SUPER LEAD

Andy Cohen

The Andy Cohen Diaries

The *New York Times* bestselling look at the whirlwind life of pop icon Andy Cohen, in his own cheeky, candid, and irreverent words.

As executive producer of *The Real Housewives* franchise and executive producer and host of the smash late-night show *Watch What Happens: Live*, Andy Cohen has a front-row seat to an exciting world not many get to see.

In this dishy, detailed diary of one year in his life, Andy goes out on the town, drops names, hosts a ton of shows, becomes codependent with *Real Housewives*, makes trouble, calls his mom, drops some more names, and, while searching for love, finds it with a dog.

Inspired by the diaries of another celebrity-obsessed Andy (Warhol), this honest and laugh-out-loud funny book is a one-of-a-kind account of the whos and whats of pop culture in the twenty-first century.

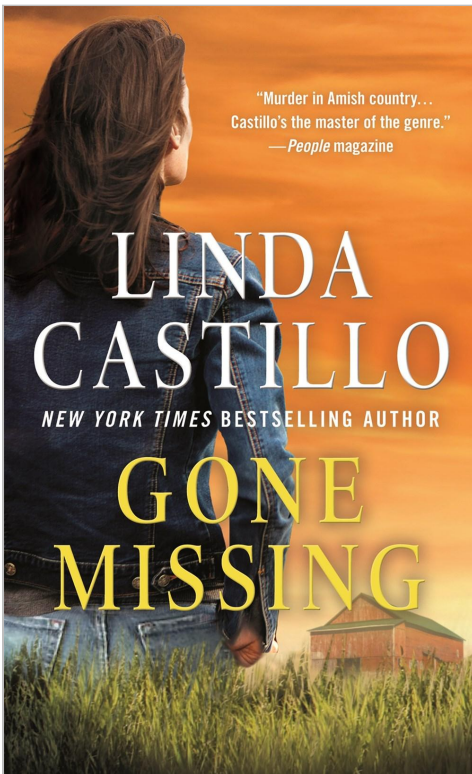

KEY SELLING POINTS:

- A bestseller in all formats. *The Andy Cohen Diaries* hardcover debuted at #3 on the *New York Times* bestseller list. The trade paperback also hit the list at #14.
- Andy isn't holding back here! He regularly rubs elbows with the celebrities America can't get enough of, and here he's giving out the details we're all dying to know, while also giving us an intimate look at his personal life.
- The publication of his latest book, *Superficial*, has increased the sales of the *The Andy Cohen Diaries*. With readers being drawn back to the original, *The Andy Cohen Diaries* has gained new life and is becoming a classic for lovers of Andy Cohen and celebrity life in general.

"A remarkable book...It's an important text when it comes to understanding what it is to be a gay man today."-*Time*

"A wild, starry ride."-*Us Weekly*

"Andy Cohen's *Diaries* are the literary equivalent of a Fresca and tequila."
-Jimmy Fallon

SPOTLIGHT

Linda Castillo

Gone Missing

In this chilling thriller Chief of police Kate Burkholder is called upon to assist when an Amish child suddenly disappears.

In the newest chilling thriller from *New York Times* bestselling author Linda Castillo, Chief of police Kate Burkholder is called upon to assist when an Amish teenager disappears without a trace.

A missing child is a nightmare to all parents, and never more so than in the Amish community, where family ties are strong. So when a body turns up and another young girl goes missing, fear spreads through the community like a contagion. Kate and state agent, John Tomasetti, delve into the lives of the missing teens and discover links to cold cases that may go back years. But will Kate piece together all the parts of this sinister puzzle before it's too late? Or will she find herself locked in a fight to the death with a merciless killer.

KEY SELLING POINTS:

- The first book in the series, *Sworn to Silence*, spent four weeks on the *New York Times* extended list and every book in the series since then has hit the extended list its first week out. *Among the Wicked*, published summer 2016 and put Linda Castillo on the printed list for the first time. This is a growing series that keeps getting better.
- Castillo has the rare talent of combining gripping suspense with characters that readers care for deeply. She is the recipient of numerous awards, including nominations by the International Thriller Writers for Best Hardcover, the Daphne du Maurier Award of Excellence, and the RITA.
- Castillo's series has received wonderful reviews from *People* and *USA Today* and starred reviews from *Publishers Weekly*, *Kirkus*, and *Booklist*.

