Hideki Hinata has just died...but his life is far from over. Finding himself stuck in a kind of purgatory in the Afterlife School—an academy for recently departed lost souls—he begins to learn that the land of the dead has just as many annoying rules, if not more, than the land of the living.

There he meets Yuri Nakamura, a brazen young woman who harbours nothing but contempt for God due to the life she was forced to lead before passing away. Together, Yuri and Hideki form the SSS brigade, otherwise known as the Afterlife Battlefront—a group whose purpose it is to rebel against God in any way they can. However, standing in their way is the stoic and cold Tenshi, a supposed angelic messenger of God...who just so happens to be the Student Council President!

Each meticulously illustrated volume of the manga *Arpeggio of Blue Steel* contains color inserts and features futuristic and explosive submarine battles that are sure to captivate readers.

In the early twenty-first century, the majority of Earth's landmass is submerged due to rising sea levels. Enter the Fleet of Fog, a host of sentient alien battleships of unknown origin who easily decimate earth's naval forces. Humanity is now on the verge of extinction.

In the year 2039, the stalwart Captain Chihaya Gunzou and his intrepid crew on the Blue Steel fleet may be humanity's last chance to fight off the alien invaders. ## Franken Fran, vol. 5-6

Story and art by Katsuhisa Kigitsu

### Dr. Frankenstein has met his match in *Franken Fran*!

*Franken Fran* is a hilarious, dark parody manga series that combines elements from *Frankenstein* with horrifyingly cute girls that will appeal to fans of irreverent manga like *Love in Hell* and *Magical Girl Apocalypse*.

The delightfully creepy tale of a beautiful patchwork doctor and her even stranger patients has become a cult classic among English-speaking manga fans. Seven Seas is pleased to present this series for the first time in print in North America in four omnibus editions. Each omnibus contains two volumes worth of content, and includes color inserts.

Somewhere, out in the sticks of rural Japan, there is a mysterious manor that is home to the greatest surgeon who ever lived. Actually, the surgeon hasn't been seen for years, but Fran, his reanimated daughter, takes up the family profession in his stead. Starting with the bolts that protrude from her head, Fran isn't exactly what you would call normal, nor is the cast of horribly disfigured creatures who join her.

Despite her Frankenstein-like ways, Fran cares deeply for her patients and holds steadfastly to the Hippocratic Oath. Her creed is: "All lives must be saved, no matter the cost!" For Fran the ends always justify the means, no matter what ungodly creations emerge from her lab.

Join Fran, her twisted sister Veronica, and the rest of her monstrous entourage in a gruesomely hilarious tale that would put Mary Shelley to shame!

Story and art by Kentaro Sato

### The zombie survival genre has just met its match!

*Magical Girl Apocalypse* is an ongoing manga series that is a mash-up of the magical girl and zombie genres. The result is *Magical Girl Apocalypse*, a unique dark parody that features striking artwork and pulse-pounding storytelling.

High-schooler Kii Kogami is stuck in a rut, loathing the monotonous doldrums of his everyday life. If only something exciting were to happen, something *magical*. As fate would have it, Kii is about to get his wish, but in a way more terrifying than anything he could have imagined.

When a little girl clad in gothic lolita attire appears at school and starts to gruesomely bludgeon, dismember, and mutilate all who cross her path, while chanting the mantra "Magical Girl" under her breath, the school devolves into a state of bloody chaos.

Just how will Kii escape from this murderous magical girl? To make matters worse, the magical girl's victims reanimate and join her killer rampage. Is there no way out of school for hapless Kii Kogami? And even if he escapes, what will be left of the world outside?

Story and art by Rose Ishikawa

**Introducing an all-new supernatural comedy manga series about a vampire stuck in high school for all eternity!**

*My Pathetic Vampire Life* is a witty and hilarious ongoing manga series about a teenage boy who was turned into a vampire at the age of sixteen and is now doomed to repeat his sophomore year in high school again and again and again. Koide has repeated his uneventful sophomore year of high school one hundred and thirty-three times, and now, in his one hundred and thirty-fourth year, he doesn't expect things to change—and is frankly too bored to care.

But his classmates this year seem a little different than before. They're thrilled to have a vampire in their midst, and are eager to do whatever they can to help. Will "134" be Koide's lucky number or is that just wishful thinking?

## A Centaur's Life, vol. 10

Story & Art by Kei Murayama

**Being a teenager is never easy...especially for a centaur!**

*A Centaur's Life* is an ongoing manga series with a wholly unique take on the slice-of-life genre—it focuses on the daily school life of supernatural creatures. This ongoing manga series features quirky and adorable artwork presented in oversized editions that include a color insert in each volume.

