Patrick Taylor

An Irish Country Wedding

The beloved *New York Times* and *Globe and Mail* bestselling novel now in mass market

Love is in the air in the colorful Ulster village of Ballybucklebo, where Dr. Fingal Flahertie O'Reilly has finally proposed to the darling of his youth, Kitty O'Hallorhan. There's a wedding to be planned, but before O'Reilly can make it to the altar, he and his young colleague, Barry Laverty, M.B., must deal with the usual round of eccentric patients—and crises both large and small.

Being a G.P. in a place like Ballybucklebo often can mean more than simply splinting broken bones and tending to aches and pains. It can also mean helping a struggling young couple acquire their first home, clearing the name of a cat accused of preying on a neighbor's prize pigeons, and encouraging a bright working-class girl who dreams of someday becoming a doctor herself. And, if you're Barry Laverty, still smarting from a painful breakup, there might even be a chance for a new romance with a lovely schoolteacher, if her passionate political convictions don't get in the way.

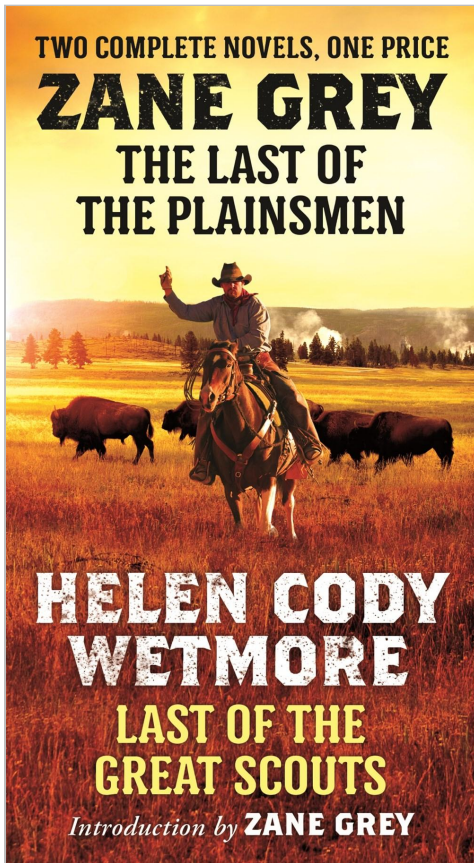

Much has changed in Ballybucklebo, and bigger changes are in store, but the lives and practices of these Irish country doctors remain as captivating and irresistible as ever.

KEY SELLING POINTS:

- Seventh book in Patrick Taylor's popular Irish Country Series. Can be read as a stand-alone
- Dr. Fingal Flahertie O'Reilly has finally proposed to Kitty O'Hallorhan and there's a wedding to be planned, but before O'Reilly can make it to the altar, he must deal with a round of eccentric patients--and crises both large and small
- An Irish Country Wedding bestseller info: HC: *NYT* #14, *USA Today* #64

"A spirited and compassionate story filled with pastoral Irish imagery, cheerful village life, and heartwarming romance." —*Booklist on An Irish Country Wedding*

"Taylor is a bang-up storyteller who captivates and entertains from the first word." —*Publishers Weekly on An Irish Country Girl*

AUTHOR HOME: ZANE GREY -

DECEASED

Zane Grey, Helen Cody Wetmore

The Last of the Plainsmen and Last of the Great Scouts

From the legendary writer of the west: two complete novels in one low-priced edition

The Last of the Plainsmen

The unsettled west is fast-disappearing, along with the wild creatures who call it home. This historical novel chronicles the last mission of the last of the plainsmen, the adventure that brought the west to vivid life for Zane Grey: track buffalo, mustang, and cougar, and bring them back, not as trophies, but alive and kicking!

Last of the Great Scouts

The life story of Colonel William F. Cody, "Buffalo Bill," as told by his sister, Helen, and Zane Grey. This biographical novel begins with Bill's boyhood in Iowa and his first encounter with an Indian. We see him as a pony express rider, then near Fort Sumter as Chief of the Scouts, and later engaged in the most dangerous Indian campaigns. There is also an account of the travels of Cody's famous Wild West Show. Few other characters in public life make a stronger appeal to the imagination of America than Buffalo Bill, whose daring and bravery made him famous.