Steve Cavanagh

The Defense

Attorney turned author Steve Cavanagh's *The Defense* shows that there's not much difference between a conman and a lawyer.

Eddie Flynn used to be a con artist. Then he became a lawyer. Turns out the two aren't that different.

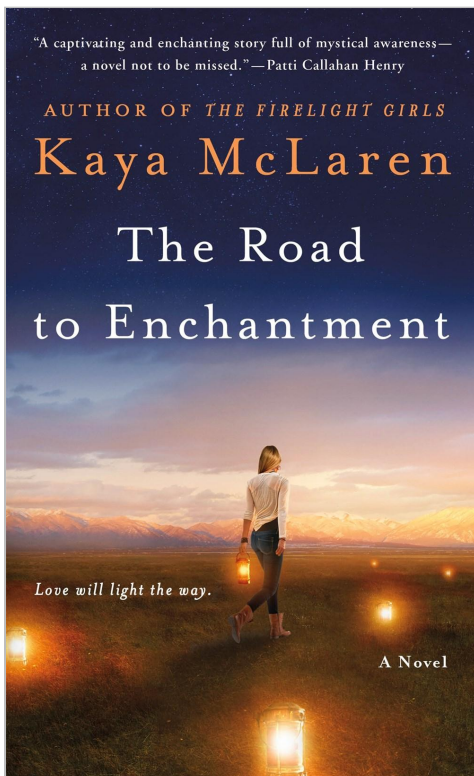

Former con artist turned lawyer Eddie Flynn gave up the law a year ago after a disastrous case, and he vowed never to step foot in a courtroom again. But now he doesn't have a choice. The head of the Russian mob in New York City, on trial for murder, has kidnapped Eddie's ten-year-old daughter: Eddie will take this case whether he likes it or not.

Using his razor-sharp wit and every con, bluff, grift, and trick in the book, Eddie has only forty-eight hours to defend an impossible murder trial. And if he loses this case, he loses everything.

KEY SELLING POINTS:

- Similar to John Grisham's famed publication story, Cavanagh was rejected by many agents and told his novel was unpublishable, and like Grisham, Cavanagh is a lawyer turned writer with an amazing commercial sensibility that keeps you turning pages.
- *The Defense* is commercial fiction at its best with a 4.8 star average on Amazon UK, longlisted for an Ian Fleming Steel Dagger Award, and the Reichenbach Falls Award for Most Epic Ending. *The Defense* is a book readers of commercial fiction respond to.
- Readers will love Eddie Flynn, a fast-talking, quick-thinking, bold-acting (mostly) reformed con-man who has been compared to Connelly's Mickey Haller, and Grisham's Mitch McDeere.
- This mass market precedes the second Eddie Flynn novel, *The Plea*, coming February 2018.

“Cavanagh’s stellar debut provides everything a reader could ask for in a thriller —nail-biting suspense, a Russian nesting doll of a plot, and an original and compelling lead.” —*Publishers Weekly*, starred review

The Road to Enchantment

Explore the complexities of mothers and daughters, the uncertainty of second chances, and the courage to stand on your own.

The first time Willow saw a warning in the clouds was the day her life changed forever. That day, her mother set fire to her cheating husband's belongings and left their lives in Washington State behind for a dusty plot of land in New Mexico bordering an Apache reservation. Willow's eccentric mother went about the business of starting a winery and goat ranch while Willow remained a bitter outsider, hiding her cloud-reading from all. But years later, after her mother dies, a suddenly single—and pregnant—Willow decides to leave her life in Los Angeles behind and return to the DeVine Winery and Goat Ranch, the only home she's got left. She's surprised to find that her Apache best friend Darrel, along with the rest of the community, believes she belongs there—and the clouds seem to tell her that life has turned out as it was meant to be. Could it be that the last thing Willow ever seem to have wanted is exactly what she needs?

