A Certain Scientific Railgun, vol. 10

Story by Kazuma Kamachi

Art by Motoi Fuyukawa

The New York Times bestselling SF manga series continues

Welcome to a world where mysticism and science collide, and supernatural powers are derived from either science or religion. At the heart of this world is Academy City, an advanced metropolis whose population is comprised mostly of students. The majority of students are enrolled in the city's "Power Curriculum Program," where they must learn to master their latent psychic powers. Out of several million students, only seven are deemed powerful enough to have Level 5 status.

Meet Mikoto Misaka, the third most powerful Level 5 esper in Academy City. Together with her best friend Kuroko Shirai and the other members of Judgment, a student-run law enforcement agency, Mikoto delves deep into the dark heart of the scientific sprawl she calls home and uncovers secrets she wishes she hadn't!

A Certain Scientific Railgun is a must-have manga series for fans of stories that blend science and magic like *Psychic Academy* and *Full Metal Alchemist*.

The "Certain" franchise began with the long-running light novel series *A Certain Magical Index*, which was adapted into both a manga and an anime series. Its spin-off, *A Certain Scientific Railgun*, became a breakout hit with a better selling manga and higher rated anime series. In October 2010, a new anime series following the further adventures of both series' protagonists began airing in Japan. A second season of the TV anime *A Certain Scientific Railgun* began airing in Japan in 2013.

A new Alice oneshot that focuses on her romance with one-time assassin Gray Ringmarc

Seven Seas is pleased to present *Alice in the Country of Clover: The Lizard Aide*, a oneshot volume that focuses on a lesser-known character in the Alice series, Gray Ringmarc, also known as the "Lizard Aide." Girls und Panzer, vol. 3

Story by Girls & Panzer Projekt

Art by Ryouichi Saitaniya

A manga series about girls and their tanks that inspired a hit anime

Girls und Panzer is a dieselpunk-infused manga series that juxtaposes cute girls and their high school antics with dynamic tank battles and military tactics.

Girls und Panzer has been adapted into an anime, which aired last fall in Japan and is currently streaming on Crunchyroll. Sentai Filmworks licensed the anime and will release it on home video in 2014. The anime has also spawned a theatrical animated film, which is set to debut in 2014.

Each volume of the *Girls und Panzer* manga series contains color inserts and also features the illustrated specifications for the various tanks that appear in each book. In Fall 2014, Seven Seas will publish the *Girls und Panzer* prequel series: *Girls und Panzer: Little Army*.

Miho Nishizumi, a new transfer student to Ooarai All-Girls High School, would like nothing more than to enjoy a peaceful, stress-free school life. Unfortunately, her new school just revived its tankery program and enlists Miho to put together a team so that they may compete in a national tournament.

As Miho struggles to overcome her turbulent past with tanks, she must first learn to tread lightly with her eccentric companions. Can Miho possibly plow through the challenges and master the art of tankery, or will she get left behind in the dust?

Ryouichi Saitaniya is a Japanese manga artist best known for *Girls und Panzer*.

Magical Girl Apocalypse, vol. 2

Story and art by Kentaro Sato

The zombie survival genre has just met its match!

Magical Girl Apocalypse is a new ongoing manga series that is a mashup of the magical girl and zombie genres. What happens when you mix the lighthearted “magical girl” trope with the sort of gory ultraviolence seen in the *Walking Dead*? The result is *Magical Girl Apocalypse*, a unique dark parody that features striking artwork and pulsepounding storytelling.

High-schooler Kii Kogami is stuck in a rut, loathing the monotonous doldrums of his everyday life. If only something exciting were to happen, something *magical*. As fate would have it, Kii is about to get his wish, but in a way more terrifying than anything he could have imagined.

When a little girl clad in gothic lolita attire appears at school and starts to gruesomely bludgeon, dismember and mutilate all who cross her path, while chanting the mantra “Magical Girl” under her breath, the school devolves into a state of bloody chaos.

