Between the Blade and the Heart

Amanda Hocking

The first book in a brilliant new YA fantasy duology by New York Times bestselling author Amanda Hocking.

Valkyries have one great responsibility: to return immortals to the afterlife by slaying them. As a Valkyrie, Malin has always known that the balance of the world rests on her ability to carry out orders. But when Malin discovers that her mother spared the life of an immortal who was destined to die, her world is thrown into chaos.

Malin not only wrestles with the knowledge that her mother might not be who she thought—she's also thrust into the path of a gorgeous blue eyed guy named Asher who needs her help slaying the rogue immortal who destroyed his family. The balance of the world is at stake. And, as Asher competes with Malin's ex for her love and loyalty, so is her heart.

New York Times bestselling author Amanda Hocking begins a thrilling two-book duology set in a universe where immortal creatures roam and one girl is the world's only hope.

PRAISE

“Amanda Hocking knows how to tell a good story and keep readers coming back for more.” —Kirkus Reviews

“Amanda Hocking always has interesting, intense and beautiful storylines.” —USAToday.com

“The novel’s lingering questions and the author’s knack for cliffhangers are reason enough to anticipate the next installment.” —Publisher’s Weekly on Frostfire

AMANDA HOCKING is the author of over twenty young adult novels, including the *New York Times* bestselling Trylle Trilogy and Kanin Chronicles. Her love of pop culture and all things paranormal influence her writing. She spends her time in Minnesota, taking care of her menagerie of pets and working on her next book.

Shadowson

S. Jae-Jones

The conclusion to the gorgeous and lush Wintersong duology.

“A maze of beauty and darkness, of music and magic and glittering things, all tied together with exquisite writing. This is a world you will want to stay lost in.”—Marie Lu, #1 *New York Times* bestselling author

Six months after the end of *Wintersong*, Liesl is working toward furthering both her brother’s and her own musical careers. Although she is determined to look forward and not behind, life in the world above is not as easy as Liesl had hoped. Her younger brother Josef is cold, distant, and withdrawn, while Liesl can’t forget the austere young man she left beneath the earth, and the music he inspired in her.

When troubling signs arise that the barrier between worlds is crumbling, Liesl must return to the Underground to unravel the mystery of life, death, and the Goblin King—who he was, who he is, and who he will be. What will it take to break the old laws once and for all? What is the true meaning of sacrifice when the fate of the world—or the ones Liesl loves—is in her hands?

PRAISE

“Spellbinding and sexy, *Wintersong* is a feast for all the senses. I didn’t want this beautifully written book to end.” —Renée Ahdieh, #1 *New York Times* bestselling author on *Wintersong*

“This is an exquisitely and lyrically crafted tale of longing, sibling loyalty, and the importance of women in a time when women were so often overlooked. Eerie, unsettling, and above all, full of music.” —*Booklist* (Starred Review) on *Wintersong*

“Jae-Jones writes beautifully about the magic of love, the power of music, and the importance of free will.” —*Publishers Weekly* on *Wintersong*

Wintersong

A Novel

S. Jae-Jones

Dark, romantic and unforgettable, a fantastical coming-of-age story for fans of *Labyrinth* and *The Darkest Part of the Forest*.

Instant *New York Times* bestseller.

The last night of the year. Now the days of winter begin and the Goblin King rides abroad, searching for his bride...

All her life, Liesl has heard tales of the beautiful, dangerous Goblin King. They've enraptured her mind, her spirit, and inspired her musical compositions. Now eighteen and helping to run her family's inn, Liesl can't help but feel that her musical dreams and childhood fantasies are slipping away.

But when her own sister is taken by the Goblin King, Liesl has no choice but to journey to the Underground to save her. Drawn to the strange, captivating world she finds—and the mysterious man who rules it—she soon faces an impossible decision. And with time and the old laws working against her, Liesl must discover who she truly is before her fate is sealed.

Dark, romantic, and powerful, *Wintersong* will sweep you away into a world you won't soon forget.

In the midst of a busy day, it's normal to gravitate toward food—a quick slice of pizza, a chocolate bar, or a bag of chips—that fulfills a craving of the moment or gives a quick energy boost. This impulse makes sense. Food gives us a sense of pleasure and joy and can provide us with satisfaction and comfort. It gives us energy and quite literally sustains life as we know it. It *should* be emotional.

If you are feeling sad, stressed, exhausted, hangry, or bored, it's comforting to eat dishes you love and crave. In *Eat Your Feelings*, Lindsey Smith, the Food Mood Girl, shows how to make yummy meals and snacks with mood-boosting ingredients that will physically nourish. Lindsey will share ways to eat healthy foods based on what people tend to crave the most during heightened emotional states, introducing recipes with crunchy, cheesy, creamy, sweet, and salty themes and drink alternatives for those who tend to chug soda or coffee when all worked up.

