## Meet Me in Bombay

Jenny Ashcroft

**All he needs is to find her. First, he must remember who she is.**

It's New Year's Eve in Bombay, 1913, and Madeline Bright, new to the sweltering heat of colonial India, is yearning for all she has left behind in England. Then, at the stroke of midnight, Maddy meets Luke Devereaux, and as the year changes so do both their lives.

Bold and charismatic, Luke opens her eyes to the wonders of Bombay, while Maddy's beauty and vivacity captures his heart. Only her mother disapproves, preferring the devoted Guy Bowen as a match for her daughter.

But while Maddy and Luke are falling in love, the world is falling apart. World War I is on the horizon, and Luke will be given no choice but to fight. They will be continents apart, separated by danger and devastating loss, but bound by Luke's promise that they will meet again in Bombay.

**PRAISE**

**"I loved everything about *Meet Me in Bombay*...a stunning story that echoes long after you turn the final page." —Beatriz Williams, *New York Times* bestselling author of *The Golden Hour***

**"One of those rare and wonderful books that truly draws you into another place and time, word perfect, pitch perfect, detail perfect." —Lauren Willig, *New York Times* Bestselling Author**

**"From the first intriguing chapter I was hooked...Moving and beautifully written, this enchanting story of love and loss touched my heart." —Dinah Jefferies, author of *The Tea Planter's Wife***

JENNY ASHCROFT is a British author of historical fiction. Having spent many years living, working and exploring in Australia and Asia, she is now based in Brighton where she lives with her family by the sea. She has a degree from Oxford University in history, and has always been fascinated by the past—in particular the way that extraordinary events can transform the lives of normal people.

## The Wife Upstairs

*A Novel*

Rachel Hawkins

**A delicious twist on a Gothic classic, *The Wife Upstairs* pairs Southern charm with atmospheric domestic suspense, perfect for fans of B.A. Paris and Megan Miranda.**

Meet Jane. Newly arrived to Birmingham, Alabama, Jane is a broke dog-walker in Thornfield Estates—a gated community full of McMansions, shiny SUVs, and bored housewives. The kind of place where no one will notice if Jane lifts the discarded tchotchkes and jewelry off the side tables of her well-heeled clients. Where no one will think to ask if Jane is her real name.

But her luck changes when she meets Eddie Rochester. Recently widowed, Eddie is Thornfield Estates' most mysterious resident. His wife, Bea, drowned in a boating accident with her best friend, their bodies lost to the deep. Jane can't help but see an opportunity in Eddie—not only is he rich, brooding, and handsome, he could also offer her the kind of protection she's always yearned for.

Yet as Jane and Eddie fall for each other, Jane is increasingly haunted by the legend of Bea, an ambitious beauty with a rags-to-riches origin story, who launched a wildly successful southern lifestyle brand. How can she, plain Jane, ever measure up? And can she win Eddie's heart before her past—or his—catches up to her?

With delicious suspense, incisive wit, and a fresh, feminist sensibility, *The Wife Upstairs* flips the script on a timeless tale of forbidden romance, ill-advised attraction, and a wife who just won't stay buried. In this vivid reimaging of one of literature's most twisted love triangles, which Mrs. Rochester will get her happy ending?

### PRaise

**"Rachel Hawkins delivers a sharp, fresh twist on a classic in this darkly funny, suspenseful story of murder, ambition, and love. Creepy and fast-paced, *The Wife Upstairs* kept me on the edge of my seat from the first page to the very last."**  
—Megan Miranda, *New York Times* bestselling author

**"I was completely blown away by *The Wife Upstairs*. This is a compulsive, irresistible retelling of *Jane Eyre* with a modern, noir twist – and wow, does it work. Get this one on your 2021 list."** —Samantha Downing, *USA Today* bestselling author of *My Lovely Wife* and *He Started It*

**"*The Wife Upstairs* is everything I'd hoped—sharp, smart, tricky and fast-paced. R...**

RACHEL HAWKINS is the *New York Times* bestselling author of multiple books for young

## Robert E. Lee and Me

*A Southerner's Reckoning with the Myth of the Lost Cause*

Ty Seidule

**Soldier and head of the West Point history department Ty Seidule challenges the myths and lies of the Confederate legacy—and explores why some of this country's oldest wounds have never healed.**

Ty Seidule grew up revering Robert E. Lee. From his southern childhood to his service in the U.S. Army, every part of his life reinforced the Lost Cause myth: that Lee was the greatest man who ever lived, and that the Confederates were underdogs who lost the Civil War with honor. Now, as a retired brigadier general and Professor Emeritus of History at West Point, his view has radically changed. From a soldier, a scholar, and a southerner, American history demands a reckoning.

In a unique blend of history and reflection, Seidule deconstructs the truth about the Confederacy—that its undisputed primary goal was the subjugation and enslavement of Black Americans—and directly challenges the idea of honoring those who labored to preserve that system and committed treason in their failed attempt to achieve it. Through the arc of Seidule's own life, as well as the culture that formed him, he seeks a path to understanding why the facts of the Civil War have remained buried beneath layers of myth and even outright lies—and how they embody a cultural gulf that separates millions of Americans to this day.

Part history lecture, part meditation on the Civil War and its fallout, and part memoir, *Robert E. Lee and Me* challenges the deeply-held legends and myths of the Confederacy—and provides a surprising interpretation of essential truths that our country still has a difficult time articulating and accepting.

### PRAISE

**“Ty Seidule brilliantly and brutally deconstructs [the Lost Cause myth]...an extraordinary book that, by chronicling our darkest American moments, offers hope that we might one day see greater light.”** —*Los Angeles Review of Books*

**“Seidule openly confronts his own indifference to racism, and this absorbing book will be of value to anyone interested in how history informs our present.”** —*Library Journal* (starred review)

**“Ruminative and carefully researched....a valiant and well supported effort to bring essential facts to light. This heartfelt history has a worthy message.”** —*Publishers Weekly*

**“A beautiful, often searing meditation on race, history...**

TY SEIDULE is Professor Emeritus of History at West Point where he taught for two decades. He

## Three Wise Men

*A Navy SEAL, a Green Beret, and How Their Marine Brother Became a War's Sole Survivor*

Beau Wise and Tom Sileo

**An incredible memoir of family, service and sacrifice by a Marine who lost both his brothers in combat—becoming the only "Sole Survivor" during the war in Afghanistan.**

Shortly after the 9/11 attacks, three brothers by blood became brothers in arms when each volunteered to defend their country. No military family has sacrificed more during the ensuing war, which has become the longest ever fought by America's armed forces.

While serving in Afghanistan, US Navy SEAL veteran and CIA contractor Jeremy Wise was killed in an al Qaeda suicide bombing that devastated the US intelligence community. Less than three years later, US Army Green Beret sniper Ben Wise was fatally wounded after volunteering for a dangerous assignment during a firefight with the Taliban. Ben was posthumously awarded the Silver Star, while Jeremy received the Intelligence Star—one of the rarest awards bestowed by the U.S. government—and also a star on the CIA's Memorial Wall.

United States Marine Corps combat veteran Beau Wise is the only known American service member to be pulled from the battlefield after losing two brothers in Afghanistan. Told in Beau's voice, *Three Wise Men* is an American family's historic true story of service and sacrifice.

### PRAISE

**"THREE WISE MEN is a story of uncommon heroism by an American family in defense of our freedom...I will never forget the day we lost Jeremy, and I will never forget learning that his brother Ben had also made the ultimate sacrifice. The most difficult responsibility I had was to write notes of condolence to their mother on the loss of her sons. This book by Beau Wise and Tom Sileo is a tribute to the Wise brothers, their family, and the legacy of patriotism they left in their service to our great nation." —Leon Panetta, former Director of the CIA and Secretary of Defense**

**"After losing my friends in Afghanistan, I resolved to spend the rest of ...**

SERGEANT BEAU WISE served on active duty in the Marine Corps from 2008 to 2016 with 1st Battalion, 3rd Marine Regiment, 3rd Marine Division. He is the only known American service member to receive the Department of Defense's "Sole Survivor" designation as a result of the seventeen-plus-year war in Afghanistan.

TOM SILEO is an author, senior editor of *The Stream*, and recipient of the Marine Corps Heritage Foundation's 2016 General Oliver P. Smith Award for distinguished reporting. Tom has written...

## Coming Back

*How to Win the Job You Want When You've Lost the Job You Need*

Fawn Germer

**A street smart, inspiring, practical and utterly honest book for renewing or resuming your career.**

Millions of mid- and late-career professionals are wondering why our careers are dying. We've been fired, downsized, job-eliminated, or we've left work voluntarily to raise children, care for loved ones, or go to school. Our unemployment rate is more than three times the national average. It takes twice as long to get hired, usually for far less money than we were making. Is it age discrimination? Maybe. But it's not that simple.

So many of us have lagged on skills and technology, shrugged off social media, or ignored the rate of change and let younger people become the face of our profession's future. Our "track record" really doesn't matter. We want to come back, but we aren't ready.

*Coming Back* offers clear advice, including:

- Make yourself visible and relevant by sharing articles and information on your field with colleagues and on social media.
- Use LinkedIn to build your network in your industry and identify decision makers.
- Tell interviewers about what you will do—don't rely on what you have done.
- Stop grousing about "those millennials" and start working with them.
- Volunteer strategically to build leadership skills and networks.

*Coming Back* shows how you can save a career if still employed or get one back if cast out. Fawn Germer, one of the nation's most popular leadership experts and global motivational speakers, has personally interviewed more than 300 CEOs, senior executives, professors, lawyers, organizational experts, ...

### PRAISE

**"Thank you Fawn Germer for providing us 50-something women with the best advice we will ever get on how to stay relevant in our careers and lives. You are the friend that tells you what you don't want to hear, but need to! *Coming Back* will provide its readers with a crash course in how to continually reimagine and transform who you are as a leader in this ever changing world. As the world pivots around us these days, so too must we. Fawn, in her brilliant way, provides us with the stories and sage advice of the most respected top execs, academics and career experts. This is a must read!"**

– Sarah Alter, CEO and President, Network of Executive W...

# The Crown in Crisis

*Countdown to the Abdication*

Alexander Larman

## The thrilling and definitive account of the Abdication Crisis of 1936

On December 10, 1936, King Edward VIII brought a great international drama to a close when he abdicated, renouncing the throne of the United Kingdom for himself and his heirs. The reason he gave when addressing his subjects was that he could not fulfill his duties without the woman he loved by his side. The woman who caused this historic rupture of centuries of British rule was the notorious American divorcee Wallis Simpson.