Himeno is a sweet, shy girl, who, like many teens her age, struggles with the trials and tribulations of attending high school. The difference is she's a centaur; but she's not alone. In fact, all of her classmates are supernatural creatures, sporting either horns, wings, tails, halos, or some other unearthly body appendage. Yet despite their fantastical natures, Himeno and her best friends—the dragon-winged Nozomi, and Kyoko with her spiraled horns—are down-to-earth, fun-loving teenagers who grapple with issues of life and love in a mostly normal daily school setting.

*A Centaur's Life* will appeal to fans of slice-of-life manga like *Yotsuba&!* and of supernatural schools like *Rosario + Vampire*.

**Kei Murayama** is a Japanese manga author and artist whose *A Centaur's Life* won the eighth Comic Ryujin Award in Japan.

## Devils and Realist, vol. 11

Story by Madoka Takadono

Art by Utako Yukihiro

For fans of *Black Butler*, the manga series about a teen noble and the demons who surround him continues

*Devils and Realist* is an ongoing supernatural manga series that pits a young, suave nobleman against Hell's princely demons.

Each volume of *Devils and Realist* features beautiful *bishounen*-styled artwork and a color insert. An anime adaptation of *Devils and Realist* aired in 2013 and has since been licensed and released by Sentai Filmworks. The series was streamed by Crunchyroll with English subtitles.

William Twining has it all—a sharp intelligence, dashing good looks, and a noble station in life. There's only one problem: he's broke. With no way to finance his prestigious education, William decides to search through his uncle's mansion for something of value to sell. But William's logical worldview is about to take a hit, when he comes across a mystical seal which he unintentionally uses to summon a demon.

The demon's name is Dantalion, a Grand Duke of Hell, who informs the young nobleman of his destiny—that he is the new "Elector" whose sole responsibility is to appoint the next ruler of Hell in place of Lucifer. Such news might drive a lesser man mad, but not William Twining. He's a realist whose views don't allow for the existence of demons, even when scores of demonic candidates begin to knock down his door and seek his favor. None of this can possibly be real—can it?—and besides, he's got bills to pay.

## Haganai: I Don't Have Many Friends, vol. 14

Story by Yomi Hirasaka

Art by Itachi

### The New York Times bestselling manga about fandom continues!

A wild and offbeat comedy about social outcasts who are obsessed with fandom, *Haganai: I Don't Have Many Friends* is like *Genshiken*, *The Melancholy of Haruhi Suzumiya*, and *Toradora!* all wrapped into one.

This is the fourteenth volume of an ongoing manga series that is sure to appeal to today's manga fans in the same way *The Big Bang Theory* appeals to geeks.

Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikely of allies.

Realizing that they have no hope of a normal social life, the two rejects decide to form a group called "The Neighbor's Club" in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members, each more socially awkward than the next, join the club. Will these quirky misfits ever make normal friends or are they all doomed to social failure?

**Yomi Hirasaka** is an author of light novels whose best known work, *Haganai: I Don't Have Many Friends*, has been adapted into two hit manga series, an anime, and a live-action movie.

**Itachi** is a Japanese manga artist who is best known for *Haganai: I Don't Have Many Friends*.

Hideki Hinata has just died...but his life is far from over. Finding himself stuck in a kind of purgatory in the Afterlife School—an academy for recently departed lost souls—he begins to learn that the land of the dead has just as many annoying rules, if not more, than the land of the living.

There he meets Yuri Nakamura, a brazen young woman who harbours nothing but contempt for God due to the life she was forced to lead before passing away. Together, Yuri and Hideki form the SSS brigade, otherwise known as the Afterlife Battlefront—a group whose purpose it is to rebel against God in any way they can. However, standing in their way is the stoic and cold Tenshi, a supposed angelic messenger of God...who just so happens to be the Student Council President!

## Monster Musume, vol. 10

Story & Art by OKAYADO

### A New York Times monster bestseller!

*Monster Musume* is an ongoing manga series that presents the classic harem comedy with a fantastical twist: the female cast of characters that tempts our male hero is comprised of exotic and enticing supernatural creatures like lamias, centaurs, and harpies!

*Monster Musume* will appeal to fans of supernatural comedies like *Inukami!* and harem comedies like *Love Hina*. Each volume is lavishly illustrated and includes a color insert.

What do world governments do when they learn that fantastical beings are not merely fiction, but flesh and blood—not to mention feather, hoof, and fang? Why, they create new regulations, of course! "The Interspecies Cultural Exchange Accord" ensures that these once-mythical creatures assimilate into human society...or else!

When hapless human twenty-something Kurusu Kimihito becomes an involuntary "volunteer" in the government homestay program for monster girls, his world is turned upside down. A reptilian lamia named Miia is sent to live with him, and it is Kimihito's job to tend to her every need and make sure she integrates into his everyday life. While cold-blooded Miia is so sexy she makes Kimihito's blood boil with desire, the penalties for interspecies breeding are dire.

Even worse, when a buxom centaur girl named Centorea and a scantily clad harpy named Papi move into Kimihito's house, what's a full-blooded young man with raging hormones to do?!
