The start of a sassy and steamy Southern contemporary romance series.

A river divides Cottonbloom in two: the upscale enclave on the Mississippi side and the rundown, rough and tumble side in Louisiana. They're worlds apart—but nothing can build a bridge like love...

Cade Fournette never had it easy Cottonbloom. He stuck around long enough to raise his orphaned siblings and then hightailed it out West—and never looked back. Even though he's made a success of himself in Seattle, Cade never lost the toughness and the angry edge that helped him survive down South. His only weak spot: the girl he left behind...

Monroe Kirby came from the wealthy side of town, but that didn't protect her from her mother's drinking—or her mother's boyfriend. It was Cade who did that, on a long-ago hot September night, before he disappeared... along with a piece of her heart. Now Monroe is a physical therapist who can fight for herself, and it's Cade who could use some conditioning when he makes an unexpected return back home. Will he and Monroe pick up where they left off and finally explore their mutual passion—or will the scars and secrets of the past divide them once more?

Maggie McConnon

Wedding Bel Blues

In this charming debut, Bel McGrath, a bridesmaid, learns a secret about her cousin and witnesses a man fall to his death.

Are they tying the knot?

Belfast McGrath has spent the last fifteen years avoiding her big, bustling, brash Irish family. But when her five-star culinary career goes up in flames, she retreats to Foster's Landing—where she's immediately tapped as her cousin Caleigh's maid-of-honor. It's a perfect recipe for disaster...especially when Bel learns that the wedding preparations included Caleigh having one last one-night stand.

Or the noose?

When Caleigh's lover plunges from the second-floor balcony during the reception, Bel can't help but think his death was no accident. Soon Detective Kevin Hanson, who just happens to be Bel's long-ago love, arrives on the scene—looking hotter than ever. Heartbreak and homicide hardly help Bel to feel more at home, but if she is going to make a new beginning for herself, including putting the past behind her, she must first steer clear of a cold-hearted killer.

Servant of the Law

A western reissue in the tradition of bestselling author William W. Johnstone

Bobby Budd rode out of Colorado with one killing behind him and dozens yet to go. From New Mexico to Indian Territory, Budd became one of a rootless army of half-crazed, half-drunk killers for hire, building an ugly legacy as the Coyote Kid. Honest men paid the Kid to rid themselves of rustlers. Along the way, the innocent died, too.

Now former Apache campaigner Major Gerald Bowen is bringing law to the land, hiring a few good frontier marshals and putting them on the bloody trail of the territory's worst outlaws. John Wesley Michaels is one of those lawmen, and the Coyote Kid is his quarry. But when Michaels gets to Arizona, a stubborn woman insists on riding by Michaels' side. She's met the Coyote Kid face-to-face--and she wants to be the one to gun him down.