It's a story that's been chronicled over and over, but in Alexander Larman's *The Crown in Crisis*, readers will be treated to a new view of this familiar story. Informed by archival material never before seen, as well as by interviews with many of Edward and Wallis's close friends who have never spoken publicly before, Larman creates an hour-by-hour, day-by-day suspenseful narrative that brings readers up to the point where the microphone is turned on and the king speaks to his subjects. Instead of focusing solely on King Edward and Mrs. Simpson, Larman looks closely at the roles played by the coalition that formed against him: Prime minister Stanley Baldwin, his private secretary Alec Hardinge and the Archbishop of Canterbury. Larman also takes the full measure of those who supported him: Minister of Parliament Winston Churchill, newspaper owner Lord Beaverbrook and the brilliantly Machiavellian politician Walter Monckton.

For the first time in a book about the abdication, readers will read an in-depth acc...

ALEXANDER LARMAN is a historian and journalist. He is the author of three previous acclaimed books of historical and literary biography. He writes for the *Times*, *Observer* and *Telegraph*, as well as *The Spectator* and *The Critic*. He lives in Oxford.

## Possession

*A Novel*

Katie Lowe

**A psychological thriller about a woman whose husband was murdered ten years ago, and the true crime podcast that digs up all the secrets from back then that she'd tried to keep buried.**

@ConvictionPod tweeted: Four hours to go. Episode 1 goes live at 1pm GMT. Get ready for our most twisted season yet.

An officer: "There was something about the crime scene that just wasn't right. It was like something from a film. I've seen a lot of homicides in the years since, but... that's the one that keeps me up at night."

The husband's best man: "They went to incredible lengths to make themselves look like the perfect couple. They had everybody fooled. Or at least, she did. But I always knew something was off. After they charged that kid... something about that just seemed wrong."

The man who did it: "I swear to god—I wasn't there. They said the evidence against me was overwhelming, but... it wasn't. It was all circumstantial. But I was a kid. I didn't know any better. I thought I'd get a fair trial, and it'd all be okay. But I didn't. I've been in here for ten years, on a life sentence for something I know I didn't do."

The wife: "I told you. I don't remember anything. I don't know."

That's all to come, this season, on *Conviction*.

**PRAISE**

**Praise for *The Furies*:**

**"Lowe's dark, suspenseful debut combines the teenage sisterhood of *The Craft* and Emma Cline's *The Girls* with the violent schoolyard vengeance of *Heathers*. Fans of Greer Macallister, Paula Hawkins, and Janelle Brown will devour Violet's journey." —*Booklist***

**"[A book with] a subtle, persistent, and unmistakable creepiness." —*Kirkus***

**"A sinister book." —*Refinery29***

KATIE LOWE is a writer living in Worcester, UK. A graduate of the University of Birmingham, Katie has a BA (Hons) in English and an MPhil in Literature & Modernity, and is returning to Birmingham in 2019 to commence her PhD in female rage in literary modernism and contemporary women's writing. She is the author of *Possession* and *The Furies*.

# The Lost Manuscript

*A Novel*

Cathy Bonidan

**A charming epistolary novel about the love of books and magical ability they have to bring people together.**

**Sometimes a book has the power to change your life...**

When Anne-Lise Briard books a room at the Beau Rivage Hotel for her vacation in Brittany, she has no idea this trip will start her on the path to unearthing a mystery. In search of something to read, she opens up her bedside table drawer in her hotel room, and inside she finds an abandoned manuscript. Halfway through the pages, an address is written. She sends pages to the address, in hopes of potentially hearing a response from the unknown author. But not before she reads the story and falls in love with it. The response, which she receives a few days later, astonishes her...

Not only does the author write back, but he confesses that he lost the manuscript 30 years prior on a flight to Montreal. And then he reveals something even more shocking – that he was not the author of the second half of the book.

Anne-Lise can't rest until she discovers who this second mystery author is, and in doing so tracks down every person who has held this manuscript in their hands. Through the letters exchanged by the people whose lives the manuscript has touched along the way, she discovers long-lost love stories and intimate secrets. Romances blossom and new friends are made. Everyone's lives are made better by this book—and isn't that the point of reading? And finally, with a plot twist you don't see coming, she uncovers the astonishing identity of the author who finished the story.

**PRAISE**

**Praise for *The Lost Manuscript*:**

**"A delightful literary puzzle, as addictive as a thriller, as moving as a confession. Yes, one book can change the life of several people: turn the first page of this novel and you will be convinced!" —Christine Féret-Fleury, author of *The Girl Who Reads on the Métro***

**"In this wonderful epistolary novel, a woman finds a long-lost manuscript, searches for the author and sets in motion a beguiling story about love, literature and community. What more could a reader want? Toss in a few gorgeous French villages to add to the charm. Et voilà. Literary joy." —Ellen Sussman, author of the *New York Times* bestselling ...**

CATHY BONIDAN works as a teacher in Vannes and has been writing since the age of 14. Her debut novel, *The Perfume of Hellebore Rose*, won 11 literary awards in France.

FEBRUARY 2021

## Faithless in Death

*An Eve Dallas Novel*

J. D. Robb

**In the new Eve Dallas police thriller from the #1 *New York Times*-bestselling author, what looked like a lover's quarrel turned fatal has larger—and more terrifying—motives behind it...**

The scene in the West Village studio appears to be classic crime-of-passion: two wineglasses by the bed, music playing, and a young sculptor named Ariel Byrd with the back of her head bashed in. But when Dallas tracks down the wealthy Upper East Side woman who called 911, the details don't add up. Gwen Huffman is wealthy, elegant, comforted by her handsome fiancé as she sheds tears over the trauma of finding the body—but why did it take an hour to report it? And why is she lying about little things?

As Eve and her team look into Gwen, her past, and the people around her, they find that the lies are about more than murder. As with sculpture, they need to chip away at the layers of deception to find the shape within—and soon they're getting the FBI involved in a case that involves a sinister, fanatical group and a stunning criminal conspiracy.

### PRAISE

**"An edge-of-your-seat murder mystery sprinkled with a storybook romance and a team of cops you can't help rooting for. The 50th book proves this series truly is the gold standard." —Associated Press on *Golden in Death***

**"Tautly constructed, fast-paced...the author continues to find new and innovative ways of keeping readers to the edges of their seats." —Booklist on *Vendetta in Death***

**"Fast-paced and plot driven..." —Library Journal on *Connections in Death***

J.D. ROBB is the pseudonym for #1 *New York Times* bestselling author Nora Roberts. She is the author of over 200 novels, including the futuristic suspense *In Death* series. There are more than 500 million copies of her books in print.

## Working Backwards

*Insights, Stories, and Secrets from Inside Amazon*

Colin Bryar and Bill Carr

**An insider's breakdown of Amazon's approach to culture, leadership, and best practices from two long-time Amazon executives**

Colin started at Amazon in 1998; Bill joined in 1999. In *Working Backwards*, these two long-serving Amazon executives reveal and codify the principles and practices that drive the success of one of the most extraordinary companies the world has ever known. With twenty-seven years of Amazon experience between them, much of it in the early aughts—a period of unmatched innovation that brought products and services including Kindle, Amazon Prime, Amazon Studios, and Amazon Web Services to life—Bryar and Carr offer unprecedented access to the Amazon way as it was refined, articulated, and proven to be repeatable, scalable, and adaptable.

With keen analysis and practical steps for applying it at your own company—no matter the size—the authors illuminate how Amazon's fourteen leadership principles inform decision-making at all levels and reveal how the company's culture has been defined by four characteristics: customer obsession, long-term thinking, eagerness to invent, and operational excellence. Bryar and Carr explain the set of ground-level practices that ensure these are translated into action and flow through all aspects of the business.

*Working Backwards* is a practical guidebook and a corporate narrative, filled with the authors' in-the-room recollections of what "Being Amazonian" is like and how it has affected their personal and professional lives. They demonstrate that success on Amazon's scale is not achieved by the genius of...

### PRAISE

**"For those looking to change the world in ways (very) large and small via innovation and business, my strong recommendation is to dive deeply into *Working Backwards*. Bill and Colin have delivered a rarity of immense value, which is a powerful, high judgment dissection of the inputs to Amazon itself. I anticipate *Working Backwards* to quickly become required reading in board rooms and classrooms around the world." --Jason Kilar, Chief Executive Officer of WarnerMedia**

**"Colin and Bill have captured the essence of what it means at Amazon to start with the customer and work backwards. They both held important leadership roles at critical moments in ...**

COLIN BRYAR currently serves as an advisor to companies to help them scale their businesses. He worked side by side with Jeff Bezos as his Technical Advisor, overseeing pivotal Amazon businesses being ideated and built: Amazon Prime, Amazon Web Services, Kindle, and Fulfillment by Amazon. BILL CARR is the COO of OfferUp, a mobile marketplace for local buyers and sellers

## The Unwilling

*A Novel*

John Hart

**Set in the South at the height of the Vietnam War, *The Unwilling* combines crime, suspense and searing glimpses into the human mind and soul in *NYT* bestselling author John Hart's singular style.**

Gibby's older brothers have already been to war. One died there. The other came back misunderstood and hard, a decorated killer now freshly released from a three-year stint in prison.

Jason won't speak of the war or of his time behind bars, but he wants a relationship with the younger brother he hasn't known for years. Determined to make that connection, he coaxes Gibby into a day at the lake: long hours of sunshine and whisky and older women.

But the day turns ugly when the four encounter a prison transfer bus on a stretch of empty road. Beautiful but drunk, one of the women taunts the prisoners, leading to a riot on the bus. The woman finds it funny in the moment, but is savagely murdered soon after.

Given his violent history, suspicion turns first to Jason; but when the second woman is kidnapped, the police suspect Gibby, too. Determined to prove Jason innocent, Gibby must avoid the cops and dive deep into his brother's hidden life. What he discovers there is a truth more bleak than he could have imagined. This is crime fiction at its most raw, an exploration of family and the past, of prison and war and the indelible marks they leave.

### PRAISE

**"John Hart creates novels that are somehow raw, tender, brutal, and exquisite?all at the same time. Exceptional." —C.J. Box, #1 *New York Times* bestselling author**

**"Crime fiction at its absolute best...John Hart weaves an intricate tale of family, war, prison, and murder into a thoroughly thought provoking and enjoyable read." —Mark Greaney, #1 *New York Times* bestselling author of *One Minute Out***

**"Richly complex, as intricately woven as a fine tapestry, soul-piercingly emotional...John Hart at his lyrical, atmospheric best." —Tami Hoag, #1 *New York Times* bestselling author of *The Boy***

JOHN HART is the author of several *New York Times* bestsellers, most recently *The Hush*. The only author in history to win the Edgar Award for Best Novel consecutively, John has also won the Barry Award, the SIBA for Fiction, the Ian Fleming Steel Dagger Award, and the North Carolina Award for Literature. His novels have been translated into thirty languages and can be found in more than seventy countries.

