Dare You to Lie

Amber Lynn Natusch

***Pretty Little Liars* meets *Riverdale* in this debut YA mystery from indie-pub favorite**

When her FBI agent father is framed for murder, Kylene is forced to move in with her grandfather, back to the small town that turned its back on her, and the boy who betrayed her.

All Ky cares about is clearing her father's name, but someone won't let her forget the photo scandal that drove her away two years ago. As the threats gain momentum, Ky finds an unlikely ally in the annoyingly attractive rookie FBI agent sent to keep an eye on her.

Determined to expose the town's hidden skeletons, Ky unwittingly thrusts herself into a much bigger plot. They thought she'd forgive and forget. They're about to learn they messed with the wrong girl.

PRAISE

"A quick-witted heroine, a fast-paced plot, and a twisty whodunit mystery kept me on my toes. Fans of *Riverdale* and *Veronica Mars* will adore Kylene Danners and devour this suspenseful story." —*USA Today* bestselling author, K.A. Tucker

"A snarky, brave, likeable sleuth of a heroine, a thoughtful, fast-paced plot, suspense, mystery and a dash of romance."—*New York Times* bestselling author Samantha Young

"Equal parts fierce and funny, Kylene Danners is the friend you wish had your back. Natusch throws the reader into a pulse-quickening quest for justice that left me whiplashed in the best possible way. I want—no, need!—to see what Kylene does next..."

AMBER LYNN NATUSCH is the author of the bestselling *Caged* series for adults. She was born and raised in Winnipeg, and is still deeply attached to her Canadian roots. She loves to dance and practice Muay Thai—but spends most of her time running a chiropractic practice with her husband, raising two young children, and attempting to write when she can lock herself in the bathroom for ten minutes of peace. *Dare You to Lie* is her debut YA.

The Echo Room

Parker Peevyhouse

A smart, claustrophobic thriller where two teens escape a strange prison only to discover they weren't locked in, but were locking someone—or something—out

Rett wakes on the floor of a cold, dark room. He doesn't know how he got there, only that he's locked in. He's not alone—a girl named Bryn is trapped in the room with him. When she finds a mysterious bloodstain and decides she doesn't trust Rett, he tries to escape on his own—

Rett wakes on the floor of the same cold, dark room. He doesn't trust Bryn, but he'll have to work with her if he ever hopes to escape. They try to break out of the room—

Rett and Bryn hide in a cold, dark room. Safe from what's outside.

But they're not alone.

"The Maze Runner meets Memento" (Jeanne Ryan) in The Echo Room, a suspenseful, high-concept first novel with an immersive psychological mystery that follows Rett and Bryn, who are stuck in a time loop and forced to work together until they manage to escape a prison of their own making.

PRAISE

***"Warning: If you can't handle creepy, don't venture beyond the first few pages. Recommended for readers who enjoy an adrenaline rush."* —Valerie Lewis, co-owner, Hicklebee's Children's Books, San Jose, California**

***"The Echo Room is 12 Monkeys for the next generation."* —Hannah Walcher, teen events and marketing coordinator, Books Inc., San Francisco, California**

***"The fast-paced adventure is perfectly balanced by its slow-burn mystery. I couldn't put The Echo Room down!"* —Jennifer Nielsen, New York Times bestselling author of The False Prince**

"The Echo Room is just brilliant.... full of twists and blinding turns. Peevyhouse is a master storyteller." ...

PARKER PEEVYHOUSE is likely trying to solve a puzzle at this very moment while enjoying In-N-Out fries, admiring redwood trees, and quoting movies about sentient robots. Parker's critically acclaimed collection of novellas for young adults, *Where Futures End*, was named a best book for teens by the New York Public Library, Chicago Public Library, and Bank Street. Parker lives in the San Francisco Bay Area and works at Hicklebee's Children's Bookstore.

Windwitch

A Witchlands Novel

Susan Dennard

The second novel in the *New York Times* bestselling Witchlands series, an epic fantasy adventure hailed by Alexandra Bracken as “a world you will want to inhabit forever.”

Sometimes our enemies are also our only allies...

After an explosion destroys his ship, the world believes Prince Merik, Windwitch, is dead. Scarred yet alive, Merik is determined to prove his sister's treachery. Upon reaching the royal capital, crowded with refugees, he haunts the streets, fighting for the weak—which leads to whispers of a disfigured demigod, the Fury, who brings justice to the oppressed.

When the Bloodwitch Aeduan discovers a bounty on Iseult, he makes sure to be the first to find her—yet in a surprise twist, Iseult offers him a deal. She will return money stolen from him, if he locates Safi. Now they must work together to cross the Witchlands, while constantly wondering, who will betray whom first?

After a surprise attack and shipwreck, Safi and the Empress of Marstok barely escape with their lives. Alone in a land of pirates, every moment balances on a knife's edge—especially when the pirates' next move could unleash war upon the Witchlands.

SUSAN DENNARD is the author of the *New York Times* bestselling Witchlands series as well as the Something Strange and Deadly series. She has come a long way from small-town Georgia. Working in marine biology, she got to travel the world—six out of seven continents (she'll get to Asia one of these days!)—before she settled down as a full-time novelist and writing instructor. When not writing, she can be found hiking with her dogs, slaying darkspawn on her Xbox, or earning bruises at the dojo.

