The Survival of Molly Southbourne

Tade Thompson

Molly Southbourne returns with a vengeance.

Who was Molly Southbourne? What did she leave behind?

A burnt-out basement. A name stained in blood. Bodies that remember murder, one of them left alive. A set of rules that no longer apply.

Molly Southbourne is alive. If she wants to survive, she'll need to run, hide, and be ready to fight. There are people who remember her, who know what she is and what she's done. Some want her alive, some want her dead, and all hold a piece to the puzzles in her head. Can Molly escape them, or will she confront the bloody history that made her?

Nebula Award-winning author Vylar Kaftan weaves a dark tale of loss, regret, love, and revenge in her new novella, *Her Silhouette, Drawn in Water*.

All Bee has ever known is darkness.

She doesn't remember the crime she committed that landed her in the cold, twisting caverns of the prison planet Colel-Cab with only fellow prisoner Chela for company. Chela says that they're telepaths and mass-murderers; that they belong here, too dangerous to ever be free. Bee has no reason to doubt her—until she hears the voice of another telepath, one who has answers, and can open her eyes to an entirely different truth.

The Border Keeper

Kerstin Hall

In *The Border Keeper*, debut author Kerstin Hall spins a lyrical underworld narrative about loss and renewal.

"Beautifully and vividly imagined. Eerie, lovely, and surreal"—Ann Leckie

"She lived where the railway tracks met the saltpan, on the Ahri side of the shadowline. In the old days, when people still talked about her, she was known as the end-of-the-line woman."

Vasethe, a man with a troubled past, comes to seek a favor from a woman who is not what she seems, and must enter the nine hundred and ninety-nine realms of Mkalis, the world of spirits, where gods and demons wage endless war.

The Border Keeper spins wonders both epic—the Byzantine bureaucracy of hundreds of demon realms, impossible oceans, hidden fortresses—and devastatingly personal—a spear flung straight, the profound terror and power of motherhood. What Vasethe discovers in Mkalis threatens to bring his own secrets into light, and throw both worlds into chaos.

PRAISE

"Beautifully and vividly imagined. Eerie, lovely, and surreal"—Ann Leckie

"Lush prose weaves around a dark heart in this twisty debut from Kerstin Hall. A fantastical wonder on every page, but one coated in blood, death and suffering."—JY Yang

"Hall combines a sharp observational descriptive talent with brilliantly realised characters. *The Border Keeper* draws you deeply into every world it explores and keeps you on edge the whole way through. The story is dreamlike in the way of the most powerful dreams—vividly bright and crystal clear."—Emily Tesh

Desdemona and the Deep

C. S. E. Cooney

Award-winning author C.S.E. Cooney indulges in luxurious, dizzying fantasy

In *Desdemona and the Deep*, the spoiled daughter of a rich mining family must retrieve the title of men her father promised to the world below.

On the surface, her world is rife with industrial pollution that ruins the health of poor factory workers while the idle rich indulge themselves in unheard-of luxury. Below are goblins, mysterious kingdoms, and an entirely different hierarchy.

A goblin market narrative that's also a steep drop into an uncanny, richly painted underworld, C.S.E. Cooney combines 1920s luxury with deeply felt questions of identity and justice that strike at the heart of who we are, human or otherwise.

PRAISE

"Dense with poetry, festooned to the eyelids--occasionally to the gills and other body-parts--with fantastic imagery." —Patricia A. McKillip

"C. S. E. Cooney is one of the most moving, daring, and plainly beautiful voices to come out of recent fantasy. She's a powerhouse with a wink in her eye and a song in each pocket." —Catherynne M. Valente

"C. S. E. Cooney's imagination is wild and varied, her stories bawdy, horrific, comic, and moving—frequently all at the same time." —Delia Sherman

C.S.E. Cooney lives and writes in the Borough of Queens, whose borders are water. Silver in the Wood

Emily Tesh

A lush, folkloric romantic fantasy from debut author Emily Tesh

"A true story of the woods, of the fae, and of the heart. Deep and green and wonderful."—Naomi Novik

There is a Wild Man who lives in the deep quiet of Greenhollow, and he listens to the wood. Tobias, tethered to the forest, does not dwell on his past life, but he lives a perfectly unremarkable existence with his cottage, his cat, and his dryads.

When Greenhollow Hall acquires a handsome, intensely curious new owner in Henry Silver, everything changes. Old secrets better left buried are dug up, and Tobias is forced to reckon with his troubled past, both the green magic of the woods, and the dark things that rest in its heart.

PRAISE

"A true story of the woods, of the fae, and of the heart. Deep and green and wonderful."—Naomi Novik

"Alive with old magic, *Silver in the Wood* made my hair stand on end even as it beckoned me to go deeper, and in the end I couldn't resist."—C. L. Polk

"A wildly evocative and enchanting story of old forests, forgotten gods, and new love. Just magnificent."—Jenn Lyons

"It is easy to praise flash and sparkle, but the beauty of the simple and lighter-than-air is more difficult to capture. *Silver in the Wood's* sparkle is that of clear water; its flash the snap of a crackling fire, and Tesh's prose reads like returning to a dream long-forgotten or a s...

