

Leadership Strategy and Tactics

Field Manual

Jocko Willink

The ultimate guide on leadership from the #1 *New York Times* bestselling co-author of *Extreme Ownership*.

In the military, a field manual provides instructions in simple, clear, step-by-step language to help soldiers complete their mission. In the civilian sector, books offer information on everything from fixing a leaky faucet to developing an effective workout program to cooking a good steak.

But what if you are promoted into a new position leading your former peers? What if you don't get selected for the leadership position you wanted? How do you overcome imposter syndrome, when you aren't sure you should be leading? As a leader, how do you judiciously dole out punishment? What about reward? How do you build trust with your both your superiors and your subordinates? How do you deliver truthful criticism up and down the chain of command in a tactful and positive way?

These are all questions about leadership—the most complex of all human endeavors. And while there are books out there that provide solid leadership principles, books like *Extreme Ownership* and *The Dichotomy of Leadership*, there is no leadership field manual that provides a direct, situational, pragmatic how-to guide that anyone can instantly put to use.

That is what this book is: A rapid reference manual that explains how to take leadership theory, quickly translate that theory into applicable strategy, and then put leadership into action at a tactical level. This book is the solution that leaders at every level need—not just to understand the leadership game, bu...

PRAISE

Praise for *Dichotomy of Leadership*:

“Until this point in my life, I've never read a book that reveals the truths of leadership in such detail and rawness. The true value of this book cannot be quantified in words.” —*Pete Roberts, Co-Founder & CEO, Origin Maine USA*

“*The Dichotomy of Leadership* needs to come with a warning label: BRUTALLY HONEST. Finally, a book that tells the truth on how hard and complex it can be to tackle leadership challenges.” —*Lindi Horton, Director of Cloud Services, Cyber Security Company*

JOCKO WILLINK was a Navy SEAL for 20 years, rising through the ranks to become the commander of Task Unit Bruiser—the most decorated Special Operations Unit of the Iraq War. After retiring, Jocko continued on the disciplined path of success, co-founding Echelon Front, a multi-million dollar leadership and management consulting company, writing the *New York Times* bestsellers *Extreme Ownership* and *Discipline Equals Freedom*, the children's book *Way of the Warrior Kid*, and creating one of the top-ra...

Big Lies in a Small Town

A Novel

Diane Chamberlain

From bestselling author Diane Chamberlain comes an irresistible new novel.

North Carolina, 2018: Morgan Christopher's life has been derailed. Taking the fall for a crime she did not commit, she finds herself serving a three-year stint in the North Carolina Women's Correctional Center. Her dream of a career in art is put on hold—until a mysterious visitor makes her an offer that will see her released immediately. Her assignment: restore an old post office mural in a sleepy southern town. Morgan knows nothing about art restoration, but desperate to leave prison, she accepts. What she finds under the layers of grime is a painting that tells the story of madness, violence, and a conspiracy of small town secrets.

North Carolina, 1940: Anna Dale, an artist from New Jersey, wins a national contest to paint a mural for the post office in Edenton, North Carolina. Alone in the world and desperate for work, she accepts. But what she doesn't expect is to find herself immersed in a town where prejudices run deep, where people are hiding secrets behind closed doors, and where the price of being different might just end in murder.

What happened to Anna Dale? Are the clues hidden in the decrepit mural? Can Morgan overcome her own demons to discover what exists beneath the layers of lies?

PRAISE

Praise for Diane Chamberlain:

"With a little tension and a lot of heart, *The Dream Daughter* will delight Chamberlain's fans and hook new readers." —*Booklist*

"Chamberlain writes with supernatural gifts...fate, destiny, chance and hope combine for a heady and breathless wonder of a read." —Pam Jenoff, author of *The Orphan's Tale*

"Can a story be both mind-bending and heartfelt? In Diane Chamberlain's hands, it can. *The Dream Daughter* will hold readers in anxious suspense until the last satisfying page." —Therese Fowler, author of *Z*

DIANE CHAMBERLAIN is the international bestselling author of twenty-four novels. She lives in North Carolina with her partner, photographer John Pagliuca, and her sheltie.

The God Game

A Novel

Danny Tobey

Five ambitious high school students find their lives at risk when a video game that thinks it's God won't let them quit.

You are invited!

Come inside and play with G.O.D.

Bring your friends!

It's fun!

But remember the rules. Win and ALL YOUR DREAMS COME TRUE.™

Lose, you die!

With those words, Charlie and his friends enter the G.O.D. Game, a video game run by underground hackers and controlled by a mysterious AI that believes it's God. Through their phone-screens and high-tech glasses, the teens' realities blur with a virtual world of creeping vines, smoldering torches, runes, glyphs, gods, and mythical creatures. When they accomplish a mission, the game rewards them with expensive tech, revenge on high-school tormentors, and cash flowing from ATMs. Slaying a hydra and drawing a bloody pentagram as payment to a Greek god seem harmless at first. Fun, even.

But then the threatening messages start. *Worship me. Obey me.* Complete a mission, however cruel, or the game reveals their secrets and crushes their dreams. Tasks that seemed harmless at first take on deadly consequences. Mysterious packages show up at their homes. Shadowy figures start following them, appearing around corners, attacking them in parking garages. Who else is playing this game, and how far will they go to win?

And what of the game's first promise: win, win big, lose, you die? Dying in a virtual world doesn't really mean death in real life—does it?

PRAISE

"THE GOD GAME is a dark, edgy thriller, populated by a vastly appealing cast of teenage underdogs. Danny Tobey has written an unusually smart and provocative novel, a book full of ideas and heart that feels both fantastical and all-too-real at the same time." —Tom Perrotta, *New York Times* bestselling author of *The Leftovers* and *Little Children*

Danny Tobey is a fifth-generation Texan. He went to Harvard College, Yale Law School, and UT Southwestern Medical School. Harvard gave Danny the Edward Eager prize "for the best creative writing." He wrote and edited the Harvard Lampoon and was anthologized in *The Best of the Harvard Lampoon: 140 Years of American Humor*. Danny's first novel, the sci-fi fantasy thriller *The Faculty Club*, came out from Simon & Schuster. Danny is a noted expert on Artificial Intelligence. In 2019, the Library of ...

The Case For Impeachment

ALLAN J. LICHTMAN

REPEAL THE SECOND AMENDMENT

**THE CASE FOR
A SAFER AMERICA**

Repeal the Second Amendment

The Case for a Safer America

Allan J. Lichtman

A radical case for the repeal of the 2nd Amendment as the only way to control gun violence in America

There's an average of one mass shooting per day in the United States. Given the ineffectiveness of the gun control lobby, it's time for a strategy with spine. In *Repeal the Second Amendment*, Allan Lichtman has written the first book that uses history, legal theory and up-to-the-minute data to make a compelling case for the amendment's repeal in order to create a clear road to sensible gun control in the US. *Repeal the Second Amendment* explores both the true history and current interpretation of the Second Amendment to expose the NRA's blatant historical manipulations and irresponsible fake news releases. Lichtman looks at the history of firearms and gun regulations from colonial times to the present to explain how a historically forgotten sentence in the Constitution has become a flash point of recent politics that benefits only of the gun industry, their lobbyists, and the politicians on their payroll. He probes court decisions and the effective lobbying and public relations strategies of the gun lobby as well as the ineffectiveness of the gun control movement for lessons in doing better. What emerges is a clear and cogent plan - repeal and replace the Second Amendment without taking guns away from anyone who has them now - to make the US a safer place. It's time to Repeal the Second Amendment, and Allan Lichtman is the man to bring this radical plan to America.

PRAISE

Praise for *The Embattled Vote*:

"[An] important book... [Lichtman] uses history to contextualize the fix we're in today... With luck, this fine history might just help to fan the flame."

—*New York Times Book Review*

Praise for *The Case for Impeachment*:

"It is still striking to see the full argument unfold and realize that you don't have to be a zealot to imagine some version of it happening...Lies. Abuse of power. Treason. Crimes against humanity. Martial law. Lichtman throws everything Trump's way." —*Washington Post*

"Liberal catnip." —Joe Scarborough, *Morning Joe*

Allan J. Lichtman is Distinguished Professor of History at American University in Washington, D.C. His recently authored *The Case for Impeachment* and *The Embattled Vote in America*. He was a finalist for the National Book Critics Circle Award in nonfiction and for the LA Times Book Prize in History. He is the winner of the National Jewish Book Award in American Jewish History.

Savage Messiah

How Dr. Jordan Peterson Is Saving Western Civilization

Jim Proser

The first biography and an in-depth look at the work of bestselling writer and psychologist Dr. Jordan Peterson, by award-winning author Jim Proser.

