The X-Venture Explorers make a splash to find out who's really the king of the sea!

When their relaxing sea vacation is interrupted, Jake, Sherry, Kwame and the rest of Dr. Darwin's X-Venture Explorers head under the sea to find out all about creatures from the deep. And under the sea, sharks are king. But the sharks are not the apex predator they once were, illegal fishing is harming their lives and habitat. Learn about the various species of sharks, tooth by tooth, and find out who would win in a hypothetical battle between fishes, and who would end up as chum. Each comics chapter is followed by an informative prose chapter, filled with exciting facts and illustrations about the real-life creatures featured in the comics.

World-renowned artist Lewis Trondheim's wordless classic **THE FLY** is available for the first time in the US!

One of the world's greatest cartoonists, Lewis Trondheim, tells the exciting life story of a common housefly. From the fly's birth to his inevitable end, we see everything this creature goes through simply to survive... from the fly's perspective. We guarantee you've never looked at your kitchen the way the fly does. While there's plenty of humor, there's thrills and chills as well, especially when the fly meets a spider. You may never have liked flies before, but once you meet this little guy, you may be surprised how much you can like a fly.

Lewis Trondheim, is a French cartoonist and one of the founders of the independent publisher L'Association. Both his silent comic *La Mouche* and *Kaput and Zösky* have been made into animated cartoons.

Something wicked this way comes for Lola and her super friends!

Join Lola and her quirky and hilarious super club of crocodiles, sharks, dinosaurs (in undies), skeletons, and her cat Hot Dog, for a death-defying adventure to... her elementary school. When Lola's teacher is out sick due to a "small accident," a miserable substitute takes over her history class. Weird things start happening like resident Friendly Falls middle-aged villain, Max Imum, joining the class and calling the sub "Mommy," students disappearing, and the class adding real monsters to the curriculum. Today's lesson is simple... survive until the bell.

Pierre Fouillet was born in 1958 in the countryside. He grew up sketching animals but went on to study Fine Arts instead of veterinary sciences. He has since exchanged the green pastures of the countryside for the gray concrete of Paris. He has worked on childrens books and graphic novels for the past 15 years.

Christine Beigel was born in 1972 in France and spent her life in Paris and Mallorca. Beigel is the writer of over 40 childrens books, from books for the littlest of readers to dark novels for older teens. She enjoys spending her time traveling along the border of the real and the imaginary, where all is possible and humor is everywhere. Lola's Super Club is her first comic for kids.

After three months in the Blin household, Cartoon the kitten is starting to find his place in the family. From catnaps with adolescent Chloe, playing with little Arthur, and sharpening his claws in a never-ending rivalry with Tony--the head of the household-- Cartoon is set. That is, until one day when he finds himself in a moving car that is pulling into a place with all sorts of strange animal noises and smells. What is going on? Will the honeymoon be over once and for all when Cartoon meets the Vet?

Asterix visits Switzerland, checks out a swanky new mansion, and tries to steal Caesar's wreath crown!

We find “Asterix in Switzerland” as the indomitable Gaulish warrior yodels in the Alps, has plenty of holey cheese, and stumbles upon Helvetica. Then, the villagers are tempted with “The Mansion of the Gods” with all the modern luxuries of Rome when a new housing development threatens to urbanize (and Romanize) their humble tribe. Finally, it is a true Roman circus as Obelix and Asterix head to Rome to get a key ingredient to the Chieftain’s soup, Caesar’s Laurel Wreath. What will become of “Asterix and the Laurel Wreath” and will Rome ever be the same? These three classic graphic novels are newly translated especially for an American audience.
