## The Gilded Wolves

Roshani Chokshi

**Set in a darkly glamorous world *The Gilded Wolves* is full of mystery, decadence and dangerous but thrilling adventure.**

Paris, 1889: The world is on the cusp of industry and power, and the Exposition Universelle has breathed new life into the streets and dredged up ancient secrets. In this city, no one keeps tabs on secrets better than treasure-hunter and wealthy hotelier, Séverin Montagnet-Alarie. But when the all-powerful society, the Order of Babel, seeks him out for help, Séverin is offered a treasure that he never imagined: his true inheritance. To find the ancient artifact the Order seeks, Séverin will need help from a band of experts:

An engineer with a debt to pay. A historian who can't yet go home. A dancer with a sinister past. And a brother in all but blood, who might care too much.

Together, they'll have to use their wits and knowledge to hunt the artifact through the dark and glittering heart of Paris. What they find might change the world, but only if they can stay alive.

## White Stag

*A Novel*

Kara Barbieri

**The first book in a brutally stunning series where a young girl finds herself becoming more monster than human and must uncover dangerous truths about who she is.**

As the last child in a family of daughters, seventeen-year-old Janneke was raised to be the male heir. While her sisters were becoming wives and mothers, she was taught to hunt, track, and fight. On the day her village was burned to the ground, Janneke—as the only survivor—was taken captive by the malicious Lydian and eventually sent to work for his nephew Soren.

Janneke's survival in the court of merciless monsters has come at the cost of her connection to the human world. And when the Goblin King's death ignites an ancient hunt for the next king, Soren senses an opportunity for her to finally fully accept the ways of the brutal Permafrost. But every action he takes to bring her deeper into his world only shows him that a little humanity isn't bad—especially when it comes to those you care about.

Through every battle they survive, Janneke's loyalty to Soren deepens even as she tries to fight her growing attraction to him. After dangerous truths are revealed, Janneke must choose between holding on or letting go of her last connections to a world she no longer belongs to. She must make the right choice to save the only thing keeping both worlds from crumbling.

# Indecent

*A Novel*

Corinne Sullivan

**Corinne Sullivan's debut that bestselling author Jennifer Close called "a sharp and complex coming-of-age story," now in trade paperback.**

Shy, introverted Imogene Abney has always been fascinated by the elite world of prep schools, so, shortly after her college graduation, she immediately accepts a teaching position at the Vandenberg School for Boys, an all-boys prepschool in Westchester, New York, despite having little teaching experience—and very little experience with boys.

Imogene soon meets handsome, popular Adam Kipling, a student who exudes charm and status and ease, and she's immediately drawn to him. As an obsessive, illicit affair begins between them, Imogene is so lost in the haze of first love that she's unable to recognize the danger she's in. The danger of losing her job. The danger of losing herself in the wrong person. The danger of being caught doing something possibly illegal and so indecent.

Exploring issues of class, sex, and gender, *Indecent* shatters the black-and-white nature of victimhood, and blurs the lines of blame and moral ambiguity.

**PRAISE**

"[A] surprising debut...an affecting novel, examining self-doubt, self-sabotage, and the lasting impact of both." — *Publishers Weekly*

"[A] steamy debut, in which infatuation crosses the line into obsession... Imogene's backstory...will have readers sympathizing with her as she works through her past." — *Library Journal*

"A heart-breaking, entirely believable exploration of an illicit affair. *Indecent* captures the white-hot haze of first love, as obsessive and delicious as it is blinding and dangerous. You won't be able to put this down." — Georgia Clark, author of *The Regulars*

CORINNE SULLIVAN studied English with a Creative Writing Concentration at Boston College, where she graduated in 2014. She then received her MFA in fiction from Sarah Lawrence College in 2016. Her stories have appeared in *Night Train*, *Knee-Jerk*, and *Pithead Chapel*, among other publications. *Indecent* is her debut novel.

## You'd Be Mine

*A Novel*

Erin Hahn

### A whip smart teen romance debut inspired by Johnny Cash and June Carter Cash from a bright new voice

Annie Mathers is America's sweetheart and heir to a country music legacy full of all the things her Gran warned her about. Superstar Clay Coolidge is most definitely going to end up one of those things.

But unfortunately for Clay, if he can't convince Annie to join his summer tour, his music label is going to drop him. That's what happens when your bad boy image turns into bad boy reality. Annie has been avoiding the spotlight after her parents' tragic death, except on her skyrocketing YouTube channel. Clay's label wants to land Annie, and Clay has to make it happen.

Swayed by Clay's undeniable charm and good looks, Annie and her band agree to join the tour. From the start fans want them to be more than just tour mates, and Annie and Clay can't help but wonder if the fans are right. But if there's one part of fame Annie wants nothing to do with, it's a high-profile relationship. She had a front row seat to her parents' volatile marriage and isn't interested in repeating history. If only she could convince her heart that Clay, with his painful past and head over heels inducing tenor, isn't worth the risk.

Erin Hahn's thrilling debut, *You'd Be Mine*, asks: can the right song and the perfect summer on the road make two broken hearts whole?

### PRAISE

**"Unputdownable from page one, *You'd Be Mine* is a pitch perfect romance for fans of Kasie West and Katie McGarry. Hahn's writing is warm, biting, and totally dangerous. This book is so good, it'll inspire even the staunchest Yanks to put on cowboy boots."** - Lily Anderson, author of Indie Next pick, *Not Now, Not Ever*, and *The Only Thing Worse Than Me is You*

ERIN HAHN started writing her own books when her little sister gave her shade about a country music-themed Twilight fanfic. By day, she likes to help kindergarteners make snakes out of Play-Doh. By night, she writes swoons. She married her own YA love interest who she met on her first day of college and has two kids who are much, much cooler than she ever was at their age. ## Sky in the Deep

Adrienne Young

**A 2018 Most Anticipated Young Adult book that is part *Wonder Woman*, part *Vikings*—and all heart, now in trade paperback.**

*OND ELDR. BREATHE FIRE.*

Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, rivalry against the Riki clan. Her life is brutal but simple: fight and survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago.

Faced with her brother's betrayal, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family.

She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and family while daring to put her faith in the people she's spent her life hating.