Who is psychologist, professor, bestselling author, and YouTube personality Dr. Peterson? What does he believe in? Who are his followers? And why is he so controversial? These are among the many questions raised in this compelling, exhaustively researched account of his life—from Peterson’s early days as a religious-school student in small-town Canada to his tenure at Harvard to his headline-making persona of the present day.

In *Savage Messiah*, we meet an adolescent Peterson who, scoffing at the “fairy tales” being taught in his confirmation class, asks his minister how it’s possible to believe the Bible in light of modern scientific theory. Unsatisfied with the answer he’s been given, Peterson goes on to challenge other authority figures who stood in his way as he dared to define the world in his own terms. This won Peterson more enemies and admirers than he could have dreamed of, particularly during the digital era, when his nontraditional views could be widely shared discussed. Still, a fall from grace was never far behind.

When Peterson dismissed Canadian parliament Bill C-16, which compelled the use of newly-invented pronouns to address new gender identities, Peterson found himself facing a whole new world. Students targeted him as a gender bigot. Conservatives called him their hero. Soon Peterson was fixed firmly at the center of the culture wars—and there was no turning back.

With exclusive interviews of Dr. Peterson, a...

Rachel Maddow

A Biography

Lisa Rogak

The first biography of the most popular anchor in cable news.

Rachel Maddow has beaten the odds in a way that's novel in today's America: she uses her brain.

In a world of banal and opinionated soundbites, she regularly crushes Sean Hannity's ratings thanks to her deeply researched reports. In our highly polarized world, Maddow amiably engages the staunchest conservatives. And she never hesitates to expose their light-on-facts defenses.

As a result, she's become the top anchor for MSNBC and a beloved representative for all that progressive America holds dear. Her millions of viewers will be surprised and intrigued by all the little-known details of her life.

Growing up in a conservative California town – and viewing herself as a perennial outsider – helped spark an early interest in activism. After attending Stanford and Oxford, she opted for a minimum-wage job as a radio DJ in a tiny Massachusetts market while finishing her Ph.D. She planned to pursue a career as an activist, but 9/11 changed all that, so she returned to local radio where she could help listeners by "explaining stuff." A stint at Air America raised her national profile, which led to her groundbreaking MSNBC show.

After reading her biography by *New York Times* bestselling author Lisa Rogak, you'll watch it in a whole new light.

LISA ROGAK is the bestselling author of numerous books, including *And Nothing But the Truthiness: The Rise (and Further Rise) of Stephen Colbert*, and *Angry Optimist: The Life and Times of Jon Stewart*. She is the editor of the *New York Times* bestseller *Barack Obama in His Own Words*. Rogak lives in New Hampshire. Learn more at www.lisarogak.com.

The Look-Alike

A Novel

Erica Spindler

From the NYT bestselling author comes suspenseful new novel about a ten-year-old unsolved murder, and the woman who remains haunted by it.

Late one night, trudging back to her dorm, Sienna Scott comes upon a murdered classmate, her white coat and the snow-covered ground around her stained red. The police in Tranquility Bluffs, Wisconsin do their best to find out who killed her, but the case is never solved. In order to get some space from her small town and the murder, Sienna moves to London.

Ten years later, Sienna moves back to town to care for her mother, who suffers from paranoid personality disorder. She's been in and out of treatment facilities, always convinced she's being watched and plotted against. Sienna's biggest fear in life is becoming like her mother. She monitors her own thoughts, constantly on the look-out for signs she has inherited her mother's mental illness.

Sienna's arrival sparks questions from the locals and reminders of the old murder. Then Sienna begins to receive threatening phone calls from an anonymous number, and she notices a white van slowly passing by her house multiple times a day. There's also the fact that Sienna was wearing the same exact white coat as the victim that night, and has never been able to shake the fear that maybe she was the one meant to die.

The more time Sienna spends in Tranquility Bluffs, the more she wants to know what really happened. As the threats continue, Sienna gets more and more paranoid. Is she going crazy like her mother? Or has her mother been the sane one all along?

The Founding Fortunes

*How the Wealthy Paid for and Profited from America's
Revolution*

Tom Shachtman

In *The Founding Fortunes*, historian Tom Shachtman offers an in-depth look at a time when money became as vital as guns in securing victory in the American Revolution and establishing the new repu...

While history teaches that successful revolutions depend on participation by the common man, the establishment of a stable and independent United States first required wealthy colonials uniting to disrupt the very system that had enriched them, and then funding a very long war. While some fortunes were made during the war at the expense of the poor, many of the wealthy embraced the goal of obtaining for their poorer countrymen an unprecedented equality of opportunity, along with independence.

Shachtman traces the lives of a dozen men who made and lost fortunes, and deeply affected the finances of the new country. In addition to nuanced views of the well-known wealthy such as Robert Morris and John Hancock, and of the less wealthy but influential Alexander Hamilton, *The Founding Fortunes* offers insight into the contributions of those often overlooked by popular history: Henry Laurens, the plantation owner who replaced Hancock as President of Congress; pioneering businessmen William Bingham, Jeremiah Wadsworth, and Stephen Girard; privateer magnate Elias Hasket Derby; and Hamilton's successors at Treasury, Oliver Wolcott, Jr. and Albert Gallatin.

The Founders dealt with tariffs, taxes on the wealthy, the national debt, regional disparities, the census as it affected finances, and how much of what America needs should be manufactured at home in ways that remain startlingly relevant. Revelatory and insightful, *The Founding Fortunes*...

PRAISE

Praise for *The Founding Fortunes*:

"An ingenious examination of how money played the central role in the founding of the United States...a provocative argument." —*Kirkus Reviews*

Praise for Tom Shachtman:

"The author makes a convincing case that, without France, the United States may never have gained independence."—*Kirkus Reviews for How the French Saved America*

"Shachtman illuminates the impact of French contributions to American military leadership, resources, and engineering knowledge...of interest to American-history

Westering Women

A Novel

Sandra Dallas

From the bestselling author of *Prayers for Sale*, an inspiring celebration of sisterhood on the perilous Overland Trail*"If you are an adventuresome young woman of high moral character and fine health, are you willing to travel to California in search of a good husband?"*

It's February, 1852, and all around Chicago, Maggie sees the postings soliciting "eligible women" to travel to the gold mines of Goosetown. A young seamstress with a small daughter and several painful secrets, she has nothing to lose.

So she joins forty-three other women and two pious reverends on the dangerous 2,000-mile journey west. None of them are prepared for the hardships they face on the trek through the high plains, mountains, and deserts, or for the triumphs of finding strengths they did not know they possessed. And not all will make it.

As Maggie gets to know the other women, she soon discovers that she's not the only one looking to leave dark secrets behind. And when her past catches up with her, it becomes clear a band of sisters will do whatever it takes to protect one of their own.

PRAISE**"As comforting to read as a hot cup of tea."—*Denver Post* on *The Patchwork Bride*****"Putting down a Sandra Dallas novel is nearly impossible."—*Daily Camera* (Boulder, Colorado) on *Prayers for Sale*****"As heartwarming as a homemade quilt."—*USA Today* on *A Quilt for Christmas***Award-winning author **Sandra Dallas** was dubbed "a quintessential American voice" by Jane Smiley in *Vogue*. She's the author of 16 novels—including *The Bride's House*, *Whiter Than Snow*, *The Persian Pickle Club*, and *Tallgrass*—which have been translated into a dozen languages and optioned for film. She has won the National Cowboy and Western Heritage Museum Wrangler Award, the Western Writers of America Spur Award, and the Women Writing the West Willa Award multiple times. She lives in Colorado.

Light Changes Everything

A Novel

Nancy E. Turner

Bestselling author Nancy E. Turner returns to the world of Sarah Agnes Prine through the wide-eyes of her irrepressible young niece, Mary Pearl.

"*Light Changes Everything* is a novel as gritty and authentic as the women of the Arizona Territory. Nancy E. Turner brings the west and its people fully to life." —Lisa Wingate, #1 *New York Times* bestselling author of *Before We Were Yours*

It's the summer of 1907 and the sun is scorching down on Mary Pearl in the Arizona Territory. Mary Pearl and her sister Esther take their minds off the heat by sneaking banned Jane Austen novels from Aunt Sarah Elliot's lively bookshelf. Whispered read alouds preoccupy their nights, and reveries of getting hitched to their own Mr. Darcy à la *Pride and Prejudice* swirl through their day dreams.

In walks old-fashioned old-money suitor Aubrey Hanna, here to whisk seventeen year old Mary Pearl off her feet with a forbidden kiss and hasty engagement. With the promise of high society outings and a rich estate, Aubrey's lustful courtship quickly creates petty tension among the three generations of Prine women.