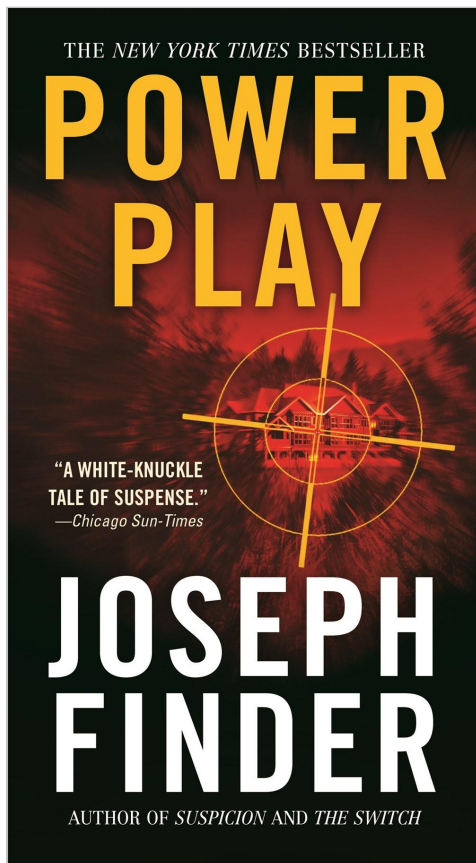

KEY SELLING POINTS:

- Kaya writes with heart and emotion in this unique women's fiction about second chances. *The Road to Enchantment* will appeal to fans of Sarah Jio and Marisa de los Santos.
- We have found success with reissuing our women's fiction novels in mass market. There is an audience for heartfelt women's fiction stories and *The Road to Enchantment* is the perfect fit!

Power Play

New York Times bestseller Joseph Finder at his breath-taking, pulse-pounding best

It was the perfect retreat for a troubled company. No cell phones. No BlackBerrys. No cars. Just a luxurious, remote lodge surrounded by thousands of miles of wilderness. All the top officers of the Hammond Aerospace Corporation are there. And one last-minute substitute—a junior executive named Jake Landry. He's a steady, modest, and taciturn guy with a gift for keeping his head down and a turbulent past he's trying to put behind him.

Jake's uncomfortable with all the power players he's been thrown in with, with all the swaggering and the posturing. The only person there he knows is the female CEO's assistant—his ex-girlfriend, Ali.

When a band of backwoods hunters crash the opening-night dinner, the executives suddenly find themselves held hostage by armed men who will do anything, to anyone, to get their hands on the largest ransom in history. Now, terrified and desperate and cut off from the rest of the world, the captives are at the mercy of hard men with guns who may not be what they seem.

The corporate big shots hadn't wanted Jake there. But now he's the only one who can save them.

KEY SELLING POINTS:

- There's no doubt about it—Power Play is one of Finder's most appealing, traditional thrillers, and it shows. We're repackaging and republishing this to bring in brand-new readers from his latest bestsellers.
- *Power Play* was one of Joseph Finder's biggest bestsellers hitting #4 on the *Boston Globe* hardcover fiction list and #24 on the *New York Times* mass market fiction list.
- This is the first time this title will be published as a Premium mass market.

The Wicked Vampire

The next novel in *The Last True Vampire* series where one vampire must fight to keep the love of his life safe...

Sasha Ivanov is a vampire party girl, living life on the edge. Drinking, dancing, and hooking up--she's tired of playing it safe. But when she finds herself tethered to a mortal enemy, she realizes she's about to play the most dangerous game of all.

Liam Brún's existence has been steeped in violence. A Berserker, he is viewed as nothing more than a mindless fiend in the supernatural world, and Liam has no qualms with perpetuating that myth. Until he finds himself thrown into the company of a gorgeous vampire who claims he's her mate. The stunning beauty is able to soothe the beast in his soul like no other ever could. But Sasha is his clan's nemesis, and Liam and Sasha must decide: is loyalty most important? Or could their budding love trump all?

Amelia Grey

To the Duke, With Love

The next lush, romantic novel in the Regency romance series from *New York Times* bestselling author Amelia Grey!