KEY SELLING POINTS:

*This edition features two novels by Zane Grey for the price of one

*Zane Grey was the bestselling author of over sixty-five western novels. His works have been translated into twenty-three languages and have been made into more than one hundred movies

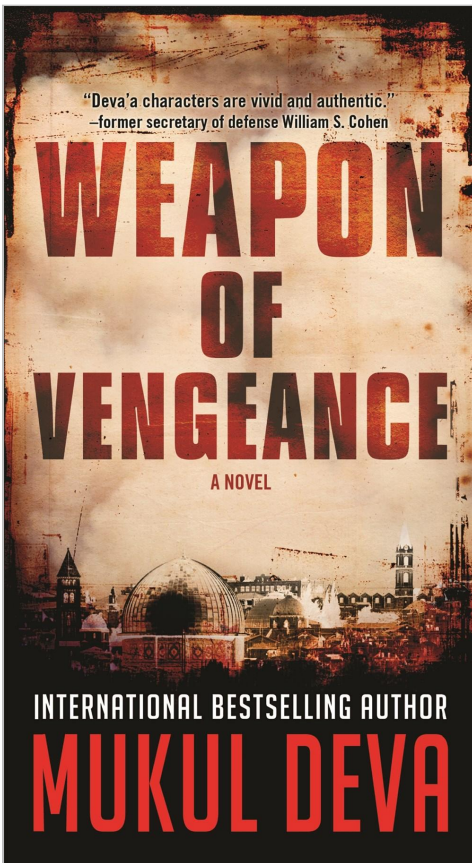

*Grey was one of the most recognized and respected writers of western fiction

*From 1910 to 1925, his books appeared regularly on bestseller lists. Even today, in both hardcover and paperback, his fiction remains extremely popular

*In terms of popularity, Louis L'Amour is the only western author to rival Zane Grey

"No man has employed the Western story formula with better results."

LEAD FICTION

Mukul Deva

Weapon of Vengeance

A gripping thriller combining family saga with international politics and terrorism

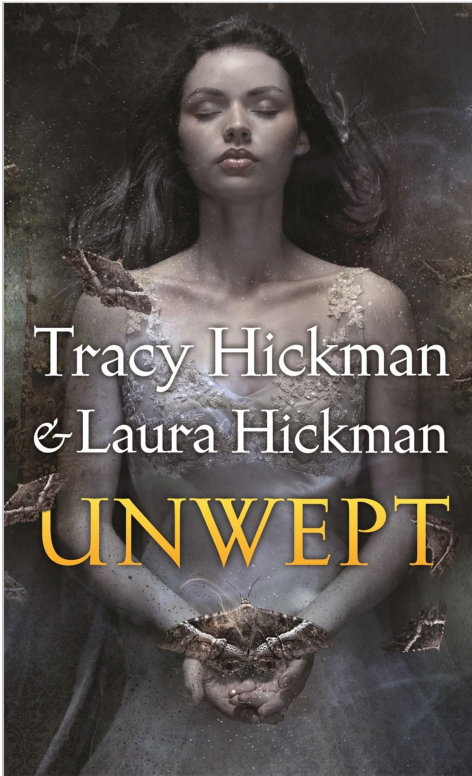

Ruby Gill is a rogue MI6 agent, the child of an Indian father and a Palestinian mother. Her mission is to destroy a Palestinian-Israeli peace summit in New Delhi. Ruby's father, whom she has not seen since early childhood, is now head of India's antiterrorist police. When the two first meet, Ravinder Gill believes his long-lost daughter has come for a reunion ... but as time goes by, he begins to suspect that she is the terrorist he's searching for.

