You Have a Match

A Novel

Emma Lord

From the beloved author of *Tweet Cute* comes Emma Lord's next novel of family, friendship, romance and sisterhood.

When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie... although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front.

But she didn't know she's a younger sister.

When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents—especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself.

The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a secret that threatens to unravel everything.

But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones.

Shadow City

A Novel

Francesca Flores

Shadow City is an action-packed young adult fantasy by Francesca Flores about a girl who perseveres through poverty, violence, and loss to achieve a future for herself.

Aina Solís has fought her way to the top of criminal ranks in the city of Kosín by wresting control of an assassin empire owned by her old boss, Kohl. She never has to fear losing her home and returning to life on the streets again—except Kohl, the man who tried to ruin her life, will do anything to get his empire back. Aina sets out to kill him before he can kill her.

But Alsane Bautix, the old army general who was banned from his seat in the government after Aina revealed his corruption, is working to take back power by destroying anyone who stands in his way. With a new civil war on the horizon and all their lives at risk, the only way for Aina to protect her home is to join up with the only other criminal more notorious than her: Kohl himself.

As Bautix's attacks increase, Aina and Kohl work together to stop his incoming weapons shipments and his plans to take back the Tower of Steel. To defeat them both, Aina will resort to betrayal, poison, and a deadly type of magic that hasn't been used in years.

Through narrow alleys, across train rooftops, and deep in the city's tunnels, Aina and Kohl will test each other's strengths and limits, each of them knowing that once Bautix is dead, they'll still have to face each other. If she manages to kill him, she'll finally have the freedom she wants—but it might forever mark her as his shadow in a city where only the strongest survive.

Tweet Cute

A Novel

Emma Lord

From debut author Emma Lord comes a re-imagining of *You've Got Mail* in this heartfelt and hilarious celebration of snarky tweets, first kisses and an epic social-media battle, now in paperback.

Meet Pepper, swim team captain, chronic overachiever, and all-around perfectionist. Her family may be falling apart, but their massive fast-food chain is booming—mainly thanks to Pepper, who is barely managing to juggle real life while secretly running Big League Burger's massive Twitter account.

Enter Jack, class clown and constant thorn in Pepper's side. When he isn't trying to duck out of his obscenely popular twin's shadow, he's busy working in his family's deli. His relationship with the business that holds his future might be love/hate, but when Big League Burger steals his grandma's iconic grilled cheese recipe, he'll do whatever it takes to take them down, one tweet at a time.

All's fair in love and cheese—that is, until Pepper and Jack's spat turns into a viral Twitter war. Little do they know, while they're publicly duking it out with snarky memes and retweet battles, they're also falling for each other in real life—on an anonymous chat app Jack built.

As their relationship deepens and their online shenanigans escalate—*people on the internet are shipping them??*—their battle gets more and more personal, until even these two rivals can't ignore they were destined for the most unexpected, awkward, all-the-feels romance that neither of them expected.

The next pulls-no-punches thriller from *New York Times* bestselling and Edgar Award-winning author Courtney Summers, about an aspiring young journalist determined to save her sister from a cult.

"The Unity Project saved my life."

Lo Denham is used to being on her own. After her parents died, Lo's sister, Bea, joined The Unity Project, leaving Lo in the care of their great aunt. Thanks to its extensive charitable work and community outreach, The Unity Project has won the hearts and minds of most in the Upstate New York region, but Lo knows there's more to the group than meets the eye. She's spent the last six years of her life trying--and failing--to prove it.

"The Unity Project murdered my son."

When a man shows up at the magazine Lo works for claiming The Unity Project killed his son, Lo sees the perfect opportunity to expose the group and reunite with Bea once and for all. When her investigation puts her in the direct path of its charismatic and mysterious leader, Lev Warren, he proposes a deal: if she can prove the worst of her suspicions about The Unity Project, she may expose them. If she can't, she must finally leave them alone.

But as Lo delves deeper into The Project, the lives of its members, and spends more time with Lev, it upends everything she thought she knew about her sister, herself, cults, and the world around her--to the point she can no longer tell what's real or true. Lo never thought she could afford to believe in Lev Warren . . . but now she doesn't know if she can afford not to.

The Last Secret You'll Ever Keep

A Novel

Laurie Faria Stolarz

Bestselling author Laurie Faria Stolarz returns with a thrilling novel where an eighteen-year-old girl's search for answers lands her in one of the most terrifying situations imaginable.

Four days...

Trapped in a well, surrounded by dirt, scratching at the walls trying to find a way out.

Four days of a thirst so strong, that when it finally rains, I drink as much as possible from the dripping walls, not even caring how much dirt comes with it.

Six months...

Since my escape. Since no one believed I was taken to begin with – from my own bed, after a party, when no one else was home...

Six months of trying to find answers and being told instead that I made the whole incident up.

One month...

Since I logged on to the Jane Anonymous site for the first time and found a community of survivors who listen without judgment, provide advice, and console each other when needed.