Just how will Kii escape from this murderous magical girl? To make matters worse, the magical girl's victims reanimate and join her killer rampage. Is there no way out of school for hapless Kii Kogami? And even if he escapes, what will be left of the world outside?

Kentaro Sato is best known as the author and artist of *Magical Girl Apocalypse*.

No Game No Life, vol. 2

Story by Yuu Kamiya

Art by Mashiro Hiiragi

An all-new manga series for fans of *Sword Art Online*!

No Game No Life is an all-new fantastical manga series about characters trapped in a virtual video game world. Based on the hit light novel series of the same name, *No Game No Life* focuses on the popular virtual reality sub-genre featured in such works as *Sword Art Online* and *Accel World*.

No Game No Life will receive an anime adaptation in April 2014 from renowned animation studio Madhouse (*Black Lagoon*, *Death Note*, *High School of the Dead*.)

Life is nothing more than a “crappy game,” according to the eccentric brother and sister recluses, Sora and Shiro. These gamers take it to the extreme, and have dedicated themselves to excelling in all game forms. If only there were some worthy adversary to test their mettle.

In a case of “Be careful what you wish for,” Sora and Shiro are about to get the greatest challenge of their lives, when a boy going by the name of “God” summons them to a world like no other.

Spirited-away to a bizarre, alternate reality, Sora and Shiro find that they are in the middle of a very dangerous and real game. In fact, everything in this world is dictated by the outcome of games, including life and death itself. Can these introverted NEETs (“Not in Education, Employment, or Training”) risk everything and become the saviors of a strange new world? Let the games begin!

Yuu Kamiya is an artist and author who was born in Brazil and raised in Japan, best known as the creator of *No Game No Life*.

Mashiro Hiiragi is a Japanese artist, married to Yuu Kamiya, and assists with the artwork for the *No Game No Life* manga adaptation.

Strike Witches: One-Winged Witches, vol. 1

Story by Humikane Shimada

Art by Atsuto Shinozuka

The dieselpunk manga sensation continues!

Strike Witches is a highly popular dieselpunk franchise that spans manga, light novels, video games, and anime. The series reimagines World War II as a confrontation between the allied human forces and an invading alien menace. Most of the battles featured are fictional recreations of actual World War II dogfights, but in this alternate history, teen girls with advanced weaponry and magic powers perform aerial combat against alien aircraft.

In addition to the ongoing *Strike Witches* manga series, the franchise has been adapted into light novels, as well as several TV anime which aired in Japan and are available in North America from FUNimation. In 2012, an animated feature film was released entitled "*Strike Witches: The Movie*."

The *Strike Witches* of the 501st weren't the first witches to take to the sky, nor would they be the last. *Strike Witches: One-Winged Witches* covers the story of Wilma Bishop and her adventures along the English Channel in 1942, one year prior to the Second Neuroi War. As this tale unfolds, revelations about key characters and surprising details from *Strike Witches: Maidens in the Sky* and *Strike Witches: The Sky That Connects Us* are revealed, all from the unique character perspective of Wilma Bishop.

Join Wilma, sergeant of the Isle of Wight Detachment Group and ace *Strike Witch*, as she shows new recruits what it takes to earn their flying stripes, not to mention how to kick some nasty Neuroi butt in the process!

Praise for the *Strike Witches* anime:

"Does a fine job of presenting a rich alternate history world and a fun, fanservicey war story that doesn't disappoint."

—ANIME NEWS NETWORK

Humikane Shimada is the creator of the *Strike Witches* franchise and has written numerous manga and novels in the series.

Atsuto Shinozuka is a manga artist best known for *Strikes Witches: One-Winged Witches*.

Story by QuinRose

Art by Mamenosuke Fujimaru

The enchanting conclusion to the *Joker* series!

This is the final volume in the *Alice in the Country of Joker: Circus and Liar's Game* series, which reimagines Lewis Carroll's *Alice in Wonderland* in a sly, sexy, *shoujo* style. This series is a follow-up to QuinRose's bestselling *Alice in the Country of Hearts* and *Alice in the Country of Clover* but can be read independently.