As autumn approaches all too quickly, Mary Pearl's Wheaton College acceptance counters quick marriage preparations. Days of travel by horse and by train carry her deep into a sophisticated new world of Northern girls' schooling. Seeking friendship but finding foes, Mary Pearl not only learns how to write, read, and draw, but also how to act, dress, and be a woman.

Light Changes Everything is the story of a resilient young feminist a century ahead of her time. Full of gumption and spirit, Mary ...

PRAISE

"Years ago, I loved *These is my Words*, and I adored stepping back into to the world of the Prines through tough-as-rawhide Mary Pearl. *Light Changes Everything* is a novel as gritty and authentic as the women of the Arizona Territory. Nancy E. Turner brings the west and its people fully to life." —Lisa Wingate, #1 *New York Times* bestselling author of *Before We Were Yours*

"Nancy E. Turner (of the wildly popular Sarah Agnes Prine series) returns with her signature warmth and an Aunt Sarah to boot. I dare you not to be charmed by this sweet tale of a woman finding her way at the dawn of a new century. *Light Changes Everything* illuminates the he..."

NANCY TURNER was born in Dallas, Texas, and currently resides in Pinetop, Arizona with her

Golden in Death

An Eve Dallas Novel (In Death, Book 50)

J. D. Robb

In the latest thriller in the #1 New York Times bestselling series, homicide detective Eve Dallas investigates a murder with a mysterious motive—and a terrifying weapon.

Pediatrician Kent Abner received the package on a beautiful April morning. Inside was a cheap trinket, a golden egg that could be opened into two halves. When he pried it apart, highly toxic airborne fumes entered his body—and killed him.

After Eve Dallas calls the hazmat team—and undergoes testing to reassure both her and her husband that she hasn't been exposed—it's time to look into Dr. Abner's past and relationships. Not every victim Eve encounters is an angel, but it seems that Abner came pretty close—though he did ruffle some feathers over the years by taking stands for the weak and defenseless. While the lab tries to identify the deadly toxin, Eve hunts for the sender. But when someone else dies in the same grisly manner, it becomes clear that she's dealing with either a madman—or someone who has a hidden and elusive connection to both victims.

PRAISE

"Tautly constructed, fast-paced...the author continues to find new and innovative ways of keeping readers to the edges of their seats." -Booklist on *Vendetta in Death*

"Fast-paced and plot driven..." - Library Journal on *Connections in Death*

"The fascination and thrills just keep coming...Another winner and keeper." - Fresh Fiction on *Leverage in Death*

J.D. ROBB is the pseudonym for #1 New York Times bestselling author Nora Roberts. She is the author of over 200 novels, including the futuristic suspense In Death series. There are more than 500 million copies of her books in print.

A Good Neighborhood

A Novel

Therese Anne Fowler

For fans of Celeste Ng and Jodi Picoult, a stunning page-turner about two very different families living side by side in an idyllic neighborhood - and the summer that changes their lives forever.

In Oak Knoll, a verdant, tight-knit North Carolina neighborhood, professor of forestry and ecology Valerie Alston-Holt is raising her bright and talented biracial son. Xavier is headed to college in the fall, and after years of single parenting, Valerie is facing the prospect of an empty nest. All is well until the Whitmans move in next door—an apparently traditional family with new money, ambition, and a secretly troubled teenaged daughter.

Thanks to his thriving local business, Brad Whitman is something of a celebrity around town, and he's made a small fortune on his customer service and charm, while his wife, Julia, escaped her trailer park upbringing for the security of marriage and homemaking. Their new house is more than she ever imagined for herself, and who wouldn't want to live in Oak Knoll?

But with little in common except a property line, these two very different families quickly find themselves at odds: first, over an historic oak tree in Valerie's yard, and soon after, the blossoming romance between their two teenagers. Told in multiple points of view, *A Good Neighborhood* asks big questions about life in America today — what does it mean to be a good neighbor? How do we live alongside each other when we don't see eye to eye? — as it explores the effects of class, race, and heartrending star-crossed love in a story that's as provocative as it is powerful.

PRAISE

Praise for Therese Anne Fowler:

“Therese Anne Fowler has taken the ingredients of racism, justice, and conservative religion and has concocted a feast of a read: compelling, heartbreaking, and inevitable. I finished *A Good Neighborhood* in a single sitting. Yes, it’s that good.” —Jodi Picoult, #1 *New York Times* bestselling author of *Small Great Things* and *A Spark of Light*

“A provocative, timely page-turner about the crucial issues of our time. I gulped it down, and the stunning conclusion left me both heartbroken and hopeful.” —Meg Waite Clayton, *New York Times* bestselling author of *The Last Train to London*

“A gripping modern morality tale...Fa...

THERESE ANNE FOWLER is the author of the *New York Times* bestselling novel *Z: A Novel of Zelda Fitzgerald* and *A Well-Behaved Woman*. Raised in the Midwest, she moved to North Carolina

Tombstone

The Earp Brothers, Doc Holliday, and the Vendetta Ride From Hell

Tom Clavin

The true story of Wyatt, Virgil, and Morgan Earp and the famous Battle at the OK Corral, by the *New York Times* bestselling author of *Dodge City* and *Wild Bill*.

On the afternoon of October 26, 1881, nine men clashed in what would be known as the most famous shootout in American frontier history. Thirty bullets were exchanged in thirty seconds, killing three men and wounding three others.

The fight sprang forth from a tense, hot summer. Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers. The Mexican government built forts along the border to try to thwart American outlaws, while Arizona citizens became increasingly agitated. Rustlers, who became known as the cow-boys, began to kill each other as well as innocent citizens. That October, tensions boiled over with Ike and Billy Clanton, Tom and Frank McLaury, and Billy Claiborne confronting the Tombstone marshal, Virgil Earp, and the suddenly deputized Wyatt and Morgan Earp and shotgun-toting Doc Holliday.

Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous. *Tombstone* also digs deep into the vendetta ride that followed the tragic gunfight, when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo, Curly Bill Brocius, and other cowboys who had cowardly gunned down his brothers. That "vendetta ride" would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier's last boom town.

PRAISE

Praise for *Wild Bill*:

"Clavin, a wily veteran of the writing trade, tacks up the truth like wanted posters in every chapter, while simultaneously savoring a few of the more fanciful falsehoods along the way, a neat trick in which he displays some ambidexterity of his own." —*New York Times Book Review*

"Fascinating...a page-turner that may keep the reader up late at night." —*The Oklahoman*

TOM CLAVIN is a #1 *New York Times* bestselling author and has worked as a newspaper and web site editor, magazine writer, TV and radio commentator, and a reporter for *The New York Times*. He has received awards from the Society of Professional Journalists, Marine Corps Heritage Foundation, and National Newspaper Association. His books include *The Heart of Everything That Is*, *Halsey's Typhoon*, and *Reckless*. He lives in Sag Harbor, NY.

Chanel's Riviera

Glamour, Decadence, and Survival in Peace and War, 1930-1944

Anne de Courcy

In this captivating narrative, *Chanel's Riviera* explores the fascinating world of the Cote d'Azur during a period that saw the deepest extremes of luxury and terror in the twentieth century.

The Cote d'Azur in 1938 was a world of wealth, luxury, and extravagance, inhabited by a sparkling cast of characters including the Duke and Duchess of Windsor, Joseph P. Kennedy, Gloria Swanson, Colette, the Mitfords, Picasso, Cecil Beaton, and Somerset Maugham. The elite flocked to the Riviera each year to swim, gamble, and escape from the turbulence plaguing the rest of Europe. At the glittering center of it all was Coco Chanel, whose very presence at her magnificently appointed villa, La Pausa, made it the ultimate place to be. Born an orphan, her beauty and formidable intelligence allured many men, but it was her incredible talent, relentless work ethic, and exquisite taste that made her an icon.

But this wildly seductive world was poised on the edge of destruction. In a matter of months, the Nazis swooped down and the glamour of the pre-war parties and casinos gave way to the horrors of evacuation and the displacement of thousands of families during World War II. From the bitter struggle to survive emerged powerful stories of tragedy, sacrifice, and heroism.

Enriched by original research and de Courcy's signature skill, *Chanel's Riviera* brings the experiences of both rich and poor, protected and persecuted, to vivid life.

PRAISE*Advance Praise for Chanel's Riviera:*

"Love a bit of real-life sex, disappointment and scandal from some of the 20th century's biggest icons all set against an impossibly luxurious and elegant French backdrop? Then Anne De Courcy's biography of a very select time and place is for you... You'll come away from reading it both better informed and utterly transported." —*Stylist*, Best Summer Books 2019 (UK)

"[A] sparkling, anecdote-rich narrative." —*The Times* (UK)

"In CHANEL'S RIVIERA, Anne de Courcy has written a well-researched and compelling story. She maintains a remarkable balance between, on the one hand, Chanel and her world of the rich and f..."

