interest in bad behavior and horribly embarrassing incidents. Since her own childhood had plenty of both she is never short of material. Prior to getting involved in children's books Deb worked with a lot of talented people in advertising from whom she learned how to trap and snare an idea. She also studied filmmaking which influenced the way she visually tells her stories. She finds camaraderie in a group of children's book illustrators that meets in the Hudson Valley and a group of writers that meets in New York.

Deb lives and works in Cold Spring, NY with her partner, Paul Hartzell, a writer. Both are occasionally badly behaved.

A wonderful new collection of stories from the legendary creator of THE SMURFS!

From comics master Peyo (The Smurfs, Benny Breakiron) comes Pussycat--a lovable, mischievous tuxedo cat who spends his time chasing after milk and snacks and framing other members of his family for his shenanigans. This cat isn't exactly the noble hunting type-- he'd rather play a game of kickball with the resident mouse than chase after him-- and most of the humor originates from his clever, yet often foolish ways of trying to get what he wants (e.g. milk and snacks). Originally published in Spirou magazine in France, this is a delightful collection of comics that can be enjoyed by all-ages.

PIERRE CULLIFORD, born in Belgium in 1928, was the cartoonist known as Peyo. After leaving school in Brussels, he looked for a job and found two that caught his eye: dental assistant and illustrator. After arriving 15 minutes late for the dental assistant job, he was left with only one option! Peyo quickly found himself working with some of Belgium's most talented cartoonists, including his lifelong writing partner Yvan Delporte. He eventually got the break he deserved when he started working for *Le Journal de Spirou*. Johan and Peewit were among his most popular characters. In 1958, The Smurfs made their first appearance and went on to become the world-famous characters we know and love today.

It's Erik Farrell's most dangerous adventure yet. Who is Doctor Once? And how can Erik avoid being the subject of his next sinister experiment?

In the third collection of the hit webcomic THE ONLY LIVING BOY, Erik Farrell finds himself at the mercy of the villainous Doctor Once. But, of course, Doctor Once has NO mercy! Surrounded by strange creatures and sinister experiments, Erik's very life hangs in the balance. Even if he finds the strength to escape the hideous laboratory, Erik won't be able to escape his tragic past, or his destiny. Gallaher and Ellis' daring adventure series about an ordinary boy on an extraordinary planet continues in "Once Upon A Time" — the newest book in the acclaimed Only Living Boy series.

Author **David Gallaher** has received multiple Harvey Award nominations and won The Best Online Comic Award for his work on High Moon for DC Comics. He has served as a consultant for Random House, The NYPD, and McGraw-Hill.

Illustrator **Steve Ellis** has created artwork and conceived projects for numerous companies. Recently he has developed the award winning comic series High Moon for DC Comics as well as acted as the lead designer, storyboard artist and illustrator on AMC's Breaking Bad: The Cost of Doing Business and The Walking Dead: Dead Reckoning games.

The Smurf Apprentice gets the Anthology treatment!

Another iconic Smurf, The Smurf Apprentice, gets the Anthology treatment! A Smurf wants to emulate Papa Smurf, and decides the best way to do so would be to practice magic. So, the Smurf sneaks into Gargamel's lab and steals instructions for a magic potion. The Smurf foolishly drinks the potion and is turned into a monstrous lizard that all of the Smurfs fear. Can Papa Smurf create an antidote? Or will the Smurfs be seeing green for the rest of their lives? The Smurfs have delighted us all with their silliness, bravery, heroism, and heart for over 50 years, and now we finally have a definitive collection of Peyo's original comics to see where it all began.

PIERRE CULLIFORD, born in Belgium in 1928, was the cartoonist known as Peyo. After leaving school in Brussels, he looked for a job and found two that caught his eye: dental assistant and illustrator. After arriving 15 minutes late for the dental assistant job, he was left with only one option! Peyo quickly found himself working with some of Belgium's most talented cartoonists, including his lifelong writing partner Yvan Delporte. He eventually got the break he deserved when he started working for *Le Journal de Spirou*. Johan and Peewit were among his most popular characters. In 1958, The Smurfs made their first appearance and went on to become the world-famous characters we know and love today.