Alice in the Country of Joker: Circus and Liar's Game continues the adventures of Alice as she goes deeper down the rabbit hole to the country of Joker. Each volume features impressive artwork by Mamenosuke Fujimaru, the same artist for *Alice in the Country of Clover*, and includes color pinups.

A Centaur's Life, vol. 5

Story & Art by Kei Murayama

Being a teenager is never easy...especially for a centaur!

A Centaur's Life is an ongoing manga series with a wholly unique take on the slice-of-life genre—it focuses on the daily school life of supernatural creatures. This ongoing manga series features quirky and adorable artwork presented in oversized editions that include a color insert in each volume.

Himeno is a sweet, shy girl, who, like many teens her age, struggles with the trials and tribulations of attending high school. The difference is she's a centaur; but she's not alone. In fact, all of her classmates are supernatural creatures, sporting either horns, wings, tails, halos, or some other unearthly body appendage. Yet despite their fantastical natures, Himeno and her best friends—the dragon-winged Nozomi, and Kyoko with her spiraled horns—are down-to-earth, fun-loving teenagers who grapple with issues of life and love in a mostly normal daily school setting.

A Centaur's Life will appeal to fans of slice-of-life manga like *Yotsuba&!*, and of supernatural schools like *Rosario + Vampire*.

Devils and Realist, vol. 4

Story by Madoka Takadono

Art by Utako Yukihiro

A New York Times bestseller, for fans of *Black Butler*

Devils and Realist is an all-new supernatural manga series that pits a young, suave nobleman against Hell's princely demons.

Each volume of *Devils and Realist* features beautiful *bishounen*-styled artwork and a color insert. An anime adaptation of *Devils and Realist* is currently airing in Japan and is being streamed by Crunchyroll with English subtitles.

William Twining has it all—a sharp intelligence, dashing good looks, and a noble station in life. There's only one problem: he's broke. With no way to finance his prestigious education, William decides to search through his uncle's mansion for something of value to sell. But William's logical worldview is about to take a hit, when he comes across a mystical seal which he unintentionally uses to summon a demon.

The demon's name is Dantalion, a Grand Duke of Hell, who informs the young nobleman of his destiny—that he is the new “Elector” whose sole responsibility is to appoint the next ruler of Hell in place of Lucifer. Such news might drive a lesser man mad but not William Twining. He's a realist whose views don't allow for the existence of demons, even when scores of demonic candidates begin to knock down his door and seek his favor. None of this can possibly be real—can it?—and besides, he's got bills to pay.

Madoka Takadono is a Japanese author best known as the writer of *Gun Princess* and *Devils and Realist*.

Utako Yukihiro is a Japanese manga artist whose works include *Uta no Prince-Sama* and *Devils and Realist*.

Dragonar Academy, vol. 5

Story by Shiki Mizuchi

Art by Ran

The New York Times bestseller dragon-riding saga continues!

For fans of magic schools, fantastical creatures, and harem comedies comes *Dragonar Academy*, an ongoing manga series about a boy who is trying to tame an unruly—and very pretty—dragon.

Dragonar Academy began in Japan as a popular light novel series and has since been adapted into an ongoing manga series and an upcoming anime series set to air in early 2014. *Dragonar Academy* is sure to appeal to fans of comedic fantasies like *Zero's Familiar* and *The Sacred Blacksmith*. Each volume is delightfully illustrated and includes color inserts.

Learning to ride and tame dragons comes easy to most students at Ansarivan Dragonar Academy—except for first-year student Ash Blake, who is known by his fellow classmates as the “number one problem child.” Poor Ash is the laughingstock at school because, despite his unfashionably large star-shaped brand that marks him as a future dragon master, he has nothing to show for it. His dragon has never appeared.

Until now, that is. One fateful day, Ash's dragon awakes in full glory, but appears different than any dragon ever seen before—in the form of a beautiful girl! What's worse, Ash soon discovers that this new dragon has attitude to spare, as she promptly informs him that she is the master, and he, the servant.