Sloane Knox, the Duke of Hawksthorn, has one mission: to marry off his sister. A notorious scoundrel, he's never looked out for anyone other than himself—unit now. Hawk has the perfect gentleman for his sister in mind. But what he didn't count on was the man's sharp-tongued sister to get in his way...

Miss Loretta Quick knows a thing or two about arranged marriages, having escaped one herself. So when the arrogant—and breathtakingly handsome—due tries to force a loveless marriage on her brother, Loretta makes it her personal crusade to stop his nonsense once and for all. But despite all her tricks at avoiding marriage, Loretta finds herself an innocent up against the most scandalous of rakes, and she can't deny that she's in danger of losing her heart to the duke...

No Place Like You

Sometimes old flames burn the hottest...

Having a crush on your best friend's brother is kind of inconvenient. But for the teenage Leah Santelli, it was also a fact of life. She always knew Zach Harper, gifted with his rockstar father's voice and his model mother's looks, was out of reach. But on the night of her 18th birthday, she decided to ask for the present she really wanted and, to her shock, convinced Zach to sleep with her. But then Zach left town to chase his music dreams and never looked back. And Leah moved on. But now Zach's home again, and him recording his first solo album in Cloud Bay is a chance for Leah to get the producing credit she needs to take her career to the next level. The only trouble is that means spending long hours with Zach...and apparently her old crush hasn't completely burned out.

Zach Harper always believed you can't go home again. And he hasn't needed to test that theory until now. But now he's back in Cloud Bay, looking to repair his relationship with his sisters and record the album he's always wanted to. He knows it isn't going to be easy but he hadn't counted on the last bridge he burned when he left—Leah—being the one that he suddenly most wants to repair. But even though Leah is newly divorced and the heat between them hasn't gone anywhere, she knows Zach is leaving again. She'll let him into her bed but not into her heart. Can Zach convince her that they can make more than just great music together and that she's the one that he wants?

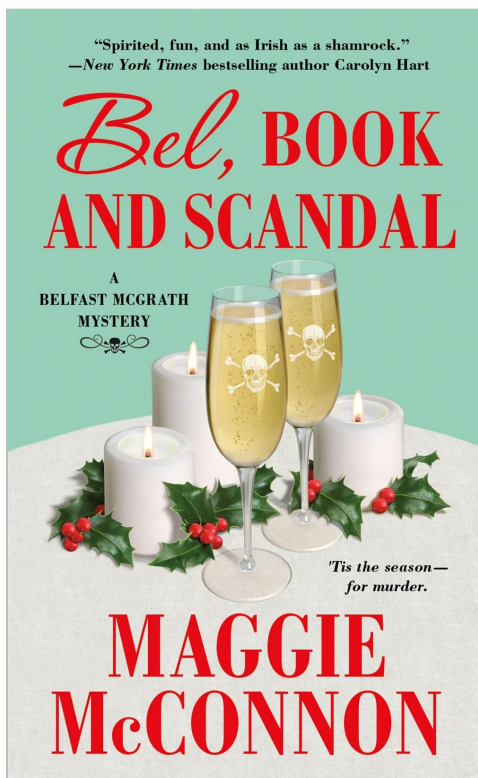

KEY SELLING POINTS:

- *No Place Like You* is the third book set in Cloud Bay, a picturesque island town that is run by the family of a music legend.
- We are debuting this series in a back-to-back event. *No Place Like You* is preceded by *Need You Now* (September 2017) and *A Season of You* (October 2017), which is a Christmas book. Fans will love getting three stories within four months.
- With heart-of-the-market packages and titles, this series is absolutely perfect for fans of Kristan Higgins and Emily March.

Maggie McConnon

Bel, Book, and Scandal

Maggie McConnon's next charming novel, a Christmas mystery, featuring a wedding caterer and her boisterous Irish family

Bel McGrath tries her best to keep herself on the straight and narrow but she just has a taste for trouble. This time danger arrives in the form of a newspaper left behind by holiday visitors to Shamrock Manor—and a photograph that jolts Bel out of the present and back into a dark chapter from her past. The person in the photo is Bel's best friend Amy Mitchell, long gone from Foster's Landing, at a commune in upstate New York shortly after her disappearance. The picture, and Bel's burning desire to find out what happened to Amy—and whether she may still be alive—is the catalyst for a story in which old secrets are revealed, little by little...and certain characters are shown not to be as genuine as Bel once thought.

