Everyone thinks their lunch lady is serving up something vile. But Madison knows it's actually true!

For generations and generations, the women of Grunhilda's family have stirred up trouble in a big, black pot. Grunhilda inherits her famous ancestors' recipes and cauldron, but no one believes in magic anymore. Despite the fact that Grunhilda's only useful skill is cooking up potfuls of foul brew, she finds a job listing that might suit her: lunch lady. She delights in scaring the kids until she meets a timid little girl named Madison with a big set of glasses who becomes an unlikely friend. Madison needs help at school and at home, but helping people goes against everything Grunhilda's believes in as a witch! Will this girl be able to thaw the Lunch Witch's icy heart? Or will Grunhilda turn her back on a kindred spirit?

DEB LUCKE is a writer and illustrator of children's books with an interest in bad behavior and horribly embarrassing incidents. Since her own childhood had plenty of both she is never short of material. Prior to getting involved in children's books Deb worked with a lot of talented people in advertising from whom she learned how to trap and snare an idea. She also studied filmmaking which influenced the way she visually tells her stories. She finds camaraderie in a group of children's book illustrators that meets in the Hudson Valley and a group of writers that meets in New York. Deb lives and works in Cold Spring with her partner, Paul Hartzell, a writer. Both are occasionally badly behaved.

Praise for THE BOY WHO WOULDN'T SWIM
"... this fear-of-swimming tale is ideal for kids who are afraid to take that first step ... Hot summer yellows and cool watery blues abound in the gouache illustrations, which are filled with action and humor. This tale is just the thing for librarians interested in showcasing summer stories."--SCHOOL LIBRARY JOURNAL

A wonderful new series of stories from the legendary creator of THE SMURFS!

From comics master Peyo (The Smurfs, Benny Breakiron) comes Pussycat--a lovable, mischievous tuxedo cat who spends his time chasing after milk and snacks and framing other members of his family for his shenanigans. This cat isn't exactly the noble hunting type-- he'd rather play a game of kickball with the resident mouse than chase after him-- and most of the humor originates from his clever, yet often foolish ways of trying to get what he wants (e.g. milk and snacks). Originally published in Spirou magazine in France, this is a delightful collection of comics that can be enjoyed by all-ages.

PIERRE CULLIFORD, born in Belgium in 1928, was the cartoonist known as Peyo. After leaving school in Brussels, he looked for a job and found two that caught his eye: dental assistant and illustrator. After arriving 15 minutes late for the dental assistant job, he was left with only one option! Peyo quickly found himself working with some of Belgium's most talented cartoonists, including his lifelong writing partner Yvan Delporte. He eventually got the break he deserved when he started working for *Le Journal de Spirou*. Johan and Peewit were among his most popular characters. In 1958, The Smurfs made their first appearance and went on to become the world-famous characters we know and love today.

From the world of Peter Pan comes *The Pirate Fairy*, a swashbuckling new adventure about Zarina, a smart and ambitious dust-keeper fairy who's captivated by Blue Pixie Dust and its endless possibilities. EMMANUEL GUIBERT has written many graphic novels for readers young and old, among them the *Sardine in Outer Space* series, *The Professor's Daughter* with Joann Sfar, and *Alan's War: The Memories of G.I. Alan Cope*. Another of Guibert's recent works is *The Photographer*. Showered with awards, it relates a Doctors Without Borders mission in 1980s Afghanistan. Guibert lives in Paris with his wife and daughter.

Originating from Burgundy (as do the best snails), **MARC BOUTAVANT** now lives and works in Paris. His work springs from a wry observation of life and the interaction of his friends and children. Their quirks of personality, mannerisms and reactions to situations are transposed onto his characters.

Praise For...

"The books are hilarious and charming (adults will enjoy reading them almost as much as kids). Guibert's work here is delightful." — GRAPHIC NOVEL REPORTER

"Guibert tackles overarching themes such as self-esteem, first crushes, and the importance of friendship with subtlety and humor. Boutavant's brightly colored illustrations portray the diverse cast of animal characters in delightful and accessible ways. Great for reluctant readers and graphic-novel fans in general, this title will be a popular addition." — SCHOOL LIBRARY JOURNAL

The Smurf Apprentice gets the Anthology treatment!

Another iconic Smurf, The Smurf Apprentice, gets the Anthology treatment! A smurf wants to emulate Papa Smurf, and decides the best way to do so would be to practice magic. So, the smurf sneaks into Gargamel's lab and steals instructions for a magic potion. The smurf foolishly drinks the potion and is turned into a monstrous lizard that all of the smurfs fear. Can Papa Smurf create an antidote? Or will the Smurfs be seeing green for the rest of their lives? The Smurfs have delighted us all with their silliness, bravery, heroism, and heart for over 50 years, and now we finally have a definitive collection of Peyo's original comics to see where it all began.

PIERRE CULLIFORD, born in Belgium in 1928, was the cartoonist known as Peyo. After leaving school in Brussels, he looked for a job and found two that caught his eye: dental assistant and illustrator. After arriving 15 minutes late for the dental assistant job, he was left with only one option! Peyo quickly found himself working with some of Belgium's most talented cartoonists, including his lifelong writing partner Yvan Delporte. He eventually got the break he deserved when he started working for *Le Journal de Spirou*. Johan and Peewit were among his most popular characters. In 1958, The Smurfs made their first appearance and went on to become the world-famous characters we know and love today.

Poe's timeless tale of horror comes to the CLASSICS ILLUSTRATED line

A masterpiece of horror, Edgar Allan Poe's *The Fall of the House of Usher* delves the dark depths of the subconscious and traces the hidden terrors of the human soul. Comics legends Jay Geldhof (*Grendel*, *Wonder Woman*) and P. Craig Russell (*Batman: Gotham By Gaslight*, *Sandman*, *Superman*, *Star Wars*) bring their dark sensibilities to this masterpiece of literature.

EDGAR ALLAN POE was an American author, poet, editor and literary critic, best known for his tales of mystery and the macabre. Poe was one of the earliest American practitioners of the short story and is considered the inventor of the detective fiction genre.

P. CRAIG RUSSELL has run the gamut in comics. After establishing a name for himself at Marvel on *Killraven* and *Dr. Strange*, he went on to become one of the pioneers in opening new vistas for this underestimated field with, among other works, adaptations of operas by Mozart, Strauss and Wagner. His more recent work includes comic book adaptations of Neil Gaiman's *Coraline* and *The Graveyard Book*.