Ash's problems with dragon riding have only just begun.

Shiki Mizuchi is a Japanese light novel author best known for *Dragonar Academy*.

Ran is a Japanese manga artist who wrote and illustrated *Maid War Chronicle* and worked with writer Ken Akamatsu (*Love Hina*, *Negima*) as the artist on *Mao-chan*.

Haganai: I Don't Have Many Friends, vol. 10

Story by Yomi Hirasaka; Art by Itachi

The New York Times bestseller manga about fandom continues!

A wild and offbeat comedy about social outcasts who are obsessed with fandom, *Haganai: I Don't Have Many Friends* is like *Genshiken*, *The Melancholy of Haruhi Suzumiya*, and *Toradora!* all wrapped into one.

Haganai: I Don't Have Many Friends has received two, thirteen-episode anime seasons in Japan and has a live-action movie in production. FUNimation released the first season on home video in the United States in 2013 and will release the second season in 2014.

This is the tenth volume of an ongoing manga series that is sure to appeal to today's manga fans in the same way *The Big Bang Theory* appeals to geeks.

Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies.

Realizing that they have no hope of a normal social life, the two rejects decide to form a group called "The Neighbor's Club" in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members join the club who are more socially awkward than they are. Will these quirky misfits ever make normal friends, or are they all doomed to social failure?

Yomi Hirasaka is an author of light novels whose best known work, *Haganai: I Don't Have Many Friends*, has been adapted into two hit manga series, an anime, and a live action movie.

Itachi is a Japanese manga artist who is best known for *Haganai: I Don't Have Many Friends*.

D-Frag!, vol. 4

Story and art by Tomoya Haruno

The outrageous manga parody of the high school club genre continues!

D-Frag! is a new ongoing manga series that parodies high school clubs, nerd culture, and the slice-of-life genre in a side-splittingly hilarious storyline. For fans of manga series about *otaku*-centric high school clubs like *Haganai: I Don't Have Many Friends*, *Genshiken*, or *The Melancholy of Haruhi Suzumiya*, *D-Frag!* has the last laugh, as it satirizes the genre like never before.

D-Frag! was first serialized in Japan in *Monthly Comic Alive* and has been collected so far into eight volumes and counting. The hit manga series has been adapted into a full-cast audio drama CD and is the basis for the *D-Frag!* anime series to air on Japanese television in early 2014.

Kazama Kenji thinks he's a delinquent. He's got the look, the style and the attitude to match—he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls who he might actually be attracted to if they weren't so freaking weird.

The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life...or is it "game over" for our hapless hero?

Tomoya Haruno is best known as the author and artist of *D-Frag!*, and has contributed to the *Lucky Star* anthology collections along with the *Haganai Anthology Comic* collections.

Monster Musume, vol. 6

Story & Art by OKAYADO

A *New York Times* manga bestseller

Monster Musume is an ongoing manga series that presents the classic harem comedy with a fantastical twist: the female cast of characters that tempts our male hero is comprised of exotic and enticing supernatural creatures like lamias, centaurs, and harpies!

Monster Musume will appeal to fans of supernatural comedies like *Inukami!* and harem comedies like *Love Hina*. Each volume is lavishly illustrated and includes a color insert.

What do world governments do when they learn that fantastical beings are not merely fiction, but flesh and blood—not to mention feather, hoof, and fang? Why, they create new regulations, of course! "The Interspecies Cultural Exchange Accord" ensures that these once-mythical creatures assimilate into human society...or else!

When hapless human twenty-something Kurusu Kimihito becomes an involuntary "volunteer" in the government homestay program for monster girls, his world is turned upside down. A reptilian lamia named Miia is sent to live with him, and it is Kimihito's job to tend to her every need and make sure she integrates into his everyday life. While cold-blooded Miia is so sexy she makes Kimihito's blood boil with desire, the penalties for interspecies breeding are dire.

