## D-Frag!, vol. 12

Story and art by Tomoya Haruno

**The outrageous manga parody of the high school club genre continues!**

**K**azama Kenji thinks he's a delinquent. He's got the look, the style and the attitude to match—he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls whom he might actually be attracted to if they weren't so freaking weird.

The girls claim to have otherworldly powers, which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life...or is it "game over" for our hapless hero?

*"My Monster Secret feels almost like a throwback to a gentler age. Its characters harbor simple crushes, and their feelings are constrained largely by shyness and personal density. It's still wacky and ridiculous, and yes, two of the major harem members are a vampire and an alien, but it still feels generally light and nostalgic."*