KEY SELLING POINTS:

- *Weapon of Vengeance* combines international politics and terrorism with familial tensions, grounding all of the heart-pounding action in a very human story
- *Weapon of Vengeance* has received glowing reviews from numerous *New York Times* bestselling authors
- Mukul Deva is an international bestselling author, with large readerships in the United States and India
- Deva is a recognized expert on terrorism and was involved in active combat and counter-terrorism operations for many years, and he incorporates this knowledge into his writing
- *Weapon of Vengeance* is the first book in a trilogy, with the second book, *Assassins*, scheduled for publication in July 2015

"Deva has extensive knowledge of the Indian army as well as counterterrorism operations in India, and his expertise elevates this one above other thrillers in the same genre. The action is terrific, but it's the emotional hook that makes the novel a winner." —*Booklist*

"A gripping terrorism thriller by an anti-terrorism professional." —Stephen Coonts, *New York Times* bestselling author of *Pirate Alley*

LEAD FANTASY

Tracy Hickman, Laura Hickman

Unwept

The beginning of a spellbinding new trilogy by the bestselling co-creators of *Dragonlance* and *Ravenloft*, now in mass market

Gamin, Maine, is a remote seaside town where everyone seems to know Ellis Harkington better than she knows herself—but she doesn't remember any of them.

Unknown events have robbed Ellis of her memory. Concerned individuals, who claim to be friends and loved ones, insist that she simply needs to recuperate, and that her memories may return in time. But, for her own sake—so they claim—they refuse to divulge what has brought her to this state.

Ellis finds herself adrift in a town of ominous mysteries, cryptic hints, and disturbingly familiar strangers. The Nightbirds, a clique of fashionable young men and women, claim her as one of their own, but who can she truly trust? And what of the phantom suitor who visits her in her dreams? Is he a memory, a figment of her imagination, or a living nightmare beyond rational explanation?

Only her lost past holds the answers she seeks—if she can uncover its secrets before she falls prey to an unearthly killer.

KEY SELLING POINTS:

- Tracy Hickman is a *New York Times* bestselling fantasy author
- Tracy Hickman is the co-author (with Margaret Weis) of the phenomenally bestselling *Dragonlance Chronicles*
- Tracy Hickman has written over fifty novels
- Tracy and Laura Hickman are a husband-and-wife writing team

"Tracy and Laura Hickman create a world so complex and dynamic that the reader will be surprised in every chapter. Readers will anxiously await the next installment in this unique, thrilling new series." —RT Book Reviews on *Unwept*

"A gothic, unsettling, and eerie beginning to the new trilogy from the Hickmans."—Library Journal on *Unwept*

Gillian Philip

Wolfsbane

"A force to be reckoned with ... a stirring tale of loyalty and love."

—Publishers Weekly on Firebrand

It's tough being the foretold savior of your race. Rory MacGregor, kept a virtual prisoner in his own father's dun and hunted by the Sithe queen, needs a break now and then—and what better fun than tearing the Veil no one else can tear and escaping to the Otherworld?

In that dangerous Otherworld, Hannah Falconer is as trapped by circumstance as the strange wild Sithe boy whose horse nearly kills her. When Rory tricks her into crossing the Veil and entering his world, she's sure it can't be any worse than her usual home life.

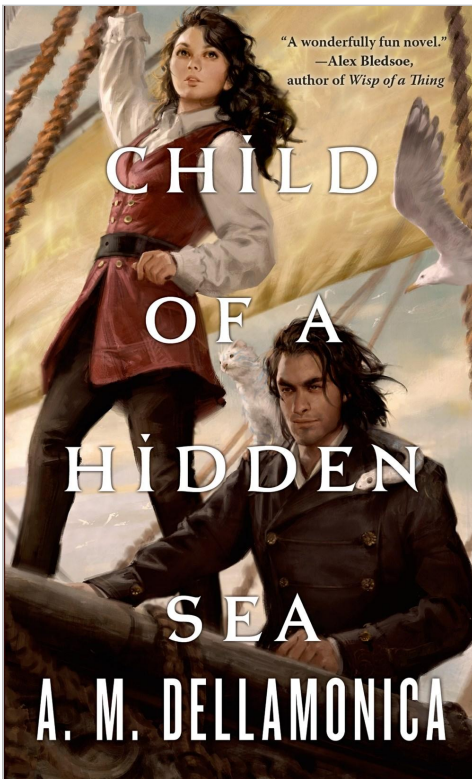

Meanwhile, Seth MacGregor is fighting to keep his clan safe from the malevolent queen Kate. When an attack comes after years of stalemate, he is shocked to discover who is leading it ... and who else is conspiring against him.