Been There, Married That

Gigi Levangie

A hilarious new novel full of Hollywood glitz, glamour, and scandal.

When he changes the locks, she changes the rules.

Agnes Murphy Nash is the perfect Hollywood wife – she has the right friends, the right clothes, and even a side career of her own as a writer. Her husband Trevor is a bigshot producer, and from the outside it looks like they're living a picture-perfect celebrity life, complete with tennis tournaments and lavish parties.

But the job description of a Hollywood wife doesn't cover divorce, which is the way Agnes' life is headed after she comes home one day to find her credit cards cancelled and the security passwords to get into her enormous LA home changed. Oh, and there's a guy there whose job it is to tase her if she tries to enter... which she does. Needless to say, Agnes' husband is dead set on making sure she loses big time, but Agnes isn't the type to just lie down and take it. In a world of frenemies and hot nannies, personal psychics and "skinny" jello shots, Agnes may be losing her husband, but could that mean getting her own life back?

Been There, Married That is a drop-dead hilarious battle of wills that will make you laugh out loud, cringe, and keep turning the pages to see what crazy disaster will happen to Agnes next...and how she'll rise from the ashes.

PRAISE

Praise for Gigi Levangie:

"Levangie's entertaining satire is sure to spice up any occasion."—*Publishers Weekly*

"Hilariously funny and profoundly wise, *The After Wife* is for anyone who's ever been married or widowed, in debt or in love. I could not put it down: a fabulous read!"—Nancy Thayer, author of *Island Girls*

"Fans of Lolly Winston, Mary Kay Andrews, and Jennifer Weiner will especially enjoy Levangie."—*Booklist*

GIGI LEVANGIE is the author of several novels, including *The Starter Wife*, which was adapted for an Emmy award-winning miniseries starring Debra Messing and *Maneater*, which was adapted for a Lifetime miniseries starring Sarah Chalke. In addition, Levangie wrote the screenplay for the movie *Stepmom*, starring Julia Roberts and Susan Sarandon. Her articles have appeared in *Vogue*, *Harper's Bazaar*, and *Glamour*.

The Unexpected Spy

From the CIA to the FBI, My Secret Life Taking Down Some of the World's Most Notorious Terrorists

Tracy Walder with Jessica Anya Blau

A highly entertaining account of a young woman who went straight from her college sorority to the CIA, where she hunted terrorists and WMDs

When Tracy Walder enrolled at the University of Southern California, she never thought that one day she would offer her pink beanbag chair in the Delta Gamma house to a CIA recruiter, or that she'd fly to the Middle East under an alias identity.

The Unexpected Spy is the riveting story of Walder's tenure in the CIA and, later, the FBI. In high-security, steel-walled rooms in Virginia, Walder watched al-Qaeda members with drones as President Bush looked over her shoulder and CIA Director George Tenet brought her donuts. She tracked chemical terrorists and searched the world for Weapons of Mass Destruction. She created a chemical terror chart that someone in the White House altered to convey information she did not have or believe, leading to the Iraq invasion. Driven to stop terrorism, Walder debriefed terrorists—men who swore they'd never speak to a woman—until they gave her leads. She followed trails through North Africa, Europe, and the Middle East, shutting down multiple chemical attacks.

Then Walder moved to the FBI, where she worked in counterintelligence. In a single year, she helped taking down one of the most notorious foreign spies ever caught on American soil. Catching the bad guys wasn't a problem in the FBI, but rampant sexism was. Walder left the FBI to teach young women, encouraging them to find a place in the FBI, CIA, State Department or the Senate—and thus change the world.

Tracy Walder is a former Staff Operations Officer (SOO) at the CIA's Counterterrorism Center and a Special Agent at the FBI's Los Angeles Field Office specializing in Chinese counterintelligence operations. Walder currently teaches high-school history and government courses at Hockaday School in Dallas, Texas.

Code Red

How Progressives and Moderates Can Unite to Save Our Country

E. J. Dionne, Jr.

Will progressives and moderates feud while America burns? Or will these natural allies take advantage of the greatest opportunity since the New Deal Era to strengthen American democracy and defea...

Broad and principled opposition to Donald Trump's presidency has drawn millions of previously disengaged citizens to the public square and to the ballot box. This inspired and growing activism for social and political change hasn't been seen since the days of Franklin Roosevelt's New Deal policies and the Progressive and Civil Rights movements. But if progressives and moderates are unable—and unwilling—to overcome their differences, they could not only enable Trump to prevail again but also squander an occasion for launching a new era of reform.

In *Code Red*, award-winning journalist E. J. Dionne, Jr., calls for a shared commitment to decency and a politics focused on freedom, fairness, and the future, encouraging progressives and moderates to sustain the unity that brought about Democrat victories in the 2018 elections. He offers a unifying model centered on solving problems, restoring dignity to those left behind, and tackling issues like gun violence, low wages, and health care.

Dionne offers a compelling strategy for progressives and moderates to think more clearly and address the responsibilities that history now imposes on them. Because at this point in our national story, change can't wait.

PRAISE

"Dionne's expertise is evident in this finely crafted and convincing work." —Los Angeles Times on *Why the Right Went Wrong*

"[Dionne] remains one of the best political writers in America." —Buffalo News on *Why the Right Went Wrong*

"A breath of hope but also a serious call to action: everyone needs to take part." —Kirkus Reviews on *One Nation After Trump*

E.J. DIONNE, JR., is a columnist for *The Washington Post*, Senior Fellow at the Brookings Institution, visiting professor at Harvard University, and professor at Georgetown University. He is a co-author of the recent *New York Times* bestseller *One Nation After Trump* and author of *Why the Right Went Wrong*.

The Fire and the Darkness

The Bombing of Dresden, 1945

Sinclair McKay

A gripping work of narrative nonfiction recounting the history of the Dresden Bombing, one of the most devastating attacks of World War II.

On Feb. 13, 1945 at 9:45 PM, British bombers began one of the most devastating attacks of WWII: the bombing of Dresden. The first contingent killed people and destroyed buildings, roads, and other structures. The second rained down fire, turning the streets into a blast furnace, the shelters into ovens, and whipping up a molten hurricane in which the citizens of Dresden were burned, baked, or suffocated to death. Early the next day, American bombers finished off what was left. Sinclair McKay's *The Fire and the Darkness* is a pulse-pounding work of history that looks at the life of the city in the days before the attack, tracks each moment of the bombing, and considers the long period of reconstruction and recovery. *The Fire and the Darkness* is powered by McKay's reconstruction of this unthinkable terror from the points of view of the ordinary civilians: Margot Hille, an apprentice brewery worker; Anita Auerbach, a waitress; boys conscripted into the Hitler Youth; choristers of the Kreuzkirche choir; artists, factory floor managers, shop assistants, and classical musicians, as well as the Nazi officials stationed there. What happened that night in Dresden was calculated annihilation in a war that was almost over. Sinclair McKay's brilliant *Dresden: The Fire and the Darkness* takes a complex, human, view of this terrible night and its aftermath in a gripping book that will be remembered long after the last page is turned.

PRAISE

Praise for Sinclair McKay:

"As he has proved before, Sinclair McKay has no peers when it comes to the history of Bletchley Park – and its aftermath. Lucid, well-researched and rich in detail, *The Spies of Winter* is a valuable addition to the genre."

—*Daily Mail*

"A remarkably faithful account of what we did, why it mattered, and how it all felt at the time." — *The Guardian*

SINCLAIR MCKAY is the bestselling author of *The Secret Lives of Codebreakers* (published in the UK as *The Secret Life of Bletchley Park*) and *The Secret Listeners for Aurum*, as well as several other books. Sinclair is a literary critic for the *Telegraph* and *The Spectator* and for three years was a judge of the Encore Prize, awarded annually for best second novel. He lives in the shadow of Canary Wharf in east London.

Twilight of the Gods

A Novel

Scott Oden

A *Gathering of Ravens* was called "satisfying...complex...and a pleasure to read" (*Publishers Weekly*, starred review). Now, Scott Oden continues the saga of Grimnir in this new epic fantasy novel.

In *A Gathering of Ravens*, he fought for vengeance. Now, Grimnir is back to fight for his survival.

It is the year of Our Lord 1218 and in the land of the Raven-Geats, the Old Ways reach deep. And while the Geats pay a tax to the King in the name of the White Christ, their hearts and souls belong to the gods of Ásgarðr. But no man can serve two masters.