Dark Mind Rising

A Dark Intercept Novel

Julia Keller

This stand-alone sequel to *The Dark Intercept* is the second book in a high-concept YA SF trilogy—a taut, twisty murder mystery for fans of Veronica Roth

When the state is no longer watching, what will you give to feel safe?

New Earth, 2296. Two years after the destruction of a universal surveillance system called the Intercept, New Earth struggles to keep crime under control. The citizens are free, but not protected.

Violet Crowley, the eighteen-year-old daughter of New Earth's founder, has opened Crowley & Associates, a private detective agency, to handle the overflow from the overburdened police force.

Violet's first case—a death written off as a suicide—becomes an obsession. Soon a series of similar deaths leads Violet to believe the Intercept is not only still running—it's in the hands of a killer.

Dark Mind Rising is a thrilling SF murder mystery about a chilling future in which citizens believe they're free after years of emotional surveillance, only to discover a killer is targeting their deepest fears.

PRAISE

"In this fast-paced book, Julia Keller shows she's at the top of her game—and her game is creating chills and absolute terror." —R.L. Stine, *New York Times* bestselling author of *Goosebumps* and *Fear Street*

"Keller's futuristic novels aren't just fascinating mysteries and exciting adventures, they're a look into humans as a species and the boundaries of our existence." —Kellee Moye, reading coach and teacher, Orange County Public Schools, Orange County, FL

Praise for *The Dark Intercept*:

"Grabbed me from the first page and shook me until the last. A riveting and suspenseful story of love, risk, and betrayal." —Emmy Laybourne, author of *Monument 14*

...

JULIA KELLER, winner of the Pulitzer Prize and former cultural critic at the *Chicago Tribune*, is the author of many books for adults and young readers, including *A Killing in the Hills*, the first book in the Bell Elkins series and winner of the Barry Award for Best First Novel, and *The Dark Intercept*. Keller has a Ph.D. in English literature from Ohio State and was awarded Harvard University's Nieman Fellowship. She was born in West Virginia and lives in Ohio.

The Dark Intercept

Julia Keller

The first in a provocative YA SF trilogy from a Pulitzer Prize-winning writer, about a chilling future world in which citizens submit to emotional surveillance for their own safety

When the state controls your emotions, how hard will you fight to feel free?

In a world of endless summer, the Intercept keeps the peace. Violet Crowley, the sixteen-year-old daughter of New Earth's Founding Father, has spent her life in comfort and safety. Her days are easy thanks to the Intercept, a crime-prevention device that monitors emotion.

But Violet's easy life is upended the day her friend and longtime crush, Danny Mayhew, gets into a dangerous altercation on Old Earth. When Danny refuses to explain why he put himself in mortal danger, Violet launches a secret investigation to find out what he's hiding. An investigation that will lead her to question everything she's ever known about Danny, her father, and the power of the Intercept.

The Dark Intercept is the beginning of a "riveting" (Emmy Laybourne) science fiction adventure that challenges the voluntary surrender of liberties for the perception of safety.

PRAISE

"*The Dark Intercept* grabbed me from the first page and shook me until the last."
—Emmy Laybourne, author of *Monument 14*

"A chilling and thought-provoking look at the power of weaponized emotion."
—Melissa Landers, author of *Starflight*

"Both cautionary and hopeful—a rare, literary feat." —Gennifer Albin, *New York Times* bestselling author of *Crewel*

"A stormy, spine-tingling ride in which everything remembered and once felt in your life can be used against you." —Blue Balliett, author of *Chasing Vermeer*

"A dazzling, thought-provoking vision of the future that raises the question: Is safety worth the sacrifice of freedom?" —*Booklist*

JULIA KELLER, winner of the Pulitzer Prize and former cultural critic at the *Chicago Tribune*, is the author of many books for adults and young readers, including *A Killing in the Hills*, the first book in the Bell Elkins series and winner of the Barry Award for Best First Novel, and *The Dark Intercept*. Seriously Hexed

Tina Connolly

Connolly continues the hilarious adventures of teen witch Camellia and her mother, wicked witch Sarmine, in this latest installment to the Andre Norton Award-nominated "Seriously Wicked" series

Cam has resigned herself to being a witch. Sort of. She's willing to do small things, like magically help her boyfriend Devon get over his stage fright. But tangling with other witches is not on her wishlist. Joining her mother's wicked witch coven is right out.

New acquaintance Poppy Jones is a Type A, A+ Student of True Witchery. She's got all the answers, and she's delighted to tangle with a bunch of wicked witches. She doesn't need any reluctant witch getting in her way, especially one who knows less than a dozen spells, and has zero plans for witch college.

Then a coven meeting goes drastically awry. A hex is taking down all thirteen members of the coven, one by one—putting both girls' mothers in jeopardy. Now the two teens are going to have to learn to work together, while simultaneously juggling werewolf puppies, celebrity demons, thirteen nasty hexes, and even nastier witches. They may have to go through hell and high water to save their mothers—but they also might find a new friendship along the way.