This third novel in Gillian Philip's Rebel Angels series is enthralling and suspenseful, with a range of characters appealing to every age.

KEY SELLING POINTS:

- *Wolfsbane* is the third novel in this series. It was published in the UK by Strident Publishing to great reviews
- The first novel in the series, *Firebrand*, reached no.16 on Amazon UKs Fantasy chart, with only Stephanie Meyer, Terry Pratchett, Stephen Donaldson, Robert Jordan, George Orwell, Charlaine Harris, and J. K. Rowling titles ahead of it
- Gillian Philip is the Carnegie Medal-nominated author of *Crossing the Line* and multi-award nominated *Bad Faith*, and *Firebrand* has received rave reviews in the UK
- She also writes the *New York Times* bestselling middle grade series *Survivors* as Erin Hunter
- We have one more book in the series under contract

"[Rory and Hannah] bring a spunky energy back to the series, even as deliciously evil Kate plans for more destruction than ever. Seth remains an anchor character; it is so rare to see a character grow (and grow up) so satisfyingly throughout a series, and the trend shows no signs of stopping with the new generation."—RT Book Reviews

A. M. Dellamonica

Child of a Hidden Sea

A rousing tale of adventure and adversity, politics and personal trials, in the fascinating world of Stormwrack Archipelago

One minute, twenty-four-year-old Sophie Hansa is in a San Francisco alley trying to save the life of the aunt she has never known. The next, she finds herself flung into the warm and salty waters of an unfamiliar world. Sophie doesn't know it yet, but she has just stepped into the middle of a political firestorm, and a conspiracy that could destroy a world she has just discovered, where everyone seems to know who she is, and where she is forbidden to stay.

With the help of a sister she has never known, and a ship captain who would rather she had never arrived, she must navigate the shoals of the highly charged politics of Stormwrack, and win the right to decide for herself whether she stays in this wondrous world ... or is doomed to exile.

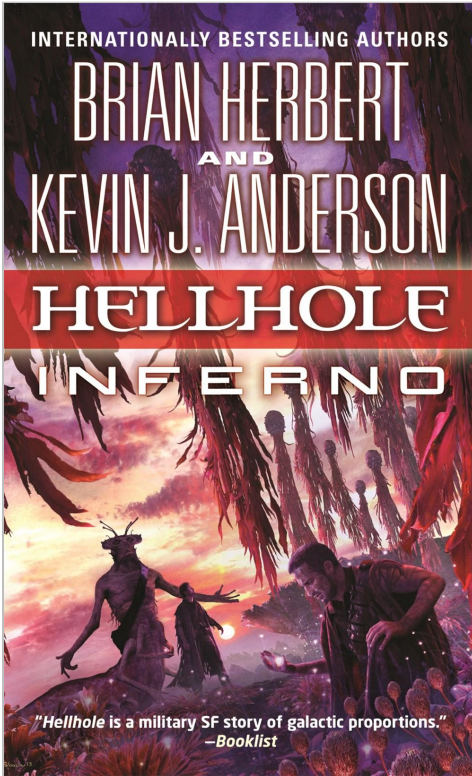

KEY SELLING POINTS:

- A fresh, new epic fantasy series with hugely entertaining, exciting plot action, and political intrigue
- Stormwrack (post-global-warming Earth) is richly detailed, fascinating, and a unique setting
- A very clever system of "inscribing" magic: people or objects—if named can be "scripped" by one who knows the person's name
- A.M. Dellamonica is a Canadian science fiction and fantasy author who has published over thirty short stories
- Sensitive treatment of people with a range of sexual orientations

"Something refreshing in the way of fantasy ... The action is exciting ... the protagonist is quirky and individual and someone you'd like to meet. I look forward eagerly to the next in the series!" —S. M. Stirling, author of *The Domination of Draka* on *Child of a Hidden Sea*

"You'll love the world almost as much as the characters." —J. A. Pitts, author of *Forged in Fire* on *Child of a Hidden Sea*

"A fascinating, multilayered tale of people caught up with forces beyond their control. Not only is it a cracking good tale, it's an insightful look into the consequen..."