Lions and tigers and balloons, oh my! The best-value series in comics continues with the adventures of the iconic girl detective, **NANCY DREW**.

In “Tiger Counter,” Nancy Drew and her friends Bess and George, have volunteered at the River Heights Animal Protection Center, never dreaming that they might soon need protection from the animals. But that’s what happens when a truck delivering circus tigers breaks down by the woods, and the big cats escape. Nancy and her friends were nearby responding to a call from Mrs. Eartha—one of her cats was attacked by a coyote—when suddenly they’re swept up in the deadly mystery of the missing tigers. In “What Goes Up...” Nancy Drew gets caught up—lieterally—with a crook with a million dollars in stolen cash. Chief McGinness is in hot pursuit, so the desperate thief decides to escape in Nancy’s hot air balloon—except he doesn’t want Nancy along for the ride. Let’s hope that what goes up can come back down alive!

STEFAN PETRUCHA is the author of such YA series as *Timetrip*, *Split*, and *The Rule of Won*, as well as *THE THREE STOOGES*, *POWER RANGERS*, *PAPERCUTZ SLICES*, and many other series from Papercutz. He has written *X-Files* comics for Topps, Disney comics for Egmont, and he was nominated for a Stoker Award for his graphic novel, *Kolchak: The Devil in the Details*.

SHO MURASE is half Japanese and half Korean but her first language is Spanish because she grew up in Spain. She moved from Europe to Vancouver and from Vancouver to Maverix Studios in California, where she works in animation and draws comics. She is the author of *Sei*, *Death* and *Legend* published by Image Comics and *ME2* from Tokyopop.

The first volume in all-new series of **HARDY BOYS** collections. Get four graphic novels-in-one at a can't beat price!

This collection of four Hardy Boys graphic novels brings stories “Board to Death,” “To Die or Not to Die?,” “A Hardy Day's Night,” and “Abracadeath” into one volume for the very first time. Follow Frank and Joe on adventures as they search for hidden treasure, discover the true identity of a mysterious girl, investigate some accidents on the set of a popular reality series, and check out some strange occurrences at the local mall.

Two time Wizard-Award-winning writer **SCOTT LOBDELL** is most closely associated with his seven year run on Marvel's Uncanny X-Men, as well as his co-creation with artist Chris Bachalo on the same company's Generation X. He has also worked on series such as WILDCATS, The Darkness, Buffy the Vampire Slayer, and KISS! While keeping one foot firmly planted in the comic book industry with such creator-owned properties as Ball and Chain and The Stray, Scott is currently writing television pilots, direct to DVD movies (for comic book legend Stan Lee) and feature films in Hollywood.

Continuing the adventures of Wendy and Marine - two teen siblings who love each other but drive each other crazy. In other words, typical sisters!

How can two siblings who truly love each other manage to also drive each other so crazy? Well, if you have a sibling, then you already know the answer! Wendy and Marine continue their sisterly shenanigans and manage to not kill each other as they continue to act... like sisters. Can you imagine what would happen if they didn't love each other? While their friends know to stay out of the sisters' way while they're going at it, they also know what a good time can be had just by standing back and seeing what they'll do next! It'll surprise you—or worse, it will remind you of you and your sister!

CHRISTOPHE CAZENOVE and WILLIAM MAURY are the co-creators of THE SISTERS, a "slice of life" series focused on family life inspired by Maury's real-life sisters. Both creators currently reside in their native France.

Meet Ariol's newest classmate, Bouncer - a rabbit who's a star athlete. Is he a new friend or a potential rival for Petula's affections? You'll have to read the latest volume in this charming series to find out!

Bouncer, Ariol's rabbit classmate, is the best one at sports (even if he wears a dental device). That's just one typical detail you'll discover in the latest all-new collection of twelve delicately delightful Ariol stories. Ariol, that cute little blue donkey with the big eye glasses, whose best friend is a pig, who is hopelessly in love with a cow, while a fly is equally head-over-heels in love with him (not that he cares). Ariol's ever-expanding universe features many endearing characters that will remind you of your friends and (possibly) your enemies too. After all, Ariol's just a donkey like you and me.