## All Girls

*A Novel*

Emily Layden

**“All Girls is an exciting, innovative debut from a fresh and assured new voice. Emily Layden renders the fictional Atwater School in nuanced, honest, and rich depth, guiding its young characters ...**

A keenly perceptive coming of age novel for fans of Sally Rooney, Curtis Sittenfeld, and J. Courtney Sullivan, *All Girls* follows nine young women as they navigate their ambitions and fears at a prestigious New England prep school, all pitched against the backdrop of a scandal the administration wants silenced.

But as the months unfold, and the school's efforts to control the ensuing crisis fall short, these extraordinary girls are forced to discover their voices, and their power. A tender and unflinching portrait of modern adolescence told through the shifting perspectives of an unforgettable cast of female students, *All Girls* explores what it means to grow up in a place that promises you the world—when the world still isn't yours for the taking.

You grow to love a place... and then you grow up.

### PRAISE

**"With extraordinary insight and craft, *All Girls* explores what happens when Atwater, an all-girls boarding school, is rocked by allegations of sexual assault. *All Girls* kept me turning pages not only to uncover its central mystery but to discover something deeper: the surprises and secrets of this riveting cast of characters, in all of their full and complex humanity." —Chloe Benjamin, *New York Times* bestselling author of *The Immortalists***

## Ticking Clock

*Behind the Scenes at 60 Minutes*

Ira Rosen

**Two-time Peabody Award-winning writer and producer Ira Rosen reveals the intimate, untold stories of his decades at America's most iconic news show. It's a *60 Minutes* story on *60 Minutes* itself.**

When producer Ira Rosen walked into the *60 Minutes* offices in June 1980, he knew he was about to enter television history. His career catapulted him to the heights of TV journalism, breaking some of the most important stories in TV news. But behind the scenes was a war room of clashing producers, anchors, and the most formidable *60 Minutes* figure: legendary correspondent Mike Wallace.

Based on decades of access and experience, Ira Rosen takes readers behind closed doors to offer an incisive look at the show that invented TV investigative journalism. With surprising humor, charm, and an eye for colorful detail, Rosen delivers an authoritative account of the unforgettable personalities that battled for prestige, credit, and the desire to scoop everyone else in the game. As Mike Wallace's top producer, Rosen reveals the interview secrets that made Wallace's work legendary, and the flaring temper that made him infamous. Later, as senior producer of ABC News *Primetime Live* and *20/20*, Rosen exposes the competitive environment among famous colleagues like Diane Sawyer and Barbara Walters, and the power plays between correspondents Chris Wallace, Anderson Cooper, and Chris Cuomo.

A master class in how TV news is made, Rosen shows readers how *60 Minutes* puts together a story when sources are explosive, unreliable, and even dangerous. From unearthing shocking revelations from inside the Trump White House, to an outrageous proposition fr...

For nearly twenty-five years, IRA ROSEN has produced some of the most memorable, important, and groundbreaking stories for *60 Minutes*. A former Nieman Fellow at Harvard University, Rosen was a senior producer of *Primetime Live* with Diane Sawyer. Rosen has won 24 National Emmys, four duPont Awards, two RFK Awards, and two Peabodys for his work. He is the coauthor of *The Warning: Accident at Three Mile Island*.

## Crossing the Line

*A Fearless Team of Brothers and the Sport That Changed Their Lives Forever*

Kareem Rosser

**An inspiring memoir of defying the odds from Kareem Rosser, captain of the first all-black squad to win the National Interscholastic Polo championship. "Crossing the Line will not just leave you ...**

Born and raised in West Philadelphia, Kareem thought he and his siblings would always be stuck in “The Bottom”, a community and neighborhood devastated by poverty and violence. Riding their bicycles through Philly’s Fairmount Park, Kareem’s brothers discover a barn full of horses. Noticing the brothers’ fascination with her misfit animals, Lezlie Hiner, founder of The Work to Ride stables, offers them their escape: an after school job in exchange for riding lessons.

What starts as an accidental discovery turns into a love for horseback riding that leads the Rossers to discovering their passion for polo. Pursuing the sport with determination and discipline, Kareem earns his place among the typically exclusive players in college, becoming part of the first all-Black national interscholastic polo championship team—all while struggling to keep his family together.

*Crossing the Line: A Fearless Team of Brothers and the Sport That Changed Their Lives Forever* is the story of bonds of brotherhood, family loyalty, the transformative connection between man and horse, and forging a better future that comes from overcoming impossible odds.

KAREEM ROSSER is from Philadelphia, PA. He received a BA in economics from Colorado State University (CSU). While at CSU, he led his collegiate polo team to a national polo championship. At the same time, he was honored as the Intercollegiate Polo Player of the Year. After graduation, Kareem began working as a financial analyst at an asset management firm. Also, he serves as the Executive Director of a non-profit fundraising arm called Friends of Work to Ride.

## The Problem of Alzheimer's

*How Science, Culture, and Politics Turned a Rare Disease into a Crisis and What We Can Do About It*

Jason Karlawish

**A definitive and compelling book on one of today's most prevalent illnesses.**

**A definitive and compelling book on one of today's most prevalent illnesses.**

In 2020, an estimated 5.8 million Americans had Alzheimer's, and more than half a million died because of the disease and its devastating complications. 16 million caregivers are responsible for paying as much as half of the \$226 billion annual costs of their care. As more people live beyond their seventies and eighties, the number of patients will rise to an estimated 13.8 million by 2025.

Part case studies, part meditation on the past, present and future of the disease, *The Problem of Alzheimer's* traces Alzheimer's from its beginnings to its recognition as a crisis. While it is an unambiguous account of decades of missed opportunities and our health care systems' failures to take action, it tells the story of the biomedical breakthroughs that may allow Alzheimer's to finally be prevented and treated by medicine and also presents an argument for how we can live with dementia: the ways patients can reclaim their autonomy and redefine their sense of self, how families can support their loved ones, and the innovative reforms we can make as a society that would give caregivers and patients better quality of life.

Rich in science, history, and characters, *The Problem of Alzheimer's* takes us inside laboratories, patients' homes, caregivers' support groups, progressive care communities, and Jason Karlawish's own practice at the Penn Memory Center.

JASON KARLAWISH is a physician and writer. He researches and writes about issues at the intersections of bioethics, aging, and the neurosciences. He is the author of the novel *Open Wound: The Tragic Obsession of Dr. William Beaumont* and his essays have appeared in *The New York Times*, *The Washington Post*, *Forbes* and the *Philadelphia Inquirer*. He is a Professor of Medicine, Medical Ethics and Health Policy, and Neurology at the University of Pennsylvania and Co-Director of the Penn Memory Center, ...

## Flowers of Darkness

*A Novel*

Tatiana de Rosnay

**New York Times bestselling author Tatiana de Rosnay explores how artificial intelligence tampers with love, sex, and the basis of artistic creation in a new future Paris**

CASA is a brand new artist residency in an ultra-modern apartment, with a view of all of Paris. A dream for any novelist in search of tranquility. But is this residency a dream or a nightmare? Since moving in, Clarissa Katsef has had ominous discomfort, the feeling of being watched. Who is behind CASA? Is Clarissa right to be wary or does she too easily give in to paranoia, falling victim to an overly fertile imagination? Meanwhile, Clarissa is still haunted by the betrayal that led her to divorce.

Staying true to her favorite themes,—the imprint of the place, the weight of secrets—*New York Times* bestselling author Tatiana de Rosnay weaves an intrigue of page-turning suspense to explore the threats hanging over a precious asset: our privacy.

### PRAISE

**French praise for *Flowers of Darkness*:**

**"Writing that's lively, engaging and captivating. De Rosnay leads us to the very heart of creation, thought manipulation, and robotics, and it's totally exciting."**

—*Madame Figaro*

**"All the alluring ingredients of de Rosnay's work come together in her new novel."**

—*Elle*

**"By exploring the effects of modern technology and the upheavals of contemporary life, de Rosnay continues to thrill us with this hypnotizing intrigue."**

—*Tele 7 Jours*

**TATIANA DE ROSNAY** is the author of ten novels, including the *New York Times* bestseller *Sarah's Key*, an international sensation with over 11 million copies in 44 countries worldwide. Together with Dan Brown, Stephenie Meyer, and Stieg Larsson, she has been named one of the top ten fiction writers in Europe. De Rosnay lives in Paris.

## The Ten Year War

*Obamacare and the Unfinished Crusade for Universal Coverage*

Jonathan Cohn

**The definitive account of the battle over Obamacare, based on interviews with sources who were in the room, from the nation's foremost healthcare journalist**

The Affordable Care Act (ACA), better known as “Obamacare,” was the most sweeping and consequential piece of legislation to become law in modern American history. It has touched nearly every American in one way or another, for better or worse, and it continues to cost people elections—or win them—ten years later.

In *The Ten Year War*, veteran journalist Jonathan Cohn offers the compelling story of the defining political battle of our time, one that will shape political conversations for decades. At the heart of the book is the decades-old argument over what’s wrong with American health care and how to fix it—but it also illuminates what went right, and looks forward to the next big debate over reform. But Cohn goes beyond policy to take a broader look at the profound and dangerous shifts in American politics. An authoritative, comprehensive history, *The Ten Year War* is a deeper look at how our government became so dysfunctional—and how our national political conversation became so polarized.

Drawn from hundreds of hours of interviews and private diaries and memos from the Hill, *The Ten Year War* is the defining account of a legislative effort and its tumultuous aftermath that the United States will be reeling from for decades to come.

### PRAISE

**Praise for *Sick*:**

**“This is a stunningly important book. Jonathan Cohn lays bare the tragedy of our health care system.” —Atul Gawande, author of *Being Mortal***

**“A terrific new book on our dysfunctional health care system.” —Paul Krugman, *The New York Times***

**“No one has thought harder about our health care system than Jonathan Cohn.” —E.J. Dionne, Jr., author of *Code Red***

JONATHAN COHN is a senior national correspondent at HuffPost, where he covers politics and policy. A former senior editor at the *New Republic*, he has written for the *New York Times*, *Atlantic*, and *Self*, among others. He has won several awards and was called “one of the nation's leading experts on health policy” by the *Washington Post*. A graduate of Harvard, Jonathan grew up in Florida and lived for years in the Boston area before moving to Ann Arbor, Michigan, where he lives with his family.

