Experience Brazilian superstar Vitor Cafaggi's entire romantic smash hit all in one volume!

Vincent the dog enjoys the simple things in his young life—empanadas with various fillings, performing magic tricks, comicbooks, playing with his little sister, and all-day Saturday RPG sessions with his best friends. He does not enjoy, however, being single (or physical activity). After seeing a girl (he mistakenly thinks) smile at him on the bus, his life changes forever. Take a ride on the roller coaster of love with Vincent as he falls in and out of relationships, braves college, and learns the secret to his own happiness. International cartooning sensation Vitor Cafaggi's complete serialized tale of love, loss, and game nights is collected here with a section of never before seen art and anecdotes to make you fall in love with Vincent all over again.

Praise For...

"It is so good reading VINCENT, by Vitor Cafaggi, that when it ends it leaves you longing for more." -Fabio Moon (Daytripper, Two Brothers, How to Talk to Girls at Parties)

"Vitor Cafaggi spins a marvelous relationship story that is funny, charming, and for many of us extremely relatable. A wonderful read!" -Amy Chu (Poison Ivy, Red Sonja, Kiss)

"VINCENT tells love stories that happen to all of us. Pure feelings, with butterflies, a glimmer in the eye, dumb smiles in the middle of the street, a small event can have major life altering changes that will change you forever ... You must be brave to confront these adolescent romances, the first in your life, those that will never be forgotten or tainted. Deep down, it's that. You must be brave." -Delfin (Universe HQ)

"In a simply brilliant way, Vitor Cafaggi has created a story with the ability to remind you of everything you once felt. Every fear, every smile, every kiss goodnight (before 10 PM, without fail, or else his mother would worry) are portrayed here. VINCENT is not just a great read, it is a feeling, a longing for a...

The Geeky Fab Five go on a roadtrip full of nature and nonsense in this next chapter of the hit STEM/Girlpower series!

The Geeky Fab Five hit the road in an adventure of a lifetime. Packed into the camper of Lucy and Marina's grandfather, the girls' first stop is the Grand Canyon. Once at the national park, Lucy investigates erosion and rock formations; A.J. discovers a construction site on the canyon with a goal of preservation; Sofia is inspired by the beautiful jewelry of the local tribes; Marina watches the stars while Zara keeps watch for wild animals (not counting their snarky mascot Hubble the cat). There's plenty of fun and discoveries in the great outdoors!

LUCY LAREAU co-created the GEEKY FAB FIVE STEM girls series with her mom based on her own real-life experiences in elementary school, where students learn to make a difference.

LIZ LAREAU, M.A., co-authors the GEEKY FAB FIVE series with her daughter, Lucy, to inspire all girls to realize their potential and work together for a better world.

RYAN JAMPOLE is a Harvey Award nominated comic artist. Ryan has drawn MEGA MAN and SONIC for Archie comics, DEXTER'S LABORATORY, and CODENAME KND for IDW and GERONIMO and THEA STILTON comics for Papercutz.

Lola must use her imagination to become the hero she was meant to be in this brand new series!

Lola is a girl like any other, except for one tiny detail: her father, Robert Darkhair, is James Blond, a top-secret agent so secretive, that not even he knows what he does, or at least that is what Blond wants us to believe. When the villains of Friendly Falls kidnap Lola's parents, she becomes Super-Lola. Accompanied by her toy dinosaur Super-James (in undies) who can grow to the size of an actual dinosaur (thus stretching the undies), their cat Hot Dog, a pencil, an eraser, and an infallible duckie pool toy, she is off to the rescue. Ah, imagination. It is our most powerful weapon.

Pierre Fouillet was born in 1958 in the countryside. He grew up sketching animals but went on to study Fine Arts instead of veterinary sciences. He has worked on childrens books and graphic novels for the past 15 years.

Christine Beigel was born in 1972 in France and spent her life in Paris and Mallorca. Beigel is the writer of over 40 childrens books, from books for the littlest of readers to dark novels for older teens. Lola's Super Club is her first comic for kids. The Gauls are here! Asterix invades America in honor of his 60th anniversary!

One of the world's greatest comics characters, the ever-fearless Asterix, continues to battle supposedly unbeatable odds to protect his tiny village from the Roman Empire. Fortunately, all of the villagers have super-strength thanks to a secret potion. In "Asterix and the Big Fight," one of the three classic Asterix graphic novels collected here, the Romans are beginning to wise up. Instead of trying to conquer Asterix's village, the Roman's challenge Vitalstatistx, chief of Asterix's tribe, to a one on one battle with the Gallo-Roman Chief, Cassius Ceramix of Linoleum. As per Ancient Gaulish customs, the loser would forfeit his entire tribe to the winner. "Asterix in Britain," the Romans have conquered all of Britain except for a single village in Kent. After growing up in Argentina, he came to America where he shared a studio with future Mad magazine co-founder Harvey Kurtzman and collaborators Will Elder and Jack Davis, an association that would mark him for life. Three great graphic novels in one collection!

It's Smurf vs. Smurf vs. Smurf as the competitive nature of the Smurfs Village is in full display! First, the most popular Smurf, the bodacious Smurfette returns to the Village. Then, let the games begin as the Smurfs have their own Olympics. Plus: the Smurfs are at war over what to call the device that opens bottles! Is it a Bottle-Smurfer or Smurf Opener? It's a debate that quickly escalates and threatens to tear the Smurf Village apart! All this and more in over 150 pages of Peyo's Smurfs comics, featuring stories from THE SMURFS graphic novels volumes 10-12.