A major element of the Food Mood lifestyle is love, and revolutionizing the way you treat your body and your cravings will not only rid yourself of hanger pains but will also teach you how to listen and respond to your body with healthy ingredients and recipes. Blending together Lindsey Smith's passion for health and wellness, food and humor, *Eat Your Feelings* is a humorous, lighthearted take on your typical diet book.

PRAISE

"A must-have for anyone looking to ditch the stress around food and feel more beautiful inside and out." —Lorraine Miller, author of *A Year of Daily Gratitude*

"Take a bite out of this book to help satisfy your innermost cravings. Emotional eating has never tasted so good!" —Andrea Beaman, author of *Happy Healthy Thyroid – The Essential Steps to Healing Naturally*

"Grab this book to deconstruct your cravings, find the foods that make you feel fabulous, and get inspired to cook delicious, mood-boosting meals every day." —Jolene Hart, health coach and author of the *Eat Pretty* series

LINDSEY SMITH is a nationally recognized author, health coach, speaker, wellness icon, and the blogger behind Food Mood Girl. Best known for her books *Junk Foods & Junk Moods* and *Food Guilt No More*, Lindsey has reached thousands of people looking to enhance their mood, decrease their anxiety, and learn to love themselves more. When not helping others, Lindsey is spending time with her husband and dog, Winnie Cooper. Lindsey lives in Pittsburgh, PA.

This Heart of Mine

C. C. Hunter

A new heart saved her life—but will it help her find out what really happened to its donor?

Seventeen-year-old Leah MacKenzie is heartless. An artificial heart in a backpack is keeping her alive, which will only work for a few years. And with her rare blood type, a transplant isn't likely. Living like you are dying isn't all it's cracked up to be. But when a heart becomes available, she's given an amazing second chance at life. Then Leah discovers who the donor was—a boy from her school—and people are saying he killed himself. Plagued with unsettling dreams since the transplant, Leah realizes she may hold the clues to what really happened.

Matt refuses to believe his twin killed himself. When Leah seeks him out, he learns they are both having similar dreams, and he's certain it means something important. While unraveling the secrets of his brother's final moments, Leah and Matt find each other and a love they are terrified to lose. But life and even new hearts don't come with guarantees. Who knew that living took more courage than dying?

This Heart of Mine is a haunting, poignant tale about living and dying, surviving grief, guilt, and heartache, while discovering love and hope.

PRAISE

Praise for C.C. Hunter:

Dream Things True

A Novel

Marie Marquardt

A modern-day Romeo and Juliet story in which a wealthy Southern boy falls in love with an undocumented Mexican girl and together they face perils in their hostile Georgia town.

Evan and Alma have spent fifteen years living in the same town, connected in a dozen different ways but also living worlds apart—until the day he jumps into her dad’s truck and slams on the brakes.

The nephew of a senator, Evan seems to have it all—except a functional family. Alma has lived in Georgia since she was two, surrounded by a large (sometimes smothering) Mexican family. They both want out of this town. His one-way ticket is soccer; hers is academic success.

When they fall in love, they fall hard, trying to ignore their differences. Then Immigration and Customs Enforcement begins raids in their town, and Alma knows that she needs to share her secret. But how will she tell her country-club boyfriend that she and almost everyone she’s close to are undocumented immigrants?

What follows is a beautiful, nuanced exploration of the complications of immigration, young love, defying one’s family, and facing a tangled bureaucracy that threatens to completely upend two young lives. This page-turning debut asks tough questions, reminding us that love is more powerful than fear.

PRAISE

When the Moon Was Ours

A Novel

Anna-Marie McLemore

From the author of *The Weight of Feathers* comes a young adult novel about a girl hiding the truth, a boy with secrets from his past, and four sisters who could ruin them both.

Recipient of a Stonewall Honor and longlisted for the National Book Award, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic.

To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel's wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel's skin, convinced that their scent can make anyone fall in love. And they're willing to use every secret Miel has fought to protect to make sure she gives them up.

Atmospheric, dynamic, and packed with gorgeous prose, *When the Moon Was Ours* is another winner from this talented author.