Hellhole Inferno

The thrilling conclusion to the Hellhole trilogy

General Adolphus rallies his fellow rebels from across the vast Deep Zone to fight for their independence. The Xayans add their "telemancy" defenses to the General's conventional military resources, until they reveal an enemy far more terrifying than the Army of the Constellation: a faction of rogue Xayans bent on the extermination of their race . . . and the destruction of any planet that happens to be in the way.

As a barrage of deadly asteroids hurtles toward Hellhole, and the Constellation's gigantic space fleet arrives for a final engagement against General Adolphus, the settlers are caught between a human enemy that wants to raze their colony and more powerful aliens who can destroy not only human civilization, as well as the foundations of the universe itself.

KEY SELLING POINTS:

- The third book of an all-new and all-original world created by *New York Times* bestselling authors
- Herbert and Anderson's *Dune* novels have consistently hit the *USA Today* and the *New York Times* bestseller lists
- Inspired by their studies of the French and American Revolutions and based on the timeless themes of politics, religion, ecology and liberty

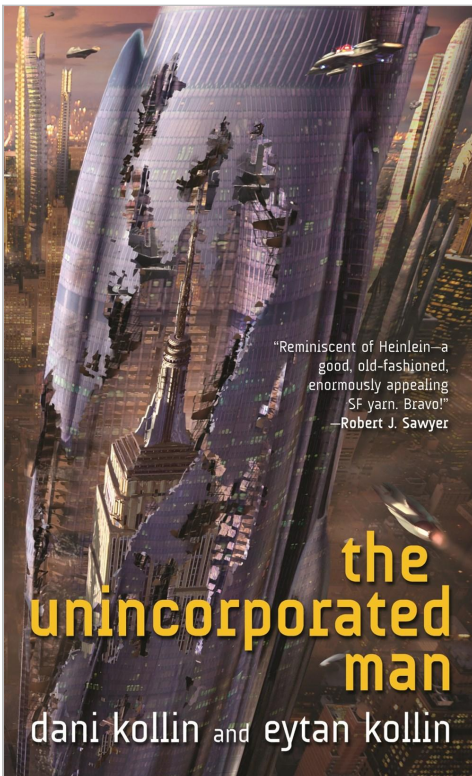

"Hellhole is a militaristic SF story of galactic proportions ... Adolphus is a Robin Hood for the galaxy to unite behind. The characters are easy for the reader to believe in, brought to life through not only their own emotions but also the responses and thoughts of the individuals around them." —Booklist, starred review

"Fans of David Weber's Honor Harrington series and the Star Wars® novels should enjoy a new entry into this popular category." —Library Journal on Hellhole

"If you like science fiction on an epic scale, you have to read Hellhole!"—Book Thing

The Unincorporated Man

Social transformation in the tradition of Ayn Rand's *The Fountainhead* and Robert A. Heinlein's *Stranger in a Strange Land*

The incredible has happened. A billionaire businessman from our time, frozen in secret in the early 21st century, is discovered in the far future and resurrected, given health and a vigorous younger body. He awakens into a civilization in which every individual is formed into a legal corporation at birth, and spends many years trying to attain control over their own life by getting a majority of his or her own shares. Life extension has made life very long indeed.

Justin Cord is the only unincorporated man in the world, a true stranger in this strange land. Justin survived because he is tough and smart. He cannot accept only part ownership of himself, even if that places him in conflict with a civilization that extends outside the solar system to the Oort Cloud.

The Unincorporated Man is a provocative social/political/economic novel that people will be arguing about for decades.

KEY SELLING POINTS:

- A speculative novel of one man from our era who survives to live again in the future world where he is the only unincorporated man, and a symbol of revolutionary ideas. A new cult novel for individualists
- An unusual novel in the economic-political speculative vein that is the tradition of Ayn Rand's *Atlas Shrugged* and Robert A. Heinlein's *The Moon is a Harsh Mistress*
- Fast-paced, gripping storytelling makes for an easy crossover into the general readership market
- Strong female characters and elements of romance will appeal to romance genre readers
- The authors have a website at www.theunincorporatedman.com

Praise for *The Unincorporated Man*:

"Will appeal to Heinlein's legions of fans with its themes of personal liberty and one man's political struggle with the State *The Unincorporated Man* will tantalize you in with its intriguing premise."