## The Truth About Lies

*The Illusion of Honesty and the Evolution of Deceit*

Aja Raden

**Decoding how we behave, *The Truth About Lies* illuminates situations where we are better off lying—to ourselves and at times to others—and why it can be a healthy psychological mechanism.**

Lying is pervasive. So pervasive that we have almost as many words for it as the Aleutians have for snow: prevaricating, fibbing, stretching the truth, of omission, of commission. Dividing her large topic into three sections—The Lies We Tell Each Other, The Lies We Tell Ourselves, and The Lies We All Agree to Believe—Raden’s book is as much about belief as about deceit.

Buttressed by a winning mixture of history, psychology and science, Raden explores everything from swindles to cons to the long game to the big lie, including:

- Why anyone still plays a shell game and gambles when they know the house is stacked against them
- Goldbricking and the misleading nature of “facts”
- Why faith and fraud are so closely connected
- Hoaxes, hysteria and the madness of crowds
- Why we’re all probably part of a pyramid scheme
- How the truth can sometimes sound like a lie

A zippy, funny, and informed history that adds fresh detail even to well-known stories (we all remember what Orson Welles’ “War of the Worlds” radio broadcast hoax was, but did you know that a number people committed suicide when they heard the aliens were upon us?), Raden’s book is more primer than morality play. As she writes in her introduction: “Not that you’re gonna do it, but if you were gonna do it, here’s how you’d do it.”

### PRAISE

**Praise for *Stoned* by Aja Raden:**

**“A lively, incisive cultural and social history.” —*Kirkus Reviews***

**“...consistently captivating, and her witty delivery makes the material shine.”  
—*Publishers Weekly***

**“Raden writes with a blithe and breezy deftness, peppering her narrative with snarky but substantive footnotes that recall the insouciance of Mary Roach.”  
—*Booklist***

AJA RADEN studied ancient history and physics at the University of Chicago and, during that time, worked as the Head of Auction Division at the famed House of Kahn. Raden is an experienced jeweler, trained scientist, and well-read historian, and her expertise sits at the intersection of

# Lone Stars

*A Novel*

Justin Deabler

**“Generous and epic. *Lone Stars* takes us through generations of a singular family, whose loves and losses also tell us a story about America itself.”**

*Lone Stars* follows the arc of four generations of a Texan family in a changing America. Julian Warner, a father at last, wrestles with a question his husband posed: what will you tell our son about the people you came from, now that they're gone? Finding the answers takes Julian back in time to Eisenhower's immigration border raids, an epistolary love affair during the Vietnam War, crumbling marriages, queer migrations to Cambridge and New York, up to the disorienting polarization of Obama's second term. And in these answers lies a hope: that by uncloseting ourselves—as immigrants, smart women, gay people—we find power in empathy.

**PRAISE**

**“An important new writer to watch.” —Eliot Schrefer, National Book Award finalist, author of *Endangered*\***

**“Stunning... a complicated love song to Texas.” —Diana Spechler, author of *Who by Fire***

**“A wonderfully humane and honest novel... a big-hearted ending that may leave you in tears.” —Jim Lynch, author of *Before the Wind***

**“A triumphant debut...” —Matthew Sharpe, author of *The Sleeping Father***

**“Enormously poignant, *Lone Stars* is written with great care, honoring the nuanced and shifting shapes of two men moving together through the great journey of being fully alive...” —Carole Maso, author of *Ava***

**JUSTIN DEABLER** grew up in Houston. He dropped out of high school when he was fifteen, went to Simon's Rock College, and graduated from Harvard Law School. He is the General Counsel for the Queens Public Library. He lives in Brooklyn with his husband, son, and two cats.

## Treasures

New York Public Library

### A lavishly illustrated book to accompany the New York Public Library's exhibition of the priceless treasures in its archives

Inside the walls of its three research library buildings, The New York Public Library is a palace of wonders containing diverse collections of 55 million objects including rare books, maps, paintings, prints, sculpture, photographs, films, recorded sound, furniture, ephemera, rare and important historical documents, and more. In Fall 2020, in honor of the NYPL's 125th anniversary, the library will open its first ever permanent exhibition in the exquisite Gottesman Hall on the first floor of its iconic 42nd Street Building: *The Polonsky Exhibition of The New York Public Library's Treasures*.

*Treasures*, the official book to accompany the exhibition, is a sumptuous four-color volume that showcases the depth and breadth of the library's holdings. Filled with the creations of history-makers and influencers who changed the world, *Treasures* includes the Declaration of Independence written in Thomas Jefferson's hand; the original Bill of Rights; Charles Dickens's desk; George Washington's handwritten farewell address; manuscript material from authors such as Maya Angelou, Charles Dickens, T.S. Eliot, Jack Kerouac, Vladimir Nabokov, Mary Shelley, Virginia Woolf, and many others; a Gutenberg Bible; Malcolm X's briefcase; the original Winnie-The-Pooh dolls; a letter from Christopher Columbus to King Ferdinand, and a Sumerian cuneiform tablet ca. 2300 BC. *Treasures* is The New York Public Library's gift to the world.

THE NEW YORK PUBLIC LIBRARY is a free provider of education and information for the people of New York and beyond. With 92 locations—including research and branch libraries—throughout the Bronx, Manhattan, and Staten Island, the library offers free materials, computer access, classes, exhibitions, programming, and more to everyone from toddlers to scholars. The NYPL serves more than 18 million patrons in NYC and millions more around the globe who use resources at [www.nypl.org](http://www.nypl.org).

## Just Work

*Get Sh\*t Done, Fast & Fair*

Kim Scott

From Kim Scott, author of the revolutionary bestseller *Radical Candor*, how leaders can recognize, attack, and eliminate gender injustice from businesses—and transform work in the process

We—all of us—consistently exclude, underestimate, and underutilize huge numbers of people in the workforce even as we include, overestimate, and promote others, often beyond their level of competence. Not only is this immoral and unjust, but it's bad for the economy. *Just Work* is the solution.

*Just Work* is perennially bestselling author Kim Scott's new book, revealing a practical framework for both respecting workers' individuality, making sure all voices are heard, and collaborating effectively. This is the essential guide leaders need to create more just workplaces and establish new norms of collaboration and respect.

### PRAISE

**"In this powerful and perceptive book, Kim Scott offers a bold vision — a workplace where respect and collaboration prevail over domination and conformity. *Just Work* is a sparkling combination of moral courage and practical solutions. It belongs on the shelves — and in the hearts and minds — of leaders everywhere."**

—Daniel H. Pink, #1 *New York Times* bestselling author of *When and Drive*

**"In debates over workplace inequality, we don't talk enough about the 'how' — how to respond to a boss or coworker who acts unfairly, how exactly that person should change their behavior. *Just Work* helps answer the how. Kim Scott provides actionable, effective wa..."**

KIM SCOTT is the co-founder of an executive education firm and workplace comedy series, The Feedback Loop, based on *Radical Candor*. Kim was a CEO coach at Dropbox, Qualtrics, Twitter, and others. She was a member of the faculty at Apple University and before that led operations teams for AdSense, YouTube, and Doubleclick at Google. Kim was a senior policy advisor at the FCC, managed a pediatric clinic in Kosovo, and was an analyst on the Soviet Companies Fund. She lives with her family in Silico...

## Too Good to Be True

*A Novel*

Carola Lovering

**From the author of *Tell Me Lies* comes an emotionally nuanced psychological suspense, and obsessive, addictive love story, for fans of Lisa Jewell and *The Wife Between Us*.**

Skye Starling is overjoyed when her boyfriend, Burke Michaels, proposes after a whirlwind courtship. Though Skye seems to have the world at her fingertips—she’s smart, beautiful, and from a well-off family—she’s also battled crippling OCD ever since her mother’s death when she was eleven, and her romantic relationships have suffered as a result.

But now Burke—handsome, older, and more emotionally mature than any man she’s met before—says he wants *her*. Forever. Except, Burke isn’t who he claims to be. And interspersed letters to his therapist reveal the truth: he’s happily married, and using Skye for his own, deceptive ends.

In a third perspective, set thirty years earlier, a scrappy seventeen-year-old named Heather is determined to end things with Burke, a local bad boy. Inspired by the sophisticated mother of her babysitting charges, Heather vows to leave her impoverished hometown behind and make a better life for herself in New York City. But can her adolescent love stay firmly in her past—or will he find his way into her future?

On a collision course she doesn’t see coming, Skye throws herself into wedding planning, as Burke’s scheme grows ever more twisted. Meanwhile, three decades in the past, Heather’s longed-for transformation finally seems within reach. But of course, even the best laid plans can go astray. And just when you think you know where this story is going, you’ll discover that there’s more than one way to spin t...

## Grace & Steel

*Dorothy, Barbara, Laura, and the Women of the Bush Dynasty*

J. Randy Taraborrelli

From *New York Times* bestselling biographer J. Randy Taraborrelli comes the epic, hidden history of the exceptional women behind the greatest political dynasty of all time—the Bush family.

Bestselling author J. Randy Taraborrelli reveals the unsung heroines of the inimitable Bush family dynasty: not only First Ladies Barbara and Laura, but other colorful women whose stories have been left out of history for far too long, including Barbara’s mother-in-law, the formidable Dorothy Bush; the enigmatic Columba and the controversial Sharon; and Laura’s twins, Jenna and Barbara.

No matter the challenges related to power and politics, the women of the Bush dynasty always fought for equality in their marriages as they raised their children to be true to American values. In doing so, they inspired everyday Americans to do the same. Or, as Barbara Bush put it, “The future of this nation does not depend on what happens in the White House, but what happens in *your* house.”

### Details from the book include:

—The tragedy Barbara faced in burying her three-year-old daughter, Robin, and her struggle with depression over the decades that followed.

—The tragic night a teenage Laura Bush accidentally killed a good friend—a story she did not discuss publicly for decades.

—The revelation of the affair that almost doomed George HW’s hopes for the presidency.

—The truth behind the fraught relationship between Nancy Reagan and Barbara Bush that culminated in an angry phone call during which Barbara told her she would never speak to her again—and she didn’t.