PRAISE

"With luminous prose infused with Latino folklore and magical realism, this mixes fairy-tale ingredients with the elegance of a love story, with all of it rooted in a deeply real sense of humanity. Lovely, necessary, and true." —*Booklist* (Starred Review)

"A lush narrative set at the thresholds of identity, family, and devotion... Readers will be ensnared in this ethereal narrative long before they even realize the net has been cast." —*Kirkus* (Starred Review)

ANNA-MARIE McLEMORE was born in the foothills of the San Gabriel Mountains, raised in the same town as the world's largest wisteria vine, and taught by her family to hear la llorona in the Santa Ana winds. She is the author of *The Weight of Feathers*, *When the Moon Was Ours*, and *Wild Beauty*.

Fade to Us

Julia Day

Fade To Us is a story about found families, the bond of sisterhood, and the agony and awe of first love.

Brooke's summer is going to be EPIC— having fun with her friends and a job that lets her buy a car. Then her new stepfather announces his daughter is moving in. Brooke has always longed for a sibling, so she's excited about spending more time with her stepsister. But she worries, too. Natalie has Asperger's--and Brooke's not sure how to be the big sister that Natalie needs.

After Natalie joins a musical theater program, Brooke sacrifices her job to volunteer for the backstage crew. She's mostly there for Natalie, but Brooke soon discovers how much she enjoys being part of the show. Especially sweet is the chance to work closely with charming and fascinating Micah--the production's stage manager. If only he wasn't Natalie's mentor...

When her summer comes to an end, will Brooke finally have the family she so desperately wants--and the love she's only dreamed about?

PRAISE

Praise for *The Possibility of Somewhere*:

“An engaging read...full of drama.” —*School Library Journal*

“Julia Day’s modern day tale of Romeo and Juliet meets Pride and Prejudice will touch your heart.” —Katie McGarry, bestselling author of *Pushing The Limits*

“As a romance that reaches across class and ethnicity, then, this refreshes centuries-old dilemmas and effectively situates them in a contemporary classroom. Day ably nuances the social prejudices of a small town, and the classic romance ending points to the possibility of a redemptive future.” —*Bulletin for the Center for Children’s Books*

JULIA DAY lives in North Carolina, halfway between the beaches and the mountains. She has two twenty-something daughters and one geeky old husband. When she's not writing software or stories, Julia enjoys traveling with her family, watching dance reality shows on TV, and dreaming about which restaurant ought to get her business that night.

Flight Season

A Novel

Marie Marquardt

From the author of *Dream Things True* and *The Radius of Us* comes a story of two teenagers learning what to hold on to, what to let go of, and that sometimes love gets in the way of our plans.

Back when they were still strangers, TJ Carvalho witnessed the only moment in Vivi Flannigan's life when she lost control entirely. Now, TJ can't seem to erase that moment from his mind, no matter how hard he tries. Vivi doesn't remember any of it, but she's determined to leave it far behind. And she will.

But when Vivi returns home from her first year away at college, her big plans and TJ's ambition to become a nurse land them both in the heart ward of a university hospital, facing them with a long and painful summer together—three months of glorified babysitting for Ángel, the problem patient on the hall. Sure, Ángel may be suffering from a life-threatening heart infection, but that doesn't make him any less of a pain.

As it turns out, though, Ángel Solís has a thing or two to teach them about all those big plans, and the incredible moments when love gets in their way.

Written in alternating first person from the perspectives of all three characters, *Flight Season* is a story about discovering what's really worth holding onto, learning how to let go of the rest, and that one crazy summer that changes your life forever.

A Crown of Wishes

Roshani Chokshi

A beautiful, lush fantasy from the author of *The Star-Touched Queen*.

Gauri, the princess of Bharata, has been taken as a prisoner of war by her kingdom's enemies. Faced with a future of exile and scorn, Gauri has nothing left to lose. Hope unexpectedly comes in the form of Vikram, the cunning prince of a neighboring land and her sworn enemy kingdom. Unsatisfied with becoming a mere puppet king, Vikram offers Gauri a chance to win back her kingdom in exchange for her battle prowess. Together, they'll have to set aside their differences and team up to win the Tournament of Wishes—a competition held in a mythical city where the Lord of Wealth promises a wish to the victor.

Reaching the tournament is just the beginning. Once they arrive, danger takes on new shapes: poisonous courtesans and mischievous story birds, a feast of fears, and twisted fairy revels.

Every which way they turn new trials will test their wit and strength. But what Gauri and Vikram will soon discover is that there's nothing more dangerous than what they most desire.

PRAISE

Named “One of the Most Anticipated YA Novels of 2017” by *Entertainment Weekly*, *Teen Vogue*, and *Bustle.com*.

