## Gideon the Ninth

Tamsyn Muir

**Tamsyn Muir's necromantic science fantasy debut *Gideon the Ninth* is the most fun you'll ever have with a skeleton**

**"Unlike anything I've ever read." —V.E. Schwab**

**"Lesbian necromancers explore a haunted gothic palace in space!"  
—Charles Stross**

The Emperor needs necromancers.

The Ninth Necromancer needs a swordswoman.

Gideon has a sword, some dirty magazines, and no more time for undead bullshit.

Tamsyn Muir's *Gideon the Ninth* unveils a solar system of swordplay, cut-throat politics, and lesbian necromancers. Her characters leap off the page, as skillfully animated as arcane revenants. The result is a heart-pounding epic science fantasy.

Brought up by unfriendly, ossifying nuns, ancient retainers, and countless skeletons, Gideon is ready to abandon a life of servitude and an afterlife as a reanimated corpse. She packs up her sword, her shoes, and her dirty magazines, and prepares to launch her daring escape. But her childhood nemesis won't set her free without a service. The emperor has called his necromancers to action, and Harrowhark is set on Gideon attending her as bodyguard. If Gideon survives, she'll be a hero, and a free woman. If not, she can look forward to eternity as a shambling bone-servant.

**PRAISE**

**"Unlike anything I've ever read. Muir's writing is as sharp as a broken tooth, and just as unsettling. This book is visceral, vivid, and downright violent. In short, absolutely marvelous." —V.E. Schwab**

**"This crackling, inventive and riotous book from an original voice is a genuine pleasure. Also the author is clearly insane." —Warren Ellis**

**"Lesbian necromancers explore a haunted gothic palace in space! Decadent nobles vie to serve the deathless emperor! Skeletons!" —Charles Stross**

**"Punchy, crunchy, gooey and gore-smeared, *Gideon the Ninth* is a pulpy science-fantasy romp that will delight and horrify you to the bitter end." —Kameron Hurley**

**"Necrom..."**

MYKE COLE is a devoted comic fan and voracious fantasy reader who never misses his weekly game night. His fandoms range from *Star Wars* to military history. He's a former kendo champion and heavy weapons fighter in the Society for Creative Anachronism. At the D&D table, he *always* plays paladins. After a career hunting people in the military, police, and intelligence services, Cole put these skills to good use on CBS's hit show *Hunted*. Author of the Shadow Ops series and the Sacred Throne Trilogy,...

## The Monster of Elendhaven

Jennifer Giesbrecht

**Jennifer Giesbrecht horrifies and delights with *The Monster of Elendhaven*, a dark fantasia of revenge in a wholly original world**

**“Jennifer Giesbrecht's *The Monster of Elendhaven* is a black tide of perversity, violence, and lush writing. I loved it.” —Joe Hill**

*The Monster of Elendhaven* is a dark fantasy, a twisted tale of revenge set in an original world as oily and real as Jack the Ripper's London. After a thing with no name washes up on the docks, empty, alone, and unable to die, he becomes obsessed with a frail young man who can twist minds with magic. Together, they launch a plan so dark and cruel that readers will find themselves cheering for blood, and for these avengers to consummate their horrible passion for each other. But the pair are being hunted by officials from the south, intent on saving the world from the horrors mages can unleash.

This debut novella appeals to readers who love dark, compelling works, readers who relish in bad people working to bad ends. It captures the thrumming energy of Schwab's *Vicious* and McGuire's *Down Among the Sticks and Bones*. Readers will become addicts after one bite of Jennifer Giesbrecht's scintillating debut.

### PRAISE

**“Jennifer Giesbrecht's *The Monster of Elendhaven* is a black tide of perversity, violence, and lush writing. I loved it.” —Joe Hill**

**“Pitch dark, whimsical, topical, wild, and lushly written, Jennifer Giesbrecht's *The Monster of Elendhaven* is the most reading fun you'll have this year.” —Paul Tremblay**

**“Jennifer Giesbrecht's *The Monster of Elendhaven* is a gothic delight, dark as an oil-slick and iridescent with feral humour, bruise-violet prose, and a fascinatingly depraved tragic romance.” —Indrapramit Das**

JENNIFER GIESBRECHT is a native of Halifax, Nova Scotia where she earned an undergraduate degree in history, spent her formative years a professional street performer, and developed a deep and reverent respect for the ocean. She currently works as a game writer for What Pumpkin Studios. In 2013 she attended the Clarion West Writers Workshop. She lives in a quaint, historic neighbourhood with two best friends and five cats. *The Monster of Elendhaven* is her first book.