Emmanuel Guibert has written a great many graphic novels for young readers young and old, among them the *Sardine in Outer Space* series and *The Professor's Daughter* with Joann Sfar. Another of Guibert's recent works is *The Photographer*. Showered with awards, it relates a Doctors Without Borders mission in 1980's Afghanistan through the eyes of a great reporter. Guibert lives in Paris with his wife and daughter.

Originating from Burgundy (as do the best snails), **Marc Boutavant** now lives and works in Paris. His work springs from a wry observation of life and the interaction of his friends and children. Their quirks of personality, mannerisms and reactions to situations are transposed into his characters.

It's Mickey Mouse as you've never seen him, starring in a parodies of great literature.

Imagine if you will, a satirical retelling of Dante Alighieri's *Inferno* starring Mickey Mouse. This is the very first of the world-famous, er, famous Great Parodies featuring classic Disney stars in outrageous spoofs of the world's greatest stories.

GUIDO MARTINA was one of the first writers of Disney Italian comics, creating over six hundred comic book stories during the whole of his career. Martina is famous for creating the characters of Phantom Duck and Paperinika and for developing Disney parodies.

A haunted keyboard sends the four friends in to a weird and wild dream world. Is it possible to high five when you're sound asleep? More fun new adventures from NICKELODEON's craziest cartoon crew.

Cricket tries to get Goat's attention by buying her a creepy (probably haunted) keyboard from a goth bat's garage sale. But Goat won't stop playing it, and nobody can sleep. Finally, Pig, Banana, and Cricket consult a magical book that allows them to summon the Sandman to put them all to sleep, and the three friends find themselves in a shared dream that allows them to enjoy their greatest desires. But then the dream turns into a nightmare, and the only one who can wake them is Goat and the horrible banshee screeches of her keyboard. Pig, Goat, Banana, Cricket, and a barrel's worth of pickles are bringing the laughs with this and other thrilling tales.

ERIC ESQUIVEL is an author, screenwriter, and journalist whose previous comic book work includes stories for the ADVENTURE TIME, BRAVEST WARRIORS, SONIC THE HEDGEHOG, and WONDERLAND franchises, as well as the original series BLACKEST TERROR, BOO!, CALABRESE, and LOKI: RAGNAROK AND ROLL.

ANDREAS SCHUSTER is a freelance Cartoonist with a Diploma in Illustration from the University of Düsseldorf.

He has worked in the animation industry for the last several years, focusing mostly on storyboards and character design for Nickelodeon and Cartoon Network.

Julie, Lucie, and Alia are back in the newest adventure from Crip and Béka!

Meet Julie, Lucie, and Alia! Whether it's ballet, modern dance, or hip-hop, these three are committed to getting better, and maybe one day making it to the Nationals! In the meantime, they still have school, family, crushes, and everything else life throws their way. Follow along with their hilarious misadventures as they practice to perfection, ace their recitals, and hopefully make it through with no bumps and bruises!

BEKA is the pseudonym for the writing team of Bertrand Escaich and Caroline Roque. Before creating DANCE CLASS, the duo wrote stories for the numerous children's comic series in France, and created the hit series *The Rugbymen*.

CRIP is an artist with a background in applied arts. He has drawn several stories for the educational comic series *All About*.

Praise For...

"Will be of special interest to girls old enough to think about being a dancer, even for fun, but also to boys who are interested in any form of dancing. The Nutcracker sequence alone is worth the price of the book." — ICv2

"Tween to teen girls will be able to relate best to the series as they've probably experienced a lot of what is portrayed in the one-page strips, but really, anyone who enjoys a good story and a laugh will be entertained." — SLJ "Good Comics For Kids" Pick of the Week

"There's plenty to look at on every page, with lots of characters and background details. The slim volumes are brightly colored by Mae"la Cosson, adding to the feeling that these girls live in a full world." — COMICS WORTH READING

It's a new friend for Tinkerbell as she meets Cheese the Mouse. Together, they have to deal with a flying monster that's terrifying Pixie Hollow!