### PRAISE

“Taraborrelli gives the Bushes the royal treatment. Making good use of ample research, including many interviews with those who worked in the households of the ... family, the author assembles a colorful mosaic of lives that didn’t always fit comfortably together. A glossy dissection of the women members of a family that has loomed large over decades of U.S politics.” —*Kirkus Reviews*

### Praise for *The Kennedy Heirs*:

“Leaves no stone unturned as it retraces the lives of the Kennedy children.” —*Hollywood Reporter*, “Hollywood’s Top 10 Beach Reads”

## A Million Reasons Why

*A Novel*

Jessica Strawser

**"A fascinating foray into the questions we are most afraid to ask." —Jodi Picoult, #1 *New York Times* bestselling author**

**When two strangers are linked by a mail-in DNA test, it's an answered prayer—that is, for one half-sister. For the other, it will dismantle everything she knows to be true.**

**But as they step into the unfamiliar realm of sisterhood, the roles will reverse in ways no one could have foreseen.**

Caroline lives a full, happy life—thriving career, three feisty children, enviable marriage, and a close-knit extended family. She couldn't have scripted it better. Except for one thing:

She's about to discover her fundamental beliefs about them all are wrong.

Sela lives a life in shades of gray, suffering from irreversible kidney failure. Her marriage crumbled in the wake of her illness. Her beloved mother and lifelong best friend passed away. She refuses to be defined by her grief, but still, she worries about what will happen to her two-year-old son if she doesn't find a donor match in time.

She's the only one who knows Caroline is her half-sister. That Caroline may be her best hope for a future. But Sela's world isn't as clear-cut as it appears—and one misstep could destroy it all.

After all, would you risk everything to save the life of the person who turned yours upside down?

From the moment Caroline meets Sela, both must reexamine what it really means to be family, the depths of a mother's love, and the limits and the power of forgiveness.

**PRAISE**

**"A MILLION REASONS WHY is a fascinating foray into the questions we are most afraid to ask: what constitutes family, what are our obligations to those we love, where does American healthcare fail the most, what secrets are unforgivable? And in case you need another reason to read this book: there are two massive twists you'll never see coming." —Jodi Picoult, #1 *New York Times* bestselling author of *Small Great Things* and *A Spark Of Light***

JESSICA STRAWSER is the editorial director of *Writer's Digest* magazine and the author of *Almost Missed You*, named to Barnes & Noble's Best New Fiction list for March 2017 and PopSugar's Best Spring Reads. She has written for *The New York Times* Modern Love, *Publishers Weekly* and other fine venues, and lives with her husband and two children in Cincinnati.

# The Little French Bridal Shop

*A Novel*

Jennifer Dupee

**In this heartfelt debut, can a woman discover her true self—and find love between her lies?**

Larissa Pearl returns to her hometown on Massachusetts' north shore. Her great aunt has died, leaving behind her old colonial home which Larissa plans to renovate for a quick sale. At least, that's what she is telling herself. Unable to cope with her aging parents' difficulties, and reeling from losing both her job and boyfriend, Larissa is desperate to have control over something.

On a whim, she enters the local bridal shop run by her eighth grade teacher, who presumes Larissa is a bride-to-be. Amused, she encourages the idea and buys a wedding gown. Soon word about her upcoming nuptials spreads around town, and reaches the ear of Jack Merrill. As teenagers, they spent time together on her aunt's estate, building a friendship that could have become something more had they chosen different paths.

Now, lost in a web of her own lies, Larissa must first face difficult truths before she can embrace family and open her heart to finding love.

**PRAISE**

**"Utterly charming...Never sentimental, and yet wonderfully infused with heart and whimsy." —Joshilyn Jackson, *New York Times* and *USA Today* bestselling author of *Never Have I Ever***

**"Winsome and romantic...chock full of small-town charm." —Tracey Garvis Graves, *New York Times* bestselling author of *The Girl He Used to Know***

**"A delightful story about discovering your authentic self when things get hard, and the joys you can find when you live from your heart." —Louise Miller, author of *The Late Bloomers' Club* and *The City Baker's Guide to Country Living***

JENNIFER DUPEE grew up on the North Shore of Boston near the seaside communities of Manchester-by-the-Sea and Beverly Farms. She is a graduate of Brown University with honors in creative writing. She is an active member of the Grub Street writing community in Boston and has published in *The Feminist Press*. She was a semi-finalist for the 2016 James Jones First Novel Competition and a semi-finalist for the 2016 Faulkner-Wisdom competition. Jennifer lives just outside of Boston with her family.

# The Inevitable

*Dispatches on the Right to Die*

Katie Engelhart

**A riveting, incisive, and wide-ranging book about the Right to Die movement, and the doctors, patients, and activists at the heart of this increasingly urgent issue.**

More states and countries are passing right-to-die laws that allow the sick and suffering to end their lives at pre-planned moments, with the help of physicians. But even where these laws exist, they leave many people behind. *The Inevitable* moves beyond margins of the law to the people who are meticulously planning their final hours—far from medical offices, legislative chambers, hospital ethics committees, and polite conversation. It also shines a light on the people who help them: loved ones and, sometimes, clandestine groups on the Internet that together form the “euthanasia underground.”

Katie Engelhart, a veteran journalist, focuses on six people representing different aspects of the right to die debate. Two are doctors: a California physician who runs a boutique assisted death clinic and has written more lethal prescriptions than anyone else in the U.S.; an Australian named Philip Nitschke who lost his medical license for teaching people how to end their lives painlessly and peacefully at “DIY Death” workshops. The other four chapters belong to people who said they wanted to die because they were suffering unbearably—of old age, chronic illness, dementia, and mental anguish—and saw suicide as their only option. Spanning North America, Europe, and Australia, *The Inevitable* offers a deeply reported and fearless look at a morally tangled subject. It introduces readers to ordinary people who are fighting to find dignity and ...

## PRAISE

**“Engelhart ably sets out the case for the right to choose when to die. I find it hard to imagine how a decent and rational person could resist it.” —Richard Dawkins, author of *The Selfish Gene***

**“*The Inevitable* challenges us to keep looking and asking hard questions, even if we are uncomfortable... I couldn't stop reading.” —Anne-Marie Slaughter, author of *Unfinished Business***

**“*The Inevitable* will force you to reexamine your deepest assumptions about euthanasia and what it means to live and die with dignity...An urgent and important book by a gifted young writer.” —Thomas Chatterton Williams, author of *Self-Portrait in Black and White: Unlearning Ra...***

**KATIE ENGELHART** is a reporter and documentary film producer from Toronto and based in New York City. She is also a National Fellow at New America. Engelhart has worked as a correspondent for VICE News, based in London, and NBC News, in New York. Her writing has appeared far and wide. Formerly, she was a graduate student of history and philosophy at Oxford University. This is her first book.

## **The Hospital**

*Life, Death, and Dollars in a Small American Town*

Brian Alexander

**An intimate, heart wrenching portrait of one small hospital that reveals the magnitude of America's health care crises**

By following the struggle for survival of one small-town hospital, and the patients who walk, or are carried, through its doors, *The Hospital* takes readers into the world of the American medical industry in a way no book has done before. Americans are dying sooner, and living in poorer health. Alexander argues that no plan will solve America's health crisis until the deeper causes of that crisis are addressed.

Bryan, Ohio's hospital, is losing money, making it vulnerable to big health systems seeking domination and Phil Ennen, CEO, has been fighting to preserve its independence. Meanwhile, Bryan, a town of 8,500 people in Ohio's northwest corner, is still trying to recover from the Great Recession. As local leaders struggle to address the town's problems, and the hospital fights for its life amid a rapidly consolidating medical and hospital industry, a 39-year-old diabetic literally fights for his limbs, and a 55-year-old contractor lies dying in the emergency room. With these and other stories, Alexander strips away the wonkiness of policy to reveal Americans' struggle for health against a powerful system that's stacked against them, but yet so fragile it blows apart when the pandemic hits. Culminating with COVID-19, this book offers a blueprint for how we created the crisis we're in.

#### **PRAISE**

**Advance praise for *The Hospital*:**

**"With his signature gut-punching prose, Alexander breaks our hearts as he opens our eyes to America's deep-rooted sickness and despair by immersing us in the lives of a small town hospital and the people it serves." —Beth Macy, bestselling author of *Dopesick***

**"In this clear-eyed biography of a community hospital, Brian Alexander offers a powerful indictment of the American health care system. *The Hospital* will break your heart." —Andrea Pitzer, author of *One Long Night***

***"The Hospital shows us the deep connections between health care, the economy, and people's lives. Brian Alexander masterfully weaves national his...***

**BRIAN ALEXANDER**, the author of *Glass House* and winner of the Ohioana Book Awards, is a contributing writer to *The Atlantic*. He's written for the *New York Times*, *Los Angeles Times*, *Esquire*, among others. He's spoken at The Obama Foundation Summit, and in Washington to members of the Senate and House of Representatives. He lives in San Diego.

## Nöthin' But a Good Time

*The Uncensored History of the '80s Hard Rock Explosion*

Tom Beaujour and Richard Bienstock

**The definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it.**

1980s hard rock was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-pumping hits like Twisted Sister’s “We’re Not Gonna Take It,” Mötley Crüe’s “Girls, Girls, Girls,” and Guns N’ Roses’ “Welcome to the Jungle” are as inextricably linked to the era as Reaganomics, Pac-Man, and *E.T.*

From the do-or-die early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, *Nothin' But a Good Time* captures the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it.

Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over 200 new interviews with members of Van Halen, Mötley Crüe, Poison, Guns N’ Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford and many more, this is...

TOM BEAUJOUR is a journalist and co-founder and former editor-in-chief of *Revolver*, America’s premier hard rock and heavy metal monthly. Beaujour has produced and mixed albums by Nada Surf, Guided by Voices, the Juliana Hatfield Three, and many others.

RICHARD BIENSTOCK is a journalist whose writing has appeared in the *New York Times*, *Rolling Stone*, *Billboard*, *Spin*, and other publications. He is a former senior editor of *Guitar World* magazine and executive editor of *Guitar Aficionado* magazine. H...

# Beyond the Sand and Sea

*One Family's Quest for a Country to Call Home*

Ty McCormick

**From Ty McCormick, winner of the Robert F. Kennedy Journalism Award, an epic and timeless story of a family in search of safety, security, and a place to call home.**

When Asad Hussein was growing up in the world's largest refugee camp, nearly every aspect of life revolved around getting to America—a distant land where anything was possible. Thousands of displaced families like his were whisked away to the United States in the mid-2000s, leaving the dusty encampment in northeastern Kenya for new lives in suburban America. When Asad was nine, his older sister Maryan was resettled in Arizona, but Asad, his parents, and his other siblings were left behind. In the years they waited to join her, Asad found refuge in dog-eared novels donated by American charities, many of them written by immigrants who had come to the United States from poor and war-torn countries. Maryan nourished his dreams of someday writing such novels, but it would be another fourteen years before he set foot in America.

