It's Barbie's big break, working as a fashion designer on a rock and roll tour. But when somebody destroys her designs on opening night the designer must turn detective!

Barbie is living her dream, designing outfits for a rock star's big tour! Everything's going great...until opening night of the show, when she arrives to discover that all of her designs have been destroyed. Is someone trying to get between her and her dreams, before they can even get off the ground? Barbie must don her most fashionable trench coat and jump into detective mode to navigate the glamorous, thrilling backstage world of fashion, music, and celebrity, before the curtain goes up and the show goes on—with or without her show-stopping designs.

SARAH KUHN is the author of the forthcoming *HEROINE COMPLEX* trilogy for DAW Books and the geek rom-com novella *ONE CON GLORY*.

When Papa Smurf observes that his Smurfs are fighting with each other, he decides something needs to be done about it, and that's when the trouble starts. Papa Smurf creates negative versions of the Smurfs. They're just like the regular Smurfs, except their clothes are a little darker and they don't have any of the good qualities of the real Smurfs. For example, a black-haired Smurfette has all of Smurfette's bad habits, and none of what's good about Smurfette! When the Smurfs meet the so-called "Grey Smurfs," they want to be friends. But the Grey Smurfs are only interested in going to war against the Smurfs, conquering them, and turning them all into their slaves. Can Papa Smurf fix this mess he created?

The Mr. Hero saga concludes as Jennifer Hale finally uncovers the mysterious past of the Newmatic Man!

Jennifer Hale's life changed forever once she literally uncovered (in a crate at the museum she worked out) the ingenious steam and watchwork contrivance known as Mr. Hero. She, herself, remains as full of life and humor as ever, and perhaps at first welcomed the exciting and weird adventures that came along with Mr. Hero, but now things are getting serious, and a lot darker and more dangerous. Jennifer and Mr. Hero, alongside Adam Cain, battle monsters, travel to a jungle world and meet a female version of Mr. Hero named Prima, who knows much about Mr. Hero's mysterious past. But ultimately all roads lead back to the nightmarish world of Kalighoul, the planet ruled by insane, power-mad Teknophage. It is there that all is revealed about Mr. Hero's past, including the secret of his two heads!

NEIL GAIMAN is the New York Times bestselling author of the novels 'Neverwhere', 'Stardust', 'American Gods', 'Anansi Boys', and 'Good Omens' (with Terry Pratchett).

JAMES VANCE is an award-winning writer whose career has embraced forms ranging from graphic novels to live theater and journalism. His 1988 graphic novel *Kings in Disguise* (with artist Dan Burr) was honored with the Eisner and Harvey awards.