Pledging to burn this Norse heresy from the land, famed crusader Konráðr the White leads a host against the Raven-Geats, using torch and sword to bring forth the light of the new religion. But the land of the Raven-Geats has an ancient protector: Grimnir, the last in a long line of monsters left to plague Miðgarðr. And he will stand between the Raven-Geats and their destruction.

Aided by an army of berserkers led by their pale queen, Grimnir sparks off an epic struggle –not only against the crusaders, but against the very Gods. For there is something buried beneath the land of the Raven-Geats that Odin wants, something best left undisturbed. Something the blood of the slain, Christian and pagan, will surely awaken.

PRAISE

Praise for *A Gathering of Ravens*:

**"A satisfying saga that's as complex as an old tree's roots, and a pleasure to read."
—*Publishers Weekly* (starred review)**

"Oden mixes an exciting and vibrant narrative with a wealth of historical detail to bring Grimnir and his world to life, providing the reader with an immensely satisfying and rewarding experience." —*Booklist*

"This novel creates a rich, grim fantasy world made from Norse, Anglo-Saxon and Celtic myth with strands of Tolkien.... Recommended for lovers of Tolkien, dark fantasy and northern mythology." —*Historical Novel Society*

SCOTT ODEN was born in Indiana, but has spent most of his life shuffling between his home in rural North Alabama, a Hobbit hole in Middle-earth, and some sketchy tavern in the Hyborian Age. He is an avid reader of fantasy and ancient history, a collector of swords, and a player of tabletop role-playing games. His previous books include *Men of Bronze*, *Memnon*, and *The Lion of Cairo*. When not writing, he can be found walking his two dogs or doting over his lovely wife, Shannon.

An Anonymous Girl: A Novel
 11/2019 | 9781250133755

You Are Not Alone

Greer Hendricks and Sarah Peckanen

The thrilling new novel from the #1 New York Times bestselling authors of *An Anonymous Girl* and *The Wife Between Us*.

Shay Miller has three strikes against her: no job, no apartment, no love in her life. But when she witnesses a perfectly normal looking young woman about her age make the chilling decision to leap in front of an ongoing subway train, Shay realizes she could end up in the same spiral. She is intrigued by a group of women who seem to have it all together, and they invite her with the promise: "You are not alone." Why not align herself with the glamorous and seductive Moore sisters, Cassandra and Jane? They seem to have beaten back their demons, and made a life on their own terms—a life most people can only ever envy. They are everything Shay aspires to be, and they seem to have the keys to getting exactly what they want.

As Shay is pulled deeper and deeper under the spell of the Moore sisters, she finds her life getting better and better. But what price does she have to pay? What do Cassandra and Jane want from her? And what secrets do they, and Shay, have that will come to a deadly confrontation?

You are not alone: Is it a promise? Or a threat?

PRAISE

Praise for Greer Hendricks and Sarah Peckanen:

"Slickly twisty [with] gasp-worthy final twists...major league suspense."
 —*Publishers Weekly* (starred review)

"Masterfully escalates the suspense...keep[s] the reader guessing until the end. A great follow-up." —*Booklist* (starred review)

"Psychological suspense is a genre that needs to be handled with kid gloves...Greer Hendricks and Sarah Peckanen seem to have mastered the formula...a creepy-crawly tale." —*New York Times Book Review*

GREER HENDRICKS spent over two decades as an editor. Her writing has been published in *The New York Times* and *Publishers Weekly*.

SARAH PEKKANEN is the internationally and *USA Today* bestselling author of seven previous novels. A former investigative journalist and feature writer, her work has been published in *The Washington Post*, *USA Today*, and many others.

Together, they have written the *New York Times* bestselling novels *The Wife Between Us* and *An Anonymous Girl*.

Staring Down the Wolf

7 Leadership Commitments That Forge Elite Teams

Mark Divine

A leadership book by former Navy SEAL and *New York Times* bestselling author Mark Divine, focused on harnessing the principles of purpose and discipline in life to achieve success.

What does it take to command a team of elite individuals?

It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. All of these are present in an elite team, which commits to them deeply in order to forge the character worthy of uncommon success.

Retired Navy SEAL Commander, entrepreneur and *New York Times* bestselling author Mark Divine (founder of SEALFIT, NavySeal.com, and Unbeatable Mind) reveals what makes the culture of an elite team and how to get your own team to commit to serve at an elite level. Using principles he learned on the battlefield, training SEALs, and in his own entrepreneurial and growth company ventures, Mark knows what it is to lead elite teams, and how easily the team can fail by breaching these commitments.

Elite teams challenge themselves to step up everyday to do the uncommon. Developing the principles yourself and aligning your team around these commitments will allow you to thrive in VUCA environments, no matter your background or leadership experience.

Drawing from his twenty years leading SEALs, and twenty five years of success and failure in entrepreneurship and ten years coaching corporate clients, Mark Divine shares a very unique perspective that will allow you to unlock the tremendous power of your team.

PRAISE

Praise for *8 Weeks to SEALfit*:

“Will appeal to readers looking to be pushed beyond their limits.” —*Publishers Weekly*

“The best program I’ve come to know outside of someone actually going through SEAL training.” —Brandon Webb, Navy SEAL, *New York Times* bestselling author

MARK DIVINE is a *New York Times* bestselling author and former Navy SEAL. He has trained thousands of aspiring Navy SEALs. He owns and runs the SEALFIT Training Center in San Diego, California where he trains thousands of professional athletes, military professionals, SWAT, First Responders, SOF candidates and everyday people looking to build strength and character. He is the author of *8 Weeks to SEALFIT*.

The Good News About Estrogen

The Truth Behind a Powerhouse Hormone

Uzzi Reiss, M.D.

The latest information about estrogen, the body's enlivening powerhouse hormone.

The Good News About Estrogen clarifies what happens in women's bodies, what is "normal" and what is not. It lets readers know exactly what's at stake when women lose estrogen at any age—whether it's from chemicals in food and cosmetic products, a side effect of oral contraception, or part of the natural aging process—through patient anecdotes and scientific information.

Uzzi Reiss, M.D. will help readers make the essential lifestyle changes to correct their hormonal problems, which will in turn lead to weight loss, increased energy, better sleeping habits, reduction of symptoms of late-onset type II diabetes, increased metabolism, improved and consistent moods, improved mental clarity, improved bone integrity and muscular tone, improved skin and hair strength and texture, restored vaginal response, resolved painful sex, restored libido, as well as protection against both breast cancer and cardiovascular disease.

With bioidentical hormone replacement therapy recommendations, an eating plan that supports hormonal balance and disease prevention, a list of supplements, and a simple program for strengthening and toning to record your information as you go, *The Good News about Estrogen* is the complete, up-to-date, and accessible guide to hormonal health.

UZZI REISS, M.D. has practiced nutrition and hormone-based gynecology since 1980. In 1982, he was the first doctor to open a PMS health clinic and in 1997, he opened the popular Beverly Hills Anti-Aging Center. He lives in Los Angeles, California.

A Bond Undone

Jin Yong

The second book in the epic Chinese classic and phenomenon *Legends of Condor Heroes* series, published in the US for the first time!

In the Jin capital of Zhongdu, Guo Jing learns the truth of his father's death and finds he is now betrothed, against his will, to two women. Neither of them is his sweetheart Lotus Huang.

Torn between following his heart and fulfilling his filial duty, Guo Jing journeys through the country of his parents with Lotus, encountering mysterious martial heroes and becoming drawn into the struggle for the supreme martial text, the Nine Yin Manual. But his past is catching up with him. The widow of an evil man he accidentally killed as a child has tracked him down, intent on revenge.

Meanwhile, his true parentage at last revealed, Yang Kang, the young prince Guo Jing must face in the Garden of the Eight Drunken Immortals, is forced to choose his destiny. Will he continue to enjoy the life of wealth and privilege afforded to him by the invader of his homeland, or give up all he has known to avenge his parents?

PRAISE

"Full of noble heroes and pitched battles, Cha's stories were epic, featuring not just fantastical kung fu swordsmen who can fly and walk on water, but also complex characters and plots woven into dramatic historical events." – CNN

"Widely known by his pen name, Jin Yong, his work, in the Chinese-speaking world, has a cultural currency roughly equal to that of 'Harry Potter' and 'Star Wars' combined." – *The New Yorker*

"His works were loved by generations - both in China and worldwide." – BBC

Jin Yong (pen name of Louis Cha) was a true phenomenon in the Chinese-speaking world. Born in Mainland China, he spent most of his life writing novels and editing newspapers in Hong Kong. His enormously popular martial arts novels have become modern classics and remain a must-read for readers looking for danger and adventure.

GIGI CHANG translates from Chinese into English. Her translations include classical Chinese dramas for the Royal Shakespeare Company and contemporary Chinese plays for Londo...