Even worse, when a buxom centaur girl named Centorea and a scantily clad harpy named Papi move into Kimihito's house, what's a full-blooded young man with raging hormones to do?!

OKAYADO is a Japanese manga artist and author who is best known for *Monster Musume*.

The zombie survival genre has just met its match!

Magical Girl Apocalypse is a new ongoing manga series that is a mash-up of the magical girl and zombie genres. When a little girl clad in gothic lolita attire appears at school and starts to gruesomely bludgeon, dismember, and mutilate all who cross her path, while chanting the mantra “Magical Girl” under her breath, the school devolves into a state of bloody chaos.

Just how will Kii escape from this murderous magical girl? To make matters worse, the magical girl's victims reanimate and join her killer rampage. Is there no way out of school for hapless Kii Kogami? And even if he escapes, what will be left of the world outside?

Devils and Realist, vol. 5

Story by Madoka Takadono

Art by Utako Yukihiro

For fans of *Black Butler*, the manga series about a teen noble and the demons who surround him continues

Devils and Realist is an ongoing supernatural manga series that pits a young, suave nobleman against Hell's princely demons.

Each volume of *Devils and Realist* features beautiful *bishounen*-styled artwork and a color insert. An anime adaptation of *Devils and Realist* is currently airing in Japan and is being streamed by Crunchyroll with English subtitles.

William Twining has it all—a sharp intelligence, dashing good looks, and a noble station in life. There's only one problem: he's broke. With no way to finance his prestigious education, William decides to search through his uncle's mansion for something of value to sell. But William's logical worldview is about to take a hit, when he comes across a mystical seal which he unintentionally uses to summon a demon.

The demon's name is Dantalion, a Grand Duke of Hell, who informs the young nobleman of his destiny—that he is the new “Elector” whose sole responsibility is to appoint the next ruler of Hell in place of Lucifer. Such news might drive a lesser man mad, but not William Twining. He's a realist whose views don't allow for the existence of demons, even when scores of demonic candidates begin to knock down his door and seek his favor. None of this can possibly be real—can it?—and besides, he's got bills to pay.

Madoka Takadono is a Japanese author best known as the writer of *Gun Princess* and *Devils and Realist*.

Utako Yukihiro is a Japanese manga artist whose works include *Uta no Prince-Sama* and *Devils and Realist*.

Dragonar Academy, vol. 6

Story by Shiki Mizuchi

Art by Ran

The dragon-riding saga continues!

For fans of magic schools, fantastical creatures, and harem comedies comes *Dragonar Academy*, an ongoing manga series about a boy who is trying to tame an unruly—and very pretty—dragon.

Dragonar Academy began in Japan as a popular light novel series and has since been adapted into an ongoing manga series and an upcoming anime series set to air in early 2014. *Dragonar Academy* is sure to appeal to fans of comedic fantasies like *Zero's Familiar* and *The Sacred Blacksmith*. Each volume is delightfully illustrated and includes color inserts.

Learning to ride and tame dragons comes easy to most students at Ansarivan Dragonar Academy—except for first-year student Ash Blake, who is known by his fellow classmates as the “number one problem child.” Poor Ash is the laughingstock at school because, despite his unfashionably large star-shaped brand that marks him as a future dragon master, he has nothing to show for it. His dragon has never appeared.

Until now, that is. One fateful day, Ash's dragon awakes in full glory, but appears different than any dragon ever seen before—in the form of a beautiful girl! What's worse, Ash soon discovers that this new dragon has attitude to spare, as she promptly informs him that she is the master, and he, the servant.

Ash's problems with dragon riding have only just begun.

Shiki Mizuchi is a Japanese light novel author best known for *Dragonar Academy*.

Ran is a Japanese manga artist who wrote and illustrated *Maid War Chronicle* and worked with writer Ken Akamatsu (*Love Hina*, *Negima*) as the artist on *Mao-chan*.

Pretend it never happened? Unfortunately for Yuuhi, a bit of coercion in the form of a super-powered princess prevents him from returning to his mediocre life-as-usual.
