After her rescue on March 12, 2003, she rejoined her family and worked to pick up the pieces of her life.

Now for the first time she tells of the constant fear she endured every hour, her courageous determination to maintain hope, and how she convinced her captors to return to Utah, where she was rescued minutes after arriving. As a spy for the War Office, Captain Rafferty Cavendish has been on dozens of missions. But one mission haunts him, the mission that resulted in the death of Daphne Swift's eldest brother Donald. Rafe agreed to work with Daphne once and put her life in danger. Now he must find the men who killed Donald, avenge the family, and convince Daphne to give him one more chance.