American Rebels

How the Hancock, Adams, and Quincy Families Fanned the Flames of Revolution

Nina Sankovitch

Nina Sankovitch's *American Rebels* explores, for the first time, the intertwined lives of the Hancock, Quincy, and Adams families, and the role each person played in sparking the American Revoluti...

Before they were central figures in American history, John Hancock, John Adams, Josiah Quincy Junior, Abigail Smith Adams, and Dorothy Quincy Hancock had forged intimate connections during their childhood in Braintree, Massachusetts. Raised as loyal British subjects who quickly saw the need to rebel, their collaborations against the Crown and Parliament were formed years before the revolution and became stronger during the period of rising taxes and increasing British troop presence in Boston. Together, the families witnessed the horrors of the Boston Massacre, the Battles of Lexington and Concord, and Bunker Hill; the trials and tribulations of the Siege of Boston; meetings of the Continental Congress; transatlantic missions for peace and their abysmal failures; and the final steps that led to the signing of the Declaration of Independence.

American Rebels explores how the desire for independence cut across class lines, binding people together as well as dividing them—rebels versus loyalists—as they pursued commonly-held goals of opportunity, liberty, and stability. Nina Sankovitch's new book is a fresh history of our revolution that makes readers look more closely at Massachusetts and the small town of Braintree when they think about the story of America's early years.

PRAISE

Praise for *The Lowells of Massachusetts*:

"Sankovitch has searched out these letters to write the powerful story of one of America's most extraordinary families, a family that helped shape the course of American history in dramatic and decisive ways...By the final pages of this volume, one feels deeply attached to the individual Lowells, while also exhilarated at having experienced this grand sweep of American history." —Charlotte Gordon, *Washington Post*

Nina Sankovitch is the author of several nonfiction books, including *American Rebels* and *The Lowells of Massachusetts*. She is a contributor at Book Riot and has written for the *New York Times*, the *Huffington Post* as a contributing blogger, and was formerly a judge for The Book of the Month Club. A graduate of Tufts University and Harvard Law School, Sankovitch grew up in Evanston, Illinois, and currently lives in Connecticut with her family.

Pride of Eden

A Novel

Taylor Brown

The enthralling new novel from the acclaimed author of *Fallen Land*, *The River of Kings*, and *Gods of Howl Mountain*

Vietnam veteran, retired racehorse jockey, and keeper of secrets, Anse Caulfield rescues exotic big cats, elephants, and other creatures for Little Eden, a wildlife sanctuary near the abandoned ruins of a failed development on the Georgia coast. But when Anse's prized lion escapes and is killed, he becomes obsessed with replacing her—even if the means of rescue aren't exactly legal.

Anse is joined by Malaya, a former soldier herself, who after discharge hunted poachers decimating an elephant refuge in Africa; Lope, whose training in falconry taught him to pilot surveillance drones; and Tyler, a veterinarian who has found a place in Anse's obsessive world.

From an ancient crocodile scarred by forced combat with other animals, a panther caged in a yard, a rare tiger destined to be harvested for its glands, a lion kept as a tourist attraction at a gas station, to a pack of wolves being raised on a remote private island off the coast, Anse and his team battle an underworld of smugglers, gamblers, breeders, trophy hunters, and others who exploit exotic game.

The Pride of Eden is a brilliant fever dream of a novel: set on the eroding edge of civilization, rooted in dramatic events that are linked not only with each character's past, but to the prehistory of America, where great creatures roamed the continent and continue to inhabit our collective imagination.

PRAISE

"'Atavistic' is one way to describe *Pride of Eden*. 'Fantastic' is another. Because Taylor Brown has accomplished something truly unique with this remarkable novel, telling a story that's both gripping and tender, with prose as savagely beautiful as the apex predators it celebrates. *Pride of Eden* is simply a pleasure to read." —Dane Huckelbridge, author of *No Beast So Fierce*

"*Pride of Eden* is a beautifully written, visionary novel of scarred souls seeking redemption not only for themselves but, in their limited way, for us all. Taylor Brown is clearly one of the best American writers of his generation. We are fortunate to have his voice in the...

TAYLOR BROWN grew up on the Georgia coast. He has lived in Buenos Aires, San Francisco, and the mountains of western North Carolina. His fiction has appeared in more than 20 publications, he is the recipient of the Montana Prize in Fiction, and was a finalist in both the Machigonne Fiction Contest and the Doris Betts Fiction Prize. He is the author of *Fallen Land* (2016), *The River of Kings* (2017), and *Gods of Howl Mountain* (2018). He lives in Wilmington, North Carolina.

Voyage of Mercy

The USS Jamestown, the Irish Famine, and the Remarkable Story of America's First Humanitarian Mission

Stephen Puleo

The remarkable story of the mission that inspired a nation to donate massive relief to Ireland during the potato famine and began America's tradition of providing humanitarian aid around the world...

More than 5,000 ships left Ireland during the great potato famine in the late 1840s, transporting the starving and the destitute away from their stricken homeland. The first vessel to sail in the other direction, to help the millions unable to escape, was the *USS Jamestown*, a converted warship, which left Boston in March 1847 loaded with precious food for Ireland.

In an unprecedented move by Congress, the warship had been placed in civilian hands, stripped of its guns, and committed to the peaceful delivery of food, clothing, and supplies in a mission that would launch America's first full-blown humanitarian relief effort.

Captain Robert Bennet Forbes and the crew of the *USS Jamestown* embarked on a voyage that began a massive eighteen-month demonstration of soaring goodwill against the backdrop of unfathomable despair—one nation's struggle to survive, and another's effort to provide a lifeline. The *Jamestown* mission captured hearts and minds on both sides of the Atlantic, of the wealthy and the hardscrabble poor, of poets and politicians. Forbes' undertaking inspired a nationwide outpouring of relief that was unprecedented in size and scope, the first instance of an entire nation extending a hand to a foreign neighbor for purely humanitarian reasons. It showed the world that national generosity and brotherhood were not signs of weakness, but displays of quiet strength and moral certitude.

In *Voyage of Mercy*, Stephen Puleo tells ...

PRAISE

"Captivating." —*Parade on American Treasures*

"A rich and resonant narrative history... told by a fine historian who also happens to write like a seasoned novelist." —William Martin, *New York Times* bestselling author of *The Lost Constitution on American Treasures*

"Stephen Puleo once again educates, enlightens, and entertains us." —David S. Ferriero, Archivist of the United States on *American Treasures*

STEPHEN PULEO is a historian, teacher, public speaker, and the author of six books, including *Dark Tide: The Great Boston Molasses Flood of 1919* and *The Caning: The Assault That Drove America to Civil War*. A former award-winning newspaper reporter and contributor to *American*

FridaKahloJourney.com

Frida in America

The Creative Awakening of a Great Artist

Celia Stahr

The riveting story of how three years spent in the United States transformed Frida Kahlo into the artist we know today

Mexican artist Frida Kahlo adored adventure. In November, 1930, she was thrilled to realize her dream of traveling to the United States to live in San Francisco, Detroit, and New York. Still, leaving her family and her country for the first time was monumental.

Only twenty-three and newly married to the already world-famous forty-three-year-old Diego Rivera, she was at a crossroads in her life and this new place, one filled with magnificent beauty, horrific poverty, racial tension, anti-Semitism, ethnic diversity, bland Midwestern food, and a thriving music scene, pushed Frida in unexpected directions. Shifts in her style of painting began to appear, cracks in her marriage widened, and tragedy struck, twice while she was living in Detroit.

Frida in America is the first in-depth biography of these formative years spent in *Gringolandia*, a place Frida couldn't always understand. But it's precisely her feelings of being a stranger in a strange land that fueled her creative passions and an even stronger sense of Mexican identity. With vivid detail, *Frida in America* recreates the pivotal journey that made Senora Rivera the world famous Frida Kahlo.

PRAISE

“A unique and enthralling portrait of Frida Kahlo. Through previously unpublished letters, we see Kahlo shaping herself as an artist, but also as a woman, distinct from her strong family and powerful husband, Diego Rivera. [This] fascinating and meticulously researched book is a must read!” —Maud Carol Markson, author of *When We Get Home*

Celia Stahr is a professor at the University of San Francisco, where she specializes in modern American and contemporary art with an emphasis on feminist art and gender studies, as well as African and multicultural art. She holds a Doctorate of Philosophy from the University of Iowa and lives in the Bay Area.

