## "How I Met Your Mother" told with all the heart...and animals!

It's been some time since Vincent has had a good day. Sitting on the bus, he still doesn't know that his life is about to change. Forever. At that moment, outside the bus, Lady lets a little smile escape when recalling an anecdote about tomatoes. Vincent sees the smile and his world turns upside down. Now, armed with his nerdy RPG friends(not counting Bu, who is like a sister to Vincent and full of solid wisdom), an impressive magic act, and a insatiable love of roast beef sandwiches (no pickles, Vincent hates pickles), he must learn how to navigate his first non-platonic love and what may happen if things don't go as planned (as they often do in the life of Vincent).

Vitor Cafaggi is a professor of visual narrative, script and character development in Minas Gerais, Brazil. His debut to the world of comics was with the webcomic Puny Parker, which narrated the childhood of his favorite hero, Spider-Man. He gained notoriety in his country with the graphic novels inspired by Brazilian super-property Turma da Mônica (Monica and Friends) and the comic strip Valente (Vincent) published by the Brazilian newspaper O Globo. Vitor has won the HQ Mix trophy multiple times for his excellence in comic art.

Monica and her friends Maggy, Smudge, and J-Five had a great beach vacation...until Tony crashed their party and made things awkward between Monica and J-Five- who's childhood rivalry has matured to crush status. Amy's Diary is the story of an ordinary teenager in search of her place in the universe.

At fourteen, Amy Van Brandt doesn't feel particularly close to anyone. Since her father died, her mother has become some sort of a zombie, except all of a sudden, she's back to life (and even wearing edgy underwear!). Could there be a connection with Dennis Belcher, the school principal? (OMG!) As for her best friend, Kat, love has rendered her brain uncharacteristically mushy. No way that's happening to her, either! But it seems no one is truly safe from love at first sight... And in the middle of all this chaos, there's only one thing Amy really wants: to find her place in the universe.
