From multiple award-winning author Emmanuel Guibert and renowned illustrator Marc Boutavant! Ariol is your everyday tween donkey. He lives in the suburbs with his mom and dad. His best friend is a pig. He's in love with a beautiful cow in his class. His teacher is a dog. His gym teacher is a huge rooster. In short, Ariol is just like you and me.

Emmanuel Guibert has written a great many graphic novels for young readers young and old, among them the *Sardine in Outer Space* series and *The Professor's Daughter* with Joann Sfar. Another of Guibert's recent works is *The Photographer*. Showered with awards, it relates a Doctors Without Borders mission in 1980's Afghanistan through the eyes of a great reporter. Guibert lives in Paris with his wife and daughter.

Originating from Burgundy (as do the best snails), **Marc Boutavant** now lives and works in Paris. His work springs from a wry observation of life and the interaction of his friends and children. Their quirks of personality, mannerisms and reactions to situations are transposed into his characters.