The Myth of Chinese Capitalism

The Worker, the Factory, and the Future of the World

Dexter Roberts

The untold story of how restrictive policies are preventing China from becoming the world's largest economy

Dexter Roberts lived in Beijing for two decades working as a reporter on economics, business and politics for Bloomberg. In his book, *The Myth of Chinese Capitalism*, Roberts shows readers the reality behind today's financially-ascendant China and pulls the curtain back on how the Chinese manufacturing machine is actually powered. He focuses on two towns—the village of Binghuacun in the province of Guizhou, one of China's poorest regions, a region that sends the highest proportion of its youth away to become migrants; and Dongguan, China's most infamous factory town located in Guangdong and home to both the largest number of migrant workers and the country's biggest manufacturing base. Within these two towns and the people that move between them, Roberts focuses on the story of the Mo family, former farmers now turned migrant workers who are struggling to make a living in a fast-changing country that relegates one-third of its people to second-class status via household registration, land tenure policies and inequality in education and health care systems. In *The Myth of Chinese Capitalism*, Dexter Roberts bring to life the problems that China and its people face today as they attempt to overcome a divisive system that poses a serious challenge to the country's future development. In so doing, Roberts paints a boot-on-the-ground cautionary picture of China for a world now held in its financial thrall.

Dexter Roberts is a writer, speaker, and analyst on China economics, business and politics. Previously he served as reporter and China bureau chief for Bloomberg Businessweek and was based in Beijing for more than two decades. He has interviewed numerous Chinese and foreign company CEOs, as well as senior government officials, and has reported from all of China's provinces and regions including Tibet and Xinjiang, as well as Hong Kong, Taiwan, Mongolia and North Korea.

Mind over Weight

Curb Cravings, Find Motivation, and Hit Your Number in 7 Simple Steps

Ian K. Smith, M.D.

A motivational guide to losing weight and maintaining success by the #1 *New York Times* bestselling author of *Clean & Lean*

Every day of every year, thousands of people start some type of weight loss/transformation journey. *Mind over Weight* is an important weapon to add to their arsenals.

While eating the right food and exercising is critical to weight loss success, *Mind over Weight* helps readers win the battle by getting everything in order *above* the neck. It will guide readers to find their motivation, stick to a plan, and set the right goals.

There are a million diet plans out there, but few address issues equally critical to weight loss success: they're all in the six inches between your ears!

Written by the bestselling author of *SHRED* and *The Clean 20*, *Mind over Weight* is an easy read with concrete steps dieters will be able to follow. Each chapter ends with a takeaway action item for readers to complete to help create an overall strategy for body and life transformation.

PRAISE

Praise for *The Clean 20*:

"A simple plan to help regular folks—rather than the extreme dieters among us—shed excess weight and live with a little more energy... This is for the average person who wants to make a change, hit that reset button, but not go crazy."

—*Men's Journal*

"If you are a busy person and do not have much time to prepare your food, *The Clean 20* is the solution. These recipes are not only healthy but also scrumptious. You are most likely to continue eating them even after the 20-day plan period."

—*Washington Book Review*

Ian K. Smith, M.D. is the #1 *New York Times* bestselling author of *Clean & Lean*, *The Clean 20*, *SHRED*, *SUPER SHRED*, *The SHRED Power Cleanse*, and *Blast the Sugar Out*. He has created two national health initiatives--the 50 Million Pound Challenge and the Makeover Mile—and has served two terms on the President's Council on Fitness, Sports, and Nutrition. A graduate of Harvard, Columbia, and the University of Chicago's Pritzker School of Medicine, Smith is an avid fitness enthusiast and sportsman.

#TheNewHusband

ALSO AVAILABLE**Saving Meghan: A Novel**

4/2019 | 9781250107459

The New Husband

D. J. Palmer

A riveting new thriller about the lies we tell ourselves from the author of *Saving Meghan*.

Just because you love someone doesn't mean you know them.

Nina Garrity learned that the hard way after discovering that her missing husband, Glen, had been leading a double life with another woman. But Glen's gone—presumably drowned while fishing on his boat—so she can't confront him about the affair or any of his other misdeeds. A year and a half after the accident, Nina considers herself a widow, even though the police never found a body. Following a chance encounter with Simon Fitch, a teacher from her daughter Maggie's middle school, Nina finds love again and has hopes of putting her shattered life back together.

Simon, a widower still grieving the suicide of his first wife, has found his dream girl in Nina. His charm and affections help break through to a heart hardened by betrayal. Nina's teenage son, Connor, embraces Simon as the father he wishes his dad could have been, but Maggie sees a far darker side to this new man in their lives. Even Nina's good friends wonder if Simon is supremely devoted—or dangerously possessive. But Nina is committed, not only to her soon-to-be new husband but also to resuming her former career as a social worker. Before she can move forward, however, Nina must first clear her conscience that she's not making another terrible choice in a man. In doing so, she will uncover the shocking truth: the greatest danger to her, and her children, are the lies people tell themselves.

PRAISE

Praise for *Saving Meghan*:

"Mother doesn't always know best in this thrill ride of a novel...gripping and twisted." —Karin Slaughter, bestselling author of *The Good Daughter*

"Plenty of twists...will keep you turning the pages as you guess...and guess again." —Lisa Scottoline, *New York Times* bestselling author of *After Anna*

"An acute, sensitive portrayal of family love under extreme stress...[with] a touch of Hitchcock." —William Landay, *New York Times* bestselling author of *Defending Jacob*

D.J. PALMER is the author of numerous critically acclaimed suspense novels. A former e-commerce entrepreneur, D.J. Palmer now resides in New Hampshire and is currently at work on a new book.

The Rightful Queen

Isabelle Steiger

The second book in Isabelle Steiger's epic fantasy series, which weaves together the lives of the haves and the have-nots both desperately fighting to reassemble the remains of a fallen empire.

Isabelle Steiger's debut *The Empire's Ghost* was praised by *Booklist* as a "well-crafted tale that is ripe for a sequel". In *The Rightful Queen*, we return to the empire of Elesthene in a continuation of the series.

Imperator Elgar has brought war to Lantistyne once again, and the rogues of the Dragon's Head, once forced into his service, are scattered to the winds, wracked by tragedy and struggling to reunite. While a cornered King Kelken grows increasingly desperate, Arianrod Margraine, the brilliant but outmanned marquise of Esthrades, devises a plan to stretch Elgar's forces thin and turn the tide of battle in their favor. But when the sheltered queen of Issamira is driven from her throne by a long-simmering plot and the use of forbidden magic, Arianrod faces an even more pressing crisis. Adora Avestri is more than the rightful queen of Issamira, more even than the key to defeating Elgar on the field—she has drawn the attention of beings older than Lantistyne itself, who possess hidden knowledge Arianrod has long desired. But if the queen and the marquise hope to survive long enough to learn it, Adora must find the strength to claim her birthright once and for all, and Arianrod must match wits and magic with a foe she has never before encountered: an equal.

The Rightful Queen is another example of author Isabelle Steiger's powerful writing, full of intricate characters and complex world-building.

PRAISE**Praise for *The Empire's Ghost*:**

"[An] enjoyable epic fantasy debut... Steiger handles a complex plot and a multitude of viewpoints neatly and well." —*Publishers Weekly*

"...familiar and refreshing... A debut fantasy novel features powerful female characters, detailed worldbuilding and a complex narrative that will leave fans hungry for more." —*Shelf Awareness*

"A well-crafted tale that is ripe for a sequel." —*Booklist*

"A solid debut for Steiger." —*SFRevu*

ISABELLE STEIGER was born in the city and grew up in the woods. She received her first notebook when she was eight, and she's been filling them up ever since. She lives in New York, though her erstwhile companion, a very moody gray cat, has since retired and moved to Florida.

A Bad Day for Sunshine

A Novel

Darynda Jones

From *New York Times* bestseller Darynda Jones comes the first book in a fun detective mystery series!

Police chief Sunshine Vicram finds her cup o' joe more than half full when the small village of Del Sol, New Mexico, becomes the center of national attention for a killer on the loose.

Del Sol, New Mexico is known for three things: its fry-an-egg-on-the-cement summers, its strong cups of coffee—and a nationwide manhunt? Before FBI agents and US Marshalls descended on her town, Sunshine Vicram's biggest crime wave on record involved an elderly flasher named Doug. But now, both the established citizens of Del Sol and the new, rich elite are questioning Sunshine's skills as an officer of the law. Add to that trouble at her daughter's new school and a kidnapped prized rooster named Rex, and Sunshine has her hands full.

Enter a sexy FBI agent and a sultry US Marshal, both of whom find Sunshine an eleven on a scale of one to blazing inferno, and the normally savvy police chief is quickly in over her head. But can their attention erase the feelings she still has for her childhood crush, the dark and elusive Levant Ravinder? If she were to judge by the one scalding kiss they shared as teenagers, the answer to that would be no. Now it's up to Sunshine to juggle a few good hunky men, a not-so-nice murderous miscreant, and Doug the ever-pesky flasher. And they said small towns were drama-free.