The story of Asad and his family's escape from Dadaab refugee camp is one of perseverance in the face of overwhelming adversity. It is also a story of happenstance, of long odds and impossibly good luck, and of uncommon generosity. In a world where too many young men are forced to make dangerous sea crossings in search of work, are recruited into extremist groups, and die at the hands of brutal security forces, Asad not only made it to the United States to join Maryan, but won a scholarship to study literature at Princeton—the first person born in Dadaab ever admitted to the prestigious university.

*Beyond the ...*

### PRaise

**"A heartwarming story of hope and perseverance, this beautiful book is also something more profound: an appeal to our shared humanity in a time of deep divisions." —Walter Isaacson, author of *Steve Jobs* and *Einstein***

**"*Beyond the Sand and Sea* is a stunningly intimate portrayal of lives spent in waiting, and the ways those lives can transform because of luck, perseverance, and compassion." —Alexis Okeowo, author of *A Moonless Starless Night: Ordinary Women and Men Fighting Extremism in Africa***

TY McCORMICK is an editor at *Foreign Affairs* and a former foreign correspondent who has written for *The New York Times*, *The Washington Post*, *Newsweek*, and *National Geographic*. From 2015 to 2018, he was based in Nairobi, Kenya, as Africa editor of *Foreign Policy* magazine, where he led a team of writers that won a Robert F. Kennedy Journalism Award for a series on African migration. He has reported from more than a dozen countries in Africa and the Middle East.

## Deep Strike

*A Novel*

Rick Campbell

**It's a race against time when the U.S. Atlantic Fleet rushes to stop a rogue submarine from launching a nuclear attack on the Eastern Seaboard of the U.S.**

A shoulder-launched missile attack on a convoy of vehicles leaving the U.N. headquarters in New York kills several diplomats, including the American ambassador. Security footage reveals that the killer behind the attack is a disgraced former special forces operative, Mark Alperi. But before U.S. intelligence operatives can catch up with him, Alperi is already onto the next phase of his plan.

With funding from the nearly shattered ISIS, Alperi plans an attack on the U.S. that will be more devastating than 9/11. He bribes a desperate Russian submarine commander with access to an expensive experimental drug for his daughter who is suffering from a rare disease. In exchange, the Russian commander will take his submarine to the Atlantic Ocean and launch a salvo of missiles at various targets along the East Coast of the United States. The commander lies to his crew that it's a secret mission, with dummy missiles, for a training exercise. At the same time, unbeknownst to the commander, Alperi has arranged for four of the missile warheads to be replaced with four surplus nuclear warheads and arms them.

When the Russian submarine sinks the U.S. sub that is tracking it, the U.S. military is alarmed. When Intelligence uncovers Alperi's plot, though, it becomes a race against time—find the Russian sub and sink it before it can launch a devastating nuclear attack.

**PRAISE**

**"Enthralling... The submarine and surface-ship battles are pitch-perfect, and readers will shudder with every missile strike and every exploding depth charge."**

—*Publishers Weekly on Blackmail*

**"The best novel about a submarine since Tom Clancy's *The Hunt for Red October*."**

—*Booklist* (starred review) on *The Trident Deception*

**"Campbell feels like the heir to Clancy's throne, poised to one day sit atop the military technothriller genre...*Treason* is the must-read book of the year."** —*The Real Book Spy*

RICK CAMPBELL is a retired Navy Commander who spent more than twenty years on multiple submarine tours. On his last tour, he was one of the two men whose permission was required to launch the submarine's nuclear warhead-tipped missiles. Campbell is the author of several novels, including *The Trident Deception* and *Treason*. He lives with his family in the greater Washington, D.C. area.

## The Four Winds

*A Novel*

Kristin Hannah

**From the #1 New York Times bestselling author of *The Nightingale* and *The Great Alone* comes an epic novel of love and heroism and hope, set against the backdrop of one of America's most defining e...**

Texas, 1934. Millions are out of work and a drought has broken the Great Plains. Farmers are fighting to keep their land and their livelihoods as the crops are failing, the water is drying up, and dust threatens to bury them all. One of the darkest periods of the Great Depression, the Dust Bowl era, has arrived with a vengeance.

In this uncertain and dangerous time, Elsa Martinelli—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or go west, to California, in search of a better life. *The Four Winds* is an indelible portrait of America and the American Dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

### PRAISE

**Praise for Kristin Hannah:**

**"This epic atmospheric novel examines humans' will to endure the unthinkable."  
—*Real Simple* magazine on *The Great Alone***

**"There are many great things about this book...It will thrill her fans with its combination of Greek tragedy, Romeo and Juliet-like coming of age story and domestic potboiler. She recreates in magical detail the lives of Alaska's homesteaders...and is just as specific and authentic in her depiction of the spiritual wounds of post-Vietnam America. A tour de force." —*Kirkus* on *The Great Alone*, starred review**

**"Hannah vividly evokes the natural beauty and danger of Alaska and paints a compelling portrait..."**

**KRISTIN HANNAH** is the #1 *New York Times* bestselling author of more than twenty novels, including *The Nightingale* and *The Great Alone*. A former lawyer turned writer, she lives with her husband in the Pacific Northwest.

## The Good Sister

*A Novel*

Sally Hepworth

**The author of *The Mother-In-Law* delivers a knock-out of a novel about the lies that bind two sisters.**

From the outside, everyone might think Fern and Rose are as close as twin sisters can be: Rose is the responsible one, with a home and a husband and a fierce desire to become a mother. Fern is the quirky one, the free spirit, the librarian who avoids social interaction and whom the world might just describe as truly odd. But the sisters are devoted to one another and Rose has always been Fern's protector from the time they were small. Fern needed protecting because their mother was a true sociopath who hid her true nature from the world, and only Rose could see it. Fern always saw the good in everyone. Years ago, Fern did something very, very bad. And Rose has never told a soul. When Fern decides to help her sister achieve her heart's desire of having a baby, Rose realizes with growing horror that Fern might make choices that can only have a terrible outcome. What Rose doesn't realize is that Fern is growing more and more aware of the secrets Rose, herself, is keeping. And that their mother might have the last word after all. Spine tingling, creepy, utterly compelling and unpredictable, *The Good Sister* is about the ties that bind sisters together...and about the madness that lurks where you least expect it.

### PRAISE

**Praise for Sally Hepworth:**

**"A deliciously entertaining novel about one woman's complicated relationship with her mother-in-law that ends in death. This one is perfect for fans of Big Little Lies." —*Good Morning America* on *The Mother-in-Law***

**"Sally Hepworth writes characters you love." —Liane Moriarty, bestselling author of *Big Little Lies***

**"Deliciously entertaining, packed with wit and suspense, and also delivers sharp insights about family dynamics and love." —*People* magazine on *The Mother-in-Law***

**"A masterful depiction of how much is said in the silences...a winner for fans of Liane Moriarty and Megan Abbott." —*Booklist* on *The Mother-in-Law*, star...**

SALLY HEPWORTH is the USA Today bestselling author of six novels, most recently *The Mother-In-Law* (2019), which has been optioned for a TV series by actress Amy Poehler's production company PaperKite. Sally's books have been labelled "enchanting" by *The Herald Sun*, "smart and engaging" by *Publishers Weekly*, and *New York Times* bestselling authors Liane Moriarty and Emily Giffin have praised Sally's novels as "women's fiction at its finest" and "totally absorbing". Sally's novels are published in...

## Fast Burn!

*The Power of Negative Energy Balance*

Ian K. Smith, M.D.

**A motivational diet plan to blast fat—and keep it off—the #1 *New York Times* bestselling author of *Clean & Lean*.**

*New York Times* bestselling author—and new anchor host of the syndicated television show *The Doctors*—Ian K. Smith, M.D.'s unique new plan takes intermittent fasting to the next level, combining the power of time-restricted eating with a detailed program that flips the body into a negative energy state, thus scorching fat on the way to weight loss and physical transformation.

Many IF books leave readers to figure out what and how much they should eat during their feeding window, and even how long to fast each day. Smith knows that even readers highly motivated to change their weight and their health need marching orders, and they're all here in FAST BURN!'s nine-week program. Dr. Ian believes in cleaner eating—forget perfect—and the two positively disruptive Jigsaw Weeks he works into his FAST BURN! program not only mix things up so fast burners stay on track, but introduce refreshing and less structured plant-based weeks to the program. Smith's FAST BURN! program goes beyond the daily meal plan, but also includes simple and achievable exercises—with both gym and out-of-gym options—for every week as well as thirty-three recipes focusing on improved calorie quality, including the plan's signature Burner Smoothie, to use throughout the three stages of the program.

IAN K. SMITH, M.D. is the #1 *New York Times* bestselling author of *Clean & Lean*, *The Clean 20*, *SHRED*, *SUPER SHRED*, *The SHRED Power Cleanse*, and *Blast the Sugar Out*. He has created two national health initiatives—the 50 Million Pound Challenge and the Makeover Mile—and has served two terms on the President's Council on Fitness, Sports, and Nutrition. A graduate of Harvard, Columbia, and the University of Chicago's Pritzker School of Medicine, Smith is an avid fitness enthusiast and sportsman.

## Blood and Treasure

*Daniel Boone and the Fight for America's First Frontier*

Bob Drury & Tom Clavin

**The explosive true saga of the legendary figure, Daniel Boone, and the bloody struggle for America's frontier by two bestselling authors at the height of their writing power.**

It is the mid-18th Century, and in the 13 colonies founded by Great Britain, anxious colonists desperate to conquer and settle North America's "First Frontier" beyond the Appalachian Mountains engage in a never-ending series of bloody battles. These violent conflicts are waged against the Native American tribes whose lands they covet, The French, and finally against the mother country itself in an American Revolution destined to reverberate around the world.

This is the setting of "Blood and Treasure" and the guide to this epic narrative is none other than America's first and arguably greatest pathfinder Daniel Boone—not the coonskin cap-wearing caricature of popular culture but the flesh-and-blood frontiersman and Revolutionary War hero whose explorations into the forested frontier beyond the great mountains would become the stuff of legend. Now, thanks to painstaking research by two award-winning authors, the story of the brutal birth of the United States is told through the eyes of both the ordinary and larger-than-life men and women, white and Native American, who witnessed it.

