Sherrilyn Kenyon

Son of No One

Following the success of *Styx*, comes the next installment in #1 *New York Times* bestselling author Sherrilyn Kenyon's Dark-Hunter ...

His name is Cadegan. Centuries ago, he was viciously betrayed by the only person he'd ever trusted and was cast into an immortal prison. Forced against his will to do good, he hates everything in life. All he wants is a way out. But then he meets a woman who shakes him to the core...

Josette has been down on her luck, but she has made an unstable peace with the beast by taking a job photographing a local paranormal group. The only paranormal thing Josette believes in is the miracle that keeps her rusted-out hoopty running... until she meets Cadegan. Is he for real? Cadegan can't help but wonder the same about her: The last time he felt this way about a woman, it cost him everything. He knows he has to stay away from Josette—for his own good, as well as hers—but the unleashed demon is hell-bent on consuming her soul. The Warlords

One of Matt Braun's most beloved bestselling novels—now newly repackaged!

The Invasion of Texas—1915!

In Europe, men were dying in trenches. In Washington, sentiment was growing for war against the Kaiser. And in Mexico, an explosive plot was set in motion by a German agent, a deposed dictator, and an army of murderous rebels. Amidst the chaos of Pancho Villa's revolution, a force of embittered Tejanos has crossed the Rio Grande, burning ranches, killing Texans, and gathering fighters in its wake. For the Germans, the goal was to paralyze America.