PRAISE

"Swoon-worthy heroes, quirky characters, and a page turning mystery. Move over Stephanie Plum, Sunshine Vicram has arrived. Prepare yourself. This book is a keeper!" –*New York Times* Bestselling Author Christie Craig

"Darynda Jones has done it again. With trademark humor, eccentric yet relatable characters, and masterful storytelling, she takes us on a journey we don't want to end." –#1 Bestselling Author Tracy Brogan

"Smart, sexy, and outrageously funny. Jones masterfully balances heartwarming comedy and bone chilling suspense." Marina Adair, #1 National bestselling author of *Summer in Napa*

New York Times and *USA Today* bestselling author DARYNDA JONES won a Golden Heart and a RITA for her manuscript *First Grave on the Right*. A born storyteller, she grew up spinning tales of dashing damsels and heroes in distress for any unfortunate soul who happened by, annoying man and beast alike. Darynda lives in the Land of Enchantment, also known as New Mexico, with her husband and two beautiful sons, the Mighty, Mighty Jones Boys.

A Hundred Suns

Karin Tanabe

An evocative novel set in 1930s Indochine about an American who journeys there in the name of family fortune, the glamorous world she finds herself in—and the truth she may be running from.

On a humid afternoon in 1933, American Jessie Lesage steps off a boat from Paris and onto the shores of Vietnam. Accompanying her French husband, an heir to the Michelin rubber fortune, she's certain that their new life is full of promise. Jessie knows that their vast plantations near Saigon are the key to the family's prosperity, and while they have been marred in scandal, she needs them to succeed for her husband's sake—and to ensure that her trail of secrets stays hidden in the past.

Jessie dives into the glamorous colonial world and meets Marcelle de Fabry, a spellbinding French woman who proves to be an exuberant guide to ex-pat life. But hidden beneath her vivacious exterior is a fierce desire to put the colony back in the hands of its people, starting with the Michelin plantations.

It doesn't take long for the sun-drenched days and champagne-soaked nights to catch up with Jessie. With an increasingly fractured mind, her affection for Indochine falters. And as a fiery political struggle builds around her, Jessie begins to wonder what's real in a friendship that she suspects may be nothing but a house of cards.

Motivated by love, driven by ambition, and seeking self-preservation at all costs, Jessie and Marcelle each toe the line between friend and foe, ethics and excess. Cast against the stylish backdrop of 1930s Indochine, *A Hundred Suns* is historical fiction at its lush, suspenseful best.

PRAISE**Praise for Karin Tanabe:**

"A haunting, evocative tale that left me both richly satisfied and deeply unsettled – yet another Tanabe triumph. Captivating, suspenseful, and full of surprises."

—Fiona Davis, national bestselling author of *The Masterpiece*

"Tanabe's attachment to her characters and passion for the period shine through."

—*Historical Novel Society*

"A gorgeously sweeping tale." —Kirkus

KARIN TANABE is the author of four novels, including *The Gilded Years* (soon to be a major motion picture starring Zendaya, who will produce alongside Reese Witherspoon/Hello Sunshine for Sony/Tristar). A former Politico reporter, her writing has also appeared in *The Washington Post*, *Miami Herald*, *Chicago Tribune*, and *Newsday*. She has made frequent appearances as a celebrity and politics expert on *Entertaining Tonight*, CNN, and *The CBS Early Show*.

HARDCOVER

The Address Book

What Our Street Addresses Reveal About Identity, Race, Wealth, and Power

Deirdre Mask

An exuberant work of popular history: the story of how streets got their names and houses their numbers, and why something as seemingly mundane as an address can save lives or enforce power.

When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. Addresses arose out of a grand Enlightenment project to name and number the streets, but they are also a way for people to be identified and tracked by those in power. As Deirdre Mask explains, the practice of numbering houses was popularized in eighteenth-century Vienna by Maria Theresa, leader of the Hapsburg Empire, to tax her subjects and draft them into her military. In many parts of the world, your address can reveal your race and class, causing them to be a shorthand for snobbery or discrimination. In this wide-ranging and remarkable book, Mask looks at the fate of streets named after Martin Luther King, Jr., the wayfinding means of ancient Romans, how Nazis haunt the streets of modern Germany, and why numbered streets dominate in America but not in Europe. The flipside of having an address is not having one, and we see what that means for millions of people today, including those who live in the slums of Kolkata, on the streets of London, or in post-earthquake Haiti.

Filled with fascinating people and histories, *The Address Book* illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts...

Deirdre Mask is a lawyer turned writer. Her work has appeared in *The New York Times*, *The Atlantic*, and *The Guardian*. Originally from North Carolina, she has taught at Harvard and the London School of Economics. She lives with her husband and daughters in London. This is her first book.

The Last Voyage of the Andrea Doria

The Sinking of the World's Most Glamorous Ship

Greg King and Penny Wilson

In the tradition of Erik Larson's **DEAD WAKE** comes **THE LAST VOYAGE OF THE ANDREA DORIA**, about the sinking of the glamorous Italian ocean liner, including never-before-seen photos of the wreck today...

In 1956, a stunned world watched as the famous Italian ocean liner Andrea Doria sank after being struck by a Swedish vessel off the coast of Nantucket. Unlike the Titanic, this sinking played out in real time across radios and televisions, the first disaster of the modern age. Audiences witnessed it all: the unthinkable collision of two modern vessels equipped with radar; perilous hours of uncertainty; the heroic rescue of passengers, and the final gasp as the pride of the Italian fleet slipped beneath the Atlantic, taking some fifty lives with her. Her loss signaled the end of the golden era of ocean liner travel.

Now, Greg King and Penny Wilson offer a fresh look at this glittering liner and her untimely end. Andrea Doria represented the romance of travel, the possibility of new lives in the new world, and the glamour of 1950s art, culture, and life. Set against a glorious backdrop of celebrity and La Dolce Vita, Andrea Doria's last voyage comes vividly to life in a narrative tightly focused on her passengers – Cary Grant's wife; Philadelphia's flamboyant mayor; the heiress to the Marshall Field fortune; and brave Italian emigrants – who found themselves plunged into a desperate struggle to survive. *The Last Voyage of the Andrea Doria* follows the effect this trauma had on their lives, and brings the story up to date with the latest expeditions to the wreck.

Drawing on in-depth research and new interviews with survivors, man...

PRAISE

Praise for Greg King and Penny Wilson:

"[King and Wilson] have succeeded marvelously, offering up a lucid and entertaining historical portrait." —*The Wall Street Journal* for *Twilight of Empire*

"[A] fine example of historical detective work by the always-entertaining and-enlightening King-and-Wilson duo." —*Booklist* for *Twilight of Empire*

"A fascinating account of a ship, its passengers, and its terrible fate." —*Publishers Weekly* for *Lusitania*

"Highly informed, compellingly written...there was a great deal more to the story than its heart-wrenching tragedy." —*The Wall Street Journal* for *Lusitania*

There is an ancient Chinese proverb that states, “Two tigers cannot share the same mountain.” However, in East Asia, there are three tigers on that mountain: China, Japan, and Korea, and they have a long history of turmoil and tension with each other. In his latest entertaining and thought provoking narrative travelogue, Michael Booth sets out to discover how deep, really, is the enmity between these three “tiger” nations, and what prevents them from making peace. Currently China’s economic power continues to grow, Japan is becoming more militaristic, and Korea struggles to reconcile its westernized south with the dictatorial Communist north. Booth, long fascinated with the region, travels by car, ferry, train, and foot, experiencing the people and culture of these nations up close. No matter where he goes, the burden of history, and the memory of past atrocities, continues to overshadow present relationships. Ultimately, Booth seeks a way forward for these closely intertwined, neighboring nations.

An enlightening, entertaining and sometimes sobering journey through China, Japan, and Korea, *Three Tigers, One Mountain* is an intimate and in-depth look at some of the world’s most powerful and important countries.

PRAISE

"Booth's extremely funny character analysis of Scandinavia (which includes the adjacent Arctic-Circle floaters, Iceland and Finland) gives an incisive yet comprehensive overview of each of these reputedly lucky lands."—Liesl Schillinger, *The New York Times Book Review on Almost Nearly Perfect People*

Michael Booth is a journalist, broadcaster, and keynote speaker. He is the author of several works of non-fiction, including the award-winning, international best-seller, *The Almost Nearly Perfect People* and *Super Sushi Ramen Express*. He is a correspondent for *Monocle* magazine and *Monocle M24* radio, as well as other international publications. His works have been adapted by BBC radio in the UK and NHK TV in Japan, and translated into over twenty languages.