A month of chatting with a survivor whose story eerily mirrors my own: a girl who's been receiving triggering clues, just like me, and who could help me find the answers I'm searching for.

Three days...

Since she mysteriously disappears, and since I'm forced to ask the questions: will my chance to find out what happened to me vanish with her? And will I be next?

PRAISE

Praise for *Jane Anonymous*

"A story about lingering trauma, loss, and the journey toward healing...A must-read." —*School Library Journal*

"This engrossing confessional is both heartbreaking and hopeful." —*Booklist*

Perfect on Paper

A Novel

Sophie Gonzales

Leah on the Offbeat meets To All the Boys I've Loved Before: a bisexual girl who gives anonymous love advice to her classmates is hired by the hot guy to help him get his ex back

"Perfect on Paper is perfectly wonderful." —Becky Albertalli

Her advice, spot on. Her love life, way off.

Darcy Phillips:

- Can give you the solution to any of your relationship woes—for a fee.
- Uses her power for good. Most of the time.
- Really cannot stand Alexander Brougham.
- Has maybe not the best judgement when it comes to her best friend, Brooke... who is in love with someone else.
- Does not appreciate being blackmailed.

However, when Brougham catches her in the act of collecting letters from locker 89—out of which she's been running her questionably legal, anonymous relationship advice service—that's exactly what happens. In exchange for keeping her secret, Darcy begrudgingly agrees to become his personal dating coach—at a generous hourly rate, at least. The goal? To help him win his ex-girlfriend back.

Darcy has a good reason to keep her identity secret. If word gets out that she's behind the locker, some things she's not proud of will come to light, and there's a good chance Brooke will never speak to her again.

Okay, so all she has to do is help an entitled, bratty, (annoyingly hot) guy win over a girl who's already fallen for him once? What could go wrong?

Only Mostly Devastated

A Novel

Sophie Gonzales

Simon vs. the Homo Sapiens Agenda* meets *Clueless* in this boy-meets-boy spin on *Grease

"A delightful, heartwarming, heartrending story about family, love, friendship, and living your most authentic life. I couldn't put it down." —*New York Times*–bestselling author Sandhya Menon

Will Tavares is the dream summer fling—he's fun, affectionate, kind—but just when Ollie thinks he's found his Happily Ever After, summer vacation ends and Will stops texting Ollie back. Now Ollie is one prince short of his fairytale ending, and to complicate the fairytale further, a family emergency sees Ollie uprooted and enrolled at a new school across the country. Which he minds a little less when he realizes it's the same school Will goes to... except Ollie finds that the sweet, comfortably queer guy he knew from summer isn't the same one attending Collinswood High. This Will is a class clown, closeted—and, to be honest, a bit of a jerk.

Ollie has no intention of pining after a guy who clearly isn't ready for a relationship, especially since this new, bro-y jock version of Will seems to go from hot to cold every other week. But then Will starts "coincidentally" popping up in every area of Ollie's life, from music class to the lunch table, and Ollie finds his resolve weakening.

The last time he gave Will his heart, Will handed it back to him trampled and battered. Ollie would have to be an idiot to trust him with it again.

Right? Right.

Slingshot

A Novel

Mercedes Helnwein

An exciting debut contemporary young adult novel perfect for fans of Rainbow Rowell and Mary H. K. Choi

Grace Welles had resigned herself to the particular loneliness of being fifteen and stuck at a third-tier boarding school in the swamps of Florida, when she accidentally saves the new kid in her class from being beat up. With a single aim of a slingshot, the monotonous mathematics of her life are obliterated forever... because now there is this boy she never asked for. Wade Scholfield.

With Wade, Grace discovers a new way to exist. School rules are optional, life is bizarrely perfect, and conversations about wormholes can lead to make-out sessions that disrupt any logical stream of thoughts.

So why does Grace crush Wade's heart into a million tiny pieces? And what are her options when she finally realizes that 1. The universe doesn't revolve around her, and 2. Wade has been hiding a dark secret? Is Grace the only person unhinged enough to save him?

Acidly funny and compulsively readable, Mercedes Helnwein's debut novel *Slingshot* is a story about two people finding each other and then screwing it all up. See also: soulmate, friendship, stupidity, sex, bad poetry, and all the indignities of being in love for the first time.

PRAISE

"All the terror and wonder of that first true love, masterfully detailed with true emotional rigor and blinding wit. My fifteen-year-old self wants to scream into a pillow with joy." —David Yoon, *New York Times* bestselling author of *Frankly in Love*

"Glittering and irreverent, Helnwein has crafted an iconic character for the ages in sharp-tongued iconoclast, Gracie Welles. Beautiful prose, characters that breathe, and a voice so thick you could swim in it—I am fully here for this book." —David Arnold, *New York Times* bestselling author of *The Strange Fascinations of Noah Hypnotik* and *Mosquitoland*

"Put down *Catcher in the Rye*, pick up *Slings...*

MERCEDES HELNWEIN is a visual artist and writer.
