\$12.99/\$17.99 Can.

The classic horror series gets an all-new, modern spin that will appeal to fans of everything from GOOSEBUMPS to THE WALKING DEAD.

EDITED BY COMICS LEGEND LARRY HAMA!

Meet “Etienne the Strangler.” In medieval France, he’s the massive brute that serves as the town’s executioner. But what happens when he becomes out of control? Who executes the executioner?

When Alice accidentally bumps a person in front of an oncoming subway train, she thinks she’ll get away with it, until she has to answer to “The Ghost in the Closet.”

In a Conan-like tale of sword-and-sorcery, “Baku the Reaper” plots to gain his freedom from his captor and make off with some stolen treasures as well.

In “Omniphage,” young parents must deal how large this baby is growing. He is getting bigger and bigger all the time. He's eating entire cows whole. A mathematician figures out that the growth is exponential.

Plus: several more to keep you up nights!

LARRY HAMA is best known to American comic book readers as a writer and editor for Marvel Comics, where he wrote the licensed comic book series *G.I. Joe: A Real American Hero*, based on the Hasbro topline. He has also written for the series *Wolverine*, *Nth Man: the Ultimate Ninja*, and *Elektra*. He created the character Bucky O'Hare, which was developed into a comic book, a topline and television cartoon. Hama was a student of EC Comics artist Bernie Krigstein and got his first art job as an assistant to another EC comics legend, artist Wally Wood.

Juvenile Fiction / Comics & Graphic Novels

On Sale 11/28/2017

Ages 10 to 14

Trade Paperback , 96 pages

9 in H | 6.5 in W

Carton Quantity: 50

ISBN: 9781629918266

\$9.99 / \$13.99 Can.

A new Charmz series - Fun historical adventure with a female lead. *The Scarlet Pimpernel* has nothing on THE SCARLET ROSE!

Maud is quite happy living her simple life with her father and learning the exciting art of sword fighting. But when her father is murdered, Maud is whisked away from the life she knows by her rich and lordly grandfather. He wants to give her a home – on his terms – and help Maud become a real lady. All Maud wants to do is keep on fighting, so that she can have her revenge on her father’s killer.

High adventure and historical fiction come together in a swashbuckling thriller! Swords, vengeance, and a dashing highwayman known as the Fox comprise the key components to *The Scarlet Rose*, as Maud learns everything she thought she knew about her life wasn’t true, and how to grow and grieve after losing her father. *The Scarlet Rose* blends exciting, thrilling action with grounded, emotional characterization.

Apart from *The Scarlet Rose*, **Patricia Lyfoung** has worked as an assistant story board artist for *Totally Spies!* and *Martin Mystery* at Marathon Animation (where she also worked on character creation). In 2005, she published a mini-comic called *Strike* in *Coyote Magazine*, telling the story of a girl who disguises herself as a boy in order to play baseball. Eleven volumes of THE SCARLET ROSE have been published by Delcourt (in France) since 2005. The twelfth volume is expected in October 2016.

Are the kids of Megatown ready to tackle the issue of Intra-Monster Marriage? Amusing and provocative at the same time, this fun sequel to ANNE OF GREEN BAGELS is sure to get people talking.

Suburban Megatown doesn't seem like the ideal location for a bunch of kids to make a horror movie. But Anne and her friends luck into a deal with Augusta Herringbone and begin filming *Dracula Marries Frankenstein!* at Augusta's creepy castle-like home. Unfortunately Augusta flips her homophobic lid and then a fire destroys the whole film set. Out of the ashes come forgiveness and understanding, a finished film, an underwater dream fulfilled, and a location for the kids' next movie.

Susan Schade has written over 40 kids' books, most of them done in collaboration with her husband, **Jon Buller**. Susan does most of the writing, and Jon Buller does most of the illustrating, but they both do a little bit of each. For more details of their lurid and scandal-filled lives and careers, visit their website, www.bullersooz.com.

From multiple award-winning author Emmanuel Guibert and renowned illustrator Marc Boutavant! Ariol is your everyday tween donkey. He lives in the suburbs with his mom and dad. His best friend is a pig. He's in love with a beautiful cow in his class. His teacher is a dog. His gym teacher is a huge rooster. In short, Ariol is just like you and me.

Emmanuel Guibert has written a great many graphic novels for young readers young and old, among them the *Sardine in Outer Space* series and *The Professor's Daughter* with Joann Sfar. Another of Guibert's recent works is *The Photographer*. Showered with awards, it relates a Doctors Without Borders mission in 1980's Afghanistan through the eyes of a great reporter. Guibert lives in Paris with his wife and daughter.

Originating from Burgundy (as do the best snails), **Marc Boutavant** now lives and works in Paris. His work springs from a wry observation of life and the interaction of his friends and children. Their quirks of personality, mannerisms and reactions to situations are transposed into his characters.