EMILY TESH grew up in London and studied Classics at Trinity College, Cambridge, followed by a Master's degree in Humanities at the University of Chicago. She now lives in Hertfordshire, where she passes her time teaching Latin and Ancient Greek to schoolchildren who have done nothing to deserve it. She has a husband and a cat. Middlegame

Seanan McGuire

New York Times bestselling and award-winning author Seanan McGuire introduces readers to a world of amoral alchemy, shadowy organizations, and impossible cities in this standalone fantasy

Master fantasist Seanan McGuire introduces readers to an America run in the shadows by the Alchemical Congress, a powerful society focused on transmuting reality itself.

Meet Roger. Skilled with words, languages come easily to him. He instinctively understands how the world works through the power of story.

Meet Dodger, his twin. Numbers are her world, her obsession, her everything. All she understands, she does so through the power of math.

Roger and Dodger aren't exactly human, though they don't realise it. They aren't exactly gods, either. Not entirely. Not yet.

Meet Reed, skilled in the alchemical arts like his progenitor before him. Reed created Dodger and her brother. He's not their father. Not quite. But he has a plan: to raise the twins to the highest power, to ascend with them and claim their authority as his own.

Godhood is attainable. Pray it isn't attained.

PRAISE

"Seanan McGuire has long been one of the smartest writers around."—Charlaine Harris

"*Every Heart a Doorway* by Seanan McGuire is one of the most extraordinary stories I've ever read." — V. E. Schwab, *New York Times* bestselling author of *A Gathering of Shadows*

"With *Every Heart a Doorway*, McGuire has created her own mini-masterpiece of portal fantasy — a jewel of a book that deserves to be shelved with Lewis Carroll's and C. S. Lewis' classics, even as it carves its own precocious space between them." — NPR

"Astonishing ... a fascinating exploration of the future."—The *New York Times* on the *Newsflesh* series

SEANAN MCGUIRE is the author of the Hugo, Nebula, Alex and Locus Award-winning *Wayward Children* series, the *October Daye* series, the *InCryptid* series, and other works. Ruthanna Emrys

Ruthanna Emrys' second innovative Innsmouth Legacy Lovecraftian historical fantasy novel, the sequel to *Winter Tide*, boldly and compassionately confronts the Cthulhu Mythos

Ruthanna Emrys' Innsmouth Legacy, which began with *Winter Tide* and continues with *Deep Roots*, confronts H. P. Lovecraft's Cthulhu mythos head-on, boldly upturning his fear of the unknown with a heartwarming story of found family, acceptance, and perseverance in the face of human cruelty and the cosmic apathy of the universe. Emrys brings together a family of outsiders, bridging the gaps between the many people marginalized by the homogenizing pressure of 1940s America.

Aphra Marsh, descendant of the People of the Water, has survived Deep One internment camps and made a grudging peace with the government that destroyed her home and exterminated her people on land. *Deep Roots* continues Aphra's journey to rebuild her life and family on land, as she tracks down long-lost relatives. She must repopulate Innsmouth or risk seeing it torn down by greedy developers, but as she searches she discovers that people have been going missing. She will have to unravel the mystery, or risk seeing her way of life slip away.

The Gurkha and the Lord of Tuesday

Saad Z. Hossain

A team-up for the ages: a disillusioned djinn and a Gurkha with a vendetta meet in a city where everyone seems to get exactly what they deserve thanks to an AI named Karma

When the djinn king Melek Ahmar wakes up after millennia of imprisoned slumber, he finds a world vastly different from what he remembers. Arrogant and bombastic, he comes down the mountain expecting an easy conquest: the wealthy, spectacular city state of Kathmandu, ruled by the all-knowing, all-seeing tyrant AI Karma. To his surprise, he finds that Kathmandu is a cut-price paradise, where citizens want for nothing and even the dregs of society are distinctly unwilling to revolt.

Everyone seems happy, except for the old Gurkha soldier Bhan Gurung. Knife saint, recidivist, and mass murderer, he is an exile from Kathmandu, pursuing a forty-year-old vendetta that leads to the very heart of Karma. Pushed and prodded by Gurung, Melek Ahmer finds himself in ever deeper conflicts, until they finally face off against Karma and her forces. In the upheaval that follows, old crimes will come to light and the city itself will be forced to change.

PRAISE

"Saad Z. Hossain continues to blow through the flimsy walls of genre like a whirlwind with *The Gurkha and the Lord of Tuesday*, sweeping science-fiction, fantasy, myth, and satire into the wildly imaginative vortex of his ever-expanding fictional universe of alternate djinn-history and futures. Hossain's wit and wry compassion create a vision of humanity's hurtling path through time and space as both farcical and epic, leaving a blazing trail of casualties and wonders." —Indra Das

Saad Z Hossain is the author of two novels, *Escape from Baghdad!* and *Djinn City*. He lives in Dhaka, Bangladesh.
