The Girl the Sea Gave Back

Adrienne Young

The new gut-wrenching epic from the *New York Times* bestselling author of *Sky in the Deep*.

For as long as she can remember, Tova has lived among the Svell, the people who found her washed ashore as a child and use her for her gift as a Truthtongue. Her own home and clan are long-faded memories, but the sacred symbols and staves inked over every inch of her skin mark her as one who can cast the rune stones and see into the future. She has found a fragile place among those who fear her, but when two clans to the east bury their age-old blood feud and join together as one, her world is dangerously close to collapse.

For the first time in generations, the leaders of the Svell are divided. Should they maintain peace or go to war with the allied clans to protect their newfound power? And when their chieftain looks to Tova to cast the stones, she sets into motion a series of events that will not only change the landscape of the mainland forever but will give her something she believed she could never have again—a home.

PRAISE

Praise for *Sky in the Deep*

"A rousing saga and moving coming-of-age tale, perfect for those who appreciate the wild and the wildlings, strong female protagonists, and cinematic battles." - *Kirkus*, Starred Review

"[D]ebut author Young crafts an exciting, at times heart-wrenching story..." - *Publishers Weekly*

"With its gorgeous prose and epic battle scenes, fantasy lovers will be easily satisfied." - *Booklist*

"A fast-paced, action-filled fantasy for all YA collections." - *School Library Journal*

Adrienne Young is a born and bred Texan turned California girl. She is a foodie with a deep love of history and travel and a shameless addiction to coffee. When she's not writing, you can find her on her yoga mat, scouring antique fairs for old books, sipping wine over long dinners, or disappearing into her favorite art museums. She lives with her documentary filmmaker husband and their four little wildlings beneath the West Coast sun. She is the author of *Sky in the Deep*.

The Grace Year

Kim Liggett

A speculative YA thriller in the vein of *The Handmaid's Tale* and *The Power*.

No one speaks of the grace year. It's forbidden.

Girls are told they have the power to lure grown men from their beds, drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive.

Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for their chance to grab one of the girls in order to make their fortune on the black market. Their greatest threat may very well be each other.

With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between.

PRAISE

"A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett's deeply suspenseful book... [is] a heart-in-your-throat, action-driven story that's equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn't stop reading." —Libba Bray, *New York Times* bestselling author on *The Grace Year*

"Brutally smart, devastatingly lyrical, and so capital i-Important, I want everyone to read this book!" — Jasmine Warga, internationally best-selling author of *My Heart and Other Black Holes* and *Other Words For Home*

"A dark fairy tale of a book that speaks to the time that we live in." -- Kelly Lin...

Kim Liggett, originally from the rural midwest, moved to New York City to pursue a career in the arts. She's the author of *Blood and Salt*, *Heart of Ash*, *The Last Harvest* (Bram Stoker Award Winner), *The Unfortunates*, and *The Grace Year*. Kim spends her free time studying tarot and scouring Manhattan for rare vials of perfume and the perfect egg white cocktail.

Six Goodbyes We Never Said

Candace Ganger

Two teens meet after tragedy and learn about love, loss, and letting go

Naima Rodriguez doesn't want your patronizing sympathy as she grieves her father, her hero—a fallen Marine. She'll hate you forever if you ask her to open up and remember him "as he was," though that's all her loving family wants her to do in order to manage her complex OCD and GAD. She'd rather everyone back the-eff off while she separates her Lucky Charms marshmallows into six, always six, Ziploc bags, while she avoids friends and people and living the life her father so desperately wanted for her. Dew respectfully requests a little more time to process the sudden loss of his parents. It's causing an avalanche of secret anxieties, so he counts on his trusty voice recorder to convey the things he can't otherwise say aloud. He could really use a friend to navigate a life swimming with pain and loss and all the lovely moments in between. And then he meets Naima and everything's changed—just not in the way he, or she, expects. Candace Ganger's *Six Goodbyes We Never Said* is no love story. If you ask Naima, it's not even a like story. But it is a story about love and fear and how sometimes you need a little help to be brave enough to say goodbye.

