From the author of Orphan X and The Nowhere Man, the latest—and greatest—in the internationally bestselling series

Evan Smoak, Orphan X, was taken from a group home at age twelve and trained as an off-the-books government assassin. After he broke with the Orphan Program, Evan disappeared and reinvented himself as the Nowhere Man, a man dedicated to helping the truly desperate.

This time, the voice on the other end is Jack Johns, the man who raised and trained him—the only father Evan has ever known. Secret government forces are trying to scrub all traces of the Orphan Program. With little time remaining, Jack gives Evan his last assignment: find and protect his last protégé and recruit for the Orphan Program.

But Evan isn’t the only one after this last Orphan—the new head of the Orphan Program is mustering all the considerable assets at his disposal to take out both Evan and the target he is trying to protect.
