Master of Poisons

Andrea Hairston

Award-winning author Andrea Hairston weaves together African folktales and postcolonial literature into unforgettable fantasy

The world is changing. Poison desert eats good farmland. Once-sweet water turns foul. The wind blows sand and sadness across the Empire. To get caught in a storm is death. To live and do nothing is death. There is magic in the world, but good conjure is hard to find.

Djola, righthand man and spymaster of the lord of the Arkhysian Empire, is desperately trying to save his adopted homeland, even in exile.

Awa, a young woman training to be a powerful griot, tests the limits of her knowledge and comes into her own in a world of sorcery, floating cities, kindly beasts, and uncertain men.

Awash in the rhythms of folklore and storytelling and rich with Hairston's characteristic lush prose, *Master of Poisons* is epic fantasy that will bleed your mind with its turns of phrase and leave you aching for the world it burns into being.

Over the Woodward Wall

A. Deborah Baker

For readers of Cat Valente's Fairyland books and Kelly Barnhill, adventure and danger lurk *Over the Woodward Wall* in this new book by Seanan McGuire's latest open pseudonym, A. Deborah Baker.

Writing as A. Deborah Baker, *New York Times* bestselling and award-winning author Seanan McGuire introduces readers to a world of talking trees and sarcastic owls, of dangerous mermaids and captivating queens in this exceptional tale for readers who are young at heart in this companion book to McGuire's critically-acclaimed *Middlegame*.

If you trust her you'll never make it home...

Avery is an exceptional child. Everything he does is precise, from the way he washes his face in the morning, to the way he completes his homework – without complaint, without fuss, without prompt.

Zib is also an exceptional child, because all children are, in their own way. But where everything Avery does and is can be measured, nothing Zib does can possibly be predicted, except for the fact that she can always be relied upon to be unpredictable.

They live on the same street.
They live in different worlds.

On an unplanned detour from home to school one morning, Avery and Zib find themselves climbing over a stone wall into the Up and Under – an impossible land filled with mystery, adventure and the strangest creatures.

And they must find themselves and each other if they are to also find their way out and back to their own lives.

Dead Lies Dreaming

Charles Stross

The next installment in the popular, Hugo-winning Laundry Files series, a unique blend of cosmic horror and bureaucratic farce

As magic and superpowers emerge in the unruly masses, the government has begun to employ private sector contractors to capture felons. This is how supernaturally gifted Wendy Deere gets her job bagging and snagging supervillains.

As Wendy hunts down Imp—the cyberpunk head of a band calling themselves “The Lost Boys”—she is dragged into the schemes of louche billionaire Rupert de Montfort Bigge. Rupert has discovered that the sole surviving copy of the long-lost concordance to the one true *Necronomicon* is up for underground auction in London. He hires Imp's sister, Eve, to procure it by any means necessary, and in the process, he encounters Wendy Deere.

In a tale of corruption, assassination, thievery, and magic, Wendy Deere must navigate rotting mansions that lead to distant pasts, evil tycoons, corrupt government officials, lethal curses, and her own moral qualms in order to make it out of this chase alive.

The Factory Witches of Lowell

C. S. Malerich

Witches on strike! *The Factory Witches of Lowell* presents a historical fantasy about labor actions like you've never seen before.

Faced with abominable working conditions, unsympathetic owners, and hard-hearted managers, the mill girls of Lowell have had enough. They're going on strike, and they have a secret weapon on their side: a little witchcraft to ensure that no one leaves the picket line.

For the young women of Lowell, Massachusetts, freedom means fair wages for fair work, decent room and board, and a chance to escape the cotton mills before lint stops up their lungs. When the Boston owners decide to raise the workers' rent, the girls go on strike. Their ringleader is Judith Whittier, a newcomer to Lowell but not to class warfare. Judith has already seen one strike fold and she doesn't intend to see it again. Fortunately Hannah, her best friend in the boardinghouse—and maybe first love?—has a gift for the dying art of witchcraft.

Erin K. Wagner

But with artificial life-forms having only recently been awarded legal rights on Earth, the military complex on Europa is resistant to the implementation of these same rights on the Jovian moon.

Aiya must battle against her own prejudices and that of her new paymasters, to secure a fair trial for her charge, while navigating her own interpersonal drama, before it's too late.

The Fourth Island

Sarah Tolmie

Award-winning author Sarah Tolmie's *The Fourth Island* is a beautiful, mournful historical fantasy

Dark, mournful, and beautiful, *The Fourth Island* is a moving and unforgettable story of life and death on the hidden Irish island of Inis Caillte.

Huddled in the sea off the coast of Ireland is a fourth Aran Island, a secret island peopled by the lost, findable only in moments of despair. Whether drowned at sea, trampled by the counter-reformation, or exiled for clinging to the dead, no outsiders reach the island without giving in to dark emotion.

Time and again, *The Fourth Island* weaves a hypnotic pattern with its prose, presaging doom before walking back through the sweet and sour moments of lives not yet lost. It beautifully melds the certainty of loss with the joys of living, drawing readers under like the tide.