PRAISE

"[A] knowing tour de force filled with crackling wit, pain, and mini, freeze-dried marshmallows." —Gae Polisner, award-winning author of *The Memory of Things* and *In Sight of Stars*

"A no-filter story of living with loss, guilt, and mental illness. Naima and Dew are a mess of imperfections, and you'll want nothing more than for them to figure out how to be okay(ish) again." —Rebecca Barrow, author of *This is What It Feels Like*

"[A] moving testament to the power of human connection and forgiveness." - Robin Reul, author of *My Kind of Crazy*

CANDACE GANGER is a contributing writer for HelloGiggles and obsessive marathoner. Aside from having past lives as a singer, nanotechnology website editor, and world's worst vacuum sales rep, she's also ghostwritten hundreds of projects for companies, best-selling fiction and award-winning nonfiction authors alike. She lives in Ohio with her family.

Wayward Son

A novel

Rainbow Rowell

The eagerly anticipated sequel to *Carry On* by #1 New York Times bestselling author Rainbow Rowell.

The story is supposed to be over.

Simon Snow did everything he was supposed to do. He beat the villain. He won the war. He even fell in love. Now comes the good part, right? Now comes the happily ever after...

So why can't Simon Snow get off the couch?

What he needs, according to his best friend, is a change of scenery. He just needs to see himself in a new light...

That's how Simon and Penny and Baz end up in a vintage convertible, tearing across the American West. They find trouble, of course. (Dragons, vampires, skunk-headed things with shotguns.) And they get lost. They get so lost, they start to wonder whether they ever knew where they were headed in the first place...

With *Wayward Son*, Rainbow Rowell has written a book for everyone who ever wondered what happened to the Chosen One after he saved the day. And a book for everyone who was ever more curious about the second kiss than the first. It's another helping of sour cherry scones with an absolutely decadent amount of butter.

Come on, Simon Snow. Your hero's journey might be over – but your life has just begun.

PRaise

Praise for Rainbow Rowell

"Rowell imbues her magic with awe and spectacle. It's a powerful, politically minded allegory about sexual, ethnic and class identity - with a heady shot of teenage lust." —*New York Times Book Review on Carry On*

"It's a brilliantly addictive, genuinely romantic story about teenagers who can't be neatly sorted into houses, coping with stress and loss and the confusion of just trying to be who they are. It's as if Rowell turned the Harry Potter books inside out, and is showing us the marvelous, subversive stuffing inside." —*Time Magazine on Carry On*

"The funny, wised-up dialogue, the tumultuous, sweet, and sexy love story..."

Wind Rider

Tales of a New World

P. C. Cast

#1 New York Times bestselling author P.C. Cast, brings us a new epic fantasy set in a world where humans, their animal allies, and the earth itself has been drastically changed.

Mari, Nik, and their newly formed Pack are being hunted. Thaddeus and the God of Death will stop at nothing until they are obliterated from the earth. But Mari and Nik have one goal: to reach the plains of the Wind Riders, in order to band together to stop Thaddeus from destroying all that Mari and Nik hold dear.

But will the mysterious Wind Riders accept the Pack, or will Mari and Nik and their people be rejected by the mighty Riders and be forced to flee for their lives? And what happens when a rogue Lead Stallion gets too close to the Pack, rejecting all Wind Riders and turning to a stranger for companionship instead?

In the next installment of the Tales of a New World series love and goodness are put to the ultimate test. Will the Wind Riders and the Pack be strong enough to withstand the God of Death? Will the Great Goddess of Life awaken to join the battle, and if so, will it be as Death's consort, or will the Goddess stand with Mari and her people against the great love of her eternal life?

PRAISE

"A mind-blowing and imaginative story ...Cast's imagination knows no bounds and it will be interesting to see what new ideas arise when she puts pen to paper next."

— Romantic Times on Sun Warrior

"Fantasy lovers who are fans of Cinda Williams Chima's "Seven Realms" novels will fall in love with Mari and Nik." — School Library Journal

"Cast's fans should find much to be pleased with in this new venture" — Kirkus

"...engaging characters and a fast-paced narrative" — Publishers Weekly

P.C. CAST was born in the Midwest, and grew up being shuttled back-and-forth between Illinois and Oklahoma, which is where she fell in love with Quarter Horses and mythology. Ms. Cast is a #1 New York Times and USA Today Best-Selling author and a member of the Oklahoma Writers Hall of Fame. With more than 20 million copies in print in over 40 countries, her novels have received many prestigious awards. Ms. Cast lives in Oregon surrounded by beloved cats, dogs, horses, and family.