This fast-paced and fiery narrative, fueled by contemporary diaries and journals, newspaper reports, and eyewitness accounts, is a stirring chronicle of the conflict over America's "First Frontier" that places the reader at the center of this remarkable epoch and its gripping tales of courage and sacrifice.

### PRaise

#### [Praise for \*Valley Forge\*](#)

**"A thorough, nuanced and enthralling account of the darkest winter of the American Revolution, *Valley Forge* recounts an epic of suffering, endurance and martial rebirth that Americans should never forget. . . . Masters of narrative history, Drury and Clavin have written rousing and sharply rendered accounts of lesser known but thrilling historical episodes." —*Wall Street Journal***

**"A powerfully human portrait of George Washington . . . deeply researched but presented in such lively style that it reads like a novel." —*Tampa Bay Times***

BOB DRURY and TOM CLAVIN are the #1 *New York Times* bestselling authors of *The Heart of Everything That Is*, *Lucky 666*, *Halsey's Typhoon*, *Last Men Out*, and *The Last Stand of Fox Company*, which won the Marine Corps Heritage Foundation's General Wallace M. Greene Jr. Award. They live in Manasquan, New Jersey, and Sag Harbor, New York, respectively.

## The Perfect Daughter

*A Novel*

D. J. Palmer

**A thriller that explores the truth or lies behind a teenage girl's multiple personality disorder, from the author of *The New Husband*.**

Grace never dreamt she'd visit her teenaged daughter Penny in the locked ward of a decaying state psychiatric hospital, charged with the murder of a stranger. There was not much question of her daughter's guilt. Police had her fingerprints on the murder weapon and the victim's blood on her body and clothes. But they didn't have a motive.

Grace blames herself, because that's what mothers do—they look at their choices and wonder, what if? But hindsight offers little more than the chance for regret.

None of this was conceivable the day Penny came into her life. Then, it seemed like a miracle. Penny was found abandoned, with a mysterious past, and it felt like fate brought Penny to her, and her husband Arthur. But as she grew, Penny's actions grew more disturbing, and different "personalities" emerged.

Arthur and Grace took Penny to different psychiatrists, many of whom believed she was putting on a show to help manage her trauma. But Grace didn't buy it. The personas were too real, too consistent. It had to be a severe multiple personality disorder. One determined psychiatrist, Dr. Mitch McHugh, helped discover someone new inside Penny—a young girl named Abigail. Is this the nameless girl who was abandoned in the park years ago? Mitch thinks Abigail is the key to Penny's past and to the murder. But as Grace and Mitch dig deeper, they uncover dark and shocking secrets that put all their lives in grave danger.

### PRAISE

**Praise for *Saving Meghan*:**

**"Mother doesn't always know best in this thrill ride of a novel...gripping and twisted." —Karin Slaughter, bestselling author of *The Good Daughter***

**"Plenty of twists...will keep you turning the pages as you guess...and guess again." —Lisa Scottoline, *New York Times* bestselling author of *After Anna***

**"An acute, sensitive portrayal of family love under extreme stress...[with] a touch of Hitchcock." —William Landay, *New York Times* bestselling author of *Defending Jacob***

D.J. PALMER is the author of numerous critically acclaimed suspense novels, including *Delirious* and *Desperate*. After receiving his master's degree from Boston University, he spent a decade as an e-commerce pioneer before turning his attention to writing. He lives with his wife and two children

## The Next Everest

*Surviving the Mountain's Deadliest Day and Finding the Resilience to Climb Again*

Jim Davidson

**A dramatic account of the deadly avalanche on Everest—and a return to reach the summit.**

On April 25, 2015, Jim Davidson was climbing Mount Everest when a 7.8 magnitude earthquake released avalanches all around him and his team, destroying their only escape route and trapping them at nearly 20,000 feet. It was the largest earthquake in Nepal in eighty-one years and killed nearly 8,900 people. That day also became the deadliest in the history of Everest, with eighteen people losing their lives on the mountain.

After spending two unsettling days stranded on Everest, Davidson's team was rescued by helicopter. The experience left him shaken, and despite his thirty-three years of climbing and serving as an expedition leader, he wasn't sure that he would ever go back. But in the face of risk and uncertainty, he returned in 2017 and finally achieved his dream of reaching the summit.

Suspenseful and engrossing, *The Next Everest* portrays the experience of living through the biggest disaster to ever hit the mountain. Davidson's background in geology and environmental science makes him uniquely qualified to explain why the seismic threats lurking beneath Nepal are even greater today. But this story is not about "conquering" the world's highest peak. Instead, it reveals how embracing change, challenge, and uncertainty prepares anyone to face their "next Everest" in life.

Jim Davidson is an accomplished high-altitude climber, motivational speaker, and coauthor of the *New York Times* bestseller *The Ledge*. Along with his teammates, he has been commended twice by the U.S. National Park Service for volunteering on risky and remote mountain rescues. He has inspired audiences across the United States and internationally through his business, Speaking of Adventure. Davidson has two adventurous children and lives in Colorado with his wife.

# Margreete's Harbor

*A Novel*

Eleanor Morse

**A literary novel set on the coast of Maine during the 1960s, tracing the life of a family and its matriarch as they negotiate sharing a home.**

*Margreete's Harbor* begins with a fire: a fiercely-independent, thrice-widowed woman living on her own in a rambling house near the Maine coast forgets a hot pan on the stovetop, and nearly burns her place down.

When Margreete Bright calls her daughter Liddie to confess, Liddie realizes that her mother can no longer live alone. She, her husband Harry, and their children Eva and Bernie move from a settled life in Michigan across the country to Margreete's isolated home, and begin a new life.

*Margreete's Harbor* tells the story of ten years in the history of a family: a novel of small moments, intimate betrayals, arrivals and disappearances that coincide with America during the late 1950s through the turbulent 1960s. Liddie, a professional cellist, struggles to find space for her music in a marriage that increasingly confines her; Harry's critical approach to the growing war in Vietnam endangers his new position as a high school history teacher; Bernie and Eva begin to find their own identities as young adults; and Margreete slowly descends into a private world of memories, even as she comes to find a larger purpose in them.

This beautiful novel—attuned to the seasons of nature, the internal dynamics of a family, and a nation torn by its contradicting ideals—reveals the largest meanings in the smallest and most secret moments of life. Readers of Elizabeth Strout, Alice Munro, and Anne Tyler will find themselves at home in *Margreete...*

**PRAISE**

**"I was held spellbound by the brilliance and beauty of *Margreete's Harbor*. The family, the children, the music, the pets, the senile grandmother, the idealistic father, still live in Maine, in my heart and mind, like all the very best novels we are given to treasure." —Nancy Thayer, bestselling author of *Girls of Summer***

**"*Margreete's Harbor* is a novel that embraces your neighborhood, then the people who live on the other side of the world; then *you*. It cradles us all and shakes us awake. If you don't want to feel your heart expand or to live a bit closer to your own bones, don't read this book." —Sena Jeter Naslund, bestselling author of *Ahab...***

ELEANOR MORSE is the author of *White Dog Fell from the Sky* and *An Unexpected Forest*, which won the Independent Publisher's Gold Medalist Award for Best Regional Fiction in the Northeast United States, and was selected as the Winner of the Best Published Fiction by the Maine writers and

**A firsthand exploration of the cost of boarding the bus of change to move America forward—written by one of the Civil Rights Movement's pioneers.**

At 18, Charles Person was the youngest of the original Freedom Riders, key figures in the U.S. Civil Rights Movement who left Washington, D.C. by bus in 1961, headed for New Orleans. This purposeful mix of black and white, male and female activists—including future Congressman John Lewis, Congress of Racial Equality Director James Farmer, Reverend Benjamin Elton Cox, journalist and pacifist James Peck, and CORE field secretary Genevieve Hughes—set out to discover whether America would abide by a Supreme Court decision that ruled segregation unconstitutional in bus depots, waiting areas, restaurants, and restrooms nationwide.

The Freedom Riders found their answer. No. Southern states would continue to disregard federal law and use violence to enforce racial segregation. One bus was burned to a shell; the second, which Charles rode, was set upon by a mob that beat the Riders nearly to death.

*Buses Are a Comin'* provides a front-row view of the struggle to belong in America, as Charles leads his colleagues off the bus, into the station, into the mob, and into history to help defeat segregation's violent grip on African American lives. It is also a challenge from a teenager of a previous era to the young people of today: become agents of transformation. Stand firm. Create a more just and moral country where students have a voice, youth can make a difference, and everyone belongs.

**PRAISE**

**"A compelling narrative, rich in its description of the searing brutality of white racists opposed to the Freedom Rides of 1961, powerful in its depiction of the courage of civil rights protestors."** —William H. Chafe, Alice Mary Baldwin Professor of History, emeritus, Duke University; former president, Organization of American Historians, author of *Civilities and Civil Rights* and *The Rise and Fall of the American Century*

**"Charles Person's book is a very personal, poignant and political account of his life's evolution. It is especially revelatory for young males (of any ethnicity) in their sacred search for 'self, relevance and calling.' It is ...**

CHARLES PERSON is one of two living Freedom Riders who remained with the original Ride from its start in Washington, DC to New Orleans. This historic event helped defeat Jim Crow laws in the US. A sought-after public speaker, Person maintains active contact with schools, museums and the activist community. He lives in Atlanta.

RICHARD ROOKER is an English and history educator, writing coach, and longtime personal

## At Any Cost

*A Father's Betrayal, a Wife's Murder, and a Ten-Year War for Justice*

Rebecca Rosenberg and Selim Algar

**At Any Cost unravels the twisted story of Rod Covlin, whose unrepentant greed drove him to an unspeakable act of murder and betrayal that rocked New York City.**

Wealthy, beautiful, and brilliant, Shele Danishefsky had it all. After climbing Wall Street's corporate ladder to the top, she was eager to build a family with her much younger husband, a handsome Ivy League grad named Rod Covlin. But when Rod's hidden vices, from online gambling to rampant affairs, began to break through the surface, marital bliss soon gave way to a volatile divorce battle. Covlin was entirely supported by Shele's successful career, and her threats to cut him out of her will—and cut him off from the millions their two children would inherit—would destroy his lavish lifestyle. In late December 2009, Shele made arrangements to meet with her lawyer and change her will. She would never make it to the meeting.

Two days later, on New Year's Eve, Shele was found dead in the bathtub of her Upper West Side apartment. Police ruled it an accident, and Shele's deeply Orthodox Jewish family quickly buried their loved one without an autopsy. But her death was only the first obstacle in Covlin's ruthless pursuit of her fortune. As the two families waged war over custody of Shele's children—and their inheritance—Covlin concocted a series of increasingly unhinged schemes, even plotting to kill his own parents, to get his hands on his wife's money. And as investigators closed in on Covlin, he decided in a final, desperate act to frame his own daughter for her mother's death.