Tink and Cheese, the mouse, discover a terrifying creature in the woods: a flying monster! All the fairies flee when they see the monster coming, but the monster is not what it appears to be at first. Tinker Bell and her fairy friends discover the true meaning of friendship in this collection of stories from the heart of Pixie Hollow.

ANTONELLO DALENA has drawn Donald Duck comics for *Topolino* and *PK3* and drawn many of Disney's feature animation graphic novels and comics, including *Atlantis*, *Cars*, *Toy Story*, *Bolt*, *Wall-E*, *Ratatouille*, and *Brave*. His work has appeared in the ERNEST & REBECCA graphic novel series as well as SYBIL THE BACKPACK FAIRY, both from PaperCutz.

MANUELA RAZZI has created many comics for Disney before beginning a collaboration with Antonello Dalena. Just like her colleague, she draws inspiration from a fun mix of styles that brings a fresh perspective to children's comics.

From the mind of New York Times Best-selling author and Eisner Award-winning author Neil Gaiman, Lady Justice is the living embodiment of justice, possessing oppressed women and giving them the ability to fight their tormentors. In times of trouble, the spirit of Justice appears before women and offers them the chance to take revenge on their male abusers. This boxed set collects all of the classic Lady Justice comics in one place!

NEIL GAIMAN is the New York Times bestselling author of the novels 'Neverwhere', 'Stardust', the Hugo and Nebula Award-winning 'American Gods', 'Anansi Boys', and 'Good Omens' (with Terry Pratchett), as well as the short story collections 'Smoke and Mirrors' and 'Fragile Things'.

C.J. HENDERSON is the creator of both the Jack Hagee hardboiled PI series and the Teddy London supernatural detective series. He is also the author of The Encyclopedia of Science Fiction Movies, several score novels, plus hundreds of short stories and thousands of non-fiction pieces.

In Volume 4, Ned Nickerson is arrested for shoplifting! Nancy Drew threatened with a lawsuit! Plus, Nancy Drew battles the Abominable Snowman in "Global Warning"!

Volume 5 collects parts one and two of The "HIGH MILES Mystery"! Has Nancy Drew solved the world's energy crisis?

And in Volume 6, Nancy (and mechanic Bess) is asked to drive a fuel-efficient prototype in a government-sponsored race. Plus, when Bess and George help Nancy pick out a dress for Deirdre's big party, little do they suspect it's the identical dress Deirdre will be wearing. After a minor altercation with the perturbed hostess, Nancy leaves the party only to be grabbed by a dark figure, tossed into a van and kidnapped!

STEFAN PETRUCHA is the author of such YA series as Timetripper, Split, and The Rule of Won, as well as THE THREE STOOGES, POWER RANGERS, PAPERCUTZ SLICES, and many other series from PaperCutz. He has written X-Files comics for Topps, Disney comics for Egmont, and he was nominated for a Stoker Award for his graphic novel, Kolchak: The Devil in the Details.

SHO MURASE is half Japanese and half Korean but her first language is Spanish because she grew up in Spain. She moved from Europe to Vancouver and from Vancouver to Maverix Studios in California, where she works in animation and draws comics. She is the author of Sei, Death and Legend published by Image Comics and ME2 from Tokyopop.

Far away from here, in a land almost no human has ever seen, live the fantastically funny Smurfs! Only three-apples high, The Smurfs live in mushroom houses, eat sarsaparilla and cake, and speak their very own Smurfy language. But life in the village isn't always fun and fancy-free, not with the villainous sorcerer Gargamel and his snarling cat Azrael nearby! PaperCutz is proud to present the complete collection of classic Smurf-tastic adventures from world-renowned cartoonist Peyo in this graphic novel series. These charming stories are some of the Smurfiest comics ever made!

PIERRE CULLIFORD, born in Belgium in 1928, was the cartoonist known as Peyo. Peyo began his career working with some of Belgium's most talented cartoonists, including his lifelong writing partner Yvan Delporte. In 1958, The Smurfs made their first appearance and went on to become the world-famous characters we know and love today.
