Terry Goodkind

Death's Mistress

A new series from #1 NYT bestselling author Terry Goodkind set in the world of The Sword of Truth

Once she was “Death’s Mistress,” the “Slave Queen,” lieutenant of the evil Emperor Jagang. She captured Richard Rahl in order to convince him that Jagang’s Imperial Order stood for the greater good. But it was Richard who converted Nicci instead, and for years thereafter she served Richard and Kahlan as one of their closest friends—and one of their most lethal defenders.

Now, with the reign of Richard and Kahlan finally stabilized, Nicci has set out upon new adventures. One of her jobs will be to keep her travelling companion, the unworldly prophet Nathan, out of trouble. But her real task will be to scout the far reaches of Richard Rahl’s realm. This will take her and Nathan to visit the mysterious witch-woman Red, to tangle with the street life of the port city of Tanimura, to fight lethal battles on the high seas, and ultimately to a vast magical confrontation far from home...with the future of life itself, in the Old World and the New, at stake.

This will launch an entirely new series and cast of characters centered on one of best-loved characters in the now-concluded Sword of Truth.