## Valcour

*The 1776 Campaign That Saved the Cause of Liberty*

Jack Kelly

**The wild and suspenseful story of one of the most crucial and least known campaigns of the Revolutionary War when America's scrappy navy took on the full might of Britain's sea power**

During the summer of 1776, a British incursion from Canada loomed. In response, citizen soldiers of the newly independent nation mounted a heroic defense. Patriots constructed a small fleet of gunboats on Lake Champlain in northern New York and confronted the Royal Navy in a desperate three-day battle near Valcour Island. Their effort surprised the arrogant British and forced the enemy to call off their invasion.

*Valcour* is a story of people. The northern campaign of 1776 was led by the underrated general Philip Schuyler (Hamilton's father-in-law), the ambitious former British officer Horatio Gates, and the notorious Benedict Arnold. An experienced sea captain, Arnold devised a brilliant strategy that confounded his slow-witted opponents.

America's independence hung in the balance during 1776. Patriots endured one defeat after another. But two events turned the tide: Washington's bold attack on Trenton and the equally audacious fight at Valcour Island. Together, they stunned the enemy and helped preserve the cause of liberty.

### PRAISE

**"Few know of the valor and courage of Benedict Arnold... With such a dramatic main character, the story of the Battle of Valcour is finally seen as one of the most exciting and important of the American Revolution." —Tom Clavin author of *Dodge City* and co-author of *Valley Forge***

**"With vivid writing and wonderful character development, Jack Kelly sheds light on a forgotten episode... This is historical writing at its best." —Terry Golway, author of *Washington's General***

**"Vivid... Kelly does us all a service by giving this crucial but oft-overlooked story a just telling." —James C. Rentfrow, Ph.D., author of *Home Squadron***

**JACK KELLY** is an award-winning author and historian. His books include *Band of Giants: The Amateur Soldiers Who Won America's Independence*, which received the DAR History Medal. He is also the author of *The Edge of Anarchy*, *Heaven's Ditch*, and *Gunpowder*. He has published five novels, and is a New York Foundation for the Arts fellow in Nonfiction Literature. Kelly has appeared on The History Channel, National Public Radio, and C-Span. He lives in New York's Hudson Valley.

## On the House

*A Washington Memoir*

John Boehner

**Former Speaker of the House John Boehner shares candid tales from the halls of power, the smoke-filled rooms around the halls of power, and his fabled tour bus.**

John Boehner is, in many ways, the last of a breed. At a time when the arbiters of American culture were obsessing over organic kale, cold-pressed juice and Soul-Cycling, the man who stood second in line to the presidency was unapologetically smoking Camels, quaffing a glass of red and hitting the golf course whenever he could.

There could hardly have been a more diametrically opposed figure to represent the opposition party in President Barack Obama's Washington. But when Boehner announced his resignation, President Obama called to tell the outgoing Speaker that he'd miss him. "Mr. President," Boehner replied, "yes you will." He thought of himself as a "regular guy with a big job," and he enjoyed it.

In addition to stories from the halls of power and of his comeback after getting knocked off the leadership ladder, Boehner will also offer his impressions of other leaders he's met and what made them successes or failures, from Ford, Reagan and Thatcher to Obama and McCain to Trump. He'll share his views on how the Republican Party has become unrecognizable today, his advice—some harsh, some fatherly—dished out to members of the media, and his acid-tongued comments about his former colleagues in the house. And, of course he'll talk about golfing with five presidents.

Through this honest and self-aware reflections, you'll be reminded of a time when the adults were firmly in charge.

### PRAISE

**"John Boehner is a good man. He is a patriot. He cares deeply about the House, an institution which he has served for a long time. He cares about his constituents. And he cares about America." —Pres. Barack Obama**

JOHN BOEHNER served as Speaker of the United States House of Representatives from 2011-2015. A member of the Republican party, he was the U.S. Representative for Ohio's 8th congressional district from 1991 to 2015. Today he is a Senior Policy Advisor at Squire Patton Boggs, US LLP and serves on the Steward Health Care board of directors.

## The Other Mother

*A Novel*

Matthew Dicks

From the beloved author of *Memoirs of an Imaginary Friend* comes a novel about a teenage boy coping with the rupture of his family by viewing his mother in an unusual light.

*The one he loves most, is the one he knows least.*

Thirteen-year-old Michael Parsons is dealing with a lot. His father's sudden death; his mother's new husband, Glen, who he loathes; his two younger siblings, who he looks after more and more now that his mother works extra shifts.

And then one day, Michael wakes up and his mother is gone. In her place is an exact, duplicate mother. The 'other mother'. No one else seems to notice the real version is missing. His brother, his sister and even Glen act as if everything's normal. But Michael knows in his heart that this mother is not his. And he begins to panic.

What follows is a big-hearted coming-of-age story of a boy struggling with an unusual disorder that poses unparalleled challenges—but also, as he discovers, offers him unique opportunities.

**PRAISE**

*Praise for Twenty-one Truths About Love:*

"It's not quite enough to say that *Twenty-one Truths About Love* is original, it is radical and extraordinary . . . honest, vulnerable, hilarious, and profoundly human."—Taylor Jenkins Reid, *New York Times* bestselling author of *Daisy Jones and the Six*

"An unconventional, endearing tale of impending fatherhood."—*The Washington Post* ("18 Books to Read this Fall")

"Often moving, sometimes shocking, always entertaining, this superbly crafted work emphasizes the incalculable variety of the novel form."—*Booklist*

MATTHEW DICKS is a writer and elementary school teacher. He has been published in the *Hartford Courant*, featured at the Books on the Nightstand retreat, and is a Moth StorySLAM champion. He is the author of five previous novels including *Memoirs of an Imaginary Friend*, an international bestseller, and *Twenty-one Truths About Love*. His novels have been translated into more than 25 languages. Dicks lives in Newington, Connecticut, with his wife, Elysha, and their two children.

## Turn a Blind Eye

*A Detective William Warwick Novel*

Jeffrey Archer

**Turn a Blind Eye is the third installment in the gripping story of Detective Inspector William Warwick, by the master storyteller and #1 New York Times bestselling author of the Clifton Chronicle...**

Newly promoted to Detective Inspector, William Warwick is tasked with a dangerous new line of work, to go undercover and expose crime of another kind: corruption at the heart of the Metropolitan Police Force. Along with detectives Rebecca Pankhurst and Nicky Bailey, his team is focused on following Detective Jerry Summers, a young officer whose lifestyle exceeds his income. But the investigation risks being compromised when Nicky falls for Summers.

Meanwhile, notorious drug baron Assem Rashidi goes on trial, defended by Booth Watson QC, while William's father Sir Julian and sister Grace lead the prosecution case. And William's wife Beth, now a new mother to twins, makes a surprising new friend in Christina Faulkner—the ex-wife of William's former rival, criminal financier Miles - who has not only turned over a new leaf, but also has a new-found source of income when Faulkner dies suddenly of a heart attack and she stands to be sole inheritor of his estate.

As the undercover officers start to draw the threads together, William realizes that the corruption may go deeper still, and more of his colleagues than he first thought might be willing to turn a blind eye.

**PRAISE***Praise for Nothing Ventured*

**"An expert juggling act that ends with not one but two intercut trials. More, please." —Kirkus Reviews**

**"A fully realized character, the intelligent Warrick is ambitious but naive with a lot to learn. He's surrounded by a distinctive cast of family, colleagues, and villains, while a well-placed romantic situation fills out a near-perfect hand. The final section dealing with dueling courtroom dramas brings genuine suspense to a relatively bloodless, but thoroughly gripping, tale. Archer reinforces his position as a master storyteller." —Publishers Weekly**

JEFFREY ARCHER was educated at Oxford University. He served five years as a Member of Parliament in the House of Commons and has served twenty-eight years as a Member of the House of Lords. Now published in 97 countries and more than 37 languages, all of his novels and short story collections—including *Kane & Abel*, *Only Time Will Tell* and *This Was a Man*—have been international bestsellers. Jeffrey is married with two sons and three grandchildren, and lives in London, Cambridge and Majorca.

"Painfully good. The book could have been called 'Outrageous.'  
— ATUL GAWANDE, author of *Being Mortal*

## Preventable

*The Inside Story of How Leadership Failures, Politics, and Selfishness Doomed the U.S. Coronavirus Response*

Andy Slavitt

**A definitive, behind-the-scenes look at the U.S. Coronavirus crisis from one of the most recognizable and influential voices in healthcare**

From former head of Obamacare Andy Slavitt, *Preventable* is the definitive inside account of the United States' failed response to the Coronavirus pandemic. Slavitt chronicles what he saw and how much could have been prevented -- an unflinching investigation of the cultural, political, and economic drivers that led to unnecessary loss of life.

With unparalleled access to the key players throughout the government on both sides of the aisle, the principal public figures, as well as the people working on the frontline involved in fighting the virus, Slavitt brings you into the room as fateful decisions are made and focuses on the people at the center of the political system, health care system, patients, and caregivers. The story that emerges is one of a country in which -- despite the heroics of many -- bad leadership, political and cultural fractures, and an unwillingness to sustain sacrifice light a fuse that is difficult to extinguish.

Written in the tradition of *The Big Short*, *Preventable* continues Andy Slavitt's important work of addressing the uncomfortable realities that brought America to this place. And, he puts forth the solutions that will prevent us from being here again, ensuring a better, stronger country for everyone.

## PRAISE

**"Slavitt is a policy wonk turned cage rattler, and in this time of pandemic, he's emerged on Twitter and TV as one of the more straightforward, consistent sources of information, a health care administrator with a talent for getting senators and CEOs to call him back." --*The Chicago Tribune***

**"During his tenure at CMS, he has repeatedly proven to be an effective problem solver that engages stakeholders to craft consensus-based solutions." --*American Medical Association***

**"With decades of experience delivering health care services to millions of Americans, Andy has developed a track record as an effective and innovative leader who gets results. As a..."**

ANDY SLAVITT served as the Acting Administrator of the Center for Medicare and Medicaid Services under President Obama from 2015 to 2017. He is the host of the podcast #IntheBubble, a top-ranked podcast on life during the global pandemic. Slavitt is currently Board Chair of United States of Care, a national non-profit health advocacy organization he founded, as well as a founding partner of Town Hall Ventures, a healthcare investment firm that serves underrepresented