“Careful plotting, multiple viewpoints, high-stakes action, and a slow-burn relationship makes this heady fantasy completely engrossing. A first pick for YA collections.” —*School Library Journal* (Starred Review)

“Chokshi’s debut, *The Star-Touched Queen* (2016), was lush and gorgeously written, and Chokshi has only improved; this lovely companion tale boasts a stronger narrative structure in addition to the delightful prose.” —*Booklist*

ROSHANI CHOKSHI is the *New York Times* bestselling author of *The Star-Touched Queen*. Her work has appeared in *Strange Horizons*, *Shimmer*, and *Book Smugglers*. Her short story, “The Star Maiden,” was longlisted for the British Fantasy Science Award.

A Novel

Corinne Sullivan

Blurring the lines of blame and moral ambiguity, Corinne Sullivan's smart, sexy debut is perfect for fans of *The Girls* and *Sweetbitter*.

Shy, introverted Imogene Abney has always been fascinated by the elite world of prep schools, having secretly longed to attend one since she was a girl in Buffalo, New York. So, shortly after her college graduation, when she's offered a teaching position at the Vandenberg School for Boys, an all-boys prep school in Westchester, New York, she immediately accepts, despite having little teaching experience—and very little experience with boys.

When Imogene meets handsome, popular Adam Kipling a few weeks into her tenure there, a student who exudes charm and status and ease, she's immediately drawn to him. Who is this boy who flirts with her without fear of being caught? Who is this boy who seems immune to consequences and worry; a boy for whom the world will always provide?

As an obsessive, illicit affair begins between them, Imogene is so lost in the haze of first love that she's unable to recognize the danger she's in. The danger of losing her job. The danger of losing herself in the wrong person. The danger of being caught doing something possibly illegal and so indecent.

Exploring issues of class, sex, and gender, this smart, sexy debut by Corinne Sullivan shatters the black-and-white nature of victimhood, taking a close look at blame and moral ambiguity.

PRAISE

“A page turner with characters so fresh and real it's scary, *Indecent* will take your breath away.” —Rufi Thorpe, author of *The Girls from Corona Del Mar* and *Dear Fang, With Love*

“A fractured coming-of-age story, a one-two punch about self-sabotage and obsessive love, *Indecent* is a page-turner of a debut by a ridiculously talented young writer.” —Lauren Fox

CORINNE SULLIVAN studied English with a Creative Writing Concentration at Boston College, where she graduated in 2014. She then received her MFA in fiction from Sarah Lawrence College in 2016. Her stories have appeared in *Night Train*, *Knee-Jerk*, and *Pithead Chapel*, among other publications. *Indecent* is her debut novel.

In Sight of Stars

Gae Polisner

An emotional, full-hearted teen novel about love, loss, and mental health from award-winning author, Gae Polisner.

Seventeen-year-old Klee's father was the center of his life. He introduced Klee to the great museums of New York City and the important artists on their walls, he told him stories made of myths and magic. Until his death.

Now, forced to live in the suburbs with his mom, Klee can't help but feel he's lost all the identifying parts of himself—his beloved father, weekly trips to the MoMA, and the thrumming energy of New York City. That is until he meets wild and free Sarah in art class, with her quick smiles and jokes about his "brooding." Suddenly it seems as if she's the only thing that makes him happy. But when an act of betrayal sends him reeling, Klee lands in what is bitingly referred to as the "Ape Can," a psychiatric hospital for teens in Northollow.

While there, he undergoes intensive therapy and goes back over the pieces of his life to find out what was real, what wasn't, and whether he can stand on his own feet again. Told in alternating timelines, leading up to the event that gets him committed and working towards getting back out, Gae Polisner's *In Sight of Stars* is a gorgeous novel told in minimalist strokes to maximal effect, about what makes us fall apart and how we can put ourselves back together again.

PRAISE

"[A] gripping, emotional story set in the part of history we'll never forget, even if sometimes we wish we could." —*New York Daily News* on *The Memory of Things*

"Kyle is a winning protagonist whose responses to 9/11 and its effects on the people he loves feel completely believable and intensely relatable." —*Christian Science Monitor* on *The Memory of Things*

"...a touching look at the power of selflessness, memory, and hope in the face of tragedy." —*Booklist* on *The Memory of Things*

GAE POLISNER is the award-winning author of *The Memory of Things* (Nerdy Book Club Best YA 2016), *The Summer of Letting Go* (Nerdy Book Club Best YA 2014, Teen Ink Editor's Choice Badge of Approval) and *The Pull of Gravity* (2012 Bank Street Best, 2012 PSLA Top Forty, Nerdy Book Club Best YA 2011). She also co-hosts *Teachers Write!*, a virtual writers camp for teachers and educators. She lives in Long Island, New York with her family.