KEY SELLING POINTS:

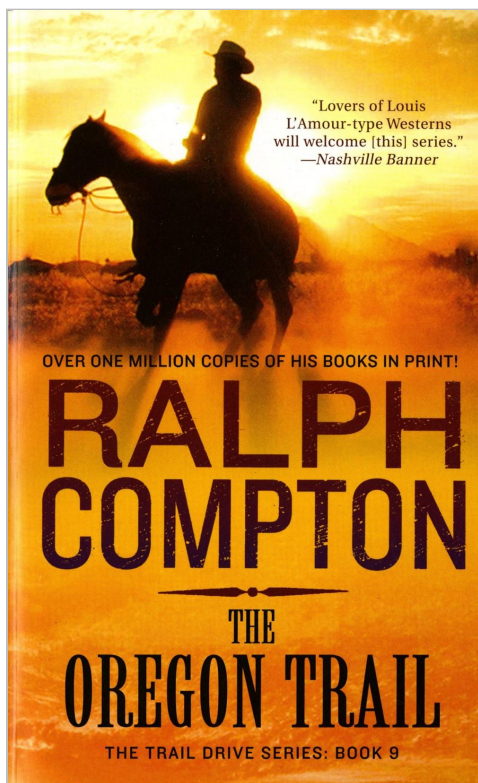

- With this charming series, Maggie McConnon is writing exactly the kind of books her audience loves. Cute and fun, with an intricate puzzle and strong characters at its heart, this book caters perfectly to the cozy mystery audience
- With a wedding in each book and a wedding caterer as the central character, this series will revolve around the twin themes of food and weddings, which couldn't be a more perfect combination for packaging and promoting a cozy mystery series.
- Perfect for fans of Tessa Arlen and Laura Bradford.

The Oregon Trail

At last, a reissue of one of the greatest Western series of all time

Lou Spencer, Dill Summer, and their fourteen Texas cowboys brought a herd up to Independence, Missouri, and sold half to a wagon train heading West. Then the Texans hired on, leading the battling greenhorn pioneers across the Missouri River, across Nebraska Territory, and into the wilds past Forts Laramie and Bridger. With winter closing in, Spencer's men were running out of time to reach the wide-open land of Oregon. And with a fortune in gold hidden in one of the pilgrims' wooden wagons-and outlaws circling like wolves-there were miles of shooting and dying still ahead.

KEY SELLING POINTS:

- There are over one million copies of the Trail Drive series in print, and fans will be thrilled to see another book in the series re-released.
- Ralph Compton is perfect for readers of Max Brand, Luke Short, and Louis L'Amour.
- *The Oregon Trail* brings a violent and magnificent time to life in an extraordinary book based on history-blazing trail drives.
- Hot off the heels of our successful 2-in-1 Matt Braun series we are continuing our Ralph Compton western rerelease program.

Praise for Ralph Compton:

"Lovers of Louis L'Amour type westerns will welcome a new paperback series written by Ralph Compton."--Nashville Banner

"Compton offers readers a chance to hit the trail and not even end up saddle sore." --Publishers Weekly

Love in the Afternoon

From the blockbuster New York Times bestselling author, the fifth title in the beloved regency romance series The Hathaways

Free-spirited Beatrix Hathaway has never been swept away or seriously courted...and she has resigned herself to the fate of never finding love. Captain Christopher Phelan is a handsome, daring soldier who plans to marry Beatrix's friend, the vivacious flirt Prudence Mercer, when he returns from fighting abroad. But, as he explains in his letters to Pru, life on the battlefield has darkened his soul—and it's becoming clear that he won't come back as the same man. When Beatrix learns of Pru's disappointment, she decides to help by concocting Pru's letters to Christopher for her. Soon the correspondence develops into something deeper. What began as Beatrix's innocent deception has resulted in the agony of unfulfilled love—and a passion that can't be denied.
