SPECTACULAR

Steve Berry

The Patriot Threat

Our first novel from renowned bestseller Steve Berry, *The Patriot Threat* continues the riveting history-based Cotton Malone series

The 16th Amendment to the Constitution is why Americans pay income taxes. But what if there were problems associated with that amendment? Secrets that call into question decades of tax collecting?

Cotton Malone, once an elite intelligence agent within the Justice Department, is retired. But when his former boss asks him to track a rogue North Korean who may have acquired top secret Treasury files-the kind that could bring the US to its knees-Malone is vaulted into a harrowing global chase.

With appearances by Franklin Roosevelt, Andrew Mellon, and a curious painting in the National Gallery of Art, this riveting adventure is trademark Steve Berry-90% history, 10% speculation-a provocative thriller posing a dangerous question: **What if the Federal income tax is illegal?**

KEY SELLING POINTS:

- Steve Berry is a major player in the mass market arena, and his Cotton Malone novels consistently appear at the top of the best seller lists.
- In hardcover, *The Patriot Threat* debuted at #5 on the *New York Times*, and *USA Today* bestseller lists. It has remained on the lists for five weeks and counting, and is a *Wall Street Journal*, *Publishers Weekly*, and *Indiebound* bestseller.
- This is a fast paced read with complicated, well developed characters. One of the most unique aspects of the Cotton Malone series is the fascinating American history Berry weaves through each novel.
- Tie-in with the hardcover publication of *The 14th Colony* coming April 2016.
- Premium Edition

SUPER LEAD**Iris Johansen, Roy Johansen****The Naked Eye**

The #1 *New York Times* bestselling author and the Edgar Award winning author are back with a new novel featuring Kendra Michaels

It's been four months since the events of *Sight Unseen*, and Kendra Michaels is obsessed with trying to track down serial killer Eric Colby. Despite his apparent execution at San Quentin, Kendra is convinced that Colby is still alive. But the murder of a police detective who had once very openly crossed swords with Kendra is about to complicate her life even further. She visits the crime scene in search of anything that might provide a link to Colby and instead finds evidence that links the crime to her. Finally Colby's master plan becomes clear—he is framing Kendra for a brutal cop-killing—and Kendra is thrust into spine-tingling pursuit to clear her name and find the killer no one believes exists anymore.

Now Ben Lowell is back, hoping to make amends and pull himself out of the hell his life has become.

Corruption has followed him back to the US, and the FBI needs his testimony to bring down a powerful senator, but even the consistent intimidation by those trying to silence Ben isn't enough to dull the joy of his brother's forgiveness or his growing love for a rather prickly young woman. Ellie Alexander

On Thin Icing

A delightful mystery where Jules travels to the slopes to cater a retreat only to end up in the middle of a baffling murder

It's January in Ashland, Oregon. Things are quiet in the cold, sleepy town, and Jules is thrilled when she's hired to cater a retreat at the nearby Lake of the Woods Resort. She packs up her baking supplies and maneuvers the twisting, treacherous roads to the high alpine lake. Jules and her assistant Sterling quickly familiarize themselves with the rustic lodge and its equally rustic kitchen. But just as they find their rhythm in the kitchen and the guests arrive, so does someone from Jules not-so-distant past -- her estranged husband Carlos. They haven't seen each other in months, and Jules can't believe that Carlos wants to work on reconciliation while she's in the middle of her biggest job ever.

Things go from bad to worse for Jules when a storm hits and knocks out power. She treks through the snow to the marina for extra supplies, where she discovers a body resting on the ice. Now Jules has a retreat to cater, a husband intent on fixing their marriage, and a murder on her hands.

The Goodnight Trail

At last, a reissue of one of the greatest Western series of all time

Former Texas Rangers Benton McCaleb, Will Elliot, and Brazos Gifford ride with Charles Goodnight as he rounds up thousands of ornery, unbranded cattle for the long drive to Colorado. From the Trinity River brakes to Denver, they'll battle endless miles of flooded rivers, parched desert, and whiskey-crazed Comanches. And come face-to-face with Judge Roy Bean and legendary gunslingers like Clay Allison. For McCaleb and his hard-riding crew, the drive is a fierce struggle against the perils of an untamed land. A fight to the finish where the brave reach glory—or die hard.
