Truthwitch

A Witchlands Novel

Susan Dennard

In this *New York Times* bestselling YA fantasy, two best friends use their magic to save the world from war and corruption.

On a continent ruled by three empires, some are born with a "witchery," a magical skill that sets them apart from others.

In the Witchlands, there are almost as many types of magic as there are ways to get in trouble—as two desperate young women know all too well.

Safiya is a Truthwitch, able to discern truth from lie. It's a powerful magic that many would kill to have on their side, especially amongst the nobility to which Safi was born. So Safi must keep her gift hidden, lest she be used as a pawn in the struggle between empires.

Iseult, a Threadwitch, can see the invisible ties that bind and entangle the lives around her—but she cannot see the bonds that touch her own heart. Her unlikely friendship with Safi has taken her from life as an outcast into one of reckless adventure, where she is a cool, wary balance to Safi's hotheaded impulsiveness.

Safiya and Iseult just want to be free to live their own lives, but war is coming to the Witchlands. With the help of the cunning Prince Merik (a Windwitch and privateer) and the hindrance of a Bloodwitch bent on revenge, the friends must fight emperors, princes, and mercenaries alike, who will stop at nothing to get their hands on a Truthwitch.

The Last Harvest

Kim Liggett

Kim Liggett combines the atmosphere of *Friday Night Lights* with horror reminiscent of *Anna Dressed in Blood*, drawing on her childhood during the Satanic Panic

"I plead the blood."

Those were the last words seventeen-year-old golden boy quarterback Clay Tate heard rattling from his dad's throat when he discovered him dying on the barn floor of the Neely cattle ranch, clutching a crucifix to his chest.

Now, on the first anniversary of the Midland, Oklahoma, slaughter, the whole town's looking at Clay like he might be next to go over the edge. Clay wants to forget the past, but the sons and daughters of the Preservation Society—a group of prominent farmers his dad accused of devil worship—won't leave him alone. Including Ali, his longtime crush, who suddenly wants to reignite their romance after a year of silence, and hated rival Tyler Neely, who's behaving like they're old friends.

Even as Clay tries to reassure himself, creepy glances turn to sinister stares and strange coincidences build to gruesome rituals—but when he can never prove that any of it happened, Clay worries he might be following his dad down the path to insanity...or that something far more terrifying lies in wait around the corner.

To Catch a Killer

Sheryl Scarborough

In this contemporary mystery by debut author Sheryl Scarborough, a teenage girl uses forensic science to solve the cold-case murder of her mother

Erin Blake has one of *those* names. A name that, like Natalee Holloway or Elizabeth Smart, is inextricably linked to a grisly crime. As a toddler, Erin survived for three days alongside the corpse of her murdered mother, and the case—which remains unsolved—fascinated a nation. Her father's identity unknown, Erin was taken in by her mother's best friend and has become a relatively normal teen in spite of the looming questions about her past.

Fourteen years later, Erin is once again at the center of a brutal homicide when she finds the body of her biology teacher. When questioned by the police, Erin tells almost the whole truth, but never voices her suspicions that her mother's killer has struck again in order to protect the casework she's secretly doing on her own.

Inspired by her uncle, an FBI agent, Erin has ramped up her forensic hobby into a full-blown cold-case investigation. This new murder makes her certain she's close to the truth, but when all the evidence starts to point the authorities straight to Erin, she turns to her longtime crush (and fellow suspect) Journey Michaels to help her crack the case before it's too late.

SHERYL SCARBOROUGH worked as a story writer and series developer in children's television before receiving her MFA in Writing for Children & Young Adults from Vermont College, where she studied under Rita Williams-Garcia, Tom Birdseye, and Susan Fletcher, among others. She currently lives and works in Kalama, Washington. *To Catch a Killer* is her debut.

Ungodly

A Novel

Kendare Blake

As ancient immortals are left reeling, a modern Athena and Hermes search the world for answers in the final Goddess War novel by the acclaimed author of *Anna Dressed in Blood*

For the Goddess of Wisdom, what Athena didn't know could fill a book. That's what her opponents said.

So she was wrong about some things. So her carefully planned assault on Olympus left her team beaten and scattered and possibly dead. So they have to fight the Fates themselves, who, it turns out, are the source of the gods' illness. And yes, Athena is stuck in the underworld, holding the body of the only hero she has ever loved.

But all is not lost. Hermes is still topside, trying to power up Andie and Henry before he runs out of time and submits to his death, or the Fates arrive to speed it along.

And Cassandra is up there somewhere too, on a quest for death...with the god of death himself.

Just because things haven't gone exactly according to plan, it doesn't mean they've lost. They've only *mostly* lost. And there's a big difference.

With only one year left of high school, seventeen-year-old Cliff Sparks is desperate to find a girlfriend and "come of age." But he's never had much luck with girls. When he falls for Jillian, a new classmate, at first sight, all he can do is worship her from afar. At the same time, Cliff has to figure out what to do with the rest of his life, since he's pretty sure his unemployed father plans to kick him out of the house the minute he turns eighteen. Time is running out. Cliff is at the edge, on the verge, dangling—and holding on for dear life.

Nightstruck

A Novel

Jenna Black

The new spooky yet romantic, dark paranormal horror series from *Glimmerglass* author Jenna Black

It starts with a cry in the night.

Becket, walking her dog one winter evening, fears it's an abandoned baby left out in the cold. But it is something else—something *evil*—and it tricks Becket into opening a doorway to another realm, letting a darkness into our world, a corruption that begins transforming Philadelphia into a sinister and menacing version of itself...but only at night.

The changes are subtle at first, causing Becket to doubt her senses and her sanity. But soon the nightmarish truth is impossible to deny: By day, the city is just a city, but at night it literally comes alive with malevolent purpose. Brick and steel become bone, streetlights turn into gallows, and hungry alleys wait to snare mortal victims. Terrified citizens huddle indoors after dusk, even as others succumb to the siren song of the night, letting their darker sides run wild.

Once, Becket's biggest problems were living up to her police commissioner father's high expectations and enduring a secret crush on her best friend's boyfriend. Now she must find a way to survive and protect her loved ones...before the darkness takes her as well.

JENNA BLACK received her Bachelor of Arts in physical anthropology and French from Duke University. She is the author of the Faeriewalker series for teens as well as the Morgan Kingsley urban fantasy series.
